Lost Books of the Bible and The Forgotten Books of Eden

2020 Reprint of 1926 Editions. Full facsimile of the original editions and not reproduced with Optical Recognition software. This edition includes two titles published into one bound volume. Rutherford Hayes Platt, in the preface to his 1963 reprint of this work, states: "First issued in 1926, this is the most popular collection of apocryphal and pseudepigraphal literature ever published." The translations were first published, under this title, by an unknown editor in The Lost Books of the Bible Cleveland 1926, but the translations had previously been published many times. The book is, essentially, a combined reprint of earlier works. The first half, Lost Books of the Bible, covers the New Testament. The second half of the book, The Forgotten Books of Eden, includes a translation originally published in 1882 of the "First and Second Books of Adam and Eve", translated first from ancient Ethiopic to German and then into English by Solomon Caesar Malan, and a number of items of Old Testament pseudepigrapha, such as reprinted in the second volume of R.H. Charles's Apocrypha and Pseudepigrapha of the Old Testament (Oxford, 1913).

The Lost Books of the Bible and the Forgotten Books of Eden

Penguin **Suppressed by the early Church Fathers who compiled the Bible, these Apocryphal Books have for centuries been shrouded in silence. Now, for the first time in paperback, the reader can discover the hidden beauties of the Lost Books. To be found in this volume are the Apostles' Creed, the Psalms and Odes of Solomon, and other Apocryphal writings that have become part of our religious heritage. The story of Joseph and Potiphar's wife, of Adam and Eve, of the girlhood and betrothal of Mary, of the childhood of Jesus, are here in all the warmth, intimacy, and humanity of their first telling.**

The Death Of Pilate, Who Condemned Jesus. The Lost Gospel According To Peter

Missing Books of the Bible

Removed in the 19th Century

Createspace Independent Publishing Platform Although the 19 books contained within this text were included in the Holy Bible for thousands of years, they were removed a little over 200 years ago. Its now time to reclaim these treasured scriptures and get further insight into God's word. This book contains: 1 Esdras, 2 Esdras, The Book of Tobit, The Book of Susanna, Additions to Esther, The Book of Judith, Wisdom of Solomon, Ecclesiasticus, Baruch, The Epistle of Jeremiah, The Prayer of Azariah, Bel and the Dragon, Prayer of Manasses, 1 Maccabees, 2 Maccabees, Book of Enoch, Book of Jubilees, Gospel of Philip, and the Gospel of Mary. It also includes the ancient Hebrew alphabet with common Hebrew words as a study source.

The Lost Book of Moses

The Hunt for the World's Oldest Bible

HarperCollins One man's quest to find the oldest Bible scrolls in the world and uncover the story of the brilliant, doomed antiquarian accused of forging them. In the summer of 1883, Moses Wilhelm Shapira—archaeological treasure hunter and inveterate social climber—showed up unannounced in London claiming to have discovered the oldest copy of the Bible in the world. But before the museum could pony up his £1 million asking price for the scrolls—which discovery called into question the divine authorship of the scriptures—Shapira's nemesis, the French archaeologist Charles Clermont-Ganneau, denounced the manuscripts, turning the public against him. Distraught over this humiliating public rebuke, Shapira fled to the Netherlands and committed suicide. Then, in 1947 the Dead Sea Scrolls were discovered. Noting the similarities between these and Shapira's scrolls, scholars made efforts to re-examine Shapira's case, but it was too late: the primary piece of evidence, the parchment scrolls themselves had mysteriously vanished. Tigay, journalist and son of a renowned Biblical scholar, was galvanized by this peculiar story and this indecipherable man, and became determined to find the scrolls. He sets out on a quest that takes him to Australia, England, Holland, Germany where he meets Shapira's still aggrieved descendants and Jerusalem where Shapira is still referred to in the present tense as a "Naughty boy". He wades into museum storerooms, musty English attics, and even the Jordanian gorge where the scrolls were said to have been found all in a tireless effort to uncover the truth about the scrolls and about Shapira, himself. At once historical drama and modern-day mystery, *The Lost Book of Moses* explores the nineteenth-century disappearance of Shapira's scrolls and Tigay's globetrotting hunt for the ancient manuscript. As it follows Tigay's trail to the truth, the book brings to light a flamboyant, romantic, devious, and ultimately tragic personality in a story that vibrates with the suspense of a classic detective tale.

