I Hate Goodbye

The Kihanna Saga

Death sucks. Especially when it's camped out in your own front yard.Since moving in with my father four months ago, I've learned that everybody here has dark secrets and mine are the darkest of them all.Somebody is out for blood and they won't stop until everybody I love is dead.I don't know who to trust anymore. If only I could figure out who is messing with me... before it's too late.Lines are crossed, lives are taken, and the worst part is that I've become the best liar of them all.I Hate Goodbye is book 2 in The Kihanna Saga.

The Park Bench Test

HarperCollins UK Can you still see yourself sitting on a park bench, holding hands with that person when they are old and wrinkly? That's the question you have to ask yourself..

The Secret Diamond Sisters

Harlequin Savannah, Courtney, Peyton. The three sisters grew up not knowing their father and not quite catching a break. But it looks like their luck is about to change when they find out the secret identity of their long-lost dad—a billionaire Las Vegas hotel owner who wants them to come live in a gorgeous penthouse hotel suite. Suddenly the Strip's most exclusive clubs are all-access, and with an unlimited credit card each, it should be easier than ever to fit right in. But in a town full of secrets and illusion, fitting in is nothing compared to finding out the truth about their past.

Twelve Years a Slave

Prabhat Prakashan "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Smoke, Wings and Stone

Carrie and Sara Fleming are as different as two sisters can be. Both in high school, Carrie is an outgoing soccer jock, trying to navigate the minefield of Varsity sports -and dating. Sara is a talented musician, who wants to spend her senior year focusing on graduating and getting into a great music school. Both of their lives change forever when Sara inadvertently finds herself engaged to marry Lucien Gargouille, prince of an ancient race of gargoyles. Sara has no interest in marrying anyone, but a vow spoken in the moonlight has bound her to Luc - forever. To make matters worse, there is a war brewing. For centuries, the gargoyles have protected mankind from all the dark forces in the world. But someone is making trouble, and trying to break the fragile treaty that has kept evil at bay, and Sara has become a target. Carrie sees the danger around her sister, but can only watch and wait, hoping that Luc and his Family can keep Sara safe. After all, this is what they were born to do - protect the world from vampires, and all the other creatures, who would try to break out of their darkness. But when the enemy makes a daring move, it falls on Carrie to not only save her sister, but to keep the two worlds from crashing together.

The Keatyn Chronicles

Books 1-2

Createspace Independent Publishing Platform From USA Today bestselling author Jillian Dodd comes the first two books in the addictive Keatyn Chronicles series. Discover a breathless fairy-tale romance with swoon-worthy characters, suspense, and a glittering celebrity world. Fans of Gossip Girl, Pretty Little Liars, and reality TV will devour this pulse-pounding, sexy teen drama set against the backdrop of Hollywood and an East Coast boarding school. Keatyn has everything she ever dreamed. Her life is following the script she wrote for the perfect high school experience. She's popular, goes to the best parties, dates the hottest guy, and sits at the most-coveted lunch table. She's just not sure she wants it anymore. Because, really, things aren't all that perfect. Her best friend is threatening to tell everyone her perfect relationship is a scam. Her perfect boyfriend gets drunk at every party they go to. It's exhausting always trying to look and act perfect. And, deep down, she isn't sure if she has any true friends. To add to the drama, her movie star mom has a creepy stalker. A hot, older man flirts with her and tells her they should make a movie together. And she's crushing on an adorable surfer. Dating him would mean committing social suicide. So she writes a new script. One where all the pieces of her life will come together in perfect harmony. But little does she know, there's someone who will do anything to make sure that doesn't happen.

That Winter

Dufour Editions Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem Come Away after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years after starting to write again, she won the Cheltenham Festival poetry competition. Her first collection That Winter (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

Taylor Swift

The Platinum Edition

ECW Press Taylor Swift: The Platinum Edition gets to the heart of this superstar with albums and singles that head straight to the top of the pop and country music charts, a shelf full of awards, and millions of fans around the world. Fans looking for Taylor’s complete story should look no further than this detailed biography, which chronicles her childhood in Pennsylvania where she was teased and bullied, to her early days trying to land a record deal by personally dropping off demos at Nashville record companies, to the performance that led Taylor to her current label — and international fame. Includes details on her 2012 album Red and coverage of all her recent romances and adventures in the spotlight.

A Father's Love

Harlequin CONGRATULATIONS...IT'S TWINS! The morning Max Stevenson found twin babies on his doorstep, he knew life was about to change.... The millionaire bachelor could barely fasten a diaper, but pledged to care for the children until a true home was found. Then Kaitland Summerville arrived as the new nanny—and Max whispered a silent prayer. Why had the good Lord turned his world upside down? His former fiancée looked more beautiful than ever. Yet her betrayal remained a painful memory. But could this hectic household finally teach Max the true meaning of forgiveness and unconditional love? Welcome to Love Inspired™—stories about life, faith and love that will lift your spirits and gladden your heart. Meet men and women facing the challenges of today's world and learning important lessons about life, faith and love.

