## Wishful Thinking

*Scholastic Inc.* If you could wish for a different life, would you? What if that life changed everything you thought was real? Adopted as a baby, Hazel Hayes has always been alone. She's never belonged anywhere--and has always yearned to know the truth about where she comes from. So when she receives three stunning, enchanted dresses--each with the power to grant one wish--Hazel wishes to know her mother. Transported to a time and place she couldn't have imagined, Hazel finds herself living an alternate life--a life with the mother she never knew. Over the course of one amazing, miraculous summer, Hazel finds her home, falls in love, and forms an unexpected friendship. But will her search to uncover her past forever alter her future? In the heart-pounding, luminous sequel to WISH, Alexandra Bullen asks the question: If you could wish for a new life . . . would you?

## Wish

*Scholastic Inc.* If you could have anything, what would you wish for?For broken-hearted Olivia Larsen, nothing can change the fact that her twin sister, Violet, is gone... until a mysterious, beautiful gown arrives on her doorstep. The dress doesn't just look magical; it is magical. It has the power to grant her one wish, and the only thing Olivia wants is her sister back.With Violet again by her side, both girls get a second chance at life. And as the sisters soon discover, they have two more dresses-and two more wishes left. But magic can't solve everything, and Olivia is forced to confront her ghosts to learn how to laugh, love, and live again.

## Tumble & Fall

*Farrar, Straus and Giroux (BYR)* A novel about the end of days full of surprising beginnings The world is living in the shadow of oncoming disaster. An asteroid is set to strike the earth in just one week's time; catastrophe is unavoidable. The question isn't how to save the world-the question is, what to do with the time that's left? Against this stark backdrop, three island teens wrestle with intertwining stories of love, friendship and family-all with the ultimate stakes at hand. Alexandra Coultt's TUMBLE & FALL is a powerful story of courage, love, and hope at the end of the world.

## Young Widows Club

*Farrar, Straus and Giroux (BYR)* This is the moving story of a teenage bride who is forced back to the high-school life she thought she'd left behind. For seventeen-year-old Tam, running off to marry her musician boyfriend is the ideal escape from her claustrophobic life on the island, and the ultimate rebellion against her father and stepmother. But when Tam becomes a widow just weeks later, the shell-shocked teen is forced to find her way forward by going back to the life she thought she'd moved beyond-even as her struggle to deal with her grief is forcing her to reinvent herself and reach out to others in ways she never imagined.

## Falcon Quinn and the Crimson Vapor

*Harper Collins* Falcon Quinn survived the first term at the Academy for Monsters along with his monstrous friends Max, Pearl, Mortia, and the rest. He has finally discovered his monster nature and is working hard to embrace it. But what does it mean to be an Angel, exactly? Having wings is great, when Falcon can remember to use them, but with parents who are the leaders of two warring groups--the monsters and the guardians--Falcon still feels torn in half. When his monster friends begin to doubt his loyalty to the monster world and his only option is flight to Guardian Island, where his mother rules and he is a prince, he'll see the guardians as well as his monster friends in a whole new light. He will also have to decide if Jonny Frankenstein can be trusted and find a way to save his friend Megan from her imprisonment on Guardian Island, not to mention find a way to stop the monsters and guardians from fighting, once and for all. Bestselling author Jennifer Finney Boylan continues the heroic and often hilarious tale of Falcon Quinn and his band of monster friends in this second installment of the hair-raising and sidesplitting adventure of monstrous proportions.

## Fairy Tale Films

## Visions of Ambiguity

*University Press of Colorado* In this, the first collection of essays to address the development of fairy tale film as a genre, Pauline Greenhill and Sidney Eve Matrix stress, "the mirror of fairy-tale film reflects not so much what its audience members actually are but how they see themselves and their potential to develop (or, likewise, to regress)." As Jack Zipes says further in the foreword, "Folk and fairy tales pervade our lives constantly through television soap operas and commercials, in comic books and cartoons, in school plays and storytelling performances, in our superstitions and prayers for miracles, and in our dreams and daydreams. The artistic re-creations of fairy-tale plots and characters in film--the parodies, the aesthetic experimentation, and the mixing of genres to engender new insights into art and life--mirror possibilities of estranging ourselves from designated roles, along with the conventional patterns of the classical tales." Here, scholars from film, folklore, and cultural studies move discussion beyond the well-known Disney movies to the many other filmic adaptations of fairy tales and to the widespread use of fairy tale tropes, themes, and motifs in cinema.

