ALCATRAZ BRIDE

AT HOME ON THE ROCK

Golden Gate National Parks Association "*Fifteen-year-old Ann Burrows was excited when she found out that her family would be moving to California's Alcatraz Island. She had visions of sunny beaches and warm breezes - a place much different from her Kansas City, Missouri, home town. Later, romance blossomed with a young man from San Francisco, when the couple was married on the island, a chapter in a family's personal history became the subject of international news stories. This is a snapshot of a moment in time (the 1950s), of the infamous island as a home, not a prison. Of coming of age on the Rock*" -- Publisher's description, p. [4] of cover.

ALCATRAZ FROM INSIDE

THE HARD YEARS, 1942-1952

Golden Gate National Park Assn In this fascinating autobiographical account, Jim Quillen tells the amazing story of his decade incarcerated in America's most infamous prison -- how he got there, how he stayed alive inside, and, most important, how he found the inspiration and courage to get out.

WHISTLEBLOWING FOR CHANGE

EXPOSING SYSTEMS OF POWER AND INJUSTICE

transcript Verlag The courageous acts of whistleblowing that inspired the world over the past few years have changed our perception of surveillance and control in today's information society. But what are the wider effects of whistleblowing as an act of dissent on politics, society, and the arts? How does it contribute to new courses of action, digital tools, and contents? This urgent intervention based on the work of Berlin's Disruption Network Lab examines this growing phenomenon, offering interdisciplinary pathways to empower the public by investigating whistleblowing as a developing political practice that has the ability to provoke change from within.

THE MODERN PRISON PARADOX

POLITICS, PUNISHMENT, AND SOCIAL COMMUNITY

Cambridge University Press Amy E. Lerman examines the shift from rehabilitation to punitivism that has taken place in the politics and practice of American corrections.

INSIDE ALCATRAZ

MY TIME ON THE ROCK

Random House *Each day we saw the outside world in all its splendour, and each day that view served as a reminder that we had wasted and ruined our lives. Jim Quillen, AZ586 - a runaway, problem child and petty thief - was jailed several times before his twentieth birthday. In August 1942, after escaping from San Quentin, he was arrested on the run and sentenced to forty-five years in prison, and later transferred to Alcatraz. This is the true story of life inside America's most notorious prison - from terrifying times in solitary confinement to daily encounters with 'the Birdman', and what really happened during the desperate and deadly 1946 escape attempt.*

HUNT FOR THE LAST PUBLIC ENEMY IN NORTHEASTERN OHIO, THE: ALVIN "CREEPY" KARPIS AND HIS ROAD TO ALCATRAZ

Arcadia Publishing *The last Public Enemy No. 1 of the Depression era, Alvin "Creepy" Karpis reportedly compiled a record of fifty-four aliases, fifteen bank robberies, fourteen murders, three jailbreaks and two kidnappings. Roaming the country to evade capture (or*

worse), Karpis regularly hid out in northeastern Ohio, where he and the remnants of the infamous Ma Barker Gang perpetrated the last great American train heist in Garrettsville. His criminal career came to an end when J. Edgar Hoover and his famed G-Men apprehended the man they wanted more than any other in New Orleans. From there, Karpis found himself confined on Alcatraz Island, where he spent nearly twenty-six years--more than any inmate in the prison's history. Historian Julie Thompson tells the true story of Karpis's life and career, a riveting tale taking readers from rural Kansas and Ohio to the bustling streets of the Big Easy and into the bleak innards of "the Rock."

CAPS LOCK: HOW CAPITALISM TOOK HOLD OF GRAPHIC DESIGN, AND HOW TO ESCAPE FROM IT

Capitalism could not exist without the coins, banknotes, documents, information graphics, interfaces, branding, and advertisements made by graphic designers. Even anti-consumerist strategies such as social design and speculative design are appropriated to serve economic growth. It seems design is locked in a cycle of exploitation and extraction, furthering inequality and environmental collapse. CAPS LOCK uses clear language and visual examples to show how graphic design and capitalism are inextricably linked. The book features designed objects and also examines how the study, work, and professional practice of designers support the market economy. Six radical design cooperatives are featured that resist capitalist thinking in their own way, hoping to inspire a more socially aware graphic design.

