Guide to Knitting Learn Tips, Techniques and Patterns from the Best** Random House When it comes to knitting, who knows better than our nan? If you get tangled in a ball of wool, she's always the first person you call to help you sort your cross stitch from your cable. While recruiting for her fledgling online knitwear company, Katie Mowat swiftly realised that it was mainly older women, namely grannies, who were volunteering their services, and so Grannies Inc. was born. Since 2009 they have gone from strength to strength, and from one product (beanies), they now design and produce a whole range of knitwear. Her crack squad of 15 grannies will be contributing their 'purls' of wisdom and patterns to help the new knitting generation in this attractive book. With knitting patterns for snoods, legwarmers, slouch socks, laptop cases and beanies, you'll be cool and cosy in no time. As the grannies say, 'May your bobbin always be full.' **Industrial Microbiology An Introduction** John Wiley & Sons Of major economic, environmental and social importance, industrialmicrobiology involves the utilization of microorganisms in theproduction of a wide range of products, including enzymes, foods,beverages, chemical feedstocks, fuels and pharmaceuticals, andclean technologies employed for waste treatment and pollutioncontrol. Five dates together, then I'll have this surgery.' Billionaire CEO Connor Stewart is being blackmailed. By his own grandmother, no less, who is refusing to have life-saving surgery unless Connor dates Mia Simms, his dull and dowdy marketing employee. For Violet's sake, Connor agrees to the crazy scheme. There's no risk of breaking his 'short-term only' rule with Mia Simms; she's not the kind of woman Connor is interested in ... and he's sure she's hiding something. He just doesn't expect it to be delicious curves and a firecracker personality. Mia Simms is hiding something, and it's much more dangerous than her looks. All she wants to do is live life in the safety of the shadows and avoid discovery. But perhaps a short-term fling is exactly what she needs to remind her to live. But what if Violet is right to push them together? Can Mia trust Connor enough to let him see the real person behind the facade she's built? Or is Violet's little scheme about to put both their lives in danger? **Musimathics, Volume 1 The Mathematical Foundations of Music** MIT Press A commonsense, self-contained introduction to the mathematics and physics of music; essential reading for musicians, music engineers, and anyone interested in the intersection of art and science. "Mathematics can be as effortless as humming a tune, if you know the tune," writes Gareth Loy. In *Musimathics*, Loy teaches us the tune, providing a friendly and spirited tour of the mathematics of music—a commonsense, self-contained introduction for the nonspecialist reader. It is designed for musicians who find their art increasingly mediated by technology, and for anyone who is interested in the intersection of art and science. In Volume 1, Loy presents the materials of music (notes, intervals, and scales); the physical properties of music (frequency, amplitude, duration, and timbre); the perception of music and sound (how we hear); and music composition. Calling himself "a composer seduced into mathematics," Loy provides answers to foundational questions about the mathematics of music accessibly yet rigorously. The examples given are all practical problems in music and audio. Additional material can be found at <http://www.musimathics.com>. **The Rumi Daybook** Shambhala Publications "My heart wandered through the world constantly seeking after my cure, but the sweet and delicious water of life had to break through the granite of my heart." When the words of Rumi enter your heart, something softens, breaks, and is subtly reborn. That he wrote the words seven hundred years ago in a medieval Persian world that bears little resemblance to ours makes their uncanny resonance to us today just that much more remarkable. Here is a treasury of daily wisdom from this most beloved of all the Sufi masters—both his prose and his ecstatic poetry—that you can use to start every day for a year, or that you can dip into for inspiration any time you need to break through the granite of your heart. **Guide to Assessment Scales in Bipolar Disorder Second Edition** Springer Science & Business Media A guide to the recent developments in the assessment of bipolar disorder written by respected authors in the field of psychiatry Written for psychiatrists, clinical researchers, mental health nurses and other healthcare professionals who use rating scales in clinical practice Provides rating scales that can be used for the systematic evaluation of patients in standard clinical practice The evidence base in each chapter has been expanded and brought fully up-to-date Schizophrenia is a chronic disease encompassing a range of symptoms including hallucinations, delusions and social withdrawal. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life. **Teaching Abby** Becca Jameson Publishing It's a summer internship. The man is accompanied by his security team everywhere he goes. His fortress in Tuscany is impenetrable. He's the most paranoid man in the country. And there's no possibility I'll be able to take him down alone. If I want to save my father, I only have one option. To get into Cato's bed... and stay there. **This story is not about the Barsettis, but it takes place in the same universe. There are guest appearances by Crow Barsetti and Bones Jr.** **Seduced by a SEAL** Alpha Seals Sleeping with the enemy never felt so right... When Navy SEAL Colton "C-4" Ferguson's flight gets grounded in Miami, he'll stop at nothing to get the gorgeous brunette he meets at the airport into his bed. He's smitten from the moment her dark eyes meet his, but their steamy affair is only meant to last one night. Camila Rodriguez never expects the American man she has a passionate night with in Miami to show up weeks later in Colombia--along with his entire Navy SEAL team. Her father is one of the most notorious drug lords in Bogota, and when she's kidnapped by a rival cartel, it's Colton who rushes to her rescue. The dangerous streets of Colombia are nowhere to start a life together--but is she willing to leave everything behind and trust the man who's stolen her heart? **SEDUCED BY A SEAL**, a standalone novel, is book ten in the sizzling Alpha SEALs series. **Just Parker** K.C. O'Neill They say hate is a strong word, but Eileen Parker is certainly no stranger to it. Parker hates her first name, hates her apartment, hates her life. Which, sure, sounds a bit cynical, but after the life that she's led so far, you really can't blame her. With her sophomore year of college overshadowed by circumstances that she never expected, Parker just wants to keep her head down, pass her classes, and take care of the responsibilities that are threatening to destroy her. And then she meets Ash. Ashton Carter is working to fix the messes that he's made, but he's still struggling with dark memories of a night that changed his life. He's definitely not looking for someone to spend forever with, but when he meets Parker, his life changes once again. It doesn't bother him that Parker adamantly refuses to admit to the chemistry between them, or that she's determined to keep him at arms length. Ash is convinced that Parker is everything he never knew he needed, and he's not about to let her slip away. Fighting against overwhelming insecurities and secrets that feel too big to share, the two must make a choice. They can keep running from their pasts, or they can confront them and face their future together. ***This is the first book in a series of standalone novels. Due to adult language/situations and mild drug use, this book is recommended for readers 18+. **Guide to Pokemon Legends** Pikachu Press Illustrated title including a 3 foot removable pop up created from the final spread.
