The Words of Jesus in the Original Aramaic [Xulon Press](#) **Prayers of the Cosmos Reflections on the Original Meaning of Jesus' Words** [Harper Collins](#) Reinterpreting the Lord's Prayer and the Beatitudes from the vantage of Middle Eastern mysticism, Douglas-Klotz offers a radical new translation of the words of Jesus Christ that reveals a mystical, feminist, cosmic Christ. **The Original Aramaic New Testament In Plain English with Psalms & Proverbs** [Lulu.com](#) This is a translation (8th edition) of The Aramaic New Testament (Aramaic was the language of Jesus and his countrymen of 1st century Israel) in an English prose translation of The Peshitta New Testament. This translation is derived from the author's Aramaic-English Interlinear New Testament. Aramaic was used in Mel Gibson's film "The Passion of the Christ" to make the film as realistic and accurate as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of "Yeshua" (?Jesus? in ancient Aramaic) as He originally spoke them, in a literal and readable English rendering. Abundant documentation of the Aramaic Peshitta as the original NT is included. 609 pages, including 209 pages of documentary notes comparing Greek and Aramaic readings to show the originality of the Aramaic and the Greek as a translation. Hardback edition **The Original Aramaic New Testament in Plain English** [David Bauscher](#) This is a translation (8th edition-2015) of The Aramaic New Testament (Aramaic was the language of Jesus and his countrymen of 1st century Israel) in an English prose translation of The Peshitta New Testament with Psalms & Proverbs at the end. This translation is derived from the author's Aramaic-English Interlinear New Testament + Psalms & Proverbs interlinears. Aramaic was used in Mel Gibson's film "The Passion of the Christ" to make the film as realistic and accurate as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of "Yeshua" (?Jesus? in ancient Aramaic) as He originally spoke them, in a literal, accurate and readable English rendering. Abundant documentation of the Aramaic Peshitta as the original NT is included. 609 pages in B&W. 6 x 9" Hardcover. The author's web site is [aramaicnt.com](#) **Treasures of the Language of Jesus The**

Aramaic Source of Christ's Teachings The Original Aramaic New Testament in Plain English Lulu.com This is a rare New Testament (3rd edition) from the

Aramaic language of Jesus and his countrymen of 1st century Israel in a prose English translation . Aramaic was used in Mel Gibson's film "The Passion of the Christ" to make the film as realistic and accurate as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of "Eeshu" (Pronunciation of 'Jesus' in ancient Aramaic) as He originally spoke them, in a literal yet idiomatic English rendering. Much evidence is presented in notes demonstrating very powerfully that The Peshitta Aramaic NT is the original behind The Greek NT. There are many graphics and even photos from Dead Sea Scrolls to illustrate an Aramaic verse and how a reading was interpreted by a Greek translating the text, making this a unique scholarly study Bible in elegant Lucida Calligraphy font. 539 pages 6x9" Black & White; hardbound. **The Sufi Book of Life**

99 Pathways of the Heart for the Modern Dervish [Penguin](http://Penguin.com) Part meditation book, part oracle, and part collection of Sufi lore, poetry, and stories, The Sufi Book of Life offers a fresh interpretation of the fundamental spiritual practice found in all ancient and modern Sufi schools—the meditations on the 99 Qualities of Unity. Unlike most books on Sufism, which are primarily collections of translated Sufi texts, this accessible guide is a handbook that explains how to apply Sufi principles to modern life. With inspirational commentary that connects each quality with contemporary concerns such as love, work, and success, as well as timeless wisdom from Sufi masters, both ancient and modern, such as Rumi, Hafiz, Shabistari, Rabia, Inayat Khan, Indries Shah, Irina Tweedie, Bawa Muhaiyadden, and more, The Sufi Book of Life is a dervish guide to life and love for the twenty-first century. On the web: <http://sufibookoflife.com> **Jesus Spoke Aramaic The Reasons Why, and Why It Matters** [Createspace](http://Createspace.com) Independent Publishing Platform **Jesus Spoke ARAMAIC Creation Spirituality Liberating Gifts for the Peoples of the Earth** [Harper Collins](http://HarperCollins.com)

