Indian Popular Fiction

Redefining the Canon

Routledge *This anthology explores and validate the nuances of Indian popular fiction which has hitherto been hounded by its ubiquitous 'commerical' success. It uncoverspopular in its socio-political and cultural contexts. Furthermore, it investigates the vitality embedded in theory and praxis of popular forms and their insurrections in mutants and new age oeuvres and looks to examine the symbiotic bonds between the reader and the author, as the latter articulates and perpetuates the needs of the former whose demands need continual fulfilment. This constant metamorphosis of the popular fueled by neoliberalism and postmodernity along with the shifts in the publishing industry to more democratic 'reader' driven genres is taken up here along with the millennial's fetish for romance, humanized mythical retellings and the evergreen whodunnits. As its natural soulmates, the anthology delves into the interstices of Indian Popular with desi (local) traditions, folk lore, community consciousness and nation building. Please note: This title is co-published with Manohar Publishers, New Delhi. Taylor & Francis does not sell or distribute the Hardback in India, Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka.*

The Boy who Loved

Metro Reads *The only thing you cannot plan in life is when and who to fall in love with . . . Raghu likes to show that there is nothing remarkable about his life--loving, middle-class parents, an elder brother he looks up to, and plans to study in an IIT. And that's how he wants things to seem--normal. Deep down, however, the guilt of letting his closest friend drown in the school's swimming pool gnaws at him. And even as he punishes himself by hiding from the world and shying away from love and friendship, he feels drawn to the fascinating Brahmi--a girl quite like him, yet so different. No matter how hard Raghu tries, he begins to care . . . Then life throws him into the deep end and he has to face his worst fears. Will love be strong enough to pull him out? Postcolonialism: A Guide for the Perplexed

Bloomsbury Publishing *Postcolonialism as a critical approach and pedagogic practice has informed literary and cultural studies since the late 1980s. The term is heavily loaded and has come to mean a wide, and often bewildering, variety of approaches, methods, politics and ideas. Beginning with the historical origins of postcolonial thought in the writings of Gandhi, Césaire and Fanon, this guide moves on to Edward Said's articulation into a critical approach and finally to postcolonialism's multiple forms in contemporary critical thinking, including theorists such as Bhabha, Spivak, Arif Dirlik and Aijaz Ahmed. Written in jargon-free language and illustrated with examples from literary and cultural texts, this book addresses the many concerns, forms and 'specializations' of postcolonialism, including gender and sexuality studies, the nations and nationalism, space and place, history and politics. It explains the key ideas, concepts and approaches in what is arguably the most influential and politically edged critical approach in literary and cultural theory today*
