LEMON-AID USED CARS AND TRUCKS 2010-2011

Dundurn "The automotive maven and former Member of Parliament might be the most trusted man in Canada, an inverse relationship to the people he writes about." - The Globe and Mail Lemon-Aid shows car and truck buyers how to pick the cheapest and most reliable vehicles from the past 30 years of auto production. This brand-new edition of the bestselling guide contains updated information on secret service bulletins that can save you money. Phil describes sales and service scams, lists which vehicles are factory goofs, and sets out the prices you should pay. As Canada's automotive "Dr. Phil" for over 40 years, Edmonston pulls no punches. His Lemon-Aid is more potent and provocative than ever.

LEMON-AID USED CARS AND TRUCKS 2011-2012

Dundurn A guide to buying a used car or minivan features information on the strengths and weaknesses of each model, a safety summary, recalls, warranties, and service tips.

LEMON-AID NEW CARS AND TRUCKS 2011

Dundurn As U.S. and Canadian automakers and dealers face bankruptcy and Toyota battles unprecedented quality-control problems, Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. Phil Edmonston, Canada's automotive "Dr. Phil" for more than 40 years, pulls no punches. In this all-new guide he says: Chrysler's days are numbered with the dubious help of Fiat. Electric cars and ethanol power are PR gimmicks. Diesel and natural gas are the future. Be wary of "zombie" vehicles: Jaguar, Land Rover, Saab, and Volvo. Mercedes-Benz - rich cars, poor quality. There's only one Saturn you should buy. Toyota - enough apologies: "when you mess up, 'fess up."

DEAD END

Fedora Press The Rick Bishop private investigator series continues when a local attorney hires Bishop to find her missing friend and then insists on tagging along to help with his investigation. The missing friend has a sordid past. Her mob-connected ex-father-in-law wants to find her just as badly for about two million good reasons. When Honolulu attorney Nicole Hersey hires Bishop to help her find her best friend Diane Clark, she insists on accompanying him in the search. In a financial bind, he agrees. Rick and Nicole follow her friend's trail to a small town on the North Shore, only to learn from the locals that Diane died there of heart failure. That literal dead end should have closed the investigation, but Bishop notices someone is tailing them. And, later, when the pair interviews the doctor who pronounced Diane dead, Rick's suspicions Diane isn't dead at all grow. After confronting the man following them, Clifford Shepard, he informs Bishop he is an IRS special agent, also looking for Diane Clark because she had come into two million dollars recently but hasn't paid the taxes owed. Once Rick uncovers more evidence that Diane Clark may have faked her death, he ends up in a cemetery in the middle of the night with his two closest friends Joe Rose and Koko Mahelona, intent on digging up Clark's casket. But just as they unearth the casket, three east coast mobsters from the mainland, also searching for Diane Clark, ambush them. When Bishop's case takes a deadly turn, will the penurious PI find Diane Clark and her money before hitting his own dead end? Dead End is the second book in the Rick Bishop series, but you may enjoy reading the series in any order.

PLAUSIBLE DENIAL

Simon and Schuster When the CIA can't get the job done, its legendary director of operations turns to "Mac" MacMurphy, in this exciting sequel to Rustmann's first best-selling novel, *The Case Officer*. Mac is the best. A proven talent in fighting fire with fire. Able to be as ruthless as any enemy, showing no mercy where none is due. The perfect man to pit against an out-of-control drug lord who has declared war on the U.S. Consulate in Northern Thailand. But do the ends justify the means? Is it worth the risk of collateral damage—and there will be some when Mac is involved—to bring down the unscrupulous drug king? These are the moral conundrums facing Mac and his team as they embark on a slippery slope upon which there is no turning back, and they prepare for the fight of their lives against a veritable army of heavily armed drug merchants in the steamy jungles of the Golden Triangle. And they really don't bother Mac a bit. Unusual challenges require unorthodox responses. And wouldn't you know it, there's a woman involved...

