Heels of Steel

A Novel

MIRA She's shattering the glass ceiling one building at a time Bridget Steele's father taught her two things: how to build and how to fight. With those skills, she created her own company and began building for New York City's elite. Often the only woman in the room, she's faced sexism, corruption and harassment, but armed with her designer hard hat and steel-toed stilettos, she's up for any challenge. Bridget figured out quickly she had to be ten times better just to be considered equal. Even with a stellar reputation, this scrappy young woman from the Bronx can't seem to gain access to the old boys' club. She doesn't fit in with the powerful men in commercial real estate and construction. But this single mom has learned how to play the game, and she never gives up. With her quick wit and determination, she won't let anyone get in the way of her dream—including the irresistible man who is also her biggest competitor. She's learned the hard way that if she wants the view from the top, she'll have to build it herself.

About My Mother

True Stories of a Horse-Crazy Daughter and Her Baseball-Obsessed Mother: A Memoir

Simon and Schuster *A Message from Mike Rowe, the Dirty Jobs Guy: Just to be clear, About My Mother is a book about my grandmother, written by my mother. That's not to say it's not about my mother—it is. In fact, About My Mother is as much about my mother as it is about my grandmother. In that sense, it's really a book about "mothers." ...It is not, however, a book written by me. True, I did write the foreword. But it doesn't mean I've written a book about my mother. I haven't. Nor does it mean my mother's book is about her son. It isn't. It's about my grandmother. And my mother. Just to be clear.—Mike* A love letter to mothers everywhere, *About My Mother* will make you laugh and cry—and see yourself in its reflection. Peggy Rowe's story of growing up as the daughter of Thelma Knobel is filled with warmth and humor. But Thelma could be your mother—there's a Thelma in everyone's life. She's the person taking charge—the one who knows instinctively how things should be. Today Thelma would be described as an alpha personality, but while growing up, her daughter Peggy saw her as a dictator—albeit a benevolent, loving one. They clashed from the beginning—Peggy, the horse-crazy tomboy, and Thelma, the genteel-yet-still-controlling mother, committed to raising two refined, ladylike daughters. Good luck. When major league baseball came to town in the early 1950s and turned sophisticated Thelma into a crazed Baltimore Orioles groupie, nobody was more surprised and embarrassed than Peggy. Life became a series of compromises—Thelma tolerating a daughter who pitched manure and galloped the countryside, while Peggy learned to tolerate the whacky Orioles fan who threw her underwear at the television, shouted insults at umpires, and lived by the orange-and-black schedule taped to the refrigerator door. Sometimes, we're more alike than we know. And in case you're wondering, Peggy knows a thing or two about dirty jobs herself...

Section 130

Zmok Books Based on the Dewey decimal system designation for the supernatural - section 130 is a collection of short stories from new author Katrinka Mannelly In the library of Katrinka Mannelly's childhood, Dewey Decimal section 130 contained the supernatural—everything from witches to mermaids, gnomes to poltergeists. Like many children, I devoured these books, working my way through countless titles, studying magical creatures and imagining what encounters with them might be like. As an adult she is still enamored with the inhabitants of section 130, but life has given her a more cynical view. What if interactions with mythical beings were mundane, or funny, or when special, extraordinary in the most unanticipated of ways? This is the premise of Section 130, a collection of original short stories averaging 2,000 words in length. Each explores a modern human-supernatural being exchange. Sirens, fey, Sasquatch, Jinn, demons, ghosts, zombies, even tooth fairies in training, and lake monsters have truths to tell us about who we are as people.

Inseparable

How Family and Sacrifice Forged a Path to the NFL

Thomas Nelson Much more than a sports memoir, in *Inseparable* Shaquem and Shaquill Griffin share the previously untold details of the powerful and inspiring story behind the modern NFL's first one-handed player, and his twin brother's unrelenting devotion, sacrifice, and love. It's the story of Shaquem's understanding of God's purpose for his life—to inspire others to stop being afraid and to stop making excuses—and his family's unwavering support in spite of seemingly insurmountable obstacles. The Griffins' unlikely underdog story has already captured the imagination of millions of football fans and physically challenged people around the world.

