**Operation Golden Bum Operation: Golden Bum** *Special Agent Fangs Enigma and his sidekick, werewolf Agent Puppy Brown, were recruited by secret intelligence agency MP1 (Monster Protection, 1st division) to stop the world's super(natural) villains and monster criminals from realizing their evil plans. In 'Operation: Golden Bum', Agents Fangs and Brown are drafted in to investigate a string of high-profile robberies. The presence of an unidentifiable foul smell at all of the crime scenes leads MP1 to suspect that this is no ordinary robber but one with magical abilities. Can the world's greatest vampire spy and his sidekick sniff out the thief before he puts his stinker of a plan into action?* **The Morals of Monster Stories Essays on Children's Picture Book Messages McFarland** *The simplicity of children's picture books--stories told with illustrations and a few well chosen words or none at all--makes them powerful tools for teaching morals and personal integrity. Children follow the story and see the characters' behaviors on the page and interpret them in the context of their own lives. But unlike many picture books, most children's lives don't feature monsters. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px 'Times New Roman'} This collection of new essays explores the societally sanctioned behaviors imparted to children through the use of monsters and supernatural characters. Topics include monsters as instructors, the normalization of strangers or the "other," fostering gender norms, and therapeutic monsters, among others.* **Obituaries in the Performing Arts, 2019 McFarland** *The entertainment world lost many notable talents in 2019, including television icon Doris Day, iconic novelist Toni Morrison, groundbreaking director John Singleton, Broadway starlet Carol Channing and lovable Star Wars actor Peter Mayhew. Obituaries of actors, filmmakers, musicians, producers, dancers, composers, writers, animals and others associated with the performing arts who died in 2019 are included in this edition. Date, place and cause of death are provided for each, along with a career recap and a photograph. Filmographies are given for film and television performers.* **Codename: The Tickler** *Special Agent Fangs Enigma and his sidekick, werewolf Agent Puppy Brown, were recruited by secret intelligence agency MP1 (Monster Protection, 1st division) to stop the world's super(natural) villains and monster criminals from realizing their evil plans. In 'Codename: The Tickler', MP1's expensive mind-control technology, the Will Pill, has been stolen by an ogre named Snores. He is only a goon for hire, though - so who is the real culprit? Can Agents Enigma and Brown solve this ticklish case or will the mysterious Tickler have the last laugh?* **Out of My Mind Simon and Schuster** *Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.* **Underland Macmillan** *The paranormal branch of the National Security Agency enlists the aid of Victor Requist, master of the Nosferatu colony, along with NSA operative Jack Coulson, and Thyme Bridewell, a failed NSA brain-control experiment, to seek out survivors of Hitler's Third Reich, who have set up a secret base in Antarctica with the their allies, the Dhrakuh, an ancient race of sentient reptiles. Reprint.* **Silver Shadows A Bloodlines Novel Penguin** *" Sydney Sage is an Alchemist, one of a group of humans who dabble in magic and serve to bridge the worlds of humans and vampires. Now in the aftermath of an event that ripped their world apart, Sydney and Adrian struggle to pick up the pieces and find their way back to each other. But first, they have to survive"--* **The Rook A Novel Little, Brown** *Now a Starz® Original Series "Utterly convincing and engrossing---totally thought-through and frequently hilarious....Even this aging, jaded, attention-deficit-disordered critic was blown away." --Lev Grossman, Time Myfanwy Thomas awakens in a London park surrounded by dead bodies. With her memory gone, she must trust the instructions left by her former in order to survive. She quickly learns that she is a Rook, a high-level operative in a secret agency that protects the world from supernatural threats. But there is a mole inside the organization, and this person wants her dead. Battling to save herself, Myfanwy will encounter a person with four bodies, a woman who can enter her dreams, children transformed into deadly fighters, and terrifyingly vast conspiracy. Suspenseful and hilarious, THE ROOK is an outrageously imaginative thriller for readers who like their espionage with a dollop of purple slime.* **Target: Nobody** *Special Agent Fangs Enigma and his sidekick, werewolf Agent Puppy Brown, were recruited by secret intelligence agency MP1 (Monster Protection, 1st division) to stop the world's super(natural) villains and monster criminals from realizing their evil plans.* **Magic Bites A Special Edition of the First Kate Daniels Novel Penguin #1** *New York Times bestselling author Ilona Andrews invites you to experience the first novel in the "intriguing world" (Locus) of Kate Daniels with this special edition of Magic Bites... Kate Daniels is a down-on-her-luck mercenary who makes her living cleaning up magical problems. But when Kate's guardian is murdered, her quest for justice draws her into a power struggle between two strong factions within Atlanta's magic circles. GEORGE: The legendary dragonslayers will stop at nothing to wipe dragons from the face of the earth. These mortal enemies are locked in secret and deadly combat, with humanity none the wiser. To take her rightful place in the Talon organization, young dragon Ember Hill must prove she can hide her true nature and blend in with humans. Her delight at the prospect of a summer of "normal" teen experiences is short-lived, however, once she discovers that she's also expected to train for her destined career in Talon. But a chance meeting with a rogue dragon will soon challenge everything Ember has been taught. As Ember struggles to accept her future, St. George soldier Garret Xavier Sebastian is tasked with hunting her down. But when faced with Ember's bravery, confidence and all-too-human desires, Garret begins to question everything the Order has ingrained in him--and what he might be willing to give up to uncover the truth about dragons.