STANDARD CATALOG OF IMPORTED CARS 1946-2002

THE DEADLY SCROLLS

[Wicked Son](#) An American professor's murder reveals his discovery of a lost Dead Sea Scroll, whose text encodes the secret hiding places of the lost Second Temple Treasures. Israeli intelligence agent Maya Rimon races against time to stop a religious extremist from launching a deadly terrorist attack at the next Blood Moon, triggering the Apocalypse in the holy city of Jerusalem. The story centers around a genuine historical artifact, the so-called Copper Scroll, whose many secrets still remain undeciphered by contemporary scholars and treasure hunters. Despite decades of searching, not a single one of these invaluable treasures has ever been found. Laced with clever spycraft, encrypted electronic files, mysterious ancient puzzles, plastique explosives, car chases, and Sherlockian ratiocination, The Deadly Scrolls explores the timely theme of fanaticism: among Christian millennialists, Jewish messianists, Islamic terrorists, Israeli politicians, Orthodox Jews, conspiracy theorists, devout Zionists—and spies. In other words, it's a Jewish Da Vinci Code!

TROUBLE IN PARADISE

FROM THE FILES OF A HALF-BOILED HONOLULU P.I. THE DEFECTIVE DETECTIVE RICK BISHOP

[Fedora Press](#) **TROUBLE IS HIS BUSINESS** However, private investigator Rick Bishop isn't as hard-boiled as he likes to think he is. Since he's no Philip Marlowe, his close friends and associates think of him more as "half-boiled." Bishop may be irresponsible, unreliable, and unable or unwilling to meet basic adult responsibilities on his own, but he's actually a competent detective and generally manages to solve the case. Honolulu P.I. Rick Bishop, a defective detective, likes nothing better than getting the goods on a cheating spouse and then collecting his fees in short-order, all with as little effort as possible. Divorce work is his métier. But when a smoking hot woman, Gemma Nelson, claiming to be the former mistress of a dead man, asks Bishop to prove her lover's jealous wife murdered him, desperate for a payday, Rick takes the job. It seems simple enough. But it isn't. Bishop thinks he knows what he's dealing with, but doesn't. Soon, the case plunges him into more trouble in paradise than he can handle—trouble with shady characters that want to scare him off the case, woman trouble, money trouble, trouble with the law, and even car trouble. First, Nelson isn't who she claims. And then she skips town, stiffing Rick for his fee. If Bishop can't find her and solve the case, an innocent woman could get framed for murder, and Rick's cash flow problems will explode into financial ruin. Trouble in Paradise is perfect for those who enjoy suspenseful private detective novels with a generous helping of humor. It's the third book in the Rick Bishop Private Investigator series, but you may enjoy reading these stand-alone novels in any order.

[Studio City](#) Fetal Bait Apocalypse; 3 Collections contain all three of Joel Arnold's short story collections in one volume: Bait and Other Stories Bedtime Stories for the Apocalypse Fetal Position and Other Stories This one volume holds over 120,000 words of fiction that will haunt and terrify you for days on end. Less Fetal Bait Apocalypse; 3 Collections contain all three of Joel Arnold's short story collections in one volume: Bait and Other Stories Bedtime Stories for the Apocalypse Fetal Position and Other Stories This one volume holds over 120,000 words of fiction that will haunt and terrify you for days on end. Contains the award winning stories "Some Things Don't Wash Off" and "Mississippi Pearl" as well as stories that have seen print in such venues as Weird Tales, Gothic.Net, ChiZine, HorrorFind and Pseudopod. Six of these stories have received honorable mentions in The Years Best Fantasy & Horror. In these three collections, you'll meet: A father whose intense longing for his dead son lead to disturbing consequences. A group of college students tubing down a river through a burnt forest who encounter terrifying creatures. A man seeking redemption for a sinful past through the skill of a tattoo artist. A Cambodian-American teen who will fit in with the locals at any cost. A woman who finds a bizarre solace in a rare pearl. A self-absorbed husband monitoring the end of his existence over the internet. A teenager digging his way through a deep crust of waste and bone to win his freedom. A man whose work for the Khmer Rouge returns to haunt him. A son who has an intensely strange relationship with his mother. A student with a bizarre homework assignment. A woman who has a macabre way to deal with bill collectors. These stories and more will have you up late into the night, glancing over your shoulder and flinching at the slightest of noises. "Joel Arnold is the real deal. He elicits a subtle element of terror and justice through his writing, delivered without a heavy hand. His exceptional imagery effects readers in a way that leaves them chilled and disturbed; causing the kind of behavior that will leave friends asking "what's bothering you," for days afterwards." D.L. Russell, editor of Strange, Weird & Wonderful Magazine "Author Arnold has a deft touch with horror that will leave a chill in your spine, but without the violence and gore of much modern horror. The stories remind me of Ray Bradbury at his darkest with their ability to play on the difference between what we know might happen and what we want to happen. These are complex tales with layers below the surface enjoyment of a story well written." Armchair Interviews
