WIND CATCHER

Juliet Wildfire Stone stands between two worlds. All she wants to be is an average sixteen-year-old girl, but she has never been average-could never be average. She is the Chosen and the Seeker Slayer, and our only hope. Will Juliet fulfill her destiny and risk death? Or will she run?

WIND CATCHER

Evolved Publishing presents the first thrilling installment in "Chosen" by award-winning author Jeff Altabef, and his daughter Erynn Altabef. This fantasy adventure series is steeped in American Indian culture and so much more. Juliet Wildfire Stone hears voices and sees visions, but she can't make out what they mean. Her eccentric grandfather tells her stories about the Great Wind Spirit and Coyote, but he might as well be speaking another language. None of it makes any sense. When she stumbles upon a series of murders, she can't help but worry her grandfather might be involved. To discover the truth, Juliet must choose between her new life at an elite private school and her Native American heritage. Once she uncovers an ancient secret society formed over two hundred years ago to keep her safe, she starts to wonder whether there's some truth to those old stories her grandfather has been telling her. All she wants is to be an average sixteen-year-old girl, but she has never been average-could never be average. Betrayed by those she loves, she must decide whether to run or risk everything by fulfilling her destiny as the Chosen.

SCORCHED SOULS

Survival is not enough. Loyalties will be formed, and a choice made. When Juliet meets the Prime Elector, he's nothing like what she expected. When he offers her a new choice, she'll have to decide what's right. Yet, she can't do it alone. Will the other Chosen follow her? Will she make the right choice, or will Earth be enslaved for all time?

FRACTURE POINT

An untrained spy and a rebel faction. A mysterious scarlet-haired singer. Lethal secrets guarded by a devious killer. What could possibly go wrong? When Tom's brother disappears, he'll need friends and a ton of luck to outwit the psychopath holding his brother hostage. And then maybe he can keep America from reaching its fracture point, too.

DEVIL'S DEAL

A GRIPPING SUPERNATURAL THRILLER

It turns out that hell and Lucifer aren't what I imagined. That's a good thing, although I'm still forced to make a deal with the Devil, one that might trigger the Apocalypse. Not at my best, I'm compelled to walk a tricky line. I've already sworn an oath to Father Paul and the light angels, but if that oath was based on falsehoods, does it still bind me? Hank's best friend sends him a message that he's in trouble, and we return to Charleston to sort it out. We suspect the worst, but what should be a simple case turns out to be anything but. A terror they call the Vampire is killing kids. I can sense that he's not human, but he's not an angel or a demon either. He's something else. Hank and I will put everything on the line to figure out what happened to his friend, and shut down whoever is terrorizing his hometown. I'm suspicious this is all tied to the End of Days and my untenable position between light and darkness. Hopefully, the Fates will be kind to me. EVOLVED PUBLISHING PRESENTS an intriguing, thrilling look inside a great battle between good and evil, possibly leading to the End of Days, with the third book in the award-winning "A Nephilim Thriller" series. BRINK OF DAWN

Follow-up to the multiple award-winning "Wind Catcher" "They walk among us as if they are gods. Only the Chosen know what they are. Only the Chosen know to fear them. And only the Chosen can defeat them." Evolved Publishing presents the second thrilling installment in "Chosen" by award-winning author Jeff Altabef, and his daughter Erynn Altabef. This young adult fantasy thriller series is steeped in American Indian culture and so much more. Juliet Wildfire Stone and her best friend, Troy Buckhorn, barely escaped their sleepy Arizona town alive. Now they're speeding to New York City to find the three other Chosen. The Chosen must band together to face an ancient foe that threatens all humanity. Yet Juliet doesn't know whom to trust, and strange things are happening in the City. The Chosen will be tested, their resolve questioned, and their flaws exposed. Each must decide whether he or she will fulfill their destiny—or run. To defeat the enemy, they must stop battling among themselves and overcome their own struggles. Only one can lead them. Will Juliet embrace her powers in time? "Brink of Dawn" picks up where the multiple-award-winning first book in the "Chosen" series, "Wind Catcher," left off, but it can also be read as a stand-alone novel. Continue the adventure! THE CHOSEN

Simon and Schuster A coming-of-age classic about two Jewish boys growing up in Brooklyn in the 1940s, this "profound and universal" (The Wall Street Journal) story of faith, family, tradition, and assimilation remains deeply pertinent today. "Works of this caliber should be occasion for singing in the streets and shouting from the rooftops." —Chicago Tribune It's the spring of 1944 and fifteen-year-olds Reuven Malter and Danny Saunders have lived five blocks apart all their lives. But they've never met, not until the day an accident at a softball game sparks an unlikely friendship. Soon these two boys—one expected to become a Hasidic rebbe, the other at ease with secular America—are drawn into one another's worlds despite a father's strong opposition. Set against the backdrop of World War II and the creation of the

state of Israel, *The Chosen* is a poignant novel about transformation and tradition, growing up and growing wise, and finding yourself—even if it might mean disappointing those you love.

