### PRETTY LITTLE KILLERS

---

Montlake Romance **The predators become prey in a breathless novel of revenge from a USA Today bestselling author. Still haunted by his wife's murder--and stained by the blood of avenging it--FBI special agent Hatcher McGee can't believe he's being teamed up with rookie agent Korine Davenport. She is his most guilty secret--the one-night stand who almost cost him everything. Korine has her own demons. As a child, she witnessed her father's murder, and she's spent her life waiting for the killer's return. She and Hatcher are both looking for closure, but the disturbing case that draws them together could be their last. When the mutilated body of a corrupt Savannah judge surfaces, Hatcher and Korine find themselves on the trail of a vigilante who is showing no mercy. Not for the predators who've gone free. And not for anyone who gets in the way. As the body count rises, and as Hatcher's and Korine's own pasts unfold, they must risk their lives tracking a killer they've come to understand all too well. After all, the ends justify the means.**

## THE KEEPER CHRONICLES: THE COMPLETE COLLECTION (THE KEEPER CHRONICLES, BOOKS 1-5)

---

Kester James Finley **Supernatural evil and magic collide as the Keepers are pulled into an epic struggle to protect the veil between two worlds from unseen forces threatening to doom them all in this complete five book spell-slinging, darkness chasing, devilishly haunting adventure fantasy set in the modern world. Join Truddie Mae, Gordy, Niles, and a complete cast of superpowered individuals as they battle a nefarious plot to destroy the universe as secrets uncover lies and friends turn to enemies. Danger lurks around every corner and, as the stakes are raised, the Keepers will need to join forces to face the greatest threats ever to slip into their reality. As the war rages on, will a thrown-together family save the day, or will sinister plans finally prevail? \*Included in this set are all five complete eBooks of The Keeper Chronicles series as listed below. \* Bitter Awakenings (Book 1): Southern charm meets devilish intent. Pulled from her tranquil existence by the veil's calling out for assistance, Truddie Mae will once again dive headfirst into terror forcing her to reawaken old wounds and explore old haunts. Against a ticking monstrosity of devouring darkness, will she and the others stop new this threat, or will time run out for them all? Twisted Reunions (Book 2): Three people can keep a secret if two are dead. A simple excursion leads to a discovery threatening the Keepers on every level. Forced to act as leader, Truddie Mae must rally remaining teammates and dig deeper into the mystery of their magical lives. New threats and unseen forces strike back, this time with more bite. Sometimes the past rises to the top no matter how deep you bury the bodies. Struggling to maintain the veil while dodging a conspiracy, will her group unearth the agenda meant to end them before it finally does? Withering Haunts (Book 3): Danger has never been so close to home... safety never so far away. With everyone a possible threat, fear, and suspicion rule the day. Driven by duty to protect the veil, doubts soon become ominous when a late-night phone call of panic ends up being the tip of an even darker iceberg waiting to sink them all. New threats emerge, foes become friends, and truths become lies. A new global menace looms on the horizon. Can the remaining Keepers thwart the increasing danger or will nefarious plans finally bear fruit and force their magical lives to wither away? Jagged Remains (Book 4): Sometimes, to stop unspeakable evil one must battle themselves... Danger lurks behind every tree, every whisper. The veil is eroding while teammates remain lost. For Truddie Mae, abandoning safety for answers will soon find her plunging deeper into the magical darkness. As panic and desperation collide, will her magic find a way? Sinister players are finally revealed, and the truth is earth-shattering. The battle to save our reality is reaching its darkest hour. Will they be able to stop a doomed future, or will they all become jagged remains of a broken past? Frayed Endings (Book 5): For every start, an end. With every dusk, a new dawn. As old friends offer help and plans unfold to keep two worlds apart, Truddie Mae will soon find that stopping the coming storm may be a losing battle for them all. As the Keepers battle to prevent a universe-ending disaster, they'll learn that the coils of their supernatural lives are frayed on both ends and that sometimes the simplest of cuts are the deadliest.**

### **THE OSAGE MURDERS AND THE BIRTH OF THE FBI**

---

Vintage **NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER •** A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of *The Lost City of Z*. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history.

### **THE NEW CIVIL RIGHTS BATTLE**

---

**Energy Keepers Energy Killers: The New Civil Right Battle** exposes the wrongs done to the poor and minorities by environmental and political elites trying to eradicate fossil fuel production - coal, oil, and gas - supposedly to 'save the world from global warming.' Author Roy Innis, national chairman of the Congress of Racial Equality, shows how their wrongheaded policies price energy out of reach and violate the civil rights of all Americans, but hurt the poor and minorities worst. Innis demands an end to this 'energy racism' and calls for the opening of all federal lands - which belong to the disadvantaged as much as to well-funded environmental leaders - to more energy production in a sustained campaign to increase supply and lower prices. Innis reveals the flaws in global warming hysteria and makes the stunning fact clear in his 'Energy Reality' chart that so-called 'alternative energy' from wind and solar power actually provided less than one-half of one percent of America's energy needs in 2006.