The Insurgents

Dramatists Play Service, Inc. THE STORY: When Sally Wright returns to her dead-end rural northeast town after losing her athletic scholarship, she’s forced to face her beer guzzling father, wayward brother, and the dearth of hope in her impoverished town. She starts carrying her shotgun wherever she goes and buries herself in books about Harriet Tubman, Nat Turner, John Brown, and Timothy McVeigh. She begins escaping into an interior world where their spirits talk to her, telling stories of their resistance to injustice. Yet even as she immerses herself in the lives of American insurgents and clutches her shotgun to her chest, the bleak oppression of a life without opportunity threatens to poison her spirit.

Petey (new cover)

Hyperion In 1922, at the age of two, Petey's distraught parents commit him to the state's insane asylum, unaware that their son is actually suffering from severe cerebral palsy. Bound by his wheelchair and struggling to communicate with the people around him, Petey finds a way to remain kind and generous despite the horrific conditions in his new "home." Through the decades, he befriends several caretakers but is heartbroken when each eventually leaves him. Determined not to be hurt again, he vows to no longer let hope of lifelong friends and family torment him. That changes after he is moved into a nursing home and meets a young teen named Trevor Ladd; he sees something in the boy and decides to risk friendship one last time. Trevor, new to town and a bit of a loner, is at first weary of the old man in the wheelchair. But after hearing more of his story, Trevor learns that there is much more to Petey than meets the eye. Petey is a touching story of friendship, discovery, and the uplifting power of the human spirit.

Tim Duncan: the Inspiring Story of Basketball's Greatest Power Forward

Learn the Incredible Story of Basketball Superstar Tim Duncan!Read on your PC, Mac, smartphone, tablet or Kindle device!In Tim Duncan: The Inspiring Story of Basketball's Greatest Power Forward, you'll read about the inspirational story of basketball's greatest power forwards Tim Duncan. Tim Duncan has kept the San Antonio Spurs relevant in the NBA for every year of his long NBA career. In this short book, we will learn about how Duncan became the incredible power forward that he is today. Starting first with a look into his childhood and early life, we'll learn about Tim Duncan prior to entering the NBA, along with his time in the NBA playing alongside David Robinson to his time playing with Tony Parker and Manu Ginobili leading the San Antonio Spurs.Tim Duncan is easily one of the greatest, if not the greatest power forward to play the game of basketball. For a man who once was just a kid fulfilling a promise to his parents to earn a college degree at Wake Forest, Tim Duncan has come a long way over the course of his basketball career.It will be exciting to see how Duncan and the Spurs do in this year's 2013-2014 NBA playoffs.Here is a preview of what is inside this book: Early Life and Childhood College Years at Wake Forest Duncan's NBA Career Tim Duncan's Personal Life Tim's Impact on Basketball and Beyond Duncan's Legacy An excerpt from the book:A half-decade ago, the Spurs were the most hated team in the league. In the eyes of the media and fans alike, they were not the brilliant, beautiful team that executed basketball at a level which no other team could do. They were an ugly, defense-first boring team that would never hesitate to use dirty tricks, flop, or work the referees to beat more exciting, fun teams like the "Seven Seconds or Less" Phoenix Suns. Bruce Bowen was a nasty piece of work who would kick an opposing player in the face if he could get away with it, Robert Horry hip-checked Steve Nash into the stands in the playoffs and Manu Ginobili was a cowardly flopper. Duncan may not have received quite the ire of his teammates, but he was boring. A superstar without a doubt, but one who got to play on stacked teams unlike Kevin Garnett and Kobe Bryant who struggled on mediocre teams in the mid-2000s. But do the Spurs care about the fact that those who love them today are also those who castigated them in the past? Not in the slightest. They just keep winning one 50-game season after another, chasing championships and glory. Right in the middle of that, Tim Duncan, oblivious to the roars or boos of the crowd, continues to play, with the same efficiency and genius that he has brought to the NBA over the past 17 years of his career.

Achtung-Panzer!

The Development of Armoured Forces, Their Tactics and Operational Potential

Arms & Armour This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

I Will Survive

The Book

St. Martin's Press I Will Survive is the story of Gloria Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

Cantata 12 Weinen Klagen Sorg

Schott & Company Limited inch....this work is likely to become a standart work very quickly and is to be recommended to all schools where recorder studies are undertaken inch. (Oliver James>Contact Magazine) A novel and comprehensive approach to transferring from the C to F instrument. 430 music examples include folk and national songs (some in two parts), country dance tunes and excerpts from the standard treble repertoire of•Bach, Barsanti, Corelli, Handel, Telemann, etc. An outstanding feature of the book has proved to be Brian Bonsor's brilliantly simple but highly effective practice circles and recognition squares designed to give, in only a few minutes, concentrated practice on the more usual leaps to and from each new note and instant recognition of random notes. Quickly emulating the outstanding success of the descant tutors, these books are very popular even with those who normally use tutors other than the Enjoy the Recorder series.

