KEY=ANSWERS - CHERRY MATA

THE HANDY PRESIDENTS ANSWER BOOK

Visible Ink Press **A complete look at every Presidents' who, what, when, where, why, and, how ... Offering an engaging overview of the U.S. presidency and all past presidents, this valuable tome asks a variety of questions, from the trivial to the topical, that further expands one's understanding of America's highest office. With an intriguing range of questions about religious affiliations, unusual backgrounds, and tidbits of odd trivia—from "Which president killed a man in a duel?" to "Who was the first Baptist to become president?"—this reference also covers former presidential candidates, first ladies, key appointments, and election results. Revealing important answers to foreign policy questions and decisions made during times of war, as well as presidential actions in times of economic boom and bust, isolationism and expansion, and economic policies and unusual anecdotes, this fun and absorbing anthology provides a thorough overview of more than 200 years of U.S. presidents.**

HONEST ANSWERS ABOUT THE MURDER OF PRESIDENT JOHN F. KENNEDY

A NEW LOOK AT THE JFK ASSASSINATION

TrineDay **Thousands of books and articles have been written about the murder of JFK, many of which are large in volume and short on facts. Quite often, these works try to reinvent the wheel, attempting to cover every single area of the assassination, as well as many tangential and unessential points, as well. The reader is often left exhausted and confused. The sheer volume of pages, conflicting facts, and theories leaves one unsatisfied and, quite frankly, not sure exactly what did happen on 11/22/63. This book seeks to separate the wheat from the chaff. It is 55-plus years later: it is time for real, honest answers in an easy-to-read and understand format. Proof of a conspiracy; no theories; to-the-point; a perspective on the assassination for the millennial age and beyond. Based on years—decades—of primary source research and having read countless books on the subject.**

U.S. PRESIDENTS HOMEWORK BOOKLET, GRADES 4 - 6

Carson-Dellosa Publishing **In the U.S. Presidents Homework Booklet students learn fun and interesting facts about each of our 43 presidents. A profile for each president is followed by a puzzle which offers additional information about the featured leader. Additional pages about the duties of the president, the White House, and other related subjects are included to give students a comprehensive understanding of the executive office. REPORT OF THE PRESIDENT

NEW DIRECTIONS IN THE AMERICAN PRESIDENCY

Routledge Especially coming out of the landmark presidential elections of 2008 and 2016, the study of the American presidency--both as a political institution and of those who have held the office--is one of the most fascinating and dynamic fields of study within American government. *New Directions in the American Presidency* takes a current look at the various issues facing the contemporary presidency and provides a "state of the art" overview of current trends in the field of presidency research. This volume of original chapters by leading presidential scholars is designed to include all the essential topics covered in an undergraduate-level presidency course or a graduate-level seminar while also bringing together key disciplinary debates and treatment of important current real-world developments. Each chapter is written with students in mind so that it remains accessible, interesting, and engaging. New to the Second Edition New key chapters on presidents and political parties and presidential leadership (essential following the 2016 presidential election). A fresh approach to the President and the Constitution, and the President and domestic policymaking, are provided by new authors for these foundational chapters. All chapters have been revised with updates coming out the 2016 election, especially in relation to presidential campaign politics, media, and the Supreme Court.

THE HARDEST JOB IN THE WORLD

THE AMERICAN PRESIDENCY

Random House Trade Paperbacks **NEW YORK TIMES BESTSELLER** • From the veteran political journalist and 60 Minutes correspondent, a deep dive into the history, evolution, and current state of the American presidency, and how we can make the job less impossible and more productive—featuring a new post-2020-election epilogue “This is a great gift to our sense of the actual presidency, a primer on leadership.”—Ken Burns Imagine you have just been elected president. You are now commander-in-chief, chief executive, chief diplomat, chief legislator, chief of party, chief voice of the people, first responder, chief priest, and world leader. You’re expected to fulfill your campaign promises, but you’re also expected to solve the urgent crises of the day. What’s on your to-do list? Where would you even start? What shocks aren’t you thinking about? The American presidency is in trouble. It has become overburdened, misunderstood, almost impossible to do. “The problems in the job unfolded before Donald Trump was elected, and the challenges of governing today will confront his successors,” writes John Dickerson. After all, the founders never intended for our system of checks and balances to have one superior Chief Magistrate, with Congress demoted to “the little brother who can’t keep up.” In this eye-opening book, John Dickerson writes about presidents in history such a Washington, Lincoln, FDR, and Eisenhower, and and in contemporary times, from LBJ and Reagan and Bush, Obama, and Trump, to show how a complex job has been done, and why we need to reevaluate how we view the presidency, how we choose our presidents, and what we expect from them once they are in office. Think of the presidential campaign as a job interview. Are we asking the right questions? Are we looking for good campaigners, or good presidents? Once a candidate gets the job, what can they do to thrive? Drawing on research and interviews with current and former White House staffers, Dickerson defines what the job of president actually entails, identifies the things that only the president can do, and analyzes how

presidents in history have managed the burden. What qualities make for a good president? Who did it well? Why did Bill Clinton call the White House “the crown jewel in the American penal system”? The presidency is a job of surprises with high stakes, requiring vision, management skill, and an even temperament. Ultimately, in order to evaluate candidates properly for the job, we need to adjust our expectations, and be more realistic about the goals, the requirements, and the limitations of the office. As Dickerson writes, “Americans need their president to succeed, but the presidency is set up for failure. It doesn’t have to be.”

SUMMARY: THE NEXT JUSTICE

REVIEW AND ANALYSIS OF CHRISTOPHER L. EISGRUBER'S BOOK

Primento The must-read summary of Christopher L. Eisgruber's book: "The Next Justice: Repairing the Supreme Court Appointments Process". This complete summary of "The Next Justice" by Christopher L. Eisgruber, president of Princeton University, outlines his assessment of how and why the Supreme Court appointment process is failing. He explores how Congress can fix the broken process and prevent the Court from being overwhelmed by partisan politics or excessive conservatism. Added-value of this summary: • Save time • Understand how and why the Supreme Court appointments process is falling short • Expand your knowledge of American politics To learn more, read "The Next Justice" and discover the author's bold suggestions for fixing a broken and corrupt judicial branch.
