## The Works of Charlotte Smith, Part II vol 7

**Routledge** *Charlotte Turner Smith held a central position during the formative years of the British Romantic period. Smith's work includes eleven novels and two fictional adaptations from the French. This edition reveals the extent to which Smith's work in this form constitutes as significant an achievement as her poetry.*

Beyond Caligari

The Films of Robert Wiene

**Berghahn Books** Documents the work of the often neglected director of the German silent film classic, *The Cabinet of Dr. Caligari*. The chapters move chronologically through the different periods of Wiene's career, summarizing and critiquing 90 films he either directed or wrote. Originally published in German, the book includes black and white photographs and a filmography. Annotation copyrighted by Book News, Inc., Portland, OR

The Works

# Comprising His Poems, Correspondence and Translations : in Eight Volumes

## Paxton's War

**Open Road Media** *As the British armies march on Charleston, a young girl dreams of love For two years, General Washington and his rebels have outfoxed the British army, humiliating them so soundly that the redcoats have been forced to change strategy. Let Washington have the Northern colonies, they decide—we will attack the South. And the prime target, the jewel of the Southern states, is Charleston. In this cosmopolitan port city where war is about to erupt, Colleen McClagan watches the sea and waits for her lover's return. It has been four years since Jason Paxton crossed the Atlantic to study music in Europe, and Colleen has counted every day. When he finally returns to the colonies, the two find they are united not only by love, but also by a thirst for liberty. As Colleen writes revolutionary pamphlets, Jason joins the patriots as a secret agent, staking his life on the hope that the land of his birth will one day be free.*

The USA from a Chevrolet

Scenes from a Forty-Year Drive in a '65 Biscayne

**McFarland** *In July 1965, an Artesian Turquoise Chevrolet Biscayne rolled off a General Motors assembly line. Little did James Ward know that this car would become a cherished member of his family, playing a role in his wedding, honeymoon, years of graduate school, birth of his daughter, and her wedding, among countless other memories. Four decades—and a lot of history—later, the author still drives this rolling historical artifact dubbed Phoebe. Using the Biscayne as a narrative thread, this first-person account explores facets of American history the author and Phoebe experienced since the mid-1960s, such as a KKK cross-burning, a civil rights march, Hurricane Betsy, numerous local diners, motels, and parks, and interesting people and out-of-the-way places. Looking for remnants of their youth, they drove across back roads in twenty-first century America. Photographs accompany this unique memoir.*