Lost Books of the Bible For Dummies

John Wiley & Sons *Lost Books of the Bible For Dummies* is your one-stop guide to once-hidden works that add a new dimension to Biblical teachings. Most people have heard about the discovery of strange ancient religious writings that are not part the Hebrew Bible or the New Testament, such as the Gnostic Gospels. Now, you will find new insights and a fresh perspective on long-lost works that may have once been in the running for Biblical inclusion, but didn't make the final cut. This easy-to-understand guide examines the sometimes weird, provocative, and profoundly moving texts that have been "lost" as well as those hotly debated works that are in some Bibles and not others. You will come away with a clearer understanding of the Judeo-Christian religion and the development of the Biblical canon. You'll learn about the origins of the Bible, explore early scriptures, and understand why translations affect the meanings of texts. You'll even learn how the Greek influenced early Biblical writing. Find out how to: Explain what the term "lost books" means Understand the definition of "canon" Take translation differences into consideration Divide early writings into style categories Take another look at scripture with the Dead Sea Scrolls See how the Greeks influenced early scripture Decode apocalyptic visions Complete with a list of ten of the weirdest Jewish lost books, ten of the weirdest Christian lost books, ten sayings of Jesus NOT in the Bible, and ten "lost books that every student of the Bible should read, *Lost Books of the Bible For Dummies* is your one-stop guide to understanding and reading the Biblical lost books.

Secrets from the Lost Bible

Council Oak Books Ancient scriptures, hidden from the world for centuries, have recently attracted unprecedented popular attention. Some were found among the ancient library of the Dead Sea Scrolls. Others include assorted mystical writings known as Kabbalah, and a host of books that never made it into the Bible, called Apocrypha (which means "hidden") and the Pseudepigrapha (called "false writings" by those who suppressed them). Additionally, there are the Gnostic texts of Nag Hammadi -- a location in Egypt where a treasure trove of lost books was discovered in the middle of the twentieth century. Collectively, they comprise the "Lost Bible." For centuries, these manuscripts were systematically suppressed because their liberating messages of individual power and worth challenged the authority and pet philosophies of political and religious leaders.

The Lost Books of the Bible

YOU will find between these covers all the ecclesiastical writings of early Christian authorities that are known to exist, and yet were omitted from the authorized New Testament. They are published here as a matter of record. Whether they are canonical or not, at least these writings are of very great antiquity. Origins are noted in paragraphs at the front of each book. This will enable the reader to form his own conclusions as to the genuineness of the writings. These writings are a vivid picture of the minds of men in the post-Apostolic period of the Church. Discount the statements from the historical viewpoint as you will--there remains in these gospels and epistles an earnestness of purpose, and zeal to express a message, similar to that of our authorized Bible. An interesting question naturally arises as to why these writings were cast out in the selection of the material that has come down to us in the authorized version. The compilation of the Bible was not an act of any definite occurrence. It was a matter complicated and abstruse. It was an evolution at the hands of Churchmen of various beliefs and purposes. In the formulation of early church doctrines there was dissension, personal jealousy, intolerance, persecution, bigotry. That out of this welter should have arisen the Bible, with its fine inspiration, would seem to present a plausible basis for belief in its Divine origin. But who can deny that under such vicious and human circumstances much writing of as pure purpose and as profound sincerity as other that is included in the authorized Bible, must have been omitted? The story of the first council of Nice, when Arius was commanded by the Bishop of Alexandria to quit his beliefs or be declared a heretic, and his writings were ordered destroyed, is eloquent of many things that happened. Good men were engaged on both sides of the ecclesiastical controversies.