LAST GUARD OUT

A RIVETING ACCOUNT BY THE LAST GUARD TO LEAVE ALCATRAZ

Author House *The Last Guard Out* is the fascinating true story of one man's life as a guard behind the merciless concrete walls of Alcatraz. I was newly assigned to the infamous island penitentiary of Alcatraz. Reporting to Alcatraz required me to uproot my wife Cathy and young son Kenny from Colorado to California. As we approached San Francisco via of the Oakland Bay Bridge we got our first foreboding glance of Alcatraz Island with a dense circle of fog surrounding it. A strange sense of dread came over me. I looked at our young son asleep in the back seat, then turned to my wife next to me and I whispered "What The Hell Did We Do". After moving on to Alcatraz our thought on Island life quickly changed and we decided not to apply for a transfer out, which consequently left us there until the Island closed in March of 1963. Because of our newly born daughters foot problem they left us there until June of 1963 making me *The Last Guard Out*.

THE ROUTLEDGE HANDBOOK OF CRITICAL RESOURCE GEOGRAPHY

Routledge *This Handbook* provides an essential guide to the study of resources and their role in socio-environmental change. With original contributions from more than 60 authors with expertise in a wide range of resource types and world regions, it offers a toolkit of conceptual and methodological approaches for documenting, analyzing, and reimagining resources and the worlds with which they are entangled. The volume has an introduction and four thematic sections. The introductory chapter outlines key trajectories for thinking critically with and about resources. Chapters in Section I, "(Un)knowing resources," offer distinct epistemological entry points and approaches for studying resources. Chapters in Section II, "(Un)knowing resource systems," examine the components and logics of the capitalist systems through which resources are made, circulated, consumed, and disposed of, while chapters in Section III, "Doing critical resource geography: Methods, advocacy, and teaching," focus on the practices of critical resource scholarship, exploring the opportunities and challenges of carrying out engaged forms of research and pedagogy. Chapters in Section IV, "Resource-making/world-making," use case studies to illustrate how things are made into resources and how these processes of resource-making transform socio-environmental life. This vibrant and diverse critical resource scholarship provides an indispensable reference point for researchers, students, and practitioners interested in understanding how resources matter to the world and to the systems, conflicts, and debates that make and remake it.

LINGUISTIC ASPECTS OF VERBAL HUMOR IN STAND-UP COMEDY

CORRECTIONS

A CRITICAL APPROACH

Routledge Corrections: A Critical Approach, 3rd edition confronts mass imprisonment in the United States, a nation boasting the highest incarceration rate in the world. This statistic is all the more troubling considering that its correctional population is overrepresented by the poor, African-Americans, and Latinos. Not only throwing crucial light on matters involving race and social class, this book also identifies and examines the key social forces shaping penal practice in the US - politics, economics, morality, and technology. By attending closely to historical and theoretical development, the narrative takes into account both instrumental (goal-oriented) and expressive (cultural) explanations to sharpen our understanding of punishment and the growing reliance on incarceration. Covering five main areas of inquiry - penal context, penal populations, penal violence, penal process, and penal state - this book is essential reading for both undergraduate and graduate students interested in undertaking a critical analysis of penology.

SEASON OF SALT AND HONEY

A NOVEL

Simon and Schuster From the author of the "sweet, airy novel" (Publishers Weekly) The Color of Tea comes a resonant new book about a woman starting over following the tragic loss of her fiancé. Frankie is a runaway bride. Or rather, she is running away from her fiancé's funeral, the unthinkable event that has thrown her entire life into crisis. Frankie and Alex were high school sweethearts and

each other's first loves. They should have been together forever. But Alex died in a surfing accident, and now Frankie is walking away from her family, driving north and east, letting her body do the thinking, all the way into the Cascade Mountain range. At Alex's family cabin, Frankie can give in to her grief and think about nothing. There are no aunts trying feed her just a few polpette or just a taste of affogato, despite her lack of appetite; none of Alex's family around to look questioningly at her left ring finger, no one there to perform for. Except for Jack, the cabin's caretaker, who has been tasked with forcing Frankie out of the property that isn't rightfully hers. And except for Bella, Frankie's wild-child younger sister who deserted the family years ago only to reappear at Frankie's lowest moment to dredge up painful memories from the past. But Frankie learns she can't hide—not from her family, not from the past, and not from truths about Alex she'd rather not face. The seasonal magic of the forest and its welcoming residents remind her that everything—flowers to bud, bread to rise, a heart to heal—takes its own time. This stunning novel, from the author of *The Color of Tea*, is a feast for the senses, with a message of forgiveness, hope, and the many ways to find and give love.