From Matthew Fox, the popular and controversial author of The Coming of the Cosmic Christ, a prophetic manifesto for the preservation of the planet. For those new to the works of Matthew Fox, and for those eager to learn his thoughts after his Vatican-ordered public silence, comes this introduction to creation spirituality--Fox's framework for a far-reaching spirituality of the Americas. Passionate and provocative, Fox uncovers the ancient tradition of a creation-centered spirituality that melds Christian mysticism with the contemporary struggle for social justice, feminism, and environmentalism. Basic to Fox's notion of creation spirituality is the gift of awe--a mystical response to creation and the first step toward transformation. Awe prompts indignation at the exploitation and destruction of the earth's people and resources. Awe leads to action. Showing how we can learn from each other, Fox's spirituality weds the healing and liberation found in both North and South America. Creation Spirituality challenges readers of every religious and political persuasion to unite in a new vision through which we learn to honor the earth and the people who inhabit it as the gift of a good and just creator. **Blessings of the Cosmos Wisdom of the Heart from the Aramaic Words of Jesus** [Sounds True](http://SoundsTrue.com) Aramaic—the language of Jesus and his disciples—has captured the imagination of seekers from every faith and spiritual tradition. Since the publication of his bestseller Prayers of the Cosmos, Aramaic scholar Dr. Neil Douglas-Klotz has become a

foremost expert at uncovering the rich layers of meaning found in Jesus's native wisdom sayings. Now, in *Blessings of the Cosmos*, this renowned author presents a collection of all-new translations of Jesus's best-loved benedictions and invocations for peace, healing, divine connection, and more, including: "Come unto me, all ye that labor"—blessings to renew and rededicate your life's sacred vocation "Ask, and it shall be given you"—discovering your origin in the source of Love itself Jesus's parting words to the disciples, from the blessing of greater works to the many mansions teaching to the great commandment on love, and more Jesus' Beatitudes in Luke—blessings for our inner being Plus an 80-minute CD with 20 guided Aramaic body prayers, similar to the traditional Middle Eastern practices that Jesus himself used to generate spiritual energy and insight Whether for personal inspiration or for communal worship and rites of passage, *Blessings of the Cosmos* offers you a heart-opening prayerbook that offers guidance and encouragement toward an ever-deepening daily experience of the Divine. **Discovering The Language of Jesus: Hebrew or Aramaic?** Calvary Chapel Publishing **The Words of Christ in Aramaic-English Interlinear Edition** Universal-Publishers An English transcription of original words of Christ in Aramaic language in which he spoke with a parallel English translation. A reader can enjoy hearing Christ speaking, and also use it as a medication to cleanse the soul. 4th century Peshitta Aramaic translation of the gospels is used as a basis in reconstructing Christ's words which are presented in a historical sequence, combining the synopsis of the four gospels. **The Original Aramaic New Testament in Plain English in Calligraphy font (7th ed. with embedded notes)** Lulu.com **Did Jesus Speak Greek? The Emerging Evidence of Greek Dominance in First-Century Palestine** Wipf and Stock Publishers **Did Jesus speak Greek?** An affirmative answer to the question will no doubt challenge traditional presuppositions. The question relates directly to the historical preservation of Jesus's words and theology. Traditionally, the authenticity of Jesus's teaching has been linked to the recovery of the original Aramaic that presumably underlies the Gospels. The Aramaic Hypothesis infers that the Gospels represent theological expansions, religious propaganda, or blatant distortions of Jesus's teachings. Consequently, uncovering the original Aramaic of Jesus's teachings will separate the historical Jesus from the mythical personality. G. Scott Gleaves, in *Did Jesus Speak Greek?*, contends that the Aramaic Hypothesis is inadequate as an exclusive criterion of historical Jesus studies and does not aptly take into consideration the multilingual culture of first-century Palestine. Evidence from archaeological, literary, and biblical data demonstrates Greek linguistic dominance in Roman Palestine during the first century CE. Such preponderance of evidence leads not only to the conclusion that Jesus and his disciples spoke Greek but also to the recognition that the Greek New Testament generally and the Gospel of Matthew in particular were original compositions and not translations of underlying Aramaic sources. **Revelation** Canongate Books The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. **A Greek-English Lexicon of the New Testament and Other Early Christian Literature** University of Chicago Press Described as an "invaluable

reference work" (Classical Philology) and "a tool indispensable for the study of early Christian literature" (Religious Studies Review) in its previous edition, this new updated American edition of Walter Bauer's *Wörterbuch zu den Schriften des Neuen Testaments* builds on its predecessor's staggering deposit of extraordinary erudition relating to Greek literature from all periods. Including entries for many more words, the new edition also lists more than 25,000 additional references to classical, intertestamental, Early Christian, and modern literature. In this edition, Frederick W. Danker's broad knowledge of Greco-Roman literature, as well as papyri and epigraphs, provides a more panoramic view of the world of Jesus and the New Testament. Danker has also introduced a more consistent mode of reference citation, and has provided a composite list of abbreviations to facilitate easy access to this wealth of information. Perhaps the single most important lexical innovation of Danker's edition is its inclusion of extended definitions for Greek terms. For instance, a key meaning of "episkopos" was defined in the second American edition as overseer; Danker defines it as "one who has the responsibility of safeguarding or seeing to it that something is done in the correct way, guardian." Such extended definitions give a fuller sense of the word in question, which will help avoid both anachronisms and confusion among users of the lexicon who may not be native speakers of English. Danker's edition of Bauer's *Wörterbuch* will be an indispensable guide for Biblical and classical scholars, ministers, seminarians, and translators.

