As recognized, adventure as competently as experience just about lesson, amusement, as capably as promise can be gotten by just checking out a book **13 Brennan Temperance Bones Spider** plus it is not directly done, you could admit even more on the subject of this life, as regards the world.

We allow you this proper as with ease as simple way to acquire those all. We meet the expense of 13 Brennan Temperance Bones Spider and numerous books collections from fictions to scientific research in any way. in the midst of them is this 13 Brennan Temperance Bones Spider that can be your partner.

KEY=SPIDER - ARCHER DILLON

SPIDER BONES

Simon and Schuster *Forensic anthropologist Tempe Brennan investigates the death of a man who appears to have died while engaged in a bizarre sexual act and who was originally declared dead four decades earlier.*

SPIDER BONES

(TEMPERANCE BRENNAN 13)

Random House _____ *A gripping Temperance Brennan novel from world-class forensic anthropologist Kathy Reichs, the international no. 1 bestselling crime thriller writer and the inspiration behind the hit TV series Bones. Dr Temperance Brennan spends her life working amongst the decomposed and the skeletal. So the newly-dead body she is called to examine holds little to surprise her. Until she discovers it is the body of an ex-soldier apparently killed in Vietnam in 1968. So who is buried in his grave? The case takes Tempe to the heart of the American military, where she must examine the remains of anyone with a possible connection to the drowned man. As Tempe untangles the web of the soldiers' lives and deaths, she realises there are some who would rather the past stayed buried.* _____ *Many of the world's greatest thriller writers are huge fans of her work: 'Kathy Reichs writes smart - no, make that brilliant - mysteries that are as realistic as nonfiction and as fast-paced as the best thrillers about Jack Reacher, or Alex Cross.'* JAMES PATTERSON *'One of my favourite writers.'* KARIN SLAUGHTER *'I love Kathy Reichs? -*

always scary, always suspenseful, and I always learn something.' LEE CHILD 'Nobody does forensics thrillers like Kathy Reichs. She's the real deal.' DAVID BALDACCI 'Each book in Kathy Reichs's fantastic Temperance Brennan series is better than the last. They're filled with riveting twists and turns - and no matter how many books she writes, I just can't get enough!' LISA SCOTTOLINE 'Nobody writes a more imaginative thriller than Kathy Reichs.' CLIVE CUSSLER

SPIDER BONES

A NOVEL

Scribner *Kathy Reichs*—#1 New York Times bestselling author and producer of the FOX television hit *Bones*—returns with the thirteenth riveting novel featuring forensic anthropologist Dr. Temperance Brennan. John Lowery was declared dead in 1968—the victim of a Huey crash in Vietnam, his body buried long ago in North Carolina. Four decades later, Temperance Brennan is called to the scene of a drowning in Hemmingford, Quebec. The victim appears to have died while in the midst of a bizarre sexual practice. The corpse is later identified as John Lowery. But how could Lowery have died twice, and how did an American soldier end up in Canada? Tempe sets off for the answer, exhuming Lowery's grave in North Carolina and taking the remains to Hawaii for reanalysis—to the headquarters of JPAC, the U.S. military's Joint POW/ MIA Accounting Command, which strives to recover Americans who have died in past conflicts. In Hawaii, Tempe is joined by her colleague and ex-lover Detective Andrew Ryan (how “ex” is he?) and by her daughter, who is recovering from her own tragic loss. Soon another set of remains is located, with Lowery's dog tags tangled among them. Three bodies—all identified as Lowery. And then Tempe is contacted by Hadley Perry, Honolulu's flamboyant medical examiner, who needs help identifying the remains of an adolescent boy found offshore. Was he the victim of a shark attack? Or something much more sinister? A complex and riveting tale of deceit and murder unfolds in this, the thirteenth thrilling novel in Reichs's “cleverly plotted and expertly maintained series” (*The New York Times Book Review*). With the smash hit *Bones* now in its fifth season and in full syndication—and her most recent novel, *206 Bones*, an instant New York Times bestseller—Kathy Reichs is at the top of her game.

BREAK NO BONES

A NOVEL

Simon and Schuster *In this updated and repackaged eighth book in Kathy Reichs's internationally bestselling Bones series, Temperance Brennan's investigation of a Native American burial ground on an island near Charleston leads to a fresh trail of bodies. Among the ancient remains in a Native American burial ground, Tempe discovers a fresh skeleton—and what began as an ordinary*

teaching stint at an archeology field school in Charleston, South Carolina, fast becomes a heated investigation into an alarming pattern of homicides. The clues hidden in the bones lead to a street clinic where a monstrous discovery awaits, and Tempe—whose personal life is in upheaval, with two men competing for her—can't afford any distractions as she pieces together a shattering and terrifying puzzle.