THE VAGRANT THOUGHTS OF A WANDERING MAN

Notion Press In this bouquet of poems I present to you my humble thoughts in simple words on a variety of topics. I have sung about the beauty of love. I have tried to let you hear the sighs and sobs in silence of struggling and suffering people. I have expressed my concerns about our planet and the need to keep it clean and green. I have written about the bond between God and man and his despair despite the prayers he raises. I have also shown the dark side of

humanity wondering how man can oppress, exploit, enslave and kill others and sadly, try to justify it. Here, you can hear the muffled, dying cries of a new born girl child. Some songs are my thoughts that loved to wander far on the wide wings of the flying wind. Through most of the poems on social themes I am appealing to the conscience of the people to abandon violence particularly against women, children and the weak and to build a beautiful world of peace and love. May the humorous poems bring a smile on your face and laughter in your soul. Hope you will enjoy reading the book.

Avon As descendants of the legendary Horse Bringers, Blue Jay and his bold sister Dances are chosen to journey westward in a quest to find horses. Along with Spotted Colt, son of the chief of the Dry River people, and his friend Mud Turtle, they travel to the Cities-in-the-West, where the young warriors will encounter a world vastly different from their own. In the cities, people live in boxes year round, while men take more pride in their weaving than in being warriors. And no one wants to talk about the horses. Then a strange group of pale, foreign men make their way among

the settlements, asking questions about hidden cities of gold. In their hands are heavy sticks that breathe fire strong enough to kill, and they too have the magic to ride horses -- horses that come from some other source than the Horse Bringers' legacy. With Coyote the trickster for a guide, their mythic adventure will take these children of the plains across the boundary between life and death itself before they are able to confront the danger that threatens to engulf them all.

TROPICAL DEPRESSION

CreateSpace "As enjoyable as a day at the beach." That's how USA TODAY summed up this hilarious and big-hearted romp in the Florida sunshine. When Murray Zelman, a.k.a. The Bra King, pops another Prozac and heads to the Keys, he has nothing much in mind beyond a quixotic hope of winning back his first wife, Franny, whom he dumped years before. But when he forms an unlikely friendship with Tommy Tarpon, the last remaining member of an obscure Indian tribe, another plan also starts shaping up in his fevered brain. Why not open up Key West's first casino? Why not? Well, how about because the Mafia, in league with some of the nastiest politicians you will ever meet, is determined to kill anyone who tries? Somehow, Murray, Tommy, and Franny didn't think of that until they were in way too deep. Laugh along as they improvise a manic and ever more desperate campaign to keep their casino dreams--and themselves--alive.

A GUIDEBOOK FOR TEACHING LITERATURE

Allyn & Bacon

STRUCTOPHIS

Joseph R. Lallo Structophis is a heartwarming YA adventure from the author of *The Book of Deacon*, *Bypass Gemini*, and *Free-Wrench*. It is based upon a concept and artwork by ProjectENDO. In a small town in Colorado, Markus Spiros was just getting his life on track. By day he worked as a veterinary tech, by night he took classes. His steady little routine was rolling along nicely when his impulsive Uncle Dimitrios threw a wrench in the works. Thanks to an unannounced trip, Markus had to swing by his uncle's bistro to tend to the 'special oven.' When he arrived, he discovered it wasn't the oven that was special, it was the rare and exotic egg that had been incubating inside it. And now it had hatched. Suddenly, Markus found his life had become a good deal more complicated. The creature was a Structophis

Gastrignae—a strange creature that was equal parts dragon and oven—and she'd become quite a big girl. Large as a refrigerator and curious as a toddler, the creature he'd dubbed Blodgette would have been a handful in any situation. Markus had bigger problems than figuring out how to take care of her, though. Owning such a rare and special beast was illegal, so should the cops learn of it, Markus would be destined for jail. Worse, there were certain unscrupulous people who would do anything to acquire Blodgette. Now, with the help of his old classmate Gale, Markus must scramble to stay two steps ahead of the authorities and a corrupt CEO, all while being the best 'mommy' he can be to his brand-new pizza dragon.

WIND/PINBALL

TWO NOVELS

result: two remarkable short novels—Hear the Wind Sing and Pinball, 1973—that launched the career of one of the most acclaimed authors of our time. These powerful, at times surreal, works about two young men coming of age—the unnamed narrator and his friend the Rat—are stories of loneliness, obsession, and eroticism.
