MEDICAL-SURGICAL NURSING - E-BOOK

CONCEPTS & PRACTICE

Elsevier Health Sciences Providing a solid foundation in medical-surgical nursing, Susan deWit's Medical-Surgical Nursing: Concepts and Practice, 3rd Edition ensures you have the information you need to pass the NCLEX-PN® Examination and succeed in practice. Part of the popular LPN/LVN Threads series, this uniquely understandable, concise text builds on the fundamentals of nursing, covering roles, settings, and health care trends; all body systems and their disorders; emergency and disaster management; and mental health nursing. With updated content, chapter objectives, and review questions, this new edition relates national LPN/LVN standards to practice with its integration of QSEN competencies, hypertension, diabetes, and hypoglycemia. Concept Maps in the disorders chapters help you visualize difficult material, and illustrate how a disorder's multiple symptoms, treatments, and side effects relate to each other. Get Ready for the NCLEX® Examination! section includes Key Points that summarize chapter objectives, additional resources for further study, review questions for the NCLEX® Examination, and critical thinking questions. Nursing Care Plans with critical thinking questions provide a clinical scenario and demonstrate application of the nursing process with updated NANDA-I nursing diagnoses to individual patient problems. Anatomy and physiology content in each body system overview chapter provides basic information for understanding the body system and its disorders, and appears along with Focused Assessment boxes highlighting the key tasks of data collection for each body system. Assignment Considerations, discussed in Chapter 1 and highlighted in feature boxes, address situations in which the RN delegates tasks to the LPN/LVN, or the LPN/LVN assigns tasks to nurse assistants, per the individual state nurse practice act. Gerontologic nursing presented throughout in the context of specific disorders with Elder Care Points boxes that address the unique medical-surgical care issues that affect older adults. Safety Alert boxes call out specific dangers to patients and teach you to identify and implement safe clinical care. Evidence-based Practice icons highlight current references to research in nursing and medical practice. Patient Teaching boxes provide step-by-step instructions and guidelines for post-hospital care — and prepare you to educate patients on their health condition and recovery. Health Promotion boxes address wellness and disease prevention strategies that you can provide in patient teaching.

NO NONSENSE SPANISH WORKBOOK

JAM-PACKED WITH GRAMMAR TEACHING AND ACTIVITIES FROM BEGINNER TO ADVANCED INTERMEDIATE LEVELS

Most textbooks are written for teachers. This one is written for students. Carefully crafted by a professional Spanish tutor after years of working one-on-one with students of all ages and ability levels. Caitlin Cuneo has taught Spanish to Olympic athletes, District Attorneys, fashion models and many others! Specifically designed for students who struggle in a traditional classroom setting; new students of Spanish; and students who need a refresher from their high school or college Spanish days. We listened to your feedback! The No Nonsense Spanish Workbook 2nd edition contains: Expanded answer key now included Active vocabulary learning activities Chapter quizzes to test your learning Over 20 creative writing activities Take-it-Apart Grammar practice sections to improve reading comprehension Insightful verb charts Teaching and practice activities designed to address the specific areas in which students often struggle Bonus holiday activities! Have you tried other Spanish textbooks, workbooks, computer programs or apps and found that they don't work as promised? Don't give up. Here's why this book is different: Teaching and practice activities designed to address the specific areas in which the students often struggle. Designed to help you or your child develop a deeper understanding of how the Spanish language works. Tried and tested with real students to ensure that the activities are effective and easy to understand. Developed carefully and intentionally over time, not by a large textbook publisher. No flashy advertising or false promises. The most successful Spanish learners have many tools in their toolbox. This workbook will be a fantastic addition to your Spanish learning toolkit. It gives students a solid foundation of grammar and the underlying structure of the Spanish language. This allows students to incorporate new vocabulary and concepts more efficiently, and to handle curveballs that may be thrown at them in the classroom or in the Spanish-speaking world. Learning a language is a complex and challenging process. Don't be fooled by products that promise to make you fluent. It simply doesn't work that way. But don't be discouraged. Millions of people in this world speak more than one language, and you can too. With this workbook, the proper accompanying tools and some hard work and dedication, you will be well on your way to becoming a Spanish speaker!

DEWIT'S MEDICAL-SURGICAL NURSING E-BOOK

CONCEPTS & PRACTICE

Elsevier Health Sciences Get the solid foundation you need to pass the NCLEX-PN® exam and succeed in practice! deWit's Medical-Surgical Nursing: Concepts and Practice, 4th Edition builds on the fundamentals of nursing with complete coverage of adult medical-surgical conditions, including roles, settings, health care trends, and all body systems and their disorders. It provides special attention to care of older adults, those with chronic illnesses, and residents in long-term care settings. Written by nursing educator Holly Stromberg, deWit's Medical-Surgical Nursing makes exam prep easier with NCLEX-PN® review questions, and reflects national LPN/LVN standards with an emphasis on evidence-based practice and patient safety. Safety alerts emphasize safety precautions to protect patients, family, health care providers, and the public from accidents, spread of disease, and medication-related accidents. Older Adult Care Points address the unique care issues of gerontologic nursing, and describe assessment and interventions for long-term care patients. Nursing care plans show plans of care based on patient history, including patient goals and outcomes, with critical thinking questions allowing you to assess your understanding of nursing care concepts. Assignment Considerations cover task delegation from the RN to the LPN/LVN and from the LPN/LVN to unlicensed assistive personnel, as allowed by each state's nurse practice act. Get Ready for the NCLEX® Examination! section at the end of each chapter covers key points and includes review questions to help you prepare for class tests and the NCLEX-PN examination. Focused Assessment boxes show how to collect patient data, including history, physical, and psychosocial assessment. Home Care Considerations focus on adapting medical-surgical nursing care to the home environment after discharge. Cultural Considerations promote understanding of various ethnic groups and sensitivity to differing beliefs and practices. Communication boxes help in developing therapeutic communication skills in realistic patient care situations. Patient Teaching boxes provide instructions and guidelines for educating patients on post-hospital care. Legal and Ethical Considerations describe legal issues and ethical dilemmas that may face the practicing nurse. Think Critically encourages you to synthesize information and apply concepts to practice. Nutrition Considerations emphasize the role nutrition plays in disease and nursing care. Medication tables provide quick access to dosages and side effects of commonly used medications. Key terms include phonetic pronunciations and text page references, making learning easier with terms listed at the beginning of each chapter, appearing in blue at first mention or where defined in the text, and defined in the glossary.