FLASH AND BONES

A NOVEL

Simon and Schuster #1 New York Times bestseller! From extremist groups to NASCAR to forensic twists, *Temperance Brennan* is back in a turbo-charged story of secrets and murder. A body is found in a barrel of asphalt in a landfill just before Raceweek when 200,000 fans are pouring into town. The next day a NASCAR crewmember visits Temperance Brennan at the MCME and tells his story. His sister, Cyndi Gamble, then a high school senior who wanted to be a NASCAR driver, disappeared twelve years before along with her boyfriend, Cale Lovette. Lovette used to hang out with a group of right-wing extremists known as the Patriot Posse. Is the body Cyndi's? Or Cale's? At the time of their disappearance, the FBI joined the investigation because of Cale's association with extremists. But the search was quickly terminated. Was there a cover-up? Tempe considers the multiple theories: did the pair take off together to join the underground militia and then get killed by militia types? Did Cale kill Cyndi and disappear into the militia underground? The case gets more complex when another man, Ted Raines, is identified as missing in Charlotte, where he had gone for the big race. Ted was an employee of the CDC in Atlantic. Could the body be his? What could Raines—if it is Raines—have been up to?

COLD, COLD BONES

Simon and Schuster #1 New York Times bestselling thriller writer Kathy Reichs returns with her twenty-first novel of suspense featuring forensic anthropologist Temperance Brennan who, after receiving a box containing a human eyeball, uncovers a series of gruesome killings eerily reenacting the most shocking of her prior cases. Winter has come to North Carolina and, with it, a drop in crime. Freed from a heavy work schedule, Tempe Brennan is content to dote on her daughter Katy, finally returned to civilian life from the army. But when mother and daughter meet at Tempe's place one night, they find a box on the back porch. Inside: a very fresh human eyeball. GPS coordinates etched into the eyeball lead to a Benedictine monastery where an equally macabre discovery awaits. Soon after, Tempe examines a mummified corpse in a state park, and her anxiety deepens. There seems to be no pattern to the subsequent killings uncovered, except that each mimics in some way a homicide that a younger Tempe had been called in to analyze. Who or what is targeting her, and why? Helping Tempe search for answers is detective Erskine "Skinny" Slidell, retired but still

volunteering with the CMPD cold case unit—and still displaying his gallows humor. Also pulled into the mystery: Andrew Ryan, Tempe’s Montreal-based beau, now working as a private detective. Could this elaborately staged skein of mayhem be the prelude to a twist that is even more shocking? Tempe is at a loss to establish the motive for what is going on...and then her daughter disappears. At its core, *Cold, Cold Bones* is a novel of revenge—one in which revisiting the past may prove the only way to unravel the present.

206 BONES

A NOVEL

Simon and Schuster *In the twelfth novel from #1 New York Times bestselling author Kathy Reichs, forensic anthropologist Temperance Brennan finds herself buried alive after being accused of mishandling the autopsy of a Canadian heiress. There are 206 bones in the human body. Forensic anthropologists know them intimately, and can use them to recreate every kind of violent end. Tempe wakes up to discover that she is enclosed in a kind of very small, very dark, very cold space. She is bound, hands to feet, and there’s something wrong with her ankle. Unsure of where she is, Tempe slowly begins to work out what has happened... When the body of a missing heiress was discovered, Temperance Brennan and Lieutenant Ryan accompanied the remains from Montreal to the Chicago morgue. Their trip was soon interrupted when an incriminating phone call accused Tempe of mishandling the autopsy—and the case. But before Tempe could face her accuser, the one man with information about the call died, and Tempe was left in the dark. As the facts slowly slot into place, Tempe wonders who wants her dead, or at least out of the way, and why? Pulse-pounding, electrifying, and seamlessly weaving between past and present, 206 Bones describes the incredible devastation that occurs when forensic evidence is sabotaged in the lab.*

