DOLLAR ORIGAMI

10 ORIGAMI PROJECTS INCLUDING THE AMAZING KOI FISH

Simon and Schuster Let an origami master teach you how to fold your cash into frogs, scorpions, and other creatures and objects. We handle money every day. We're used to handing over a few bills for a coffee or a few more bills for a book or a new item of clothing. But it's fairly rare these days to be able to turn just one dollar into anything. A dollar won't buy you a camera or a shark, but there is a way to make it into one! Dollar Origami teaches you how to turn your currency into almost anything with just a few folds. With simple instructions and full-color photos, you'll be crafting beautiful butterflies, adorable penguins, and more in your own home in no time. Sometimes, your money can go farther than you think, and with Dollar Origami, it can also provide you with much more fun! "Park is not an amateur artist by any means—he actually has a master's degree in origami and is known in circles as 'the money folder' . . . His origami is certainly worth more than the currency it's created with." —Business Insider "Owning a copy of Dollar Origami is like holding onto to a part of origami history: the dawn of complex dollar bill origami." —Origami Resource Center