Moon! Earth's Best Friend

Henry Holt and Company (BYR) From writer Stacy McAnulty and illustrator Stevie Lewis, *Moon! Earth's Best Friend* is a light-hearted nonfiction picture book about the formation and history of the moon—told from the perspective of the moon itself. Meet Moon! She's more than just a rock—she's Earth's rock, her best friend she can always count on. Moon never turns her back on her friend (literally: she's always facing Earth with the same side!). These two will stick together forever. With characteristic humor and charm, Stacy McAnulty channels the voice of Moon in this next celestial "autobiography" in the *Our Universe* series. Rich with kid-friendly facts and beautifully brought to life by Stevie Lewis, this is an equally charming and irresistible companion to *Earth! My First 4.54 Billion Years* and *Sun! One in a Billion*.

Talking with Angels

newly revised and expanded fifth edition

Daimon The true story of four young Hungarians seeking inner direction at a time of outer upheaval, the holocaust. The intense experience depicted in this book provides them with new direction and hope. In the darkest hours of World War II, these friends, three of them Jewish, seek orientation and meaning in their shattered lives. During seventeen months, one of them, Hanna Dallos, delivers oral messages which Gitta Mallasz and Lili Strausz record in their notebooks. These messages, or teachings as they came to be known, end abruptly with the deportation of Hanna and Lili to Ravensbrück in December of 1944. Gitta Mallasz, the only survivor of the quartet, first published the notes in France in 1976. The dialogues document an extraordinary light-filled spiritual resistance in the midst of Nazi darkness and barbarous cruelty. Hanna Dallos and Gitta Mallasz, both born in 1907, became friends at the School of Applied Arts in Budapest. Together with Hanna's husband, Jozsef Kreutzer, they later established what became a successful graphic arts atelier. The three were soon joined by movement therapist Lili Strausz. The dialogues presented in this document took place between June of 1943 and November of 1944 in Budaliget and Budapest. Hanna and Lili died in Germany during a prisoner transport and Jozsef in a Hungarian concentration camp in 1945. Gitta emigrated to Paris in 1960, where she edited and published the record of their experience. This document has subsequently been translated and published in numerous languages throughout the world. Gitta Mallasz died in 1992 in France. Twenty years later, she was honored as a 'Righteous Among the Nations' by Yad Vashem for having saved more than a hundred Jewish women and children. I am deeply touched by the dialogues with the angels. - Yehudi Menuhin I could read it over and over again and never get tired of it. Thank you, thank you, thank you for sharing this book with me. - Elisabeth Kübler-Ross I feel as though the message of the angels were especially intended for me. It places me in touch with Truth and enables me to hear the call more clearly. The angels teach me how to view the world through the inner smile. - Narciso Yepes

Self to Lose, Self to Find

Using the Enneagram to Uncover Your True, God-Gifted Self

Convergent Books Discover the growth that's possible when we understand our authentic selves as God intended by exploring more deeply the Enneagram tool, paired with profound scriptural insights. "This book is a gem. It's one of the top five books I recommend on the Enneagram."—Ian Morgan Cron, author of *The Road Back to You* "An accessible, biblical and practical roadmap for anyone who wants to live fully into their true, authentic, God-given identity. I highly recommend it!"—Brenda Salter McNeil, author of *Becoming Brave* The Enneagram—a system of nine interconnected personality types—has been developed over many years to offer opportunities for personal development and provide a foundation for understanding others. Now a certified Enneagram coach shows how a scriptural perspective can lead us to a path of freedom. In *Self to Lose, Self to Find*, Marilyn Vancil unpacks our human dilemma, sets the scriptural foundation, explores the nine Enneagram personalities, and shows us practical ways to have a more meaningful life and healthier relationships. At its best, the Enneagram doesn't merely describe who we are, but shows us why we do what we do. It invites us to see the innate gifts and inclinations of our original design—the person we were before trials and traumas began to shape us. It also reveals the strategies and false narratives that keep us from becoming who we're truly meant to be. Vancil offers a compelling biblical case for the Enneagram by drawing from John 12:24, which describes how we, like seeds, construct a protective coat that helps us survive in a world where we encounter challenges and insecurities. But for us to truly live a fruitful life, we must allow the protective coat to soften and fall away in order to grow. This is what sets Vancil apart as both a seasoned Enneagram expert and a spiritual director: Within a scriptural context, she demonstrates how the Enneagram can be a vehicle for growth and transformation by laying out the realities of each Enneagram type, affirming the inherent genius of each type, showcasing the unhealthy tendencies of each type's false self, and illuminating the undeniable path to freedom for each one. Combining rich biblical wisdom with Enneagram wisdom and real-life experiences, this compelling resource is a must for anyone who longs for a happier, freer life.