## The Hollow

*Simon and Schuster* Growing up in the town of Sleepy Hollow, the mystery and intrigue over Washington Irving's classic legend are all part of daily life for sixteen-year-old Abbey. But when her best friend, Kristen, vanishes at the bridge near Sleepy Hollow Cemetery, Abbey's world is suddenly turned upside down. While everyone is all too quick to accept that Kristen is dead, Abbey refuses to believe that she is really gone. And when Abbey meets the gorgeous, but mysterious, Caspian at Kristen's memorial she starts to feel like she has something to hold on to for the first time since Kristen's disappearance. But when Abbey finds a diary hidden in Kristen's bedroom, she begins to question everything she thought she knew about her best friend. How could Kristen have kept silent about so much? And could this secret have led to her disappearance or even her death? Hurt and angry at Kristen's betrayal, Abbey turns to Caspian for support... and uncovers a frightening truth about him that threatens both their emerging love and her sanity...

## The Time-Traveling Fashionista

*Poppy* Features full page fashion illustrations throughout (on color devices, these are viewable in rich four color!) What if a beautiful dress could take you back in time? Fashion-obsessed Louise Lambert knows everything about the late-great clothing designers and anything vintage. When she receives a mysterious invitation to the Traveling Fashionista Vintage Sale, Louise is so there! Marla and Glenda, two eerie salesladies, convince Louise to don a glittering evening gown, and poof! she finds herself transported onboard a luxurious cruise ship in 1912. Louise relishes the glamorous life and decadent closets of this opulent era until she realizes- she's on the Titanic! Will Louise be able to save herself and change the course of history, or is she destined to go down with the ship?

## Communication Competence

*Walter de Gruyter GmbH & Co KG* Almost everything that matters to humans is derived from and through communication. Just because people communicate every day, however, does not mean that they are communicating competently. In fact, evidence indicates that there is a substantial need for better interpersonal skills among a significant proportion of the populace. Furthermore, "dark side" experiences in everyday life abound, and features of modern society pose new challenges that make the concept of communication competence increasingly complex. The Handbook of Communication Competence brings together scholars from across the globe to examine these various facets of communication competence, including its history, its essential components, and its applications in interpersonal, group, institutional, and societal contexts. The book provides a state-of-the-art review for scholars and graduate students, as well as practitioners in counseling, developmental, health care, educational, intercultural, and human resource management contexts, illustrating that communication competence is vital to health, relationships, and all collective human endeavors.

## Assigning Responsibility for Children's Health When Parents and Authorities Disagree: Whose Child?

*Springer* This book provides a multidisciplinary analysis of the potential conflict between a government's duty to protect children and a parent(s)' right to raise children in a manner they see fit. Using philosophical, bioethical, and legal analysis, the author engages with key scholars in pediatric decision-making and individual and religious rights theory. Going beyond the parent-child dyad, the author is deeply concerned both with the interests of the broader society and with the appropriate limits of government interference in the private sphere. The text offers a balance of individual and population interests, maximizing liberty but safeguarding against harm. Bioethics and law professors will therefore be able to use this text for both a foundational overview as well as specific, subject-level analysis. Clinicians such as pediatricians and gynecologists, as well as policy-makers can use this text to achieve balance between these often competing claims. The book is written by a physician with practical

and theoretical knowledge of the subject, and deep sympathy for the parental and family perspectives. As such, the book proposes a new way of evaluating parental and state interventions in children's healthcare: a refreshing approach and a useful addition to the literature.

## Boy Meets Girl

*Harper Collins Meet Kate Mackenzie*. She: works for the T.O.D. (short for Tyrannical Office Despot, also known as Amy Jenkins, Director of the Human Resources Division at the New York Journal) is sleeping on the couch because her boyfriend of ten years refuses to commit can't find an affordable studio apartment anywhere in New York City thinks things can't get any worse. They can. Because: the T.O.D. is making her fire the most popular employee in the paper's senior staff dining room that employee is now suing Kate for wrongful termination, and now Kate has to give a deposition in front of Mitch Hertzog, the scion of one of Manhattan's wealthiest law families, who embraces everything Kate most despises ... but also happens to have a nice smile and a killer bod. The last thing anybody -- least of all Kate Mackenzie -- expects to find in a legal arbitration is love. But that's the kind of thing that can happen when ... Boy Meets Girl.