Lost Books of the Bible: The Rejected Texts, Apocrypha and Pseudepigrapha

Premier House Press This huge book of eighteen of the Lost Books of the Bible contains the following, NONE of which are Public Domain translations (beware of imitations): The First Book of Adam and Eve; The Second Book of Adam and Eve; The Slavonic Life of Adam and Eve; The First Book of Enoch; The Book of Jubilees; The Book of Jasher; The Story of Ahikar; The Apocalypse of Abraham; The Apocalypse of Thomas; 4 Ezra; 2 Baruch; The War Scroll: The Sons of Dark Against the Sons of Light; The Gospel of Philip; The Gospel of Mary Magdalene; The Apocryphon of John (The Secret Book of John); The Gospel of Thomas; The Gospel of Judas; Acts 29. The massive 684 page book does not attempt to explain why the books were not included in the Bible. To attempt to do so would not only be cursory given the lack of space, but more importantly, would be most unfair to readers as this is matter for specialist academics, and they have written books on the subject. Note: Translators use the symbols [...] to signify a missing word in an ancient text. In this book there are symbols such as this to designate missing words of ancient texts.

The Lost Books of the Bible

Createspace Independent Pub This is a collection of New Testament Apocrypha, including many works which were admired and read by the early Christians, but which were later excluded from the canonical Bible. It includes accounts of the young Jesus, particularly the Gospel of Mary and the Protevangelion, which provides additional folklore about the birth and youthful adventures of Jesus. --Sacred Texts

The Lost Gutenberg

The Astounding Story of One Book's Five-Hundred-Year Odyssey

Penguin "A lively tale of historical innovation, the thrill of the bibliophile's hunt, greed and betrayal." - The New York Times Book Review "An addictive and engaging look at the 'competitive, catty and slightly angst-ridden' heart of the world of book collecting." - The Houston Chronicle The never-before-told story of one extremely rare copy of the Gutenberg Bible, and its impact on the lives of the fanatical few who were lucky enough to own it. For rare-book

collectors, an original copy of the Gutenberg Bible--of which there are fewer than 50 in existence--represents the ultimate prize. Here, Margaret Leslie Davis recounts five centuries in the life of one copy, from its creation by Johannes Gutenberg, through the hands of monks, an earl, the Worcestershire sauce king, and a nuclear physicist to its ultimate resting place, in a steel vault in Tokyo. Estelle Doheny, the first woman collector to add the book to her library and its last private owner, tipped the Bible onto a trajectory that forever changed our understanding of the first mechanically printed book. *The Lost Gutenberg* draws readers into this incredible saga, immersing them in the lust for beauty, prestige, and knowledge that this rarest of books sparked in its owners. Exploring books as objects of obsession across centuries, this is a must-read for history buffs, book collectors, seekers of hidden treasures, and anyone who has ever craved a remarkable book--and its untold stories.

The Forgotten Books of the Bible

The Forgotten Books of the Bible: Recovering the Five Scrolls for Today

Fortress Press You're probably missing some of the most interesting books of the Bible. In the Jewish tradition, the five books known as "The Five Scrolls" perform a central liturgical function as the texts associated with each of the major holidays. The Song of Songs is read during Passover, Ruth during Shavuot, Lamentations on Tisha B'av, Ecclesiastes during Sukkot, and Esther during the celebration of Purim. Together with the five books of the Torah, these texts orient Jewish life and provide the language of the faith. In the Christian tradition, by contrast, these books have largely been forgotten. Many churchgoers can't even find them in their pew Bibles. They are rarely preached, come up only occasionally in the lectionary, and are not the subject of Bible studies. Thus, their influence on the lives and theology of many Christians is entirely negligible. But they deserve much more attention. With scholarly wisdom and a quick wit, Williamson insists that these books speak urgently to the pressing issues of the contemporary world. Addressing themes of human sexuality, grief, immigration, suffering and protest, ethnic nationalism, and existential dread, he skillfully guides readers as they rediscover the relevance of the Five Scrolls for today.

The Lost Books of the Bible

13 Controversial Texts

CreateSpace "Apocrypha ... books which are not regarded as equal to the holy Scriptures, and yet are profitable and good to read." Martin Luther Thirteen examples of biblical pseudepigrapha including the rarely read Living Oracles translation of the Book of Revelation, the Apocalypse of Abraham and many other sought after texts which shed light on the evolution of our faith, our theology, and our church. Translations and commentary from the editors of 'Book of Revelation Enhanced,' the runaway Kindle best-seller. The Lost Books: The Apocalypse of Abraham The Living Oracles version of Revelation Bel and the Dragon Tobias Judith The Book of Wisdom Sirach Baruch Epistle of Jeremiah Susanna The Prayer of Azariah The Prayer of Manasseh Laodiceans