The Hidden Gospel Decoding the Spiritual Message of the Aramaic Jesus Quest Books In two previous books, Neil Douglas-Klotz pioneered a radical new way of translating the words of Jesus---filtering them through the imagistic worldview of the Aramaic language which Jesus himself spoke. Seen through this lens, familiar sayings such as "Blessed are the meek" come into vibrant contemporary focus as "Healthy are those who have softened what is rigid within." In *The Hidden Gospel*, Douglas-Klotz employs this approach to decode the spiritual and prophetic messages hidden within key words and concepts in the sayings and stories of Jesus. We learn to our delight, for instance, that when Jesus spoke of "goodness" he used a word which in Aramaic means "ripe" and refers to actions which are in time and tune with the Sacred Unity of all life. *The Hidden Gospel* aims to bridge the gap between the historical Jesus of the scholar and the Jesus of faith of Christian believers. It will appeal to everyone looking for an alternative spiritual vision of Jesus and his message.

Aramaic Peshitta New Testament Translation Light of the Word Ministry Aramaic Peshitta New Testament Translation is a new translation of the New Testament into English that is based on the Gwilliam text. This translation includes explanatory footnotes marking variant readings from the Old Syriac, Eastern text, and other Peshitta manuscripts. Other footnotes provide cultural understanding and a system of abbreviations that mark idioms and figures of speech so that they are easily recognisable. The translation is as literal as possible, but with readable English, giving the flavour and rhythm of Eastern language. Aramaic is the language of the first century and the Peshitta is the earliest complete manuscript of the New Testament. The Gwilliam text, from which this work is based, is a Latin translation of the Peshitta.

Holy Bible From the Ancient Eastern Text Harper Collins This handsome new edition of the authoritative English translation of the Aramaic (Syriac) Old and New Testaments--the language of Jesus--clarifies difficult passages and

offers fresh insight on the Bible's message. **Jesus's Stenographers The Story of the Red Letters** WestBow Press Are The Gospels Really Accurate? Here's How To Know Without A Doubt! We all want clarity about Jesus and the gospels. There is an ongoing research for details (theologians), an ongoing curiosity among the public and an ongoing need among Christians for clarity about the basics of the faith. It is time for a new and up to date story about Jesus and his words. After reading the book, you will: • Read the gospels with new interest and understanding. • Speak with conviction about the gospels. • Know how the spoken word was presented in the books. • Say No to the oral tradition prior to the gospels. • Understand that the gospels form the Testament of Jesus: reports were written before his death, and published in books shortly thereafter. Don't wait a day to discover the real story about the Gospels. Buy your copy now. Ben van Noort is a graduate (MA) from Utrecht University (Netherlands). In his third academic year he received the annual faculty award, with a study in history of early Christianity. His MA was focused on New Testament and Judaism (1975). He worked as a high school teacher in Christian Religion. He is a member of the Evangelical Theological Society. "A compelling work of original biblical interpretation with significant theological implications." —Kirkus Review— **A Peculiar Glory How the Christian Scriptures Reveal Their Complete Truthfulness** Crossway God has provided a way for all people, not just scholars, to know that the Bible is the Word of God. John Piper has devoted his life to showing us that the glory of God is object of the soul's happiness. Now, his burden in this book is to demonstrate that this same glory is the ground of the mind's certainty. God's peculiar glory shines through his Word. The Spirit of God enlightens the eyes of our hearts. And in one self-authenticating sight, our minds are sure and our hearts are satisfied. Justified certainty and solid joy meet in the peculiar glory of God. **The Aramaic-English Interlinear New Testament** David Bauscher This is The New Testament in the language of Jesus and his countrymen of 1st century Israel, with a word for word translation into English next to each Aramaic word. Aramaic was used in Mel Gibson's film "The Passion of the Christ" to make the film as realistic as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of "Yeshua" ("Jesus" in ancient Aramaic) as He originally spoke them and a very literal English rendering. Much evidence is presented demonstrating very powerfully that The Peshitta Aramaic NT is the original behind The Greek NT. There are many graphics and even photos from Dead Sea Scrolls to illustrate an Aramaic verse and how a reading was interpreted by a Greek translating the text. 620 pages. B&W Hardback 6x9". Pastor Dave is a former high school science teacher with a proficiency in Hebrew, Greek and Aramaic and has been preaching & teaching The Bible since 1976 in several churches in the USA. His web site is aramaicnt.com **Did Jesus Speak Greek The Emerging Evidence of Greek Dominance in First-Century Palestine** ISD LLC Did Jesus speak Greek? An affirmative answer to the question will no doubt challenge traditional presuppositions. The question relates directly to the historical preservation of Jesus's words and theology. Traditionally, the authenticity of Jesus's teaching has been linked to the recovery of the original Aramaic that presumably underlies the Gospels. The Aramaic Hypothesis infers that the Gospels represent theological expansions, religious propaganda, or blatant distortions of Jesus's teachings. Consequently,

