When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose-to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion-one that could set them both free, if they'd only let it. Maas delves into the heartache of loss, the price of freedom-and the power of love. You don't have to gain weight as you age. That's the simple yet revolutionary promise of The Whole Body Reset, which uncovers why standard diet and exercise advice stops working for us as we approach midlife—and reveals how simple changes to the way we eat can halt, and even reverse, age-related weight gain and muscle loss. The Whole Body Reset presents stunning new evidence about the power of “protein timing” for people at midlife—research that blows away current government guidelines, refutes the myth of slowing metabolisms and “inevitable” weight gain, and changes the way people in their mid-forties and older should think about food. The Whole Body Reset explains in simple, inspiring terms exactly how our bodies change with age, and how eating to accommodate those changes can make us respond to exercise as if we were twenty to thirty years younger. Misha I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Sourcebooks, Inc. Practical Magic meets Gilmore Girls in this adorable witchy rom-com by New York Times bestselling author Ann Aguirre, with a bisexual cinnamon roll hero, a commitment-averse heroine, and a chemistry between them that causes literal sparks. Danica Waterhouse is a fully modern witch—daughter, granddaughter, cousin, and co-owner of the Fix-It Witches, a magical tech repair shop