ESCAPE FROM ALCATRAZ

THE TRUE CRIME CLASSIC

Ten Speed Press In 1963, just weeks before the original publication of this book, the last prisoner was escorted off Devil's Island and Alcatraz ceased to be a prison. Author J. Campbell Bruce chronicles in spellbinding detail the Rock's transition from a Spanish fort to the maximum-security penitentiary that housed such infamous inmates as Robert Stroud, aka the Birdman of Alcatraz, and mobster Al "Scarface" Capone. The chapters describing the daring escape attempts by Frank Morris and two accomplices from this "inescapable" prison became the basis for the 1979 Clint Eastwood movie. Discover the intriguing and absorbing saga of Alcatraz, whose name is still synonymous with punitive isolation and deprivation, where America's most violent and notorious prisoners resided in tortuous proximity to one of the world's favorite cities. The true-crime classic first published in 1963 is reissued in this special edition. Includes archival photos of the prison and prison life. This story will appeal to Bay Area locals and tourists alike. Alcatraz hosts more than a million visitors each year.

PICTURE MAN, THE: FROM THE COLLECTION OF BAY AREA PHOTOGRAPHER E.F. JOSEPH 1927-1979

Arcadia Publishing From 1927 until his death in 1979, E.F. Joseph documented the daily lives of African Americans in the Bay Area. His images were printed in the *Pittsburgh Courier* and the *Chicago Defender* but not widely published in his home community. A graduate of the American School of Photography in Illinois, Joseph photographed the likes of such celebrities and activists as Josephine Baker,

Mahalia Jackson, Mary McLeod Bethune, and Thurgood Marshall. However, what is perhaps more compelling within these pages are the countless images of everyday citizens--teaching, entertaining, worshipping, working, and serving their community and their nation.

MINORITY STUDIES

OUP India This volume explores the complex issue of religious minorities in India and how they are identified, defined, and categorized by legal and institutional processes. It questions the religious identification of groups and demonstrates problems with such categorization. This is the first volume in the new series, Oxford India Studies in Contemporary Society.

VOICES FROM THE TITANIC

THE EPIC STORY OF THE TRAGEDY FROM THE PEOPLE WHO WERE THERE

Simon and Schuster This is the graphic, first-hand story of the maiden voyage and disastrous sinking of the RMS Titanic, told by the survivors themselves. The story of the sinking of the great liner has been told countless times since that fateful night on April 14, 1912, by historians, novelists, and film producers alike, but no account is as graphic or revealing as those from the people who were actually there. Through survivors' tales and contemporary newspaper reports from both sides of the Atlantic, here are eyewitness accounts full of details that range from poignant to humorous, stage by stage from the liner's glorious launch in Belfast to the somber sea burial services of those who perished on her first and only voyage. In this book, the voices of the survivors share their own stories, as well as the official records, press reports, and investigations into what went wrong that night.

ALCATRAZ

A HISTORY OF THE PENITENTIARY YEARS

ALCATRAZ: the name alone said it all... It was meant to send a shudder down the spines of the nation's most incorrigible criminals. It stripped Al Capone of his power. It tamed "Machine Gun" Kelly into a model of decorum. It took the birds away from the Birdman of Alcatraz. This mammoth reference navigates the island's history through rarely seen documents, interviews and hundreds of pages of historic photographs. Author interviews range from men such as legendary FBI fugitive James Whitey Bulger; Dale Stamphill, a principle in the 1938 escape with Doc Barker and Henry Young; to Atom Spy Morton Sobell, the co-defendant of Julius and Ethel Rosenberg. Michael Esslinger thoroughly details the prominent events, inmates, and life inside the most infamous prison in American History. His research included hundreds of hours examining actual Alcatraz inmate case files (including rare original documents from Al Capone, Machine Gun Kelly, and over a hundred others) exploring the prison grounds from the rooftop to the waterfront to help retrace events, escape routes, in addition to conducting various interviews with former inmates and guards. His study has resulted in detailed accounts of all the recorded escape attempts including the Battle of Alcatraz. A detailed account of the 1962 escape of Frank Morris and the Anglin Brothers provides rare insight extracted through photos, and over 1,700 pages of FBI and Bureau of Prisons investigative notes. Detailed narratives of Alcatraz's most notable inmates who include Robert Stroud (Birdman of Alcatraz), Al Capone, Machine Gun Kelly, Frank Morris, the Anglin Brothers, Doc Barker, Joe Cretzer, Bernard Coy, Miran Thompson, Sam Shockley, and many-many others. Alcatraz: A History of the Penitentiary Years, is a comprehensive reference on the history of Alcatraz and contains one of the most comprehensive archives of inmate and prison life photographs (over 1,000).