Nature and History in Modern Italy

Ohio University Press Marco Armiero is Senior Researcher at the Italian National Research Council and Marie Curie Fellow at the Institute of Environmental Sciences and Technologies, Universitat Aut(noma de Barcelona. He has published extensively on-Italian environmental history and edited *Views from the South: Environmental Stories from the Mediterranean World.* --

The Other Side of Assimilation

How Immigrants Are Changing American Life

Univ of California Press "The immigration of the last three decades has profoundly changed just about every aspect of life in the United States. What do those changes mean for the most established Americans, whose families have been in the country for multiple generations? Tomaas R. Jimaenez shows how a race and class spectrum of established Americans make sense of living, working, and playing in a region that has been transformed by immigration. Drawing on rich interviews, *The Other Side of Assimilation* explains how established Americans undergo their own assimilation in response to immigration-driven ethnic, racial, political, economic, and cultural shifts. With lucid prose, Jimaenez demonstrates that immigration is reshaping the United States by altering the outlooks and identities of its most established citizens"--Provided by publisher.

The Color Bind

Talking (and Not Talking) About Race at Work

Russell Sage Foundation Since the 1960s, the dominant model for fostering diversity and inclusion in the United States has been the "color blind" approach, which emphasizes similarity and assimilation and insists that people should be understood as individuals, not as members of racial or cultural groups. This approach is especially prevalent in the workplace, where discussions about race and ethnicity are considered taboo. Yet, as widespread as "color blindness" has become, many studies show that the practice has damaging repercussions, including reinforcing the existing racial hierarchy by ignoring the significance of racism and discrimination. In *The Color Bind*, workplace experts Erica Foldy and Tamara Buckley investigate race relations in office settings, looking at how both color blindness and what they call "color cognizance" have profound effects on the ways coworkers think and interact with each other. Based on an intensive two-and-a-half-year study of employees at a child welfare agency, *The Color Bind* shows how color cognizance—the practice of recognizing the profound impact of race and ethnicity on life experiences while affirming the importance of racial diversity—can help workers move beyond silence on the issue of race toward more inclusive workplace practices. Drawing from existing psychological and sociological research that demonstrates the success of color-cognizant approaches in dyads, workgroups and organizations, Foldy and Buckley analyzed the behavior of work teams within a child protection agency. The behaviors of three teams in particular reveal the factors that enable color cognizance to flourish. While two of the teams largely avoided explicitly discussing race, one group, "Team North," openly talked about race and ethnicity in team meetings. By acknowledging these differences when discussing how to work with their clients and with each other, the members of Team North were able to dig into challenges related to race and culture instead of avoiding them. The key to achieving color cognizance within the group was twofold: It required both the presence of at least a few members who were already color cognizant, as well as an environment in which all team members felt relatively safe and behaved in ways that strengthened learning, including productively resolving conflict and reflecting on their practice. *The Color Bind* provides a useful lens for policy makers, researchers and practitioners pursuing in a wide variety of goals, from addressing racial disparities in health and education to creating diverse and inclusive organizations to providing culturally competent services to clients and customers. By foregrounding open conversations about race and ethnicity, Foldy and Buckley show that institutions can transcend the color bind in order to better acknowledge and reflect the diverse populations they serve.

Making Records

The Scenes Behind the Music

Hachette Books Sinatra, Streisand, Dylan, Pavarotti, McCartney, Sting, Madonna. What do these musicians have in common besides their super-stardom? They have all worked with legendary music producer Phil Ramone. For almost five decades, Phil Ramone has been a force in the music industry. He has produced records and collaborated with almost every major talent in the business. There is a craft to making records, and Phil has spent his life mastering it. For the first time ever, he shares the secrets of his trade. *Making Records* is a fascinating look "behind the glass" of a recording studio. From Phil's exhilarating early days recording jazz and commercial jingles at A&R, to his first studio, and eventual legendary producer status, Phil allows you to sit in on the sessions that created some of the most memorable music of the 20th century--including Frank Sinatra's Duets album, Bob Dylan's Blood on the Tracks, Ray Charles's Genius Loves Company and Paul Simon's Still Crazy After All These Years. In addition to being a ringside seat for contemporary popular music history, *Making Records* is an unprecedented tutorial on the magic behind what music producers and engineers do. In these pages, Phil offers a rare peek inside the way music is made . . . illuminating the creative thought processes behind some of the most influential sessions in music history. This is a book about the art that is making records--the way it began, the way it is now, and everything in between.