The Brain That Changes Itself

Stories of Personal Triumph from the Frontiers of Brain Science

Penguin "Fascinating. Doidge's book is a remarkable and hopeful portrait of the endless adaptability of the human brain."—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat* What is neuroplasticity? Is it possible to change your brain? Norman Doidge's inspiring guide to the new brain science explains all of this and more An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they've transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential.

The Road to San Donato

Fathers, Sons, and Cycling Across Italy

Mountaineers Books *The Road to San Donato* is an adventurous travel memoir of an American father and son tracing their Italian heritage by bicycle. With only the bare essentials on their backs, author Robert Cocuzzo and his sixty-four-year-old father, Stephen, embark on a torturous 425-mile ride from Florence, Italy, to San Donato Val di Comino, an ancient village hidden in the Apennine mountains from which their family emigrated a hundred years earlier. After getting lost, beaten down, and very nearly stranded, when they finally reach the village the Cocuzzos discover so much more than their own family story. For many Jews in the 1940s, the road to San Donato was one of exile; during World War II, dozens were interned in the village. When the Nazis came to ship them off to death camps, however, many of the villagers went to heroic lengths to save their lives. Walking and pedaling through this history, Robert Cocuzzo is determined to learn the role his family played at the time. *The Road to San Donato* is a story of fathers and sons, discovering lost "cousins," valorous history, and the challenge and exhilaration of traveling by bicycle.

Without a Prayer

The Death of Lucas Leonard and How One Church Became a Cult

Simon and Schuster The horrifying true story of a fatal encounter inside the secluded Word of Life Christian Church, a parish-turned-cult in upstate New York. Teenager Lucas Leonard made shocking admissions in front of the altar—he'd practiced witchcraft and conspired to murder his parents, among other horrific crimes. The confessions earned him a brutal beating by a gang of angry church members, including his parents and sister. Lucas arrived at the hospital dead, awakening the sleepy community of Chadwicks, New York, to the horror that had been lurking next door. Nine members of Lucas' church would eventually find themselves facing murder-related charges. But how did they get to that point? And what made Lucas confess? The full story has never been told—until now. Emmy-nominated journalist Susan Ashline delves deep into the Leonard family history, the darkness within the Word of Life Christian Church, and what led Lucas, his family, and his community to that fateful night.

Think Like a Monk

Train Your Mind for Peace and Purpose Every Day

Simon & Schuster Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the *Forbes* magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, *On Purpose*, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

Letters from Bud

The WW2 War Diary and Letters of John "Bud" Brandenburg

"*Letters From Bud*" is the remarkable, first-hand account of the harrowing air war in Europe as told by WW2 flight navigator and bombardier John "Bud" Brandenburg, in his letters home during the conflict, from 1944-45. With guts, wit and grace, Brandenburg records his experiences with the daring "Koltun crew," which flew 30 missions over Europe. Through numerous strokes of fate, the crew survived a run of missions with the "bloody" 492nd Bomb Group, a unit that endured an 80 percent casualty rate as the men faced down the seemingly unstoppable German Luftwaffe. Brandenburg's letters create a stirring picture of one young man's experiences during the war, as he served with the US Army Air Corps in Europe and then navigated supply runs with the Air Transport Command in the exotic North African and Middle Eastern theaters. Re-edited for publication by his daughter Molly, Bud's witty and often heartbreaking observations of life during the final, epoch-changing days of the war make for an

unforgettable and highly adventurous read.

Children of Nazis

The Sons and Daughters of Himmler, Göring, Höss, Mengele, and Others— Living with a Father's Monstrous Legacy

