By age twenty-six, he had established a four-million-dollar real estate portfolio, only to lose it by age thirty. He has since rebuilt his financial life and, through his workshops and his New York Times business bestsellers *Financial Peace* and *More than Enough*, he has helped hundreds of thousands of people to understand the forces behind their financial distress and how to set things right-financially, emotionally, and spiritually. In this new edition of *Financial Peace*, Ramsey has updated his tactics and philosophy to show even more readers: • how to get out of debt and stay out • the KISS rule of investing—"Keep It Simple, Stupid" • how to use the principle of contentment to guide financial decision making • how the flow of money can revolutionize relationships With practical and easy to follow methods and personal anecdotes, *Financial Peace* is the road map to personal control, financial security, a new, vital family dynamic, and lifetime peace. **The Legacy Journey A Radical View of Biblical Wealth and Generosity Ramsey Press** What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is "enough"? There's a lot of bad information in our culture today about wealth—and the wealthy. Worse, there's a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God's put in their care. They were able to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind? **Smart Money Smart Kids Raising the Next Generation to Win with Money Ramsey Press** In *Smart Money Smart Kids*, Financial expert and best-selling author Dave Ramsey and his daughter Rachel Cruze equip parents to teach their children how to win with money. Starting with the basics like working, spending, saving, and giving, and moving into more challenging issues like avoiding debt for life, paying cash for college, and battling discontentment, Dave and Rachel present a no-nonsense, common-sense approach for changing your family tree. **Take Back Your Time The Guilt-Free Guide to Life Balance Ramsey Press** It's not about doing more. IT'S ABOUT DOING WHAT MATTERS. As a busy mom with three young kids and a career, #1 national bestselling author Christy Wright knows what it's like to try to do it all and be stretched too thin. After years of running on empty, she realized she had to do something different. It wasn't just a matter of saying no to a few things. She had to figure out why she felt overwhelmed, overcommitted, and out of balance. Here's what she discovered: Life balance isn't something you do. It's something you feel. The great news is you can feel balanced — even in your busy life. In *Take Back Your Time*, Christy redefines what balance is and reveals the clear path to actually achieve it. You'll learn how to: Identify what balance looks like in your unique situation and season. Find confidence in the choices that are right for you. Feel peace even during chaotic times. Learn how to be present for your life and actually enjoy it! You weren't created to live busy and burnt out, unhappy and unfulfilled. You shouldn't be haunted by some elusive idea of balancing it all. There's more for you right now. Today. And it starts with taking back your time the guilt-free way. **Dave Ramsey's Complete Guide to Money Ramsey Press** If you're looking for practical information to answer all your "How?" "What?" and "Why?" questions about money, this book is for you. Dave Ramsey's *Complete Guide to Money* covers the A to Z of Dave's money teaching, including how to budget, save, dump debt, and invest. You'll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all—giving. This is the handbook of *Financial Peace University*. If you've already been through Dave's nine-week class, you

won't find much new information in this book. This book collects a lot of what he's been teaching in FPU classes for 20 years, so if you've been through class, you've already heard it! It also covers the Baby Steps Dave wrote about in *The Total Money Makeover*, and trust us—the Baby Steps haven't changed a bit. So if you've already memorized everything Dave's ever said about money, you probably don't need this book. But if you're new to this stuff or just want the all-in-one resource for your bookshelf, this is it! **Financial Peace Lampo** Dave Ramsey explains those scriptural guidelines for handling money. **Financial Peace Junior Teaching Kids How to Win With Money!** Financial Peace Junior is designed to help you teach your kids about money. It's packed with tools, resources and step-by-step instructions for parents. What can be intimidating is made ultra-easy. There are ideas for activities and age-appropriate chores, and you'll have all the tools you need to make learning about money a part of your daily life. Your kids will love the exciting games and toys. The lessons of working, giving, saving and spending are brought to life through fun stories in the activity book, and kids will love tracking their progress on the dry-erase boards! Financial Peace Junior doesn't just give you the tools to teach your kids to win with money--it shows you how. **Baby Steps Millionaires How Ordinary People Built Extraordinary Wealth--and How You Can Too Ramsey Press** You Can Baby Step Your Way to Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That's when he set out to learn God's ways of managing money and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In *Baby Steps Millionaires*, you will . . . *Take a deeper look at Baby Step 4 to learn how Dave invests and builds wealth *Learn how to bust through the barriers preventing them from becoming a millionaire *Hear true stories from ordinary people who dug themselves out of debt and built wealth *Discover how anyone can become a millionaire, especially you *Baby Steps Millionaires* isn't a book that tells the secrets of the rich. It doesn't teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is straightforward, practical, and maybe even a little boring. But the life you'll lead if you follow the Baby Steps is anything but boring! You don't need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it's game on! **Know Yourself, Know Your Money: Discover Why You Handle Money the Way You Do, and What to Do about It!