GRAVE SECRETS

Scribner *From New York Times bestselling author Kathy Reichs, Grave Secrets is a bone-chilling Tempe Brennan novel of international black marketeering, decades-old mass murder, and contemporary homicide, now repackaged in a new trade paperback edition. They are “the disappeared,” twenty-three massacre victims buried in a well in the Guatemalan village of Chupan Ya two decades ago. Leading a team of experts on a meticulous, heartbreaking dig, Tempe Brennan pieces together the violence of the past. But a fresh wave of terror begins when the horrific sounds of a fatal attack on two colleagues come in on a blood-chilling satellite call. Teaming up with Special Crimes Investigator Bartolomé Galiano and Montreal detective Andrew Ryan, Tempe quickly becomes enmeshed in the cases of four privileged young women who have vanished from Guatemala City—and finds herself caught in deadly territory where power, money, greed, and science converge.*

BONES TO ASHES

A NOVEL

Simon and Schuster *In Kathy Reichs's tenth bestselling novel featuring forensic anthropologist Temperance Brennan, the discovery of a young girl's skeleton in Acadia, Canada might be connected to the disappearance of Tempe's childhood friend. For Tempe Brennan, the discovery of a young girl's skeleton in Acadia, Canada, is more than just another case. Evangeline, Tempe's childhood best friend, was also from Acadia. Named for the character in the Longfellow poem, Evangeline was the most exotic person in Tempe's eight-year-old world. When Evangeline disappeared, Tempe was warned not to search for her, that the girl was "dangerous." Thirty years later, flooded with memories, Tempe cannot help wondering if this skeleton could be the friend she had lost so many years ago. And what is the meaning of the strange skeletal lesions found on the bones of the young girl? Meanwhile, Tempe's beau, Ryan, investigates a series of cold cases. Two girls dead. Three missing. Could the New Brunswick skeleton be part of the pattern? As Tempe draws on the latest advances in forensic anthropology to penetrate the past, Ryan hunts down a serial predator.*

VIRALS

Penguin *The niece of famed forensic anthropologist Temperance Brennan, fourteen-year-old Tory and her three friends are exposed to a rare strain of canine parvovirus that gives them special powers which they use to try to solve a murder.*

BONES IN HER POCKET

A TEMPE BRENNAN E-SHORT

Simon and Schuster *A new story featuring forensic anthropologist Temperance Brennan—available only in ebook—from #1 New York Times bestselling author and FOX TV's Bones producer, Kathy Reichs. When a fly-covered canvas bag floats to the surface of North Carolina's Mountain Island Lake, forensic anthropologist Tempe Brennan is called to the scene. Animal remains? Or could this be related to bone fragments from a human male found nearby? To Tempe's surprise, the decomposed body indicates the person was a female young adult. The profile fits the description of a missing graduate student named Edith Blankenship. Was Blankenship murdered? If so, why? Blankenship's body turned up on an artist colony where an eco-radical named Herman Blount has been squatting. Blount has posted online rants threatening to blow up a power station he says is polluting the area. Is Blount capable of violence? Blankenship was a loner, but she proved a dedicated advocate for birds at UNC-Charlotte and the Carolina Raptor Center.*

*Did Blankenship's passion lead her into danger? Alongside Detective "Skinny" Slidell, Tempe puts life on hold until she discovers the truth behind Blankenship's death. But Tempe's own passion for crime solving will lead her into danger of her own. This ebook exclusive story—which comes with a special excerpt of Kathy Reichs's new novel, *Bones of the Lost*—is an exhilarating new installment in the *Temperance Brennan* series.*

SPIDER BONES

A NOVEL

Simon and Schuster *A complex and riveting tale of deceit and murder unfolds in this repackaged of the thirteenth thrilling novel in Reichs's "cleverly plotted and expertly maintained series" (The New York Times Book Review). John Lowery was declared dead in 1968—the victim of a Huey crash in Vietnam, his body buried long ago in North Carolina. Four decades later, Temperance Brennan is called to the scene of a drowning in Hemmingford, Quebec. The victim appears to have died while in the midst of a bizarre sexual practice. The corpse is later identified as John Lowery. But how could Lowery have died twice, and how did an American soldier end up in Canada? Tempe sets off for the answer, exhuming Lowery's grave in North Carolina and taking the remains to Hawaii for reanalysis—to the headquarters of JPAC, the U.S. military's Joint POW/ MIA Accounting Command, which strives to recover Americans who have died in past conflicts. In Hawaii, Tempe is joined by her colleague and ex-lover Detective Andrew Ryan (how "ex" is he?) and by her daughter, who is recovering from her own tragic loss. Soon another set of remains is located, with Lowery's dog tags tangled among them. Three bodies—all identified as Lowery. And then Tempe is contacted by Hadley Perry, Honolulu's flamboyant medical examiner, who needs help identifying the remains of an adolescent boy found offshore. Was he the victim of a shark attack? Or something much more sinister?*