Simon and Schuster *The fascinating story of eight children of Third Reich leaders, and their journey from descendants of heroes to descendants of criminals. In 1940, the German sons and daughters of infamous Nazi dignitaries Himmler, Göring, Hess, Frank, Bormann, Speer, and Mengele were children of privilege at four, five, or ten years old, surrounded by affectionate, all-powerful parents. Although innocent and unaware of what was happening at the time, they eventually discovered the extent of their father's occupations: These men—their fathers who were capable of loving their children and receiving love in return—were leaders of the Third Reich, and would later be convicted as monstrous war criminals. For these children, the German defeat was an earth-shattering source of family rupture, the end of opulence, and the jarring discovery of Hitler's atrocities. How did the offspring of these leaders deal with the aftermath of the war and the skeletons that would haunt them forever? Some chose to disown their past. Others did not. Some condemned their fathers; others worshiped them unconditionally to the end. In this enlightening book, Tania Crasnianski examines the responsibility of eight descendants of Nazi notables, caught somewhere between stigmatization, worship, and amnesia. By tracing the unique experiences of these children, she probes at the relationship between them and their fathers and examines the idea of how responsibility for the fault is continually borne by the descendants. "How does one live with the burden of evil ancestry? There is no user's manual. The children of high-ranking Nazis coped in remarkably varied ways. Tania Crasnianski has researched their stories carefully and tells them strikingly." —Robert O. Paxton, professor emeritus of history, Columbia University "Forays such as this into the underbelly of human history make for demanding reading, but they are necessary if history is to be kept from repeating itself, and Crasnianski is to be praised for her diligence and candor." —Booklist "The author brings to light the fate of children who, after the fall of Nazism, found themselves facing the monstrous reality of their parents, as they considered them until then like heroes. . . . A documentation of family, memory and history." —Le Point (France)*

Where's Wally

The World-Ending Fire

The Essential Wendell Berry

Catapult *The most comprehensive—and only author-authorized—Wendell Berry reader, "America's greatest philosopher on sustainable life and living" (Chicago Tribune). In a time when our relationship to the natural world is ruled by the violence and greed of unbridled consumerism, Wendell Berry speaks out in these prescient essays, drawn from his fifty-year campaign on behalf of American lands and communities. The writings gathered in The World-Ending Fire are the unique product of a life spent farming the fields of rural Kentucky with mules and horses, and of the rich, intimate knowledge of the land cultivated by this work. These are essays written in defiance of the false call to progress and in defense of local landscapes, essays that celebrate our cultural heritage, our history, and our home. With grace and conviction, Wendell Berry shows that we simply cannot afford to succumb to the mass-produced madness that drives our global economy—the natural world will not allow it. Yet he also shares with us a vision of consolation and of hope. We may be locked in an uneven struggle, but we can and must begin to treat our land, our neighbors, and ourselves with respect and care. As Berry urges, we must abandon arrogance and stand in awe.*

Two Girls, Two Dogs and a Campervan

A California Road Trip Across Yosemite, Napa Valley and Big Sur

This debut book inspired by real life follows Mia and J, two struggling tech co-founders, as they hit the road with J's disabled and aging dogs for a California road trip. Narrated by Mia, an avid outdoorsy-type, the story follows two very different women as they travel through Yosemite, Napa Valley and Big Sur. During the women's journey together, they not only experience a variety of entertaining and heart-warming ups and downs, they also have moments of self-discovery (and bonding with the dogs, too). You'll want to travel along with Mia on many more adventures as she shares her travel stories she gathered throughout the decades, starting with her most recent destinations and ending with tales from her teens. Future books in the series will chronicle Mia's travels throughout South America, Africa, Asia, Europe and the US. Each book will jump back a decade, highlighting Mia's tales of travel, self-discovery and the relationships she builds with herself and others.

Empathy Airlines

Beaver's Pond Press When they met, Hope, a sad girl, and Jelly Beans, a captured cheetah, began a lifelong friendship through mutual caring. The power of their surprising partnership-strengthened by empathy-connected them with a new family, the Barabaig tribe. The Empowered Wife

Six Surprising Secrets for Attracting Your Husband's Time, Attention, and Affection

BenBella Books, Inc. Can a wife single-handedly bring a boring or broken marriage back to life? This improved and expanded edition of Laura Doyle's acclaimed First, Kill All the Marriage Counselors features real-life success stories from empowered wives who have done just that—and provides a step-by-step guide to revitalizing your own marriage. Laura Doyle's marriage was in trouble, and couples counseling wasn't helping. On the brink of divorce, she decided to talk to women who'd been happily married for over a decade, and their advice stunned her. From it, she distilled Six Intimacy Skills—woman-centric practices that ended her overwhelm and resentment, restoring the playfulness and passion in her marriage. Now an internationally-recognized relationship coach, Doyle has shared her secrets with women around the globe, saving thousands of marriages with her fresh, revolutionary approach. Practical and counter-intuitive, the Six Intimacy Skills are about focusing on your own desires and transforming your own life—not bending over backwards to transform your husband. Incorporating these skills will empower you to: Attract his attention like a magnet when you relax more and do less Receive affection not because you told him to make more of an effort, but because he naturally seeks you out Feel more like yourself—and like yourself more If you've been trying to "fix" your relationship and it's not working, maybe the problem was never you, or your husband, or even the two of you as a couple. Maybe the problem is that nobody ever taught you the skills you need to foster respect, tenderness, and consideration. With humor and heart, The Empowered Wife shows you how to improve your relationship in ways you hadn't thought possible. You'll join a worldwide community of over 150,000 empowered wives who finally have the marriages they dreamed of when they said "I do."