The Complete Apocrypha

2018 Edition with Enoch, Jasher, and Jubilees

This is the only modern translation of the complete collection of deuterocanonical books known popularly as "The Apocrypha" that also includes Enoch, Jasher, and Jubilees. Aside from Jasher, they were included as secondary works in the canon of Scripture for most of the Church's history. The Literal Standard Version (LSV) is a modern translation that stays true to the original manuscripts. This handsome 6" x 9" edition features a matte finish with thick, high-quality, cream-colored pages and 8-point Times New Roman font for elegance and easy reading. The Complete Apocrypha offers a staggering two-thirds as much material as the canonical 66 books of the Holy Bible. Additionally, the apocryphal versions of Esther and Daniel are included in their entirety. The Complete Apocrypha includes Tobit, Judith, Wisdom, Sirach, Baruch, 1st, 2nd, 3rd, and 4th Maccabees, 1st and 2nd Esdras, Prayer of Manasses, Enoch, Jubilees, Jasher, Psalm 151, and all of the apocryphal additions to Daniel and Esther (including The Prayer of Azariah, Susanna, and Bel and the Dragon). This collection is published by Covenant Press, the publishing arm of the Covenant Christian Coalition.

The Forbidden Books of the New Testament

The Lost Books of the Bible

Createspace Independent Publishing Platform Archbishop William Wake's translations of texts excluded or analogous with the Biblical New Testament remains an authoritative, well-regarded and wide-ranging source for scholars and

enthusiasts of ancient Christendom. In this collection are books which detail the life of Mary the mother of Jesus Christ, and the miracles performed by the infant Christ. A further book details the childhood of Jesus, together with his later interactions with various individuals important or incidental to the New Testament narrative. Later in the text we encounter the various epistles such as the Magnesians, Romans, Trallians and Philadelphians. Some of these writings appear to be intended as a supplement to the existing books of the New Testament, rather than as entirely distinct books in themselves. Not all of the books contain anecdotes or conversations between the major figures of the New Testament. Many are more concerned with discussing various aspects of Christian virtue and practice such as how one may conduct a good fast, avoid slipping into deceit, and retain a strong belief in the one, true God. As such, we can consider many of these texts as wholesome instruction on matters of observance. When he first translated the apocryphal texts of the Bible in the late 17th and early 18th centuries, Archbishop William Wake was a revered figure in the Church of England. He held an intense personal interest in the ancient texts, and worked tirelessly to collate and translate them into English for the consideration of Christian audiences. Although these books are not considered canon, many date from ancient times and were under consideration for inclusion in the New Testament. In the centuries since Wake uncovered these texts, it is without doubt that substantially more on the subject has been discovered by various archaeologists, historians, researchers and Biblical scholars. However, as a single source of Biblical apocrypha, Wake's collection remains the most complete. This edition of the Forbidden Books unites all of the 17th and 18th century texts, supplementing them with an explanatory preface and referential notes appended at the conclusion of each book. The chapters and verses are set out with the greatest clarity, allowing the reader ease of reading and comprehension.

Hidden Gospels

How the Search for Jesus Lost Its Way

Oxford University Press **This incisive critique thoroughly and convincingly debunks the claims that recently discovered texts such as the Gospel of Thomas, the Gospel of Mary, and even the Dead Sea Scrolls undermine the historical validity of the New Testament. Jenkins places the recent controversies surrounding the hidden gospels in a broad historical context and argues that, far from being revolutionary, such attempts to find an alternative Christianity date back at least to the Enlightenment. By employing the appropriate scholarly and historical methodologies, he demonstrates that the texts purported to represent pristine Christianity were in fact composed long after the canonical gospels found in the Bible. Produced by obscure heretical movements, these texts have attracted much media attention chiefly because they seem to support radical, feminist, and post-modern positions in the modern church. Indeed, Jenkins shows how best-selling books on the "hidden gospels" have been taken up by an uncritical, drama-hungry media as the basis for a social movement that could have powerful effects on the faith and practice of contemporary Christianity.**

Ecclesiastes or, The Preacher

Canongate Books **Ancient tradition suggests that this world-weary lament is the work of Solomon in old age. Casting its eye over the transient nature of life, the book questions the striving for wisdom and the truth, choosing instead to espouse the value of living for the moment. The text is introduced by Doris Lessing.**