Beat of the Music

Hal Leonard Corporation (Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

Dancing with Myself

Simon and Schuster A Rolling Stone Top 10 Best Music Books of the Year “That’s what I’m talking about...Of all these memoirs, Dancing With Myself was the only one that stimulated my envy—made me want to be Billy Idol for five minutes....He’s a genuine romantic, writing in a kind of overheated journalese about his London punk rock roots...and then falling head over heels for America” (James Parker, The New York Times Book Review). An early architect of punk rock’s sound, style, and fury, whose lip-curling sneer and fist-pumping persona vaulted him into pop’s mainstream as one of MTV’s first megastars, Billy Idol remains, to this day, a true rock ‘n’ roll icon. Now, in his New York Times bestselling autobiography, Dancing with Myself, Idol delivers an electric, “refreshingly honest” (Daily News, New York) account of his journey to fame—from his early days as front man of the pioneering UK punk band Generation X to the decadent life atop the dance-rock kingdom he ruled—delivered with the same in-your-face attitude and fire his fans have embraced for decades. Beyond adding his uniquely qualified perspective to the story of the evolution of rock, Idol is a brash, lively chronicler of his own career. A survivor’s tale at its heart, this sometimes chilling and always riveting account of one man’s creative drive joining forces with unbridled human desire is unmistakably literary in its character and brave in its sheer willingness to tell. With it, Billy Idol is destined to emerge as one of the great writers among his musical peers. “I am hopelessly divided between the dark and the good, the rebel and the saint, the sex maniac and the monk, the poet and the priest, the demagogue and the populist. Pen to paper, I’ve put it all down, every bit from the heart. I’m going on out a limb here, so watch my back.” —Billy Idol

The Ideal Life

Whitaker House Shortly after the death of Scottish evangelist and scholar Henry Drummond, his family celebrated his life by publishing this collection of his sermons, prefaced with memorials by evangelist W. Robertson Nicoll and theologian Ian Maclaren. Drummond addresses such topics as the nature of Christ, human sin and guilt, and salvation, and he suggests ways in which Christians can lead lives that are pleasing to God. Although determining the will of God for one’s life can often seem difficult, Drummond stresses the importance of prayer in listening for God’s voice and discerning His leading. Especially admired by young people during his life, Drummond’s warm character shines through in these heartfelt messages.

Maybe This Time

CreateSpace Moving in with my half-brother Xander, I had no idea what to expect. But nothing could have prepared me for this. My brother's friends are wild, protective, secretive, always around. And drop dead gorgeous. Out of all of them, there's something about Reid Knox. Brooding, temperamental, guarded... And I want him more than anything I have ever wanted in my life.

Her Shelter

The beautiful, ethereal creature ran across the road on my way home one night. I nearly hit her and ended up wiping out in the process. A little dazed, I ran after her... And found her in the woods. Dirty and cold from living on the streets for weeks-but still so breathtaking, I was sure I was dreaming her. Delaney is deaf, scared, and on the run from her uncle. But now that I've found her, I won't let anything hurt her ever again. She makes me feel something I've never felt before. This tightness in my chest causes the beast within me to snarl unless she's beside me. She becomes my obsession, my reason to get out of bed in the morning. She makes me want to be...better. For her, I'm never letting this girl go. No matter who tries to take her from me.

Plain Roots

Clear Creek Publishers Taryn Clark thought she'd outgrown the need to find her birth mother. She thought that a successful career and a comfortable life in the city were enough to be happy. Did she really need to know about the woman who had given her away? Adopted at birth, her first few years were happy. It hadn't mattered that she didn't know her heritage; she had parents who loved her and wanted her. But divorce, and then death, ripped their tiny family apart, and at the tender age of six, she entered the foster care system. Over the next dozen years, she shuffled from home to home. Finding her roots seemed an impossible dream. But dreams are resilient. An unexpected discovery awakens old yearnings of belonging to a family, of being part of something bigger than herself. Finding the brief, ambiguous note from her birth mother is enough to unfurl the ribbons of hope still binding her heart. Her quest takes her to Lancaster County, Pennsylvania and the heart of the Plain community. Aided by her unique eye color, a healthy dose of luck, and the private investigator she hires, Taryn finds her birth family easily enough, but finding the truth is another matter. In all her musings, she never imagined a scenario where her mother might be Amish. She never imagined that the fabric of her life might be a patchwork of faith and fear, stitched together with a dark family secret. Taryn is determined to trace her roots, even if it means digging in the mud to do so. Now she's caught in the quicksand of a shocking discovery and the consequences of choices made, almost forty years ago. She'll risk everything to uncover the truth and to claim the family--and the roots--she so desperately craves.
