Banned Questions About the Bible

Chalice Press From Christian Piatt: "When I was a teenager, my youth minister threw a bible at my head for asking questions." Too often, for various reasons, people don't have the opportunity to ask the hard questions they have about faith, religion, salvation and the bible. And when questions are left unanswered in communities of faith, people either seek answers elsewhere or lose interest all together. The purpose of the series is to collect the most compelling and challenging questions from various theological areas and pose them to a panel of "experts" who are challenged with responding in two hundred words or less in plain English. This volume addresses challenging or controversial questions about scripture collected from people on Facebook, MySpace, Twitter and other social networking media. Respondents include theology professors, clergy, lay leaders, liberals, conservatives and voices representing a spectrum of views. The idea behind the books is not so much to provide definitive answers as it is to stimulate thought, reflection and discussion. By offering multiple perspectives, readers have the opportunity to arrive at their own questions. Better, they come to understand that questioning faith is not taboo, but rather that it can be at the foundation of a strong and growing faith. The directive given to each respondent guided them to be concise and to speak in plain language, but also not to rely exclusively on "the Bible says it" justifications, or to wax abstract or overly intellectual. Instead, they write from personal experience as much as possible, and provide real-life contexts that will allow the average seeker or churchgoer to apply such ideas to their daily lives.

777 Bible Questions and Answers

Xulon Press It has been more than three years since Arland asked me to look over his original manuscript of the 777 Bible Questions and Answers. Little did I realize that I was entering into a journey in faith that would turn me into a student of the Bible. In all honesty this has been an enjoyable and rewarding enterprise. I know that through this book my life has now been blessed with the message of God's love, truth and direction. There are events in this book that stir the soul and answer many questions that I have often been unsure of. One of those events is the expulsion of Adam and Eve from the Garden of Eden. God placed an angel at the east gate of Eden's entrance. Then He placed flaming swords, flashing back and forth; a suggestion that prevented mankind from ever re-entering the garden. Arland explained the Old Testament conception of the afterlife as a story of darkness and gloom. In reference to the New Testament, Arland provides an explanation of God's making known the East Gate's presence and there afterwards He gave mankind a choice as to whether or not to dwell in the Garden of Eden (His Kingdom). Ultimately, this book has been a Godsend to me, and it answers many of the questions that I so needed to know in strengthening my every-day walk in faith. I will forever be indebted to Arland for sharing this well informed biblical research endeavor with me. It gives me an everlasting substantiation of my inherent beliefs. In reading Arland's book the most illustrative information to me, an historian, was how he gave so many examples of the martyrdom of the Apostles, the early church fathers and the European faith believers who were unselfishly willing to lay down their lives in order to perpetuate the belief of what God had done through His son, Jesus Christ. 1,500 Challenging Questions and Answers

Createspace Independent Pub Get ready for a challenge! We have compiled 1,500 Questions and Answers on the Bible that are going to show how much, or how little, you, or those you quiz, know about Scripture. Unfortunately, most will discover "how little" as these quizzes are certainly not designed to be easy. The good news is, that if you keep taking the quizzes over and over again, you will begin to acquire a great deal of knowledge concerning the Scripture. The purpose of these quizzes is not to make anyone feel stupid, but to challenge them to learn more! If you can master all 30 series (1,500 questions) you most likely will know more about the Bible than anyone else you will ever come across. These questions do not call for knowledge of genealogical tables, but of the main Bible characters. They do not call for the details of Jewish history, and not a single date is asked for in all the fifteen hundred questions; but they do insist upon knowledge of the Bible's most significant and interesting events, from cover to cover. The questions are not theological – perhaps some would find them easier if they were, for then they could air their theories; but they call for an acquaintance with the most beautiful and uplifting sentences and passages in all the sixty-six books of the Bible, the inspired wisdom on which all theology is based – or ought to be. How to Use: Use these questions to test yourself, your Sunday School Class, your Youth Group, your Bible Study, your Teachers, your Family, etc... *There are 30 Series with 50 Questions each.* Each question is worth 2 points (multiply the number right x2 and you'll have your score) *You can use the quizzes in any order you want, but we suggest doing one series over and over until you have mastered most of the content. Once you know all 50 questions, move onto the next one.

Hidden Treasures in the Book of Job (Reasons to Believe)

How the Oldest Book in the Bible Answers Today's Scientific Questions

Baker Books Arguably the oldest book in the Bible, the book of Job has a surprising amount to say about some of the newest scientific discoveries and controversies. Far from a book that is just about suffering, Job is filled with rich insight into both ancient and modern questions about the formation of the world the difference between animals and humans cosmology dinosaurs and the fossil record how to care for creation and more With careful consideration and exegesis, internationally known astrophysicist and Christian apologist Hugh Ross adds yet another compelling argument to the case for the veracity of the biblical commentary on the history of the universe, Earth, life, and humanity. Hidden Treasures in the Book of Job shows that the Bible is an accurate predictor of scientific discoveries and a trustworthy source of scientific information, and that both the book of Scripture and the book of nature are consistent both internally and externally.

"With uncommon transparency, John and Greg provide a Gospel-centered and practical perspective on wealth. Through a leveling critique of comfortable Christianity, they challenge us to wholeheartedly pursue the joy of generosity. Read this book and you will be inspired, convicted and thinking differently about using what God has given you for Kingdom impact." —Peter Greer, President & CEO of HOPE International and coauthor of Mission Drift "In God and Money, Baumer and Cortines challenge Christian readers to consider afresh what generosity looks like in light of the Scripture's radical teaching and the day of affluence in which we live. Whether or not you agree with all their conclusions or personal practices, you will be challenged and inspired." —Robert L. Plummer, Ph.D., Professor of New Testament Interpretation, The Southern Baptist Theological Seminary "I greatly enjoyed reading God and Money! God used the framework Greg and John described to challenge my perspective and practice of generosity. I realized in reading their book that my personal bias is more saver and spender than servant. What I truly desire to be is a fully surrendered servant of Jesus. This book gave me practical frameworks to move in that direction." —Todd Harper, President, Generous Giving "The mission of Harvard Business School is "to educate leaders who make a difference in the world," and in John and Greg that mission has been fulfilled abundantly. It has been my privilege to be their teacher, their colleague and now their friend; and I wish them Godspeed as they take the transformative message found in God and Money out to their community and to the world beyond. By March 11, 2020, the World Health Organization had declared a global pandemic. In the midst of this fear and uncertainty, it is natural to wonder what God is doing. In *Coronavirus and Christ*, John Piper invites readers around the world to stand on the solid Rock, who is Jesus Christ, in whom our souls can be sustained by the sovereign God who ordains, governs, and reigns over all things to accomplish his wise and good purposes for those who trust in him. What is God doing through the coronavirus? Piper offers six biblical answers to that question, showing us that God is at work in this moment in history.