Speaking of Faith

Why Religion Matters--and How to Talk About It

Penguin A thought-provoking, original appraisal of the meaning of religion by the host of public radio's *On Being* Krista Tippett, widely becoming known as the Bill Moyers of radio, is one of the country's most intelligent and insightful commentators on religion, ethics, and the human spirit. With this book, she draws on her own life story and her intimate conversations with both ordinary and famous figures, including Elie Wiesel, Karen Armstrong, and Thich Nhat Hanh, to explore complex subjects like science, love, virtue, and violence within the context of spirituality and everyday life. Her way of speaking about the mysteries of life--and of listening with care to those who endeavor to understand those mysteries--is nothing short of revolutionary.

The Paris Library

Simon & Schuster Based on the true World War II story of the American Library in Paris, an unforgettable novel about the power of books and the bonds of friendship—and the ordinary heroes who can be found in the most perilous times and the quietest places. Paris, 1939. Young, ambitious, and tempestuous, Odile Souchet has it all: Paul, her handsome police officer beau; Margaret, her best friend from England; Remy, her twin brother who she adores; and a dream job at the American Library in Paris, working alongside the library's legendary director, Dorothy Reeder. When World War II breaks out, Odile stands to lose everything she holds dear—including her beloved library. After the Nazi army marches into the City of Light and declares a war on words, Odile and her fellow librarians join the Resistance with the best weapons they have: books. Again and again, they risk their lives to help their fellow Jewish readers, but by war's end, Odile tastes the bitter sting of unspeakable betrayal. Montana, 1983. Odile's solitary existence in gossipy small-town Montana is unexpectedly interrupted by her neighbor Lily, a lonely teenager craving adventure. As Lily uncovers more about Odile's mysterious past, they find they share not only a love of language but also the same lethal jealousy. Odile helps Lily navigate the troubled waters of adolescence by always recommending the right book at the right time, never suspecting that Lily will be the one to help her reckon with her own terrible secret. Based on the true story of the American Library in Paris, *The Paris Library* is a mesmerizing and captivating novel about the people and the books that make us who we are, for good and for bad, and the courage it takes to forgive.

The Creative Habit

Learn It and Use It for Life

Simon and Schuster One of the world's leading creative artists, choreographers, and creator of the smash-hit Broadway show, *Movin' Out*, shares her secrets for developing and honing your creative talents—at once prescriptive and inspirational, a book to stand alongside *The Artist's Way* and *Bird by Bird*. All it takes to make creativity a part of your life is the willingness to make it a habit. It is the product of preparation and effort, and is within reach of everyone. Whether you are a painter, musician, businessperson, or simply an individual yearning to put your creativity to use, *The Creative Habit* provides you with thirty-two practical exercises based on the lessons Twyla Tharp has learned in her remarkable thirty-five-year career. In "Where's Your Pencil?" Tharp reminds you to observe the world -- and get it down on paper. In "Coins and Chaos," she gives you an easy way to restore order and peace. In "Do a Verb," she turns your mind and body into coworkers. In "Build a Bridge to the Next Day," she shows you how to clean the clutter from your mind overnight. Tharp leads you through the painful first steps of scratching for ideas, finding the spine of your work, and getting out of ruts and into productive grooves. The wide-open realm of possibilities can be energizing, and Twyla Tharp explains how to take a deep breath and begin...

He Found Me

Myrddin Publishing Group On a tiny island off of Panama, a stray dog approached a young woman, took a cracker from her hand, and skittered away into the night. The dog had never known the comfort of a person's hand stroking his fur. He didn't realize that other dogs ate regular meals out of their very own bowls. The moment he took the cracker, the world began to change for both the dog and the young woman. They started building a friendship strong enough to withstand thousands of miles, months of absence, and even a looming threat on the dog's life. *He Found Me* is the incredible true story about the unbreakable bonds of friendship, steadfast trust, and having the courage to take life's "crackers" when they're offered to us.