** Get clarity and control over your money faster by learning more about yourself! The basics of personal finance, like budgeting and saving, may be black and white, but there are deeper reasons you make the choices you do with money. That's why, in *Know Yourself, Know Your Money*, #1 New York Times bestselling author and money expert Rachel Cruze goes beyond the basics to help you understand you--and what that means for your money. She'll help you answer questions like: What do I believe about money and why? Why do I keep making the same money mistakes? Why can't my spouse and I get on the same page about money? and How do I make lasting progress with my money? Understanding why you handle money the way you do changes everything. It means you can build on your strengths, change your bad habits for good, improve your relationships, and see some serious life-change in the process. You can get out of debt and stay that way. You can partner with your spouse more effectively. You can build wealth and reach your goals faster. When you know yourself and your money, you can ultimately live life on your terms--doing the things that matter most to you. **Financial Adulting Everything You Need to be a Financially Confident and Conscious Adult John Wiley & Sons** Perfect for anyone seeking to get a firm handle on their personal finances, *Financial Adulting* is a must-have resource that demystifies and simplifies complex topics and makes understanding personal finance fun From the founder of *The Fiscal Femme*, a popular feminist money platform, and author of *The 30-Day Money Cleanse*, Ashley Feinstein Gerstley's *Financial Adulting: Everything You Need to be a Financially Confident and Conscious Adult* delivers an easy-to-follow, informative, and fun financial guide. Sounds like a lot, doesn't it? But with money gifts from birthday and Christmas, allowances, and part-time jobs, teenagers have gained purchasing power in this country. But when you turn 20, will you know where that \$21,000 went? We like to have money, save money, and especially spend money, but few people put learning about money at the top of their priority list. As a teen, maybe you don't feel that you have enough money to worry about it, but even though you don't have much, you have enough to matter--especially to the people that sell products for teens! Don't get caught in the web of marketing gurus. Take control of your money, so no one else will. In the *Money Matters Workbook for Teens*, Larry Burkett and Todd Temple will show teens how to: Pay fair price for quality items Avoid being ripped off by misleading ads and salespeople Stay out of debt Save for a car, college, your own business Give money away that will make a difference in the world Save money to do fun things with your friends Learn skills that will help you right now, and prepare for a successful financial future **Smart Women Finish Rich, Expanded and Updated Currency** THE MILLION-COPY NEW YORK TIMES, BUSINESS WEEK, WALL STREET JOURNAL AND USA TODAY BESTSELLER IS BACK - COMPLETELY UPDATED! As she began to chart the path to her own financial rescue, the outline of her ten-step formula for attaining both financial security and peace of mind began to take shape. These principles have now helped more than one million women worldwide save and pay off millions in debt, and begin planning for a richer life. Revealing this practical ten-step process for the first time in its entirety, Get Good with Money introduces the powerful concept of building wealth through financial wholeness: a realistic, achievable, and energizing alternative to get-rich-quick and over-complicated money management systems. With helpful checklists, worksheets, a tool kit of resources, and advanced advice from experts who Tiffany herself relies on (her “Budgetnista Boosters”), Get Good with Money gets crystal clear on the short-term actions that lead to long-term goals, including: • A simple technique to determine your baseline or “noodle budget,” examine and systemize your expenses, and lay out a plan that allows you to say yes to your dreams. • An assessment tool that helps you understand whether you have a “don’t make enough” problem or a “spend too much” issue—as well as ways to fix both. • Best practices for saving for a rainy day (aka job loss), a big-ticket item (a house, a trip, a car), and money that can be invested for your future. • Detailed advice and action steps for taking charge of your credit score, maximizing bill-paying automation, savings and investing, and calculating your life, disability, and property insurance needs. • Ways to protect your beneficiaries’ future, and ensure that your financial wishes will stand the test of time. An invaluable guide to cultivating good financial habits and making your money work for you, Get Good with Money will help you build a solid foundation for your life (and legacy) that’s rich in every way. **Profit First Transform Your Business from a Cash-Eating Monster to a Money-Making Machine Penguin** Author of cult classics The Pumpkin Plan and The Toilet Paper Entrepreneur offers a simple, counterintuitive cash management solution that will help small businesses break out of the doom spiral and achieve instant profitability. Conventional accounting uses the logical (albeit, flawed) formula: Sales - Expenses = Profit. The problem is, businesses are run by humans, and humans aren’t always logical. Serial entrepreneur Mike Michalowicz has developed a behavioral approach to accounting to flip the formula: Sales - Profit = Expenses. Just as the most effective weight loss strategy is to limit portions by using smaller plates, Michalowicz shows that by taking profit first and apportioning only what remains for expenses, entrepreneurs will transform their businesses from cash-eating monsters to profitable cash cows. Using Michalowicz’s Profit First system, readers will learn that: • Following 4 simple principles can simplify accounting and make it easier to manage a profitable business by looking at bank account balances. • A small, profitable business can be worth much more than a large business surviving on its top line. • Businesses that attain early and sustained profitability have a better shot at achieving long-term growth. With dozens of case studies, practical, step-by-step advice, and his signature sense of humor, Michalowicz has the game-changing roadmap for any