DEJA DEAD

A NOVEL

Simon and Schuster *The first Temperance Brennan novel in the "cleverly plotted and expertly maintained series" (The New York Times Book Review) from the #1 internationally bestselling thriller writer Kathy Reichs. Her life is devoted to justice—even for those she never knew. In the year since Temperance Brennan left behind a shaky marriage in North Carolina, work has often preempted her weekend plans to explore Québec. When a female corpse is discovered meticulously dismembered and stashed in trash bags, Temperance detects an alarming pattern—and she plunges into a harrowing search for a killer. But her investigation is about to place*

those closest to her—her best friend and her own daughter—in mortal danger... “A genius at building suspense” (Daily News, New York), Kathy Reichs’s *Temperance Brennan* books are both “accomplished and chilling” (People) and “ripe with intricate settings and memorable characters” (Milwaukee Journal Sentinel).

BONES ARE FOREVER

A NOVEL

Simon and Schuster *THE NEW YORK TIMES BESTSELLER* and #1 *GLOBE AND MAIL BESTSELLER* Producer of the FOX television hit *Bones* KATHY REICHS exposes the high-stakes, high-danger world of diamond mining as Dr. Temperance Brennan tracks a murder suspect deep into the Northwest Territories. Beneath a diamond's perfect surface lies a story of violence and greed. Just like bones. . . . In a run-down Montreal apartment, Tempe finds the heartbreaking evidence of three innocent lives ended. The landlord says Alma Rogers lives there—is she the same woman who checked into a city hospital as Amy Roberts, then fled before doctors could treat her uncontrolled bleeding? Is she Alva Rodriguez, sought by a man who appeared at the crime scene? Heading up an investigation crackling with the sexual tension of past intimacies, Tempe leads homicide detective Andrew Ryan and police sergeant Ollie Hasty along the woman's trail and into the farthest reaches of mining country—an unforgiving place where the grim industry of unearthing diamonds exacts a price in blood. And where the truths the unlikely trio uncovers are more sinister than they could have imagined.

DEATH DU JOUR

Simon and Schuster One recent skeleton among ancient bones raises questions—and danger—for forensic anthropologist Temperance Brennan in this newly repackaged thriller from New York Times bestselling author Kathy Reichs. Tempe Brennan is stuck teaching an archaeology field school for students at UNCC in Charleston, South Carolina. When she stumbles upon a recent skeleton among the ancient bones, she starts asking questions. She’s the expert they might have called in, but lucky for the local police she’s already there. The skeleton leads her to a free street clinic where patients have begun to go missing, and some have wound up dead. What is going on and who is to blame? The charismatic televangelist who oversees the clinic? The shady doctor who practices there? Or is it the clinic staff? Ryan is in Montreal, though he may come down for a visit. If he does, Tempe will have to juggle him and Detective Galiano, an old flame, who is in town investigating the disappearance of wealthy young woman. This is a phenomenally high stakes business where one dead body can save a couple of lives, maybe more. Along with the corpses, Tempe investigates the sick moral logic of the mastermind behind the operation. Kathy Reichs has returned Tempe to America and put her in the middle of a sinister trafficking ring that’s local and global. The suspense is intense, and the world is riveting. Kathy Reichs’s books are expert,

smart, with a taut energy, and this is her best plot and best writing ever.