### **I HUNT KILLERS**

---

Little, Brown Books for Young Readers It was a beautiful day. It was a beautiful field. Except for the body. Jazz is a likable teenager. A charmer, some might say. But he's also the son of the world's most infamous serial killer, and for Dear Old Dad, "Take Your Son to Work Day" was year-round. Jazz has witnessed crime scenes the way cops wish they could--from the criminals' point of view. And now, even though Dad has been in jail for years, bodies are piling up in the sleepy town of Lobo's Nod. Again. In an effort to prove murder doesn't run in the family, Jazz joins the police in the hunt for this new serial killer. But Jazz has a secret--could he be more like his father than anyone knows? From acclaimed author Barry Lyga comes a riveting thriller about a teenager trying to control his own destiny in the face of overwhelming odds.

## QUICKLET ON PRETTY LITTLE LIARS SEASON 1 (CLIFFSNOTES-LIKE BOOK SUMMARY)

---

---

[Hyperink Inc](#) Quicklets: Your Reading Sidekick! ABOUT THE BOOK Pretty Little Liars centers around four teenage friends from an upscale small town in Pennsylvania, who are reunited after another friend disappears. The show debuted on ABC Family TV network on January 23, 2011 with a run of ten episodes. The idea for the series, however, began years before, when the producers at Alloy Entertainment, the company behind The Sisterhood of the Traveling Pants and the Gossip Girl series, first conceived of a book they described as Desperate Housewives for teens. To write the series, they hired author Sara Shepard, who grew up in a town much like Rosewood, Pa., where the Pretty Little Liars book series and television series takes place. They wanted to come up with something for her, Farrin Jacobs, an editor at HarperTeen books, told Publishers Weekly. It was a case of the right writer and the right idea at the right time. The first book in the series debuted in 2005 and proved popular. By 2012, the series had expanded to include Flawless, Perfect, Unbelievable, Wicked, Killer, Heartless, Wanted, Twisted, Ruthless, and Stunning. Shepard plans to write 12 books in all. Its a careful dance between giving readers something with each book, but also keeping them wanting to find out what happens next, said Jacobs of the books. They love the guessing game. MEET THE AUTHOR Claire Shefchik, a native of Minnesota, received an MFA in creative writing from Sarah Lawrence College. Her writing on arts and entertainment has appeared on USAToday.com, Spinner, The Faster Times, and many blogs. She can be found on Facebook and on Twitter @clairels. EXCERPT FROM THE BOOK Just like Alison, A seems to know all their secrets. Aria, an artsy girl who has just come back from a year in Iceland, has begun a relationship with her new English teacher, Ezra (aka Mr. Fitz). Emily, a top swimmer from a military family, has developed romantic feelings for a female friend, Maya St. Germain. Spencer, an intelligent overachiever, is fooling around with her sisters fiance. And Hanna, now the school It girl and best friends with formerly nerdy Mona Vanderwall, is a shoplifter and still insecure about the weight she had to lose to become popular. But most of all, the girls are worried about As knowledge of what they refer to as The Jenna Thing. Alison, with the girls help, made a plan to retaliate against Toby Cavanaugh, a neighborhood boy whom Alison had accused of spying on the girls. She sets fire to his house, but ends up blinding his stepsister, Jenna Marshall. Toby is blamed for the fire and sent away to reform school for a year. Now, however, both siblings are back in Rosewood and attending school... Buy a copy to keep reading! **IN COLD BLOOD**

---

Modern Library Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

**THE KILLER INSIDE ME**

---

Mulholland Books Everyone in the small town of Central City, Texas loves Lou Ford. A deputy sheriff, Lou's known to the small-time criminals, the real-estate entrepreneurs, and all of his coworkers -- the low-lifes, the big-timers, and everyone in-between -- as the nicest guy around. He may not be the brightest or the most interesting man in town, but nevertheless, he's the kind of officer you're happy to have keeping your streets safe. The sort of man you might even wish your daughter would end up with someday. But behind the platitudes and glad-handing lurks a monster the likes of which few have seen. An urge that has already claimed multiple lives, and cost Lou his brother Mike, a self-sacrificing construction worker fell to his death on the job in what was anything but an accident. A murder that Lou is determined to avenge -- and if innocent people have to die in the process, well, that's perfectly all right with him. In *The Killer Inside Me*, Thompson goes where few novelists have dared to go, giving us a pitch-black glimpse into the mind of the American Serial Killer years before Charles Manson, John Wayne Gacy, and Brett Easton Ellis's *American Psycho*, in the novel that will forever be known as the master performance of one of the greatest crime novelists of all time.

