SUPER JUMBO

Penguin **The charmingly oblivious elephant Little Jumbo "saves the day" in a superhero story that's perfect for fans of Ian Falconer's Olivia. Being a superhero isn't easy. All Little Jumbo wants to do is fight crime and defend the weak, by doing things like halting traffic for snails to cross the street and stopping Dad from sneaking cookies. It's not his fault grown-ups don't appreciate his heroic deeds! Luckily, Little Jumbo doesn't give up easily. He even powerfully resists cake (his greatest weakness!) to help a new friend in need! Super Jumbo is the hilariously sweet companion to Fred Koehler's standout debut, How to Cheer Up Dad, which received three starred reviews.**

THE ISLAMIC INVASION

Xulon Press The Islamic Turks were poised to overrun Europe at The Battle of Vienna on September 11/12 of 1683, but were defeated. The Islamic Invasion As Mosques appear across the country people are asking-"What do I need to Know about Islam?" Islam-once an obscure Middle Eastern religion-has rapidly grown into the second largest religion in the

world. There are now more Muslims than Episcopalians in the United States! What attraction does Islam hold for its followers? What part does it play in shaping the outlook and attitudes of nearly one billion people? Noted author Dr. Robert A. Morey, internationally recognized authority on the origins of the teachings and rituals of Islam- explores the pre-Islamic history of Allah, and the doctrines and customs of Islam reveals Islam's teaching about current issues such as religious freedom and the role of women The Islamic Invasion will give you the insight you need to understand Islam and the challenge it poses today. Dr. Morey warned the United States and Europe about Islam during the early 1980's long before 9/11. Most books on Islam since 9/11 have used his analysis of the Qur'an or Hadith. Special thanks to Professor Colin Akridge-who is a Vietnam Veteran and black scholar in the field of comparative religions-for his valuable and insightful contributions and working with him for researching and writing the section entitled The Black Muslim Movement in America. STREET JOURNAL BESTSELLER * WASHINGTON POST BESTSELLER "There could only be a few winners, and a lot of losers. And yet we played on, because we had hope that we might be the lucky ones." In the early 1900s, teenaged Sunja, the adored daughter of a crippled fisherman, falls for a wealthy stranger at the seashore near her home in Korea. He promises her the world, but when she discovers she is pregnant--and that her lover is married--she refuses to be bought. Instead, she accepts an offer of marriage from a gentle, sickly minister passing through on his way to Japan. But her decision to abandon her home, and to reject her son's powerful father, sets off a dramatic saga that will echo down through the generations. Richly told and profoundly moving, *Pachinko* is a story of love, sacrifice, ambition, and loyalty. From bustling street markets to the halls of Japan's finest universities to the pachinko parlors of the criminal underworld, Lee's complex and passionate characters--strong, stubborn women, devoted sisters and sons, fathers shaken by moral crisis--survive and thrive against the indifferent arc of history. *Includes reading group guide*

DARK HORSE

Bantam In her latest thriller, New York Times bestselling author Tami Hoag takes readers on a suspense-filled ride of shocks and twists leading to an explosive finish. It is the story of an ex-cop, a missing girl, and a killer locked in a race where there can be only one winner--and the losers die trying. In a trailer in a Florida swamp, time is running out for eighteen year-old Erin Seabright. A pawn in a kidnapper's terrifying game for a ransom no one can pay, her last hope is a washed-up ex-cop who has already lost it all--not once, but twice. The wealthy world of the Palm Beach horse set seems a long way from a cop's world in the narcotics division. A lifetime ago, undercover sheriff's detective Elena Estes worked the mean streets and BackTop alleys, living by her wits and playing the long odds until she took one risk too many. Now Estes lives on the ragged edge of lost hope and self-hatred, hiding from the past and believing she doesn't deserve to have a future. But the past is about to come back with a vengeance, and the future is about to become a race between life and death. A young woman is missing and her twelve year-old stepsister comes to Estes for help. No one but serious, studious Molly Seabright seems concerned about what's happened to her troubled older sister. But Molly is convinced Erin is in danger. Estes has no P.I. license, no interest in a new career, and no desire to break her self-imposed exile. But the more she learns about the people Erin Seabright was involved with, the more her long-dormant cop instincts come back to life. One trip to the show grounds where Erin worked as a groom, and Estes is quickly pulled to the dark side of a glamorous sport. Behind the glittering, ultra-rich facade is an ultra-ruthless world of drugs, payoffs, and dirty deals. A world of dissolute playboys and crooked horse-dealers, of royalty and rabble, of rivals and enemies. An obscenely wealthy world where anything can be had for a price--including a life. And in that