SPEAKING IN BONES

Simon & Schuster *In this blockbuster novel from bestselling author Kathy Reichs, forensic anthropologist Temperance Brennan investigates what looks to be a typical missing person case, only to find herself digging up bones possibly left by a serial killer, a cult, or perhaps something not entirely of this world. For every case that Temperance Brennan has solved, there remain numerous bodies that remain unidentified in her lab. Information on some of these cold cases is available online, where amateur detectives sometimes take a stab at solving cases. When Tempe gets a call from Hazel “Lucky” Strike, a web sleuth who believes she’s successfully connected a body in Tempe’s lab to a missing eighteen-year-old girl, Tempe writes it off as another false alarm. Still reeling from her mother’s diagnosis and the shock of Andrew Ryan’s potentially life-change proposal, Tempe has little patience for chasing false leads. But when the bones in the lab match the missing girl’s medical records, Tempe re-opens the case, returning to the spot where her remains were originally found. What seems at first to be an isolated tragedy takes on a more sinister cast as Tempe uncovers two more sets of bones nearby. Even more troubling is that the area is known as a viewing point for a famous unexplained light phenomenon, and that a local cult nearby has significant interest in the site. Tempe’s suspicions turn to murder by ritual sacrifice—a theory that gains even more urgency when Hazel herself turns up dead. Struggling to follow the tracks of a killer who will do anything not to be discovered, Tempe races to solve the murders and unravel the mysteries surrounding the site before the body count climbs higher. A suspenseful addition to Temperance Brennan’s story, *Speaking in Bones* proves that Kathy’s pulse-pounding *Bones* series never slows down.*

BONES OF THE LOST

A TEMPERANCE BRENNAN NOVEL

Simon and Schuster #1 *New York Times* bestselling author and producer of the Fox hit series *Bones*, Kathy Reichs returns with an unforgettable new novel featuring forensic anthropologist Tempe Brennan, whose examination of a mysterious hit-and-run victim triggers an investigation into human trafficking. When Charlotte police discover the body of a teenage girl along a desolate stretch of two-lane highway, Temperance Brennan fears the worst. The girl’s body shows signs of foul play. Inside her purse, police find an airline club card bearing the name of prominent local businessman John-Henry Story, who died in a horrific fire months earlier. How did Story and the girl know each other? Was she an illegal immigrant turning tricks? Was she murdered? Was he? Tempe must also examine a bundle of Peruvian dog mummies confiscated by U.S. Customs. A Desert Storm veteran named Dominick Rockett stands

*accused of smuggling the objects into the country. Could there be some connection between the trafficking of antiquities and the trafficking of humans? As the complications pile on, Tempe must also grapple with personal turmoil. Her daughter, Katy, grieving the death of her boyfriend in Afghanistan, impulsively enlists in the army. Meanwhile, Katy's father, Pete, is growing frustrated by Tempe's reluctance to finalize their divorce. As pressure mounts from all corners, Tempe soon finds herself at the center of a conspiracy that extends all the way from South America to Afghanistan and right to the center of Charlotte. A tour de force of imagination, *Bones of the Lost* is a roller coaster of plot twists, punctuated by Tempe's fierce wit and forensic know-how. "A genius at building suspense" (*New York Daily News*), Kathy Reichs is at her brilliant best in this sixteenth installment of the Temperance Brennan series. With the Fox series *Bones* in its ninth season, Kathy Reichs has reached new heights in suspenseful storytelling.*

ILL WIND

Penguin *The ruins of Colorado's Mesa Verde National Park provide a place of solace for Anna Pigeon until their beauty is tainted by death.*

THE TEN COMMANDMENTS OF LEAN SIX SIGMA

A GUIDE FOR PRACTITIONERS

Emerald Group Publishing *Presented from the perspective of practitioners, researchers and academics, *The Ten Commandments of Lean Six Sigma* serves as a practical guide for senior managers and executives who want to achieve operational and service excellence in various manufacturing, service and public sector organizations.*

FIRST BONES

Simon and Schuster *An e-novella by #1 New York Times bestselling author Kathy Reichs that explores the origins of her vastly popular character, forensic anthropologist Temperance Brennan. In 1980s Charlotte, North Carolina, Temperance Brennan is newly employed as a bioarchaeologist, studying the bones of the ancient dead. But a strange opportunity presents itself when two detectives appear at her lab, seeking consultation on a recently burned body. As a murder investigation unfolds, Temperance finds that there is another deadly threat at work...*

THE BONE CODE

A TEMPERANCE BRENNAN NOVEL

Simon and Schuster #1 New York Times bestselling author Kathy Reichs's twentieth "brilliant" (Louise Penny) thriller featuring forensic anthropologist Temperance Brennan, whose examinations of unidentified bodies ignite a terrifying series of events. "This is A-game Reichs, with crisp prose, sharp dialogue, and plenty of suspense" (Booklist). On the way to hurricane-ravaged Isle of Palms, a barrier island off the South Carolina coast, Tempe receives a call from the Charleston coroner. The storm has tossed ashore a medical waste container. Inside are two decomposed bodies wrapped in plastic and bound with electrical wire. Tempe recognizes many of the details as identical to those of an unsolved case she handled in Quebec fifteen years earlier. With a growing sense of foreboding, she travels to Montreal to gather evidence. Meanwhile, health authorities in South Carolina become increasingly alarmed as a human flesh-eating contagion spreads. So focused is Tempe on identifying the container victims that, initially, she doesn't register how their murders and the pestilence may be related. But she does recognize one unsettling fact. Someone is protecting a dark secret—and willing to do anything to keep it hidden. An absorbing look at the sinister uses to which genetics can be put and featuring a cascade of ever-more-shocking revelations, *The Bone Code* is "a murder mystery story that races across America at the speed of fright" (James Patterson).

