KEY=HITMAN - GATES ZION

LAST BREATH

Berkley Regan: I never really knew what misery was until the day I was kidnapped and sold for being in the wrong place at the wrong time. Two months later, I'm at a brothel in Rio when I meet Daniel Hays. He says he's here to save me, but can I trust him? I know it's wrong to fall in love with him, but I can't seem to help myself. Daniel: For the last eighteen months, one goal has dictated every action I've taken. In every brothel I raid and every human trafficking truck I stop, I hope the next face I find is my sister's. In a hidden brothel in Rio, I find Regan Porter, bruised but not broken, and still sane despite her weeks in captivity. I should leave her behind or send her home, because the last thing either of us needs right now is to get involved.

LAST HIT

Penguin From two bestselling authors—the first in a deliciously bold new series that takes readers to the most dangerous edge of desire . . . Nikolai: I have been a contract killer since I was a boy. For years I savored the fear caused by my name, the trembling at the sight of my tattoos. The stars on my knees, the marks on my fingers, the dagger in my neck, all spoke of danger. If you saw my eyes, it was the last vision you'd have. I have ever been the hunter, never the prey. With her, I am the mark and I am ready to lie down and let her capture me. Opening my small, scarred heart to her brings out my enemies. I will carry out one last hit, but if they hurt her, I will bring the world down around their ears. Daisy: I've been sheltered from the outside world all my life. Home-schooled and farm-raised, I'm so naive that my best friend calls me Pollyanna. I like to believe the best

about people. Nikolai is part of this new life, and he's terrifying to me. Not because his eyes are cold or my friend warns me away from him, but because he's the only man who has ever seen the real me beneath the awkwardness. With him, my heart is at risk . . . and also, my life.

But she couldn't resist, and she ignored every warning. It paid off. HEART AND SEOUL

Penguin One woman learns that the price of belonging is often steeper than expected in this heart-wrenching yet hopeful romantic novel and first in the Seoul duology by USA Today bestselling author Jen Frederick. As a Korean adoptee, Hara Wilson doesn't need anyone telling her she looks different from her white parents. She knows. Every time Hara looks in the mirror, she's reminded that she doesn't look like anyone else in her

family—not her loving mother, Ellen; not her jerk of a father, Pat; and certainly not like Pat’s new wife and new “real” son. At the age of twenty-five, she thought she had come to terms with it all, but when her father suddenly dies, an offhand comment at his funeral triggers an identity crisis that has her running off to Seoul in search of her roots. What Hara finds there has all the makings of a classic K-drama: a tall, mysterious stranger who greets her at the airport, spontaneous adventures across the city, and a mess of familial ties, along with a red string of destiny that winds its way around her, heart and soul. Hara goes to Korea looking for answers, but what she gets instead is love—a forbidden love that will either welcome Hara home...or destroy her chance of finding one.

THE DAILY SHOW (THE BOOK)

AN ORAL HISTORY AS TOLD BY JON STEWART, THE CORRESPONDENTS, STAFF AND GUESTS

Grand Central Publishing **NEW YORK TIMES BESTSELLER** The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to

share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

BEYOND CONVERGENCE

WORLD WITHOUT ORDER

Createspace Independent Publishing Platform The world order built upon the Peace of Westphalia is faltering. State fragility or failure are endemic, with no fewer than one-third of the states in the United Nations earning a "high warning"-or worse-in the Fragile States Index, and an equal number suffering a decline in sustainability over the past decade.¹ State weakness invites a range of illicit actors, including international terrorists, globally networked insurgents, and transnational criminal organizations (TCOs). The presence and operations of these entities keep states weak and incapable of effective governance, and limit the possibility of fruitful partnerships with the United States and its allies. Illicit organizations and their networks fuel corruption, eroding state legitimacy among the governed, and sowing doubt that the state is a genuine guardian of the public interest. These networks can penetrate the state, leading to state capture, and even criminal sovereignty.² A growing number of weak and corrupt states is creating gaping holes in the global rule-based system of states that we depend on for our security and prosperity. Indeed, the chapters of this book suggest the emergence of a highly adaptive and parasitic alternative ecosystem, based on criminal commerce and extreme violence, with little regard for what we commonly conceive of as the public interest or the public good. The last 10 years have seen unprecedented growth in interactivity between and among a wide range of illicit networks, as well as the emergence of hybrid organizations that use methods characteristic of both terrorist and criminal groups. In a convergence of

interests, terrorist organizations collaborate with cartels, and trafficking organizations collude with insurgents. International terrorist organizations, such as al-Qaeda and Hezbollah, engage energetically in transnational crime to raise funds for their operations. Prominent criminal organizations like Los Zetas in Mexico and D-Company in Pakistan have adopted the symbolic violence of terrorists—the propaganda of the deed—to secure their "turf." And networked insurgents, such as the Islamic State of Iraq and the Levant (ISIL), the Revolutionary Armed Forces of Colombia (FARC), and the Liberation Tigers of Tamil Eelam (LTTE), have adopted the techniques of both crime and terror.