## Stages of Evil

## Occultism in Western Theater and Drama

*University Press of Kentucky "The evil that men do"* has been chronicled for thousands of years on the European stage, and perhaps nowhere else is human fear of our own evil more detailed than in its personifications in theater. In *Stages of Evil*, Robert Lima explores the sociohistorical implications of Christian and pagan representations of evil and the theatrical creativity that occultism has engendered. By examining examples of alchemy, astronomy, demonology, exorcism, fairies, vampires, witchcraft, hauntings, and voodoo in prominent plays, *Stages of Evil* explores American and European perceptions of occultism from medieval times to the modern age.

## Jack the Ripper & the London Press

*Yale University Press "Breaks new ground in its examination of the role of newspaper reporting during the police hunt for the first notorious serial killer."*—Reviews in History Press coverage of the 1888 mutilation murders attributed to Jack the Ripper was of necessity filled with gaps and silences, for the killer remained unknown and Victorian journalists had little experience reporting serial murders and sex crimes. This engrossing book examines how fourteen London newspapers—dailies and weeklies, highbrow and lowbrow—presented the Ripper news, in the process revealing much about the social, political, and sexual anxieties of late Victorian Britain and the role of journalists in reinforcing social norms. L. Perry Curtis surveys the mass newspaper culture of the era, delving into the nature of sensationalism and the conventions of domestic murder news. Analyzing the fourteen newspapers—two of which emanated from the East End, where the murders took place—he shows how journalists played on the fears of readers about law and order by dwelling on lethal violence rather than sex, offering gruesome details about knife injuries but often withholding some of the more intimate details of the pelvic mutilations. He also considers how the Ripper news affected public perceptions of social conditions in Whitechapel. "The apparently motiveless violence of the Whitechapel killings denied journalists a structure, and it is the resulting creativity in news reporting that L. Perry Curtis Jr describes. His impressive book makes a genuine contribution to 19th-century history in a way that books addressing the banal question of the identity of the Ripper do not."—The Guardian

## Handy-Book of Literary Curiosities

## Austral English

## A Dictionary of Australasian Words, Phrases and Usages

*Cambridge University Press* The first scholarly dictionary of Australian and New Zealand English, including loan words from indigenous languages, originally published in 1898.

## Exploring Greenland

## Cold War Science and Technology on Ice

*Springer* Using newly declassified documents, this book explores why U.S. military leaders after World War II sought to monitor the far north and understand the physical environment of Greenland, a crucial territory of Denmark. It reveals a fascinating yet little-known realm of Cold War intrigue and a delicate diplomatic duet between a smaller state and a superpower amid a time of intense global pressures. Written by scholars in Denmark and the United States, this book explores many compelling topics. What led to the creation of the U.S. Thule Air Base in Greenland, one of the world's largest, and why did the U.S. build a nuclear-powered city under Greenland's ice cap? How did Danish concern about sovereignty shape scientific research programs in Greenland? Also explored here: why did Denmark's most famous scientist, Inge Lehmann, become involved in research in Greenland, and what international reverberations resulted from the crash of a U.S. B-52 bomber carrying four nuclear weapons near Thule in January 1968?

## Without Prejudice

## Bloody Jack

## Being an Account of the Curious Adventures of Mary "Jacky" Faber, Ship's Boy

*Houghton Mifflin Harcourt* Reduced to begging and thievery in the streets of London, a thirteen-year-old orphan disguises herself as a boy and connives her way onto a British warship set for high sea adventure in search of pirates.

## EHealth Applications

## Promising Strategies for Health Behavior Change

"This volume explores current use of interactive communication (or eHealth) applications to promote behavior change. It focuses on the use of these technology-based interventions for public health promotion and disease prevention, taking a population-based approach. The chapters included herein provide overviews of key interactive health communication applications; present research examining a variety of technology-based applications, including computer, Internet, and mobile; and offer observations and reflections on this growing area, including dissemination of programs and future directions for the study of interactive health communication. Providing a timely and comprehensive review of current tools for health communication, eHealth Applications is a must-read for scholars, students, and researchers in health communication, public health, and health education"--

## Bad Girls Don't Die

*Little, Brown Books for Young Readers* A page-turning, spine-chilling young adult murder mystery about surviving the ghosts around us. Alexis thought she led a typically dysfunctional high school existence. Dysfunctional like her parents' marriage. Or her doll-crazy twelve-year-old sister, Kasey. Or even like her own anti-social, anti-cheerleader attitude. When a family fight results in some tearful sisterly bonding, Alexis realizes that her life is creeping from dysfunction into danger. Kasey is acting stranger than ever: her blue eyes go green, sometimes she uses old-fashioned language, and she even loses track of chunks of time, claiming to know nothing about her strange behavior. Their old house is changing, too. Doors open and close by themselves. Water boils on the unlit stove, and an unplugged air conditioner turns the house cold enough to see their breath in. Alexis wants to think that it's all in her head, but soon, what she liked to think of as silly parlor tricks are becoming life-threatening: to her, her family, and to her budding relationship with the class president. Alexis knows she's the only person who can stop Kasey—but what if that green-eyed girl isn't even Kasey anymore?