* **Magic Bleeds Penguin** *The fourth Kate Daniels novel from the #1 New York Times bestselling author who "defines urban fantasy" (Fresh Fiction). Kate Daniels works for the Order of the Knights of Merciful Aid, officially as a liaison with the mercenary guild. Unofficially, she cleans up the paranormal problems no one else wants to handle—especially if they involve Atlanta's shapeshifting community. When she's called in to investigate a fight at the Steel Horse, a bar midway between the territories of the shapeshifters and the necromancers, Kate quickly discovers there's a new player in town. One who's been around for thousands of years—and rode to war at the side of Kate's father. This foe may be too much even for Kate and Curran, the Lord of the Beasts, to handle. Because this time, Kate will be taking on family...* **Ink and Bone Penguin** *In this exhilarating series, New York Times bestselling author Rachel Caine rewrites history, creating a dangerous world where the Great Library of Alexandria has survived the test of time.... Ruthless and supremely powerful, the Great Library is now a presence in every major city, governing the flow of knowledge to the masses. Alchemy allows the Library to deliver the content of the greatest works of history instantly—but the personal ownership of books is expressly forbidden. Jess Brightwell believes in the value of the Library, but the majority of his knowledge comes from illegal books obtained by his family. Jess has been sent to be his family's spy, but his loyalties are tested in the final months of his training to enter the Library's service. When his friend inadvertently commits heresy by creating a device that could change the world, Jess discovers that those who control the Great Library believe knowledge is more valuable than any human life—and soon both heretics and books will burn....* **The Cruel Prince Little, Brown Books for Young Readers** *By #1 New York Times bestselling author Holly Black, the first book in a stunning new series about a mortal girl who finds herself caught in a web of royal faerie intrigue. Of course I want to be like them. They're beautiful as blades forged in some divine fire. They will live forever. And Cardan is even more beautiful than the rest. I hate him more than all the others. I hate him so much that sometimes when I look at him, I can hardly breathe. Jude was seven years old when her parents were murdered and she and her two sisters were stolen away to live in the treacherous High Court of Faerie. Ten years later, Jude wants nothing more than to belong there, despite her mortality. But many of the fey despise humans. Especially Prince Cardan, the youngest and wickedest son of the High King. To win a place at the Court, she must defy him--and face the consequences. In doing so, she becomes embroiled in palace intrigues and deceptions, discovering her own capacity for bloodshed. But as civil war threatens to drown the Courts of Faerie in violence, Jude will need to risk her life in a dangerous alliance to save her sisters, and Faerie itself.* **Let's Pretend This Never Happened Penguin** *The #1 New York Times bestselling (mostly true) memoir from the hilarious author of Furiously Happy. "Gaspingly funny and wonderfully inappropriate."—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent Let's Pretend This Never Happened, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives.* **Readers Guide Inside Miracle Cure Dutton** *"Previously published in SPI Books and Signet editions."--Title page verso.* **Born to Run A Hidden Tribe, Superathletes, and the Greatest Race the World Has Never Seen Vintage** *Recounts the author's experiences with the reclusive Tarahumara Indians, whose techniques allow them to run long distances with ease, and describes his training for a fifty-mile race with the tribe and a number of ultramarathoners.* **New Moon Little, Brown Books for Young Readers** *From evil vampires to a mysterious pack of wolves, new threats of danger and vengeance test Bella and Edward's romance in the second book of the irresistible Twilight saga. For Bella Swan, there is one thing more important than life itself: Edward Cullen. But being in love with a vampire is even more dangerous than Bella could ever have imagined. Edward has already rescued Bella from the clutches of one evil vampire, but now, as their daring relationship threatens all that is near and dear to them, they realize their troubles may be just beginning. Bella and Edward face a devastating separation, the mysterious appearance of dangerous wolves roaming the forest in Forks, a terrifying threat of revenge from a female vampire and a deliciously sinister encounter with Italy's reigning royal family of vampires, the Volturi. Passionate, riveting, and full of surprising twists and turns, this vampire love saga is well on its way to literary immortality. It's here! #1 bestselling author*