RED MAFIYA

HOW THE RUSSIAN MOB HAS INVADED AMERICA

Little, Brown In the past decade, from Brighton Beach to Moscow, Toronto to Hong Kong, the Russian mob has become the world's fastest-growing criminal superpower. Trafficking in prostitutes, heroin, and missiles, the mafiya poses an enormous threat to global stability and safety. Today, the mafiya controls over 80 percent of Russia's banks and has siphoned off billions of dollars in Western loans and aid, almost certainly derailing the chance for a stable democracy there. But that is just the beginning, for the mafiya is now in every corner of the United States and has infiltrated some of the banks and brokerage firms that handle your money. And American law enforcement is just waking up to this staggering problem. No journalist in the world knows more about the mafiya than Friedman,

who has covered the Russian mob for Details, Vanity Fair, and New York. At great peril to himself, Friedman interviewed many of the top mobsters, who were stunningly candid about their activities. In their depravity, ruthlessness, and brutality, Russian gangsters make the traditional Mafia look like choirboys. *Red Mafiya* will appeal to anyone interested in the Mob.

FIRING POINT

Penguin NOW THE MAJOR MOTION PICTURE HUNTER KILLER—STARRING GERARD BUTLER AND GARY OLDMAN A submarine captain races to prevent World War III in this thrilling adventure. Below the polar ice cap, an American nuclear submarine moves quietly in the freezing water, tailing a new Russian sub. But the usual, unspoken game of hide-and-seek between opposing captains is ended when the Americans hear sounds of disaster and flooding, and the Russian sub sinks in a thousand feet of water. The American sub rushes to help, only to join its former quarry in the deep. The situation ignites tensions around the world. As both Washington and Moscow prepare for what may be the beginnings of World War III, the USS Toledo—led by young, untested Captain Joe Glass—heads to the location to give aid. He soon discovers that the incident was no accident. And the men behind it have yet to make their final move. A move only Glass can stop.

THE ALCATRAZ ESCAPE

Henry Holt and Company (BYR) Sleuthing duo Emily and James tackle their most challenging mystery yet set on the haunting Alcatraz Island in Book 3 of the New York Times bestselling Book Scavenger series! Legendary literary game-maker Garrison Griswold is back in action—this time with “Unlock the Rock.” For his latest game, Griswold has partnered with the famous--and famously reclusive--mystery writer Errol Roy to plan an epic escape room challenge on Alcatraz Island. Emily and James are eager to participate, but the wave of fame they are riding from their recent book-hunting adventures makes them a target. Threatening notes, missing items, and an accident that might not have been an accident have the duo worried that someone is trying to get them out of the game at any cost. When Emily's brother is caught red-handed and blamed for all the wrong doings, Emily is certain Matthew is being framed. With Matthew's record on the line, Emily and James can't afford to leave this mystery uncracked. Christy Ottaviano Books

COLORADO'S CARLINO BROTHERS: A BOOTLEGGING EMPIRE

Arcadia Publishing From 1922 to 1931, Pete and Sam Carlino controlled the flow of Prohibition alcohol from southern Colorado to Denver before their empire suffered a gruesome, bloody demise. The brothers battled their own kin in the Danna family to secure southern Colorado's bootleg liquor territory. Dozens perished in their rise to power. Eventually, mafia boss Nicola Gentile intervened to settle a dispute involving the brothers' associates. Pete Carlino's grandson, author Sam Carlino, uncovers intimate photos and new revelations, including confirmation that Pete Carlino met with Salvatore Maranzano in New York and that the death of both men on September 10, 1931, may not have been a coincidence.