## Sisterhood Everlasting (Sisterhood of the Traveling Pants)

## A Novel

*Random House* NEW YORK TIMES BESTSELLER Four friends One sisterhood Ten years later, the story continues On the cusp of turning thirty, Tibby, Lena, Carmen, and Bridget are now living separate lives, out on their own. Yet despite having jobs and men that they love, each knows that something is missing: the closeness that once sustained them. Carmen is a successful actress in New York, engaged to be married, but misses her friends. Lena finds solace in her art, teaching in Rhode Island, but still thinks of Kostos and the road she didn't take. Bridget lives with her longtime boyfriend, Eric, in San Francisco, and though a part of her wants to settle down, a bigger part can't seem to shed her old restlessness. Then Tibby reaches out to bridge the distance, sending the others plane tickets for a reunion that they all breathlessly await. And indeed, it will change their lives forever—but in ways that none of them could ever have expected. Look for special features inside. Join the Circle for author

chats and more.

## Forever in Blue: The Fourth Summer of the Sisterhood

*Delacorte Press* The fourth and final novel in the wildly popular #1 New York Times bestselling Sisterhood of the Traveling Pants series, from the author of *The Whole Thing Together* and *The Here and Now*. With unraveled embroidery and fraying hems, the Traveling Pants are back for one last, glorious summer. It's a summer that will forever change the lives of Lena, Bridget, Tibby, and Carmen, here and now, past and future, together and apart. Pants = love. Love your pals. Love yourself. "Genuinely moving." —Entertainment Weekly "A strong, satisfying conclusion." —Booklist "An ode to love and friendship." —Kirkus Reviews "A great read." —Daily News (New York)

## The Vampire Stalker

*Scholastic UK* What if the characters in a vampire novel left their world - and came into yours? Amy is in love with someone who doesn't exist: Alexander Banks, the dashing hero in a popular series of vampire novels. Then one night, Amy meets a boy who bears an eerie resemblance to Alexander. In fact, he is Alexander, who has escaped from the pages of the book and is in hot pursuit of a wicked vampire named Vigo. Together, Amy and Alexander set out to track Vigo and learn how and why Alexander crossed over. But when she and Alexander begin to fall for each other, Amy wonders if she even wants him to ever return to the realm of fiction.

## Endemic

## Essays in Contagion Theory

*Springer* This book develops a new multimodal theoretical model of contagion for interdisciplinary scholars, featuring contributions from influential scholars spanning the fields of medical humanities, philosophy, political science, media studies, technoculture, literature, and bioethics. Exploring the nexus of contagion's metaphorical and material aspects, this volume contends that contagiousness in its digital, metaphorical, and biological forms is a pervasively endemic condition in our contemporary moment. The chapters explore both endemicity itself and how epidemic discourse has become endemic to processes of social construction. Designed to simultaneously prime those new to the discourse of humanistic perspectives of contagion, complicate issues of interest to seasoned scholars of science and technology studies, and add new topics for debate and inquiry in the field of bioethics, *Endemic* will be of wide interest for researchers and educators.

## The City of Ember

## The Graphic Novel

*Random House Books for Young Readers* In the spring 2003, kids, parents, teachers, librarians—whole communities—discovered and fell in love with Jeanne DuPrau's story about a doomed city, and the two children who found a way out. Nearly 10 years later, that story, *The City of Ember*, is a bona fide classic, with over 1.7 million copies sold. Now experience Jeanne DuPrau's vision anew as artist Niklas Asker faithfully brings to life the glare of the lamps, the dinginess of the streets, and the brilliance of the first sunrise.

## Russian Roulette

## The Story of an Assassin

*Puffin Books* Presented with an unexpected assignment, Alex Rider's greatest nemesis, Yassen Gregorovich, recalls his life and the path that led him to become an assassin while his one-time friend, Alex's uncle, became a spy.

