RUNES (BOOKS 1-3)

BOXED SET

Firetrail Publishing #1 bestselling YA Norse-mythology-based Paranormal romance: **Runes (book 1):** Seventeen-year-old Raine Cooper has enough on her plate dealing with her father's disappearance, her mother's erratic behavior and the possibility of her boyfriend relocating. The last thing she needs is Torin St. James—a mysterious new neighbor with a wicked smile and uncanny way of reading her. Raine is drawn to Torin's dark sexiness against her better judgment, until he saves her life with weird marks and she realizes he is different. But by healing her, Torin changes something inside Raine. Now she can't stop thinking about him. Half the time, she's not sure whether to fall into his arms or run. Scared, she sets out to find out what Torin is. But the closer she gets to the truth the more she uncovers something sinister about him. What Torin is goes back to an ancient mythology and Raine is somehow part of it. Not only is she and her friends in danger, she must choose a side, but the wrong choice will cost Raine her life **Immortals (book 2):** Nothing can stop Raine Cooper when she wants something... Raine finally knows that her gorgeous neighbor, Torin St.

James, is a legend straight out of Norse mythology, and that her feelings for him are strong. Torin is crazy about Raine too, breaking the one rule he lives by: Never fall for a mortal. The problem is he no longer remembers her, his memories erased by Norns—Norse destiny deities—to punish her for defying them. So Raine comes up with a plan... She will make Torin forget his one rule a second time and fall in love with her all over again. But she quickly learns that well-laid plans do not work when dealing with deities and supernatural beings. Desperate, Raine makes choices that could not only tear her and Torin further apart, but lead to the destruction of everything and everyone she loves gods might have erased Torin's memories, but they didn't take into account his feelings for Raine and hers for him. Grimmirs (book 3): Straight out of the psych ward, Cora just wants her life to be normal. She doesn't want to see souls or the reapers collecting them. The guy she's loved from a distance for years moves away without saying goodbye. So yes, she's nursing a serious heartbreak. It's no wonder love is the last thing on her mind when Echo storms into her life. Too bad Echo is the poster boy for everything she hates in a guy—hot, beautiful, and cocky. He is also a soul reaper. A Grimmir. The very beings she wants out of her life. Maybe normal is overrated because Cora wants it all. Answers. Love. A life.

Torin tries to convince her that the Norns are manipulating her, but she refuses to listen. At least until the Norns' demands focus on someone she loves. When Raine refuses to cooperate with them, their punishment is swift and gut-wrenching, turning her pain into fury. Raine plots revenge on a massive scale and makes deals with unsavory allies. Her goal? Total destruction of the entire Norn race. Raine's only hope of salvation is Torin, but how much will he sacrifice to save her?

THIS LIFE I LIVE

ONE MAN'S EXTRAORDINARY, ORDINARY LIFE AND THE WOMAN WHO CHANGED IT FOREVER

Thomas Nelson ****NEW YORK TIMES BESTSELLER**** Her story. His story. The love story of Joey and Rory. By inviting so

many into the final months of Joey's life as she battled cancer, Joey and Rory Feek captured hearts around the world with how they handled the diagnosis; the inspiring, simple way they chose to live; and how they loved each other every step of the way. But there is far more to the story. "My life is very ordinary," says Rory. "On the surface, it is not very special. If you looked at it, day to day, it wouldn't seem like much. But when you look at it in a bigger context—as part of a larger story—you start to see the magic that is on the pages of the book that is my life. And the more you look, the more you see. Or, at least, I do." In this vulnerable book, he takes us for the first time into his own challenging life story and what it was like growing up in rural America with little money and even less family stability. This is the story of a man searching for meaning and security in a world that offered neither. And it's the story of a man who finally gives it all to a power higher than himself and soon meets a young woman who will change his heart forever. In *This Life I Live*, Rory Feek helps us not only to connect more fully to his and Joey's story but also to our own journeys. He shows what can happen when we are fully open in life's key moments, whether when meeting our life companion or tackling an unexpected tragedy. He also gives never-before-revealed details on their life together and what he calls "the long goodbye," the blessing of being able to know that life is going to end and taking advantage of it. Rory shows how we are all actually there already and how we can learn to live that way every day. A gifted man from nowhere and everywhere in search of something to believe in. A young woman from the Midwest with an angelic voice and deep roots that just needed a place to be planted. This is their story. Two hearts that found each other and touched millions of other hearts along the way.

Torin is crazy about Raine too, breaking the one rule he lives by: Never fall for a mortal. The problem is he no longer remembers her, his memories erased by Norns—Norse destiny deities—to punish her for defying them. So Raine comes up with a plan... She will make Torin forget his one rule a second time and fall in love with her all over again. But she quickly learns that well-laid plans do not work when dealing with deities and supernatural beings. Desperate, Raine makes choices that could not only tear her and Torin further apart, but lead to the destruction of everything and everyone she loves.