uncovering the original Aramaic of Jesus's teachings will separate the historical Jesus from the mythical personality. G. Scott Gleaves, in *Did Jesus Speak Greek?*, contends that the Aramaic Hypothesis is inadequate as an exclusive criterion of historical Jesus studies and does not aptly take into consideration the multilingual culture of first-century Palestine. Evidence from archaeological, literary, and biblical data demonstrates Greek linguistic dominance in Roman Palestine during the first century CE. Such preponderance of evidence leads not only to the conclusion that Jesus and his disciples spoke Greek but also to the recognition that the Greek New Testament generally and the Gospel of Matthew in particular were original compositions and not translations of underlying Aramaic sources. **Do You Know Greek? How Much Greek Could the First Jewish Christians Have Known?** BRILL **The Original Aramaic Gospel of John in Plain English** Lulu.com **Jesus Never Said Wealth Is Bad Opening Your Eyes to the Original Meaning of the RICH MAN Story in Matthew's Gospel** In this study of the Rich Man passage from Matthew's Gospel, you will find a thorough analysis using Ancient Bible Study Methods combined with the culture of Jesus' day and Aramaic. Jesus spoke Aramaic, not Greek. When the translations were made of Jesus' words from Aramaic to Greek, you will discover that the nuances of Aramaic were lost. This book restores those words from this passage. **JESUS LIKES RICH PEOPLE WHO OBTAINED THEIR WEALTH FROM THE LORD AND USES PART OF THAT WEALTH TO HELP THE POOR.** **Reading and Writing in the Time of Jesus** A&C Black Jesus never wrote a book. Most scholars assume that information about Jesus was preserved only orally up until the writing of the Gospels, allowing ample time for the stories of Jesus to grow and diversify. Alan Millard here argues that written reports about Jesus could have been made during his lifetime and that some among his audiences and followers may very well have kept notes, first-hand documents that the Evangelists could weave into their narratives.

Interlinear English / Hebrew in the Four Gospels Matthew to John

AuthorHouse I wrote this Book with the purpose of awakening the desire in the minds of all Christians believers to learn the language our Lord Jesus Christ spoke while He was here on this earth. With the exceptions of the Aramaic, Jesus Christ gave us the Word of His Gospel in the Hebrew and a few words in the Aramaic. The Bible was originally written in Greek by the Apostles in the first century. Later, Franz Delitzsch compiled the Hebrew version translating it from the original Greek. His work is known as "The Textus Receptus" in Greek. Most of the New Testament Books as we know them were written originally in the Greek by the Evangelists, even though, there are other versions like the Syriac. But I can imagine for the Gospel writers, while writing in Greek, Jesus Christ's beautiful and blessed Words still were reverberating in their minds in the original Hebrew and the Aramaic languages. First Peter 1:1-2 "Peter, an apostle of Jesus Christ. v2) To the pilgrims of the dispersion....." James 1:1 James, a servant of God and of the Lord Jesus Christ, to the twelve tribes which are scattered abroad." (The Diaspora, "Hannefotzeem)." The work of this Book is dedicated to the many Jewish people who are dispersed throughout the world, and to the many who are beginning to know their ancestor's roots. **Understanding the Difficult Words of Jesus** Destiny Image Incorporated **A Grammar of the Greek New Testament in the Light of Historical Research Old Testament Textual Criticism A Practical Introduction** Baker Academic A Readable, Updated

