Touch (A Denazen Novel, Book 1)

Seventeen-year-old Deznée Cross teams up with Kale, an escapee from the Denazen Corporation, an outfit that collects "special" kids known as Sixes and turns them into weapons. They join a group of rogue Sixes to try to bring down Denazen before they are caught and before Dez's father discovers the secret she has protected her entire life.

Tremble

Entangled: Teen Dez Cross has problems. She's almost eighteen and on the verge of losing her mind thanks to the drug the Denazen corporation used to enhance her abilities. People close to her have turned their backs on the underground and are now fighting for the wrong side. And then there's Kale... Things couldn't get any worse. Until, of course, they do. Denazen is about to start a new trial—this one called Domination—and it works. But that means out with the old and in with the new. The order has been given to terminate all remnants of the second trial—including Dez. The good news is that there's a survivor from the original trial. A woman whose blood may hold the cure for the second generation of Supremacy kids' defects. But the underground Sixes aren't the only ones who know about her. Dez's father is willing to throw away everything he has to keep Dez from getting the cure—including the one thing that might tear her apart from the inside out. Transcendent

The boy she'd lost, and finally found again, is not the same boy she remembers. As one of the most powerful Sixes, Kale has changed in ways Dez can't ignore. He swore he'd never kill, and now he's out for blood. He swore he'd never harm her, and now he struggles to control his fatal touch. They've been to hell and back, over and over, but this time they might not survive the fire. When the truth at the root of the Denazen Corporation's origins begins to unfold, those behind the scenes will do anything to keep it hidden. Dez and Kale will be pushed to their breaking point. As long buried secrets come to light, they must fight for their freedom-and each other-as they never have before. Kale's destructive power could win the battle, if he doesn't lose himself to it in the process. Or Dez will be faced with an impossible task-saving the world from the boy she loves.

I Hate You, Fuller James

Entangled: Crush I hate you, Fuller James. I hate your floppy hair and your lopsided grin and those laughing blue eyes that always seem to be laughing at me. I hate that you're the most popular guy in school and I'm still the girl who sneezed and spit out her retainer on someone at a middle school dance. It's just such a cliché. I hate that I'm being forced to tutor you in English and keep it a secret from everyone. Because otherwise it might put our basketball team's chances at winning State in jeopardy, and even though I hate you, I love basketball. I hate that it seems like you're keeping a secret from me...and that the more time we spend together, the less I feel like I'm on solid ground. Because I'm starting to realize there's so much more to you than meets the eye. Underneath it all, you're real. But what I hate most is that I really don't hate you at all.