**THE REAL REASONS SMALL BUSINESSES FAIL**

---

AuthorHouse The premise of this book is that all business ideas begin with a dream. More often than not the dream remains an unfulfilled fantasy that always can find a happy ending. However, every once in a while the dream becomes so intense that the dreamer decides to make it a reality. When this happens an entrepreneur is born and from that moment on there are numerous pitfalls that will threaten to turn the successful dream into a realistic nightmare. Most books on the subject of achieving success in small business

are presented in a technical manner with specific procedures to follow and take the approach that if an aspiring entrepreneur follows the time proven steps the chances for long-term success will be improved. Why then do most small business ideas end up in failure? Using a lifetime of real world hands on experience with hundreds of small businesses this book deals with the real reasons most small businesses fail. These dream killers are the true causes of a dream's failure. They are mostly personal in nature and as such are generally avoided by how to books, consultants, and traditional advisors that tend to use a cookie cutter approach to every situation. Blending a lifetime of personal experiences in plain language with non-ambiguous answers to many of the pitfalls to success is intended to provide the reader with the benefits of knowing that there is nothing new in business and all small business is personal. Blending the two will often determine whether a business dream will come true.

Emery Belle Wren Winters is utterly, painfully ordinary. The most boring job on the planet? Check. A boyfriend of eight years who still hasn't put a ring on it? Double check. A squirrel that can't stop gorging itself on her tomato plants? Make that a triple. But on the eve of her thirtieth birthday, Wren can't shake the feeling that things are about to change. And they are. Just not in the way she planned. After a series of unexplainable events makes her question her sanity, a strange little man arrives to deliver an even stranger message: Wren isn't so ordinary after all. She's a witch, and in order to claim her powers, she must leave everything behind and journey to a place she never even knew existed. Suddenly, Wren is thrust into a fantasy world come to life, where taxis sprout wings and take to the skies, merwomen teach sold-out water aerobics classes, and scent-challenged ogres panhandle on street corners for unusual delicacies. Add in a new job, a hunky coworker, and a full schedule of magical lessons, and Wren's formerly boring life is nothing but a distant memory. But before she's able to even test out her training wand, Wren is confronted with a murder she feels compelled to solve, a list of suspects with plenty to hide, and a mysterious man in black who seems to be tracking her every move. Turns out even fantasy worlds have their dark sides. Book your ticket to Magic Island, where the potions are brewed fresh daily, the beaches are perfect for creature-watching, and the fangs and fur are on full display. This box set includes the first four books in the Magic Island Paranormal Cozy Mystery Series by Emery Belle.

## A KILLERS NOVEL

---

[Createspace Independent Publishing Platform](#) **In the Virginia countryside outside of Washington, DC, Addy Wentworth was on a mission to make a new life for herself. When the opportunity arose, she settled in horse and wine country. Experiencing more than her fair share of tragedy and loss, she had plans for her future, one where failure wasn't an option. And not just because people and cows were counting on her. She'd poured everything she had into her struggling vineyard, because once she's in, she's all in. After giving himself wholly to the job for ten years, Crew Vega was done. He'd fulfilled his commitment, done his duty, gone above and beyond to settle the score. And the score was high. All he had to do was train his replacements and he'd be out for good. He had a plan, one that didn't include getting involved with his new neighbor, a woman who not only kept cows for pets, but treasured her employees as family, and understood him better than anyone ever had before. But when he learned a high level CIA target being investigated for treason was keeping tabs on her? No, he never planned on that. And like everything Crew Vega did in life, when he goes in, he's all in. Warning: I'm a devout member of the mama club and don't want to get kicked out by angry mamas. If you aren't eighteen, turn around, go drink your milk and eat your veggies, it's good for your bones. And go to bed early, you're still growing, your body needs sleep. And don't text and drive. And be nice, sit with the kid who sits alone at lunch. And read a PG-13 book, it's good for your brain. And go tell your mama you love her. Chop-chop, run along now. I'll see you back when you're eligible to vote.**

## KILLER INSTINCT

---

[Little, Brown Books for Young Readers](#) **Cassie Hobbes and the rest of the Naturals are back in this exhilarating crime thriller, where Criminal Minds meets Heist Society-and this time a chilling copycat killer has the team in his crosshairs. Seventeen-year-old Cassie Hobbes has a gift for profiling people. Her talent has landed her a spot in an elite FBI program for teens with innate crime-solving abilities, and into some harrowing situations. After barely escaping a confrontation with an unbalanced killer obsessed with her mother's murder, Cassie hopes she and the rest of the team can stick to solving cold cases from a distance. But when victims of a brutal new serial killer start turning up, the Naturals are pulled into an active case that strikes too close to home: the killer is a perfect copycat of Dean's incarcerated father-a man he'd do anything to forget. Forced deeper into a murderer's psyche than ever before, will the Naturals be able to outsmart the enigmatic killer's brutal mind games before this copycat twists them into his web for good? With her trademark wit, brilliant plotting, and twists that no one will see coming, Jennifer Lynn Barnes will keep readers on the edge of their seats (and looking over their shoulders) as they race through the pages of this thrilling novel.