Hebrews For You

Giving You an Anchor for the Soul

The Good Book Company **Applied expository guide to Hebrews—a book that shows us how and why Jesus is better than anything else. We are all tempted to drift away from Jesus, but in the book of Hebrews God gives us an anchor: a detailed understanding of how and why Jesus is better than anything else. Seminary professor Michael J. Kruger unpacks this rich book verse by verse. He explains the Old Testament background, gives plenty of application for our lives today, and shows us how Jesus is the fulfilment of all God's work on earth. He encourages us to live by faith in Jesus—the only anchor for our souls. This expository guide can be read as a book; used as a devotional; and utilized in teaching and preaching.**

The Acts of the Apostles

Canongate Books **Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James**

The Acts of Nathan the Prophet

1 Chronicles 29:29 Now the acts of David the king, first and last, behold, they are written in the book of Samuel the seer, and in the book of Nathan the prophet, and in the book of Gad the seer, 2 Chronicles 9:29 Now the rest of the acts of Solomon, first and last, are they not written in the book of Nathan the prophet, and in the prophecy of Ahijah the Shilonite, and in the visions of Iddo the seer against Jeroboam the son of Nebat?http:

//THEBOOKOFNATHANTHEPROPHET.com A Documented Lost Book of a Prophetic Bible

The Gnostic Gospels

Including the Gospel of Thomas, the Gospel of Mary Magdalene

Watkins Media Limited This eye-opening collection of texts sheds light on the esoteric knowledge of Gnosticism, revealing intimate conversations between Jesus and his Disciples. In 1945, several gospels, hidden since the first century, were found in the Egyptian Desert at Nag Hammadi. This discovery caused a sensation as the scrolls revealed the mysteries of the Gnostics—a movement which emerged during the formative period of Christianity. 'Gnosis', from the Greek, broadly meaning 'hidden spiritual knowledge', was associated with renouncing the material world, and focusing on attaining the life of the Holy Spirit. Many Christian sects are derived from the esoteric knowledge of Gnosticism. The gospels selected here by Alan Jacobs reveal intimate conversations between Jesus and his Disciples. The Gospel of Mary Magdalene sheds new light on his relationship with his favorite follower, while the Gospel of Thomas consists of mini-parables of deep inward and symbolic meaning—many of which are not found in the New Testament. The wisdom in this inspiring collection of texts is wholly relevant to our lives today, addressing the questions of good and evil, sin and suffering, and the path to salvation.

The Gospel According to Matthew

Authorized King James Version

Canongate U.S. The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The Lost Books of the Bible and the Forgotten Books of Eden

Ernest Marsh

The First Book of Adam and Eve

GENERAL PRESS The First Book of Adam and Eve details the life and times of Adam and Eve after they were expelled from the garden to the time that Cain kills his brother Abel. This book is simply a version of an account handed down by words of mouth, from generation to generation, linking the time that the first human life was created to the time when somebody finally decided to write it down. Although considered to be pseudepigraphic by some, it carries significant meaning and insight into events of that time. It is doubtful that these writings could have survived all the many centuries if there were no substance to them.

Christianity for People Who Aren't Christians

Uncommon Answers to Common Questions

Baker Books "I wish this book had been around when I was an atheist and started to seek God. It's a no-nonsense, practical, and insightful guide that will help all those on a quest for spiritual truth. If you're investigating whether there's any substance to the Christian faith, you must read this important book."--Lee Strobel, former award-winning legal editor of the Chicago Tribune and bestselling author of more than twenty books *** In our post-Christian age, the old answers for skeptics are no longer cutting it. Why? Because they largely seek to answer the wrong questions. Our world is changing, and while the gospel never changes, the way we talk about it and learn about it must. Christianity for People Who Aren't Christians answers both classic and bleeding-edge questions that skeptics have about the faith, such as - Is there a God? - Why do the life, death, and resurrection of Jesus matter? - Why is there so much suffering in the world? - Why do Christians think there is only one way to know God? - How do I reconcile the Bible's picture of Christ's followers with the actual Christians I know who have disappointed me? Covering such topics as astrophysics, social justice, and acceptance of the LGBTQ community, this one-of-a-kind book is perfect for those skeptical of Christianity and for those who love them and want to keep the line of communication open.