## Middle School: Get Me out of Here!

*Jimmy Patterson* Live large with James Patterson's winning follow-up to the #1 New York Times bestseller *Middle School, The Worst Years of My Life*. After sixth grade, the very worst year of his life, Rafe Khatchadorian thinks he has it made in seventh grade. He's been accepted to art school in the big city and imagines a math-and-history-free fun zone. Wrong! It's more competitive than Rafe ever expected, and to score big in class, he needs to find a way to turn his boring life into the inspiration for a work of art. His method? Operation: Get a Life! Anything he's never done before, he's going to do it, from learning to play poker to going to a modern art museum. But when his newest mission uncovers secrets about the family Rafe's never known, he has to decide if he's ready to have his world turned upside down.

## You Wish

*Penguin* Kayla McHenry's sweet sixteen sucks! Her dad left, her grades dropped, and her BFF is dating the boy Kayla's secretly loved for years. Blowing out her candles, Kayla thinks: I wish my birthday wishes actually came true. Because they never freakin' do. Kayla wakes the next day to a life-sized, bright pink My Little Pony outside her window. Then a year's supply of gumballs arrives. A boy named Ken with a disturbing resemblance to the doll of the same name stalks her. As the ghosts of Kayla's wishes-past appear, they take her on a wild ride . . . but they MUST STOP. Because when she was fifteen? She wished Ben Mackenzie would kiss her. And Ben is her best friend's boyfriend.

## The Rise of Tourism on Martha's Vineyard

*Arcadia Publishing* Now known as a resort community and vacation destination, Martha's Vineyard was once a simple fishing and whaling community. From the popularity of the Methodist Campground, founded in 1835, the Vineyard soon blossomed into a summer vacation mecca, welcoming visitors to its quaint villages and scenic seashores. As whaling lost its economic dominance, tourism became the catalyst for a revived prosperity on the Vineyard. President Grant's visit to the Vineyard in 1874 drew national attention and marked the beginning of several presidential visits to the island. By 1900, Oak Bluffs had developed an amusement park atmosphere with the iconic Flying Horses, toboggan slide and grand seaside hotels. Join local historian Tom Dresser as he reveals the island's transformation into a premier tourist destination.

## A Ring of Endless Light

## The Austin Family Chronicles

*Farrar, Straus and Giroux (BYR)* In book four of the award-winning *Austin Family Chronicles* young adult series from Madeleine L'Engle, author of *A Wrinkle in Time*, Vicky Austin experiences the difficulties and joys of growing up. "This wasn't the first time that I'd come close to death, but it was the first time I'd been involved in this part of it, this strange, terrible saying goodbye to someone you've loved." These are Vicky Austin's thoughts as she stands near Commander Rodney's grave while her grandfather, who himself is dying of cancer, recites the funeral service. Watching his condition deteriorate over that long summer is almost more than she can bear. Then, in the midst of her struggle, she finds herself the center of attention for three young men. Leo, Commander Rodney's son, turns to her as an old friend seeking comfort but longing for romance. Zachary, whose attempted suicide inadvertently caused Commander Rodney's death, sees her as the one sane and normal person who can give some meaning to his life. And Adam, a serious young student working at the nearby marine-biology station, discovers Vicky, his friend's little sister, incipient telepathic powers that can help him with his experiments in dolphin communications. Vicky finds solace and brief moments of peace in her poetry, but life goes on around her, and the strain intensifies as she confronts matters of love and of death, of dependence and of responsibility, universal concerns that we all must face. The inevitable crisis comes and Vicky must rely on openness, sensitivity, and the love of others to overcome her private grief. Once again, Madeleine L'Engle has written a story that revels in the drama of vividly portrayed characters and events of the spiritual and moral dimensions of common human experiences. *A Ring of Endless Light* is a 1981 Newbery Honor Book. Books by Madeleine L'Engle *A Wrinkle in Time* *Quintet A Wrinkle in Time* *A Wind in the Door* *A Swiftly Tilting Planet* *Many Waters* *An Acceptable Time A Wrinkle in Time: The Graphic Novel* by Madeleine L'Engle; adapted & illustrated by Hope Larson *Intergalactic P.S. 3* by Madeleine L'Engle; illustrated by Hope Larson: A standalone story set in the world of *A Wrinkle in Time*. *The Austin Family Chronicles* *Meet the Austins (Volume 1)* *The Moon by Night (Volume 2)* *The Young Unicorns (Volume 3)* *A Ring of Endless Light (Volume 4)* *A Newbery Honor book! Troubling a Star (Volume 5)* *The Polly O'Keefe books* *The Arm of the Starfish* *Dragons in the Waters* *A House Like a Lotus* *And Both Were Young* *Camilla* *The Joys of Love*