Stephenie Meyer makes a triumphant return to the world of *Twilight* with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- *Time* "A literary phenomenon." -- *The New York Times*

**I Rise HarperCollins** A heartbreaking and powerful novel about racism and social justice as fourteen-year-old Ayo has to decide whether to take on her mother's activist role when her mom is shot by police. As she tries to find answers, Ayo looks to the wisdom of her ancestors and her Harlem community for guidance. Ayo's mother founded the biggest civil rights movement to hit New York City in decades. It's called 'See Us' and it tackles police brutality and racial profiling in Harlem. Ayo has spent her entire life being an activist and now, she wants out. She wants to get her first real kiss, have a boyfriend, and just be a normal teen. When her mom is put into a coma after a riot breaks out between protesters and police, protestors want Ayo to become the face of See Us and fight for justice for her mother who can no longer fight for herself. While she deals with her grief and anger, Ayo must also discover if she has the strength to take over where her mother left off. This impactful and unforgettable novel takes on the important issues of inequality, systemic racism, police violence, and social justice.

**The Chess Queen Enigma A Stoker & Holmes Novel Chronicle Books** Evaline Stoker and Mina Holmes never meant to get into the family business. But when you're the sister of Bram and the niece of Sherlock, vampire hunting and mystery solving are in your blood, so to speak. In this third installment of the *Stoker and Holmes* series, Evaline Stoker and Mina Holmes have reluctantly agreed to act as social chaperones and undercover bodyguards for Princess Lurelia of Betrovia, who has arrived in London to deliver a letter that details the secret location of an ancient chess queen that's been missing for centuries. But when the letter—which will heal a centuries-old rift between England and the Betrovians—is stolen out from under Evaline and Mina's watchful eyes, the two girls are forced into a high-stakes race to ensure they find the chess queen before anyone else does.

**Sleepy Hollow Children of the Revolution Crown** When Ichabod Crane, a soldier from the Colonial Army, is resurrected from his grave more than two centuries after he was killed in battle, he partners with Lieutenant Abbie Mills of the Sleepy Hollow Police Department to fight the evil forces that have taken hold of the town. On a cold day in January, Ichabod visits Patriots Park for a moment of peace. Instead, he receives a disturbing vision from his wife, Katrina, in which she delivers a cryptic but urgent message: he must retrieve the Congressional Cross that he was awarded by the Second Continental Congress for bravery in action. There's just one problem: Ichabod was killed before he ever received the medal, and he is unsure where it might be. Together, Ichabod and Abbie set out to uncover the mystery of the cross--and its connection to George Washington and his secret war against the demon hordes. But they soon learn that a coven of witches is also seeking the cross in order to resurrect their leader, Serilda, who was burned at the stake during the Revolutionary War. Now they must locate the cross before the coven can bring back Serilda to exact her fatal revenge on Sleepy Hollow.

**The Willpower Instinct How Self-Control Works, Why It Matters, and What You Can Do to Get More of It Penguin** Based on Stanford University psychologist Kelly McGonigal's wildly popular course "The Science of Willpower," *The Willpower Instinct* is the first book to explain the science of self-control and how it can be harnessed to improve our health, happiness, and productivity. Informed by the latest research and combining cutting-edge insights from psychology, economics, neuroscience, and medicine, *The Willpower Instinct* explains exactly what willpower is, how it works, and why it matters. For example, readers will learn: • Willpower is a mind-body response, not a virtue. It is a biological function that can be improved through mindfulness, exercise, nutrition, and sleep. • Willpower is not an unlimited resource. Too much self-control can actually be bad for your health. • Temptation and stress hijack the brain's systems of self-control, but the brain can be trained for greater willpower • Guilt and shame over your setbacks lead to giving in again, but self-forgiveness and self-compassion boost self-control. • Giving up control is sometimes the only way to gain self-control. • Willpower failures are contagious—you can catch the desire to overspend or overeat from your friends—but you can also catch self-control from the right role models. In the groundbreaking tradition of *Getting Things Done*, *The Willpower Instinct* combines life-changing prescriptive advice and complementary exercises to help readers with goals ranging from losing weight to more patient parenting, less procrastination, better health, and greater productivity at work.

