#### DEEP IN THE SAHARA

---

**Schwartz & Wade** "Poetic language, attractive illustrations and a positive message about Islam, without any didacticism: a wonderful combination," declares Kirkus Reviews in a starred review. Lalla lives in the Muslim country of Mauritania, and more than anything, she wants to wear a malafa, the colorful cloth Mauritanian women, like her mama and big sister, wear to cover their heads and clothes in public. But it is not until Lalla realizes that a malafa is not just worn to show a woman's beauty and mystery or to honor tradition—a malafa for faith—that Lalla's mother agrees to slip a long cloth as blue as the ink in the Koran over Lalla's head, under her arm, and round and round her body. Then together, they pray. An author's note and glossary are included in the back of the book.

Each line or phrase is thrust at the reader in a manner that may be inspirational or controversial... it is for the modern consumer of this recontextualization to decide. They are words to provoke: to action. To inspire. To recite. To revile. To reconcile or reconsider the legacy and benefits of colonialism. Compiled and presented by sloganist Dick Robinson, three poems are included, complete and uncut: 'White Man's Burden', 'Fuzzy-Wuzzy' and 'If'.

## LONDON TO LADYSMITH & IAN HAMILTON'S MARCH

---

**Courier Corporation** In addition to his enduring fame as a statesman, Winston Churchill was a Nobel Prize-winning author whose military histories offer the unique perspective of a participant in world affairs. London to Ladysmith and Ian Hamilton's March reflect his early career as a Boer War correspondent for London's Morning Post in 1899 and 1900. London to Ladysmith chronicles the Boer War's first five months, from the author's arrival in South Africa to his capture during a Boer ambush of an armored train. Churchill's gripping narrative of his escape from a prisoner-of-war camp traces a grueling journey across enemy territory and back to British lines. Ian Hamilton's March picks up the action immediately afterward, documenting the eponymous general's 400-mile advance from Bloemfontein to Pretoria. The march saw ten major battles and numerous skirmishes, culminating in the release of prisoners from the camp where Churchill himself was held. Written mostly in the field, this book offers a vivid, personal account of the conditions under which the Boer War was fought, as well as a fascinating look at the formative years of one of the twentieth century's preeminent leaders.