Oahspe

A New Bible in the Words of Jehovah and His Angel Embassadors

ESV Study Bible

Crossway The ESV Study Bible was created to help people understand the Bible in a deeper way. Combining the best and most recent evangelical Christian scholarship with the highly regarded ESV text, it is the most comprehensive study Bible ever published. The ESV Study Bible features more than 2,750 pages of extensive, accessible Bible resources, including completely new notes, full-color maps, illustrations, charts, timelines, and articles created by an outstanding team of 93 evangelical Christian scholars and teachers. In addition to the 757,000 words of the ESV Bible itself, the notes and resources of the ESV Study Bible comprise an additional 1.1 million words of insightful explanation and teaching-equivalent to a 20-volume Bible resource library all contained in one volume. (Please note this edition does not come with free access to the Online ESV Study Bible resources.)

The Forbidden Books of the New Testament

The Lost Books of the Bible

The suppressed Gospels and Epistle of the Original New Testament of Jesus the Christ, and other portions of the ancient Holy Scriptures. Now extant, attributed to His Apostles, and their Disciples, and venerated by the primitive Christian churches during the first four centuries, but since, after violent disputations forbidden by the Nicene Council, in the reign of the Emperor Constantine and omitted from the Catholics and Protestant editions of the New Testament, by it's compilers. Translated from the original tongues, with historical references to their authenticity, by Archbishop Wake. A great addition to any library of the historical and non-canonical works of Christianity.

The Second Book of Adam and Eve

Lulu Press, Inc It is considered by many scholars to be part of the "Pseudepigrapha", historical biblical works that are considered to be fiction. This stigma, prevented its inclusion in the compilation of the Holy Bible. Its a written history of what happened in the days of Adam and Eve after they were cast out of the garden. Considered to be pseudepigraphic by some, it carries significant meaning and insight into events of that time. Its simply an account handed down by word of mouth, from generation to generation, linking the time the first human life was created to the time it was finally written down. This version is the work of unknown Egyptians. The lack of historical allusion makes it difficult to date the writing, however, using other pseudepigraphical works as a reference, it was probably written a few hundred years before the birth of Christ. Parts of this version are found in the Jewish Talmud, and the Islamic Koran, showing what a vital role it played in the original literature of human wisdom.

Lost Christianities

The Battles for Scripture and the Faiths We Never Knew

Oxford University Press The early Christian Church was a chaos of contending beliefs. Some groups of Christians claimed that there was not one God but two or twelve or thirty. Some believed that the world had not been created by God but by a lesser, ignorant deity. Certain sects maintained that Jesus was human but not divine, while others said he was divine but not human. In *Lost Christianities*, Bart D. Ehrman offers a fascinating look at these early forms of Christianity and shows how they came to be suppressed, reformed, or forgotten. All of these groups insisted that they upheld the teachings of Jesus and his apostles, and they all possessed writings that bore out their claims, books reputedly produced by Jesus's own followers. Modern archaeological work has recovered a number of key texts, and as Ehrman shows, these spectacular discoveries reveal religious diversity that says much about the ways in which history gets written by the winners. Ehrman's discussion ranges from considerations of various "lost scriptures"--including forged gospels supposedly written by Simon Peter, Jesus's closest disciple, and Judas Thomas, Jesus's alleged twin brother--to the disparate beliefs of such groups as the Jewish-Christian Ebionites, the anti-Jewish Marcionites, and various "Gnostic" sects. Ehrman examines in depth the battles that raged between "proto-orthodox Christians"--those who eventually compiled the canonical books of the New Testament and standardized Christian belief--and the groups they denounced as heretics and ultimately overcame. Scrupulously researched and lucidly written, *Lost Christianities* is an eye-opening account of politics, power, and the clash of ideas among Christians in the decades before one group came to see its views prevail.

The Message of Lamentations

InterVarsity Press The destruction of Jerusalem is the likely setting for the book of Lamentations, delivered from a place of unspeakable pain in poetry of astonishing beauty and intricacy. In this Bible Speaks Today volume, Christopher Wright shows that we must not, and cannot, isolate Lamentations from the rest of the Bible.
