An absolute must-read for all of the love shy men out there." — Sofi Papamarko, Relationship Columnist & Contributor to The Huffington Post and The Globe & Mail **Keywords:** Dating success, relationship advice, pickup artist women dating sex, confidence building presentation, assertiveness training public speaking, improving social skills conversation **Giggle Poetry Reading Lessons A Successful Reading-Fluency Program Parents and Teachers Can Use to Dramatically Improve Reading Skills and Scores** *Simon and Schuster* Amy Buswell and Bruce Lansky's Giggle Poetry Reading Lessons turns struggling readers into happy readers — For Grades 2-5. Many struggling readers are embarrassed to read aloud. They are often intimidated or bored by texts that conventional programs require them to practice. So, instead of catching up, they fall further behind. Currently 67% of American fourth graders can't read grade-level text. Reading specialist Amy Buswell has spent eight years looking for remediation methods that work. "What is needed," Buswell explains, "is a program that improves the motivation of struggling readers, because that accounts for 90% of the problem." Four years ago, Buswell came up with a brainstorm. She knew her best readers enjoyed reading Bruce Lansky's poetry books for pleasure. The more poems they read, the better the reading got. Why not use Lansky's kid-tested poems as texts struggling readers could practice on to improve their reading—using six research-based strategies: choral reading, echo reading, paired reading, repeated reading, sustained silent reading and "say it like the character" reading. — This book is the result of that brainstorm and the resulting collaboration between Buswell and Lansky. It gives teachers and parents everything they need to help children improve their reading: -35 kid-tested poems by Bruce Lansky -35 customized reading lessons by Amy Buswell -35 off-the-wall illustrations by Stephen Carpenter -35 sets of zany performance tips by Bruce Lansky ...all of which is designed to make the process of reading improvement more like fun than work. — What Amy Buswell and Bruce Lansky have created is the most entertaining fluency intervention ever. That's why it is so successful at overcoming negative attitudes to improve reading skills and scores. Ninety-five percent of participating students made significant improvement in their fluency (reading rate). And average reading scores on the Florida Comprehensive Assessment Test (FCAT) for Buswell's school raised her school's rating to an A for the first time. In 2011, Buswell's school achieved one of the highest-percentage reading gains in the county. — There's no reason parents can't get in on the fun, too. Parents will enjoy Lansky's funny poems and Stephen Carpenter's delightful illustrations as much as their children. By reading the poems with their children and encouraging their children to try some of Lansky's entertaining performance tips (by adding gestures, sound effects, props and finding additional readers: be they friends, family or neighbors), they can dramatically speed up their child's reading progress (and have lots of fun in the process.) **How To Do Online Dating For Women Your Step By Step Guide To Doing Online Dating For Women** *HowExpert* If you are a woman who wants to learn how to do online dating the right way, then get "How To Do Online Dating For Women" written by a woman with a lot of experience meeting and dating men from online dating. Board member orientation truly simplified. Serving on a nonprofit board can be an incredibly rewarding experience for the properly prepared board member. This book is for the generous and busy people who agree to give of their time and talents by serving on nonprofit boards. Nonprofit boards often fail to do a good job of board member orientation for a variety of reasons. It takes a significant amount of time and effort to plan and conduct quality board member orientation programs, and every time a new board member arrives, it's time to do it again! Because of the challenges associated with providing quality board member orientation, many nonprofit organizations do not do it at all, leaving their board members to wing it. This book provides help and support to the truly great men and women serving on nonprofit boards whose service makes a positive difference in the lives of countless people every day. This book is a concise and appropriately comprehensive guide to nonprofit board service designed especially for new board members. It is a quick read, (about one hour), yet it addresses with accuracy the most significant elements of board service, such as mission, responsibility, duty, risk, liability, and board meeting dynamics. Hooey Alerts! Watch for Hooey Alerts! where the author identifies and dispels common myths and legends about nonprofit board service. There are many sources of false or misleading information about the nonprofit board service environment. A perfect example is the often vaguely-worded and intimidating assertion or implication that the Sarbanes-Oxley Act passed by Congress in 2002 applies to nonprofit organizations in a manner similar to how it applies to publicly-traded companies. (It does not.) Reviews "This book is the perfect guide for every nonprofit board member! Concise, highly informative, and loaded with nuggets of wisdom, it's a must read that will take board members to the next level of successful board governance." -- J. Todd Chasteen, General Counsel, Samaritan's Purse "Mike Batts has put his quarter century of advising and serving on nonprofit boards to good use in this accurate and easy-to-read book. In addition to describing major principles of nonprofit law and governance, the book provides helpful questions to guide board members in understanding the practical applications of the concepts discussed. The board member's duties are presented in a clear and concise manner from the perspective of someone who has been around many boards. With a focus on those issues that are most common and/or most important, it is perfect for board member orientation and for quick reference reminders for the experienced board member." -- Doug Starcher, Partner, Broad & Cassel "This book provides clear, no-nonsense guidance on the basic issues for new nonprofit board members. Using this book for board member orientation will ensure your organization has communicated fundamental governance issues and will assist the board in determining risk management strategies." -- Dan Busby, President, ECFA ***** The Simple Board Member Orientation Process Using This Book: 1. In this book, you'll get a full breakdown of the ways to come right back to those individuals who are attempting to cut you down. You'll discover clever ways to instantly dominate any situation where another person is trying to insult you or your friends. You'll quickly become a master of the craft and be able to call upon these comebacks, or come up with your own using this proven formula, at any time. No more regrets, no more shoulda-coulda-wouldas. No more losing. Consider this comeback system as your compass that allows you to navigate the rough terrain we call social class and order. I wrote this book because you needed support from someone who has been there before. Know that I have a personal stake in this and have tapped back into my own childhood and current everyday life to try and understand both sides of this natural phenomenon. The defenseless need defending. The common person needs armor and weapons when it is their time to attack. You are my inspiration for this. Here's how it works: At the top of the page there will be a cut-down, directly below will be a brief insight into the cut-down, and at the bottom, there will be several different comebacks to the cut-down. The following pages will change your life for the better. The time for lying down is over. The time has come for a shift in power. It's time for a new hero-story to be written. Is it your time? Will you be that hero? It is yours for the taking if you are ready. Are you ready?