Introduction to Textual Criticism This accessibly written, practical introduction to Old Testament textual criticism helps students understand the discipline and begin thinking through complex issues for themselves. The authors combine proven expertise in the classroom with cutting-edge work in Hebrew textual studies. This successful classic (nearly 25,000 copies sold) has been thoroughly expanded and updated to account for the many changes in the field over the past twenty years. It includes examples, illustrations, an updated bibliography, and a textual commentary on the book of Ruth. **Textual Criticism of the Hebrew Bible** BRILL Thirty-three revised and updated essays on the textual criticism of the Hebrew Bible, Qumran and the Septuagint, originally published between 2008 and 2014 are presented in this volume, the third volume of the author's collected writings. **How Biblical Languages Work A Student's Guide to Learning Hebrew and Greek** Kregel Academic A practical and easy-to-understand guide to the logical structure of both Hebrew and Greek. Ideal for biblical language students. **Jesus and Gospel Traditions in Bilingual Context A Study in the Interdirectionality of Language** Walter de Gruyter Most historical Jesus and Gospel scholars have supposed that the Jesus and Gospel traditions were unidirectionally transmitted from Judaeo-Palestinian into Hellenistic, from oral into written and from Aramaic into Greek, and never vice versa. However, this book proposes that linguistic milieus of 1st-century Palestine and the Roman Near East were bilingual in Greek and vernacular languages and that the earliest church in Jerusalem was a bilingual Christian community. The study of bilingualism creates fresh insights into the origins of Jesus and Gospel traditions, historical Jesus research and the beginnings of Christianity. **Matthew** Zondervan Academic Continuing a Gold Medallion Award-winning legacy, this completely revised edition of The Expositor's Bible Commentary series puts world-class biblical scholarship in your hands. Based on the original twelve-volume set that has become a staple in college and seminary libraries and pastors' studies worldwide, this new thirteen-volume edition marshals the most current evangelical scholarship and resources. The thoroughly revised features consist of: • Comprehensive introductions • Short and precise bibliographies • Detailed outlines • Insightful expositions of passages and verses • Overviews of sections of Scripture to illuminate the big picture • Occasional reflections to give more detail on important issues • Notes on textual questions and special problems, placed close to the texts in question • Transliterations and translations of Hebrew and Greek words, enabling readers to understand even the more technical notes • A balanced and respectful approach toward marked differences of opinion **Cold-Case Christianity A Homicide Detective Investigates the Claims of the Gospels** David C Cook Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique

apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity. **Old Testament Quotations in the New Testament A Complete Survey** Wipf and Stock Publishers "New Testament writers drew heavily from Old Testament Scriptures as the demonstrated the fulfillment of the plan and promises of God in Christ. The New Testament is filled with such quotations, but their use raises several problems. How do we account for the occasions when the New Testament writers seem to take liberties with the Hebrew text, or when the wording of other New Testament citations of the Old Testament is closer to the Greek Septuagint (LXX) than to the original Hebrew? [The authors] have undertaken a systematic study of the use of Old Testament quotations in the New Testament. In three parallel columns for ready reference and study they have affixed the Masoretic Hebrew, Septuagint, and Greek New Testament texts pertinent to each quotation. A fourth column-- the largest segment of the valuable language tool-- provides a critical commentary of orthographic, linguistic, and textual notes on the 312 entries. In addition, the authors include the results of a statistical survey in which every quotation is assigned to one of six levels to determine its degree of difficulty regarding the faithfulness of the New Testament to the Old Testament quotation. Helpful introductory material, including complete cross-references to the tool in both Old and New Testament order, make the work invaluable to scholars and students alike" -- BOOK JACKET from Moody Press. **How Firm a Foundation? An Exegetical and Historical Critique of the "Ethical Perspective of [Christian] Reconstructionism" Presented in Theonomy in Christian Ethics** Wipf and Stock Publishers This book helps Christian voters and politicians think through two perennial questions. Are we required to apply the judicial laws of the Old Testament to our present-day political contexts? And if we are required to obey these laws, how shall we do so? Against the historic Protestant consensus that posits Christians as bound to advocate and apply only the moral principles underlying these laws, Christian Reconstructionists have recently argued that obedience to and promotion of all divinely unamended Mosaic civil laws remains the Christian's new covenant duty. After testing the most thorough statement of the Reconstructionist view--as presented by the late Greg Bahnsen in his Theonomy in Christian Ethics--against Scripture and the Westminster Confession, How Firm a Foundation? demonstrates that the Reconstructionist ethical perspective is unbiblical, unconfessional, and ultimately unhelpful, while the historic Protestant position expressed in the Westminster Confession of Faith remains the biblical and useful perspective Christians need to guide contemporary uses of the Mosaic judicial laws. **The Gospel According to Matthew Authorized King James Version** Canongate U.S. The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance. **The Words of Jesus**

Considered in the Light of Post-biblical Jewish Writings and the Aramaic Language. 1. Introduction and Fundamental Ideas
