THE GOSPEL ACCORDING TO MATTHEW

AUTHORIZED KING JAMES VERSION

[Canongate U.S.](#) The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

BIBLICAL STORYTELLING DESIGN

UNDERSTANDING WHY ORAL STORIES WORK

[Wipf and Stock Publishers](#) The apostle Paul directed Timothy to teach faithful men who would follow his model of teaching others also (2 Tim 2:2). To ask a new believer to tell his or her unbelieving network of friends about Jesus takes boldness, confidence, and--critically--a teaching program that is simple and easily reproducible. This book teaches how to craft and model telling biblical stories in the believer's own words and style that can be easily repeated by following spiritual generations. But crafting effective stories to reproduce takes wisdom. *Biblical Storytelling Design* identifies seven negative influences that can either weaken or even terminate the storytelling process of spiritual reproduction. But these influences can be counteracted by applying storytelling strategies when crafting stories. This book teaches not only what to do but why it works through understanding insights from educational psychology, sociology, and anthropology that are illustrated in Scripture itself.