A CONSPIRACY OF BONES

Simon and Schuster #1 New York Times bestselling author Kathy Reichs returns with an "edgy, eerie, irresistible" (Sandra Brown) novel with "plenty of twists" (The New York Times Book Review) featuring forensic anthropologist Temperance Brennan, who must use her skills to discover the identity of a faceless corpse, its connection to a decade-old missing child case, and why the dead man had her cell phone number. It's sweltering in Charlotte, North Carolina, and Temperance Brennan, still recovering from neurosurgery following an aneurysm, is battling nightmares, migraines, and what she thinks might be hallucinations when she receives a series of mysterious text messages, each containing a new picture of a corpse that is missing its face and hands. Immediately, she's anxious to know who the dead man is, and why the images were sent to her. An identified corpse soon turns up, only partly answering her questions. To win answers to the others, including the man's identity, she must go rogue, working mostly outside the system. That's because Tempe's new boss holds a fierce grudge against her and is determined to keep her out of the case. Tempe bulls forward anyway, even as she begins questioning her instincts. But the clues she discovers are disturbing and confusing. Was the faceless man a spy? A trafficker? A target for assassination by the government? And why was he carrying the name of a child missing for almost a

decade? With help from law enforcement associates including her Montreal beau Andrew Ryan and the quick-witted, ex-homicide investigator Skinny Slidell, and utilizing new cutting-edge forensic methods, Tempe draws closer to the astonishing truth. “A complete success” (Booklist, starred review), “this is Kathy Reichs as you’ve never read her before” (David Baldacci).

SEIZURE

A VIRALS NOVEL

Penguin *Lost treasure. Perilous adventures. Deadly foes. Tory and her friends are just starting to get a handle on their super-heightened wolf-like capabilities—contracted during a medical experiment gone horribly wrong—when they find out funding is being pulled from the institute where their parents work. The pack now faces its greatest fear—separation. So when Tory stumbles across ancient lore hinting at a lost pirate treasure, the Virals devise a risky plan that pits them against fiendish traps, headless corpses, and deep underground tunnels. But they're not the only ones looking, and the competition could be lethal. They'll need to work as one mystery-solving canine force if they to hope to uncover the lost fortune, save the institute, and stick together!*

MORTAL STAKES

Dell *Everybody loves a winner, and the Rabbs are major league. Marty is the Red Sox star pitcher, Linda the loving wife. She loves everyone except the blackmailer out to wreck her life. Is Marty throwing fast balls or throwing games? It doesn't take long for Spenser to link Marty's performance with Linda's past...or to find himself trapped between a crazed racketeer and an enforcer toting an M-16. America's favorite pastime has suddenly become a very dangerous sport, and one wrong move means strike three, with Spenser out for good!*

THE BONE BED

SCARPETTA (BOOK 20)

Penguin *From one of the world's number top selling crime writers comes the extraordinary twentieth Kay Scarpetta novel. A woman has vanished while digging a dinosaur bone bed in the remote wilderness of Canada. Somehow, the only evidence has made its way to the inbox of Chief Medical Examiner Kay Scarpetta, over two thousand miles away in Boston. She has no idea why. But as events unfold with alarming speed, Scarpetta begins to suspect that the paleontologist's disappearance is connected to a series of crimes much closer to home: a gruesome murder, inexplicable tortures, and trace evidence from the last living creatures of the dinosaur age.*

When she turns to those around her, Scarpetta finds that the danger and suspicion have penetrated even her closest circles. Her niece Lucy speaks in riddles. Her lead investigator, Pete Marino, and FBI forensic psychologist and husband, Benton Wesley, have secrets of their own. Feeling alone and betrayed, Scarpetta is tempted by someone from her past as she tracks a killer both cunning and cruel.