world stalks a killer who will lead Estes down a dark, twisted trail of decadence and deceit, mayhem and murder--from the gilded life of Palm Beach to the darkest corners of the Florida swamps, to a final show-down that could cost her everything. A race against time and evil. A race in which Estes is the dark horse--and no one is betting on her to win.

FORENSIC INVESTIGATOR

Penguin Group Australia **FORENSIC INVESTIGATOR** Geoff Bernasconi had always been passionate about his job as a policeman in rural New South Wales and, from the earliest days of his career, went the extra mile, both for victims of crime and for their families. But one night in 1984, he was called to investigate the scene of an horrific car accident in which an entire family had been wiped out - and which it was impossible for him to forget. Geoff's day-to-day working life became a catalogue of tragedies, some of which involved people close to him, and he found himself spiralling downwards in the grip of post-traumatic stress disorder. When Esther McKay, fellow forensic investigator and author of the best-selling Crime Scene, heard that Geoff has been awarded maximum compensation for his suffering, she knew immediately this was a story that needed to be told. This is a harrowing account of what it is like to work on the front-line of crime and tragedy as a forensic investigator. But it is also the inspiring story of someone who has been exposed to sights and experiences many of us can hardly even imagine, yet has emerged from the darkness to begin his journey to recovery.

DESIGNING POWER SUPPLIES FOR VALVE AMPLIFIERS

Designing Power Supplies for Valve Amplifiers is a unique guide to the operation and practical design of linear power supplies, especially for valve equipment. Audiophiles, guitarists and general hobbyists alike will find this book an invaluable source of detailed information on transformers, rectifiers, smoothing, high-voltage series and shunt regulators, and much more. Although this book is not intended for the beginner, learning is encouraged through practical design, and concepts are introduced at a basic level before the reader is accelerated to the stage of high-performance design, with over 200 circuit diagrams and figures. Numerous practical circuits are included, for high-voltage stabilisers, heater regulators, optimised bias circuits, high-voltage supplies using 'junk box' parts, and even audio power control for guitar amplifiers. An essential handbook for any valve amplifier enthusiast!

NEXT EXTINCT MAMMAL

Poetry. Latino/Latina Studies. LGBT Studies. "Like Whitman, Quesada is a poet of motion—journeying to the center of the US, where the traditions and innovations of first-generation Americans traverse the meditative starbursts of hills; ford rivers; cross prairies; and seek out 'the alpenglow of tomorrow and tomorrow.' From Costa Rica to Los Angeles and across the continent, Quesada's poems chronicle one family's history: from the courtship of his parents to their separation, from his childhood struggles to awakening desire from his mother's lottery winnings to his own personal losses, Ruben Quesada carries us toward 'that seam in space' where dream and experience intersect. This isn't the story of what it means to come to this country. It's the story of what it means to belong here"—D. A. Powell.

HEAVENS' EMBROIDERED CLOTHS

POEMS BY W.B. YEATS

Pavilion Books, Limited As a boy Yeats dramatized himself as a sage, magician or poet, and when fellow poet Katharine Tynan first met him in 1885 he seemed to her all dreams and gentleness. His lifelong interest in the myths, legends and folk history of his native Ireland, his fascination with magic and the occult, the theatre, language, politics, love and friendship are all prevalent in this collection of poems. He was a visionary poet and uses symbols to evoke rather than to describe, and in 1923 he was awarded the Nobel Prize for Literature. The book is illustrated by a range of predominantly Irish painters, including the poet's younger brother, Jack B. Yeats.