entrepreneur to make money they always dreamed of. **Sound Mind Investing A Step-by-step Guide to Financial Stability & Growth Sound Mind Investings** Many excellent books teach God’s principles of finance. Perhaps they have helped you lay a strong biblical foundation for carrying out your money management responsibilities. But as you try to apply those principles to real-life investing decisions, it’s easy to feel overwhelmed by jargon and the sheer number of possibilities. Sound Mind Investing is a next step guide that helps you put Godly principles of finance in motion. Whether you’re a beginner or an experienced investor, you’ll benefit from stepping across this bridge between theory and action. Each lesson is written in everyday English and filled with helpful visual aids. This book can help you chart your financial future by using the same concepts that have made Austin’s newsletter America’s best-selling investment newsletter written from a biblical perspective. Whether you invest a little or a lot, these biblical principles apply to you. **Relating With Money Nerds and Free Spirits Unite!** “Dave Ramsey instructs couples how to work together as a team, gives singles some practical tips for financial accountability, and shows parents how to teach their children about money from a young age”—Container. **Start Late, Finish Rich (Canadian Edition) A No-Fail Plan for Achieving Financial Freedom At Any Age Doubleday Canada** David Bach has a plan to help you live and finish rich—no matter where you start So you feel like you’ve started late? You are not alone. What if I told you that right now as you flip through this book, 70% of the people in the store with you are living paycheck to paycheck? What if I told you that the man browsing the aisle to your left owes more than \$8,000 in credit card debt? And the woman on your right has less than \$1,000 in savings? See? You’re really not alone. Unfortunately, the vast majority of people who’ve saved too little and borrowed too much will never catch up financially. Why? Because they don’t know how. You can start late and finish rich—but you need a plan. This book contains the plan. It’s inspiring, easy to follow, and is based on proven financial principles. Building a secure financial future for yourself isn’t something you can do overnight. It will take time and it will take work. But you can do it. I know. I’ve helped millions of people get their financial lives together—and I can help you. Spend a few hours with me—and let me challenge you. Give me a chance to become your coach. Just because you started late doesn’t mean you are doomed to an uncertain future. Whether you’re in your thirties, forties, fifties, or beyond, there is still time to turn things around. It’s never too late to live and finish rich. All it takes is the decision to start. —David Bach Is it too late for me to get rich? Over and over, people share their fears with David Bach, America’s leading money coach and the number-one national best-selling author of The Automatic Millionaire. “If only I had started saving when I was younger!” they say. “Is there any hope for me?” There IS hope, and help is here at last! In Start Late, Finish Rich, David Bach takes the “Finish Rich” wisdom that has already helped millions of people and tailors it specifically to all of us who forgot to save, procrastinated, or got sidetracked by life’s unexpected challenges. Whether you are in your thirties, forties, fifties, or even older, Bach shows that you really can start late and still live and finish rich – and you can get your plan in place fast. In a motivating, swift read you learn how to ramp up the road to financial security with the principles of spend less, save more, make more – and most important, LIVE MORE. And he gives you the time tested plan to do it. The Start Late, Finish Rich promise is bold and clear: Even if you are buried in debt – there is still hope. You can get rich in real estate – by starting small. Find your “Latte Factor” – and turbo charge it to save money you didn’t know you had. You can start a business on the side – while you keep your old job and continue earning a paycheck.

You can spend less, save more and make more – and it doesn't have to hurt. David Bach gives you step-by-step instructions, worksheets, phone numbers and website addresses --everything you need to put your Start Late plan into place right away. And he shares the stories of ordinary Americans who have turned their lives around, at thirty, forty, fifty, even sixty years of age, and are now financially free. They did it, and now it's your turn. With David Bach at your side, it's never too late to change your financial destiny. It's never too late to live your dreams. It's never too late to be free. **Get a Financial Life Personal Finance In Your Twenties and Thirties Simon and Schuster** The bestselling book that the New York Times hailed as “a highly readable and substantial guide to the grown-up realms of money and business,” Get a Financial Life is a must-read for anyone in their twenties and thirties (or beyond) who wants to understand the basics of personal finance. Virtual currencies (VCs) and the underlying distributed ledger systems are among these. VCs offer many potential benefits, but also considerable risks. VCs could raise efficiency and in the long run strengthen financial inclusion. At the same time, VCs could be potential vehicles for money laundering, terrorist financing, tax evasion and fraud. While risks to the conduct of monetary policy seem less likely to arise at this stage given the very small scale of VCs, risks to financial stability may eventually emerge as the new technologies become more widely used. National authorities have begun to address these challenges and will need to calibrate regulation in a manner that appropriately addresses the risks without stifling innovation. As experience is gained, international standards and best practices could be considered to provide guidance on the most appropriate regulatory responses in different fields, thereby promoting harmonization and cooperation across jurisdictions. **The Debt Cure 175 Proven Strategies for Financial Independence Centennial Books** For many Americans, debt has become overwhelming—and in some cases unmanageable.