NORTH OF HAVANA

Penguin *"We'll drop anything we're doing to read a new Randy White novel and be glad we did." --Denver Post Randy Wayne White's Doc Ford novels have been praised as "witty" (San Diego Union-Tribune), "must-reads" (Chicago Tribune) and "superb." (Denver Post) Now, White's newest thriller takes Doc Ford to Havana, where his friend is being held by the Cuban government. Still haunted by his suspected involvement in a plot against Castro, Ford ventures to Cuba--where he finds himself entangled in a web of murder, revenge, and assassination.*

DEADLY DECISIONS

A NOVEL

Simon and Schuster *When innocent blood is spilled, forensic anthropologist Temperance Brennan deciphers the shattering truth it holds in this exciting thriller from New York Times bestselling author Kathy Reichs. Nine-year-old Emily Anne Toussaint is fatally shot on a Montreal street. A North Carolina teenager disappears from her home, and parts of her skeleton are found hundreds of miles away. These shocking deaths propel Tempe Brennan from north to south, and deep into a shattering investigation inside the bizarre culture of outlaw motorcycle gangs—where one misstep could bring disaster for herself or someone she loves. From blood-splatter patterns and ground-penetrating radar to bone-sample analysis, Deadly Decisions triumphantly combines the authenticity of a world-class forensic professional with the narrative power of a brilliant crime-writing star.*

BONES OF THE LOST

Random House *"The latest from Kathy Reichs finds Tempe Brennan investigating the connections between a long-dead business man, the smuggling of mummified dogs from Peru, and the death of a teenage girl killed in a hit and run. When she discovers a human trafficking enterprise at the center of it all, the scope of the case extends from South America to Afghanistan. And Tempe's soon-to-be ex might have connections that run to the very heart of the trafficking ring"--*

BONES NEVER LIE

Simon and Schuster Temperance “Tempe” Brennan faces down the demons of her past in the seventeenth thriller in Kathy Reichs’s phenomenally successful *Bones* series. Unexpectedly called in to the Charlotte PD’s Cold Case Unit, Dr. Temperance Brennan wonders why she’s been asked to meet with a homicide cop who’s a long way from his own jurisdiction. The shocking answer: Two child murders, separated by thousands of miles, have one thing in common—the killer. Years ago, Anique Pomerleau kidnapped and murdered a string of girls in Canada, then narrowly eluded capture. It was a devastating defeat for her pursuers, Brennan and police detective Andrew Ryan. Now, as if summoned from their nightmares, Pomerleau has resurfaced in the United States, linked to victims in Vermont and North Carolina. When another child is snatched, the reign of terror promises to continue—unless Brennan can rise to the challenge and make good on her second chance to stop a psychopath. But Brennan will have to draw her bitter ex-partner out of exile, keep the local police and feds from one another’s throats, and face more than just her own demons as she stalks the deadliest of predators into the darkest depths of madness. In *Bones Never Lie*, Kathy Reichs once again satisfies readers looking for psychological suspense that’s more than skin-deep.

CROSS BONES

Random House 'Death by self-inflicted gunshot wound to the head' is the on-scene assessment, but the victim's relatives are

adamant in their rejection of suicide as an explanation. Discovered in a closet, a week after death, the body is barely recognisable. Extreme heat has accelerated decomposition, and Dr Temperance Brennan's forensic expertise is required. |PB

BARE BONES

A NOVEL

Simon and Schuster Now in a new paperback repackage, *Bare Bones* sees Temperance Brennan back in her home base of North Carolina, where several sets of bones, both human and animal, lead her on a terrifying hunt for a killer. It's a summer of sizzling heat in Charlotte where Dr. Temperance Brennan, forensic anthropologist for the North Carolina medical examiner, looks forward to her first vacation in years. A romantic vacation. She's almost out the door when the bones start appearing. A newborn's charred remains turn up in a woodstove. The mother, Tamela Banks, hardly more than a child herself, has disappeared. Did she kill her infant, or is an innocent teenager also about to become a victim? A small plane crashes in a North Carolina cornfield on a sunny afternoon. Both pilot and passenger are burned beyond recognition. Was it pilot error? Something more sinister? And what is the mysterious black substance covering the bodies? Most puzzling of all are the bones discovered at a remote farm outside Charlotte. What has Tempe's dog, Boyd, unearthed? The remains seem to be of animal origin, but Tempe is shocked when she gets them to her lab. With help from a special detective friend, Tempe must investigate a poignant and terrifying case that comes at the worst possible moment: Tempe's daughter Katy has a new boyfriend who Tempe fears may have something to hide. And Tempe herself faces important personal decisions. Is it time for emotional commitment? Will she even have the chance to find out? Everything must wait on the bones. What story do they tell? Why are the X rays and DNA so perplexing? Who is trying to keep Tempe from the answers? Someone is following her. Someone is following Katy. That someone must be stopped before it's too late.