**Burn for Me A Hidden Legacy Novel Harper Collins** #1 New York Times bestselling author Ilona Andrews launches a brand-new Hidden Legacy series, in which one woman must place her trust in a seductive, dangerous man who sets off an even more dangerous desire . . . Nevada Baylor is faced with the most challenging case of her detective career—a suicide mission to bring in a suspect in a volatile situation. Nevada isn't sure she has the chops. Her quarry is a Prime, the highest rank of magic user, who can set anyone and anything on fire. Then she's kidnapped by Connor "Mad" Rogan—a darkly tempting billionaire with equally devastating powers. Torn between wanting to run and wanting to surrender to their overwhelming attraction, Nevada must join forces with Rogan to stay alive. Rogan's after the same target, so he needs Nevada. But she's getting under his skin, making him care about someone other than himself for a change. And, as Rogan has learned, love can be as perilous as death, especially in the magic world.

**The Golden Chersonese and the Way Thither Blindsight Macmillan** *Blindsight* is the Hugo Award-nominated novel by Peter Watts, "a hard science fiction writer through and through and one of the very best alive" (*The Globe and Mail*). Two months have past since a myriad of alien objects clenched about the Earth, screaming as they burned. The heavens have been silent since—until a derelict space probe hears whispers from a distant comet. Something talks out there: but not to us. Who should we send to meet the alien, when the alien doesn't want to meet? Send a linguist with multiple-personality disorder and a biologist so spliced with machinery that he can't feel his own flesh. Send a pacifist warrior and a vampire recalled from the grave by the voodoo of paleogenetics. Send a man with half his mind gone since childhood. Send them to the edge of the solar system, praying you can trust such freaks and monsters with the fate of a world. You fear they may be more alien than the thing they've been sent to find—but you'd give anything for that to be true, if you knew what was waiting for them. . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**The Spy Novels of John Le Carre Balancing Ethics and Politics Springer** Using espionage as a metaphor for politics, John le Carré explores the dilemmas that confront individuals and governments as they act during and in the aftermath of the Cold War. His unforgettable characters struggle to maintain personal and professional integrity while facing conflicting personal, institutional, and ideological loyalties. In *The Spy Novels of John le Carré*, author Myron Aronoff interprets the ambiguous ethical and political implications of the work of John le Carré, revealing him to be one of the most important political writers of our time. Aronoff shows how through his writing, le Carré poses the difficult question of to what extent are western governments justified in pursuing *raison d'état* without undermining the very democratic freedoms that they claim to defend. He also draws parallels between the self-parody of le Carré and that of the seventeenth-century Dutch artist Jan Steen, and explains how it expresses a unique form of ambiguous moralism. In this volume Aronoff relates le Carré's fictional world to the real world of espionage, and demonstrates the need to balance the imperatives of ethics and politics in regard to some of the most pressing issues facing the world today.

**The Rhesus Chart Penguin** Bob Howard, a newly appointed junior manager of an organization tasked with defending England from supernatural threats, must stop an outbreak of vampirism at a merchant bank.

**Once Bitten, Twice Shy Orbit** I'm Jaz Parks. My boss is Vayl, born in Romania in 1744. Died there too, at the hand of his vampire wife, Liliana. But that's ancient history. For the moment Vayl works for the C.I.A. doing what he does best--assassination. And I help. You could say I'm an Assistant Assassin. But then I'd have to kick your ass. Vayl and I have to take out a Miami plastic surgeon with ties to terrorism. But the assignment gets complicated when it turns out he's in cahoots with a supernatural nasty powerful enough to bring America to her knees.

**The Count of Monte Cristo BookRix** *The Count of Monte Cristo* is an adventure novel by French author Alexandre Dumas. It is one of the author's most popular works, along with *The Three Musketeers*. Like many of his novels, it is expanded from plot outlines suggested by his collaborating ghostwriter Auguste Maquet. The story takes place in France, Italy and islands in the Mediterranean during the historical events of 1815–1838. It begins from just before the Hundred Days period (when Napoleon returned to power after his exile) and spans through to the reign of Louis-Philippe of France. The historical setting is a fundamental element of the book. An adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. In addition, it is a story that involves romance, loyalty, betrayal and selfishness, shown throughout the story as characters slowly reveal their true inner nature. The book is considered a literary classic today. According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood."

**Beautiful Boy A Father's Journey Through His Son's Addiction Houghton Mifflin Harcourt** The story of one teenager's descent into methamphetamine addiction is told from his father's point of view, describing how a varsity athlete and honor student became addicted to the dangerous drug and its impact on his family.