## The History of the Belvoir Hunt

## Twelve Years a Slave

*Prabhat Prakashan* "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

## A Kiss in Time

*Harper Collins* Talia fell under a spell . . . . Jack broke the curse. I was told to beware the accursed spindle, but it was so enchanting, so hypnotic. . . . I was looking for a little adventure the day I ditched my tour group. But finding a comatose town, with a hot-looking chick asleep in it, was so not what I had in mind. I awakened in the same place but in another time—to a stranger's soft kiss. I couldn't help kissing her. Sometimes you just have to kiss someone. I didn't know this would happen. Now I am in dire trouble because my father, the king, says I have brought ruin upon our country. I have no choice but to run away with this commoner! Now I'm stuck with a bratty princess and a trunk full of her jewels. . . . The good news: My parents will freak! Think you have dating issues? Try locking lips with a snoozing stunner who turns out to be 316 years old. Can a kiss transcend all—even time?

## Warning Miracle

*Lulu.com*

## Mary and Philip

## The marriage of Tudor England and Habsburg Spain

*Manchester University Press* The co-monarchy of Mary I and Philip II put England at the heart of early modern Europe. This positive reassessment of their joint reign counters a series of parochial, misogynist and anti-Catholic assumptions, correcting the many myths that have grown up around the marriage and explaining the reasons for its persistent marginalisation in the historiography of sixteenth-century England. Using new archival discoveries and original sources, the book argues for Mary as a great Catholic queen, while fleshing out Philip's important contributions as king of England. It demonstrates the many positive achievements of this dynastic union in everything from culture, music and art to cartography, commerce and exploration. An important corrective for anyone interested in the history of Tudor England and Habsburg Spain.

## Theories of the Information Society

*Psychology Press* Popular opinion suggests that information has become a distinguishing feature of the modern world. Where once economies were built on industry and conquest, we are now instead said to be part of a global information economy. In this new and thoroughly revised edition of his popular book, author Webster brings his work up-to-date both with new theoretical work and with social and technological changes - such as the rapid growth of the internet and accelerated globalization - and reassesses the work of key theorists in light of these changes. This book is essential reading for students of contemporary social theory and anybody interested in social and technological change in the post-war era.

## The Wild Irish Girl

## A National Tale

*Oxford University Press, USA* I long to study the purely national, purely natural character of an Irishwoman. When Horatio, the son of an English lord, is banished to his father's Irish estate as punishment for his dissipated ways, he goes off in search of adventure. On the wild west coast of Connaught he finds remnants of a romantic Gaelic past--a dilapidated castle, a Catholic priest, a deposed king and the king's lovely daughter Glorvina. In this setting and among these characters Horatio learns the history, culture, and language of a country he had once scorned, but he must do so in disguise, for his own English ancestors are responsible for the ruin of the Gaelic family he comes to love. Written after the Act of Union, *The Wild Irish Girl*. (1806) is a passionately nationalistic novel and a founding text in the discourse of Irish nationalism. This unique paperback edition includes the 'Introductory Letters' to the novel as well as Owenson's footnotes, rich in detail on the Irish language, history, and legend.

## Adventures of Ook and Gluk: Kung Fu Cavemen from the Future

*Scholastic Inc.* Tra-la-laaa! Dav Pilkey -- ahem -- we mean, George and Harold, the authors of SUPER DIAPER BABY, are back with their second epic novel! Meet Ook and Gluk, the stars of this sensationally silly graphic novel from the creators of *Captain Underpants!* It's 500,001 BC, and Ook and Gluk's hometown of Caveland, Ohio, is under attack by an evil corporation from the future. When Ook, Gluk, and their little dinosaur pal Lily are pulled through a time portal to 2222, they discover a future world that's even more devastated than their own. Luckily, they find a friend in Master Wong, a martial arts instructor who trains them in the ways of kung fu. Now all they have to do is travel back in time 502,223 years and save the day!

## Windows on the World

*HarperCollins UK* A daring, moving fictional account of the last moments of a father and his two sons atop the World Trade Centre on September 11.

## Underworld

*Point John Hayden*, a death deity, takes seventeen-year-old Pierce Oliviera back to the Underworld against her will to keep her safe from the Furies, but her family is still at risk and she, herself, may never escape his captivity.