MONDAY MOURNING

A TEMPE BRENNAN NOVEL

Simon and Schuster Journeying to wintry Montreal to testify at a murder trial, forensic anthropologist Tempe Brennan discovers three skeletons in the basement of a pizza parlor and realizes that she has stumbled into a crime from the past. By the author of *Bare Bones*. Reprint.

THE SECRET OF ANNEXE 3

Pan Macmillan *The Secret of Annexe 3 is the seventh novel in Colin Dexter's Oxford-set detective series. Morse sought to hide his disappointment. So many people in the Haworth Hotel that fateful evening had been wearing some sort of disguise – a change of dress, a change of make-up, a change of partner, a change of attitude, a change of life almost; and the man who had died had been the most consummate artist of them all . . . Chief Inspector Morse seldom allowed himself to be caught up in New Year celebrations. So the murder inquiry in the festive hotel had a certain appeal. It was a crime worthy of the season. The corpse was still in fancy dress. And hardly a single guest at the Haworth had registered under a genuine name . . . The Secret of Annexe 3 is followed by the eighth Inspector Morse book, The Wench is Dead.*

FATAL VOYAGE

Simon and Schuster *After a fatal airline crash in the mountains of North Carolina, Dr. Temperance Brennan heads to the site to help identify the victims, but the discovery of body parts that do not belong to any registered passenger leads the investigation into a dangerous confrontation.*

DEVIL BONES

Simon and Schuster *A call to examine a skull found in a hidden floor space plunges forensic anthropologist Dr. Temperance Brennan into a case that may involve ritual murder.*

WHITE MAGIC

DEAD EVEN

Harper Collins *“Heart-stopping intensity.” —San Francisco Chronicle “Meltzer has come up with a gem of a plot....It breezes along in high gear....[A] highly recommended suspense.” —Chicago Tribune In this second novel from #1 New York Times bestselling author Brad Meltzer, husband and wife face off in a legal thriller that poses the most chilling question of all: How far would you go to save the one you love? Sara Tate, a Manhattan assistant DA, is on the brink of losing her job. But then she takes a case that may be able to secure her future. Trouble is, it's much more complicated—and deadly—than it initially appears. While forces within her own office plot against her, an outside threat takes things to another level: Win the case or her attorney husband, Jared, will die. But Jared has received threats, too. Forced to defend the opposition, he learns that, if he loses the case, Sara will be killed. With everything on the*

line for both of them, husband and wife battle it out—at court and at home—while maintaining the terrible secret behind their motives. Caught in a struggle of rollercoaster emotions and shocking betrayals, Jared and Sara must face the unthinkable: No matter who wins, one of them may die.

THE IMMORTALISTS

Amazonencore "What would you do to save the life of your child? It's a question microbiologist Richard Draman thought he'd answered when he walked away from his career to focus on curing a genetic defect that is causing his daughter to age at a wildly accelerated rate. But now he and his wife Carly are being forced to come to terms with the fact that eight-year-old Susie's time is running out. Then they receive an unexpected gift: startling new research into the fundamental secrets of life that could be the miracle they've been looking for. When Richard is arrested on a trumped-up charge of having stolen the data, he takes his family and runs, seeking out a retired special-forces operative and old friend to help dig up the truth behind the controversial experiments. Determined to either save Susie's life or die trying, the Dramans plunge into a bloody conflict between two powerful factions vying for control of a discovery that could change the face of humanity" -- from author's web site.

ANCIENT BODIES, MODERN LIVES

HOW EVOLUTION HAS SHAPED WOMEN'S HEALTH

Oxford University Press In *Ancient Bodies, Modern Lives*, anthropologist Wenda Trevathan explores a range of women's health issues, with a specific focus on reproduction, that may be viewed through an evolutionary lens. Trevathan illustrates the power and potential of examining the human life cycle from an evolutionary perspective, and how such an approach could help improve both our understanding of women's health and our ability to respond to health challenges in creative and effective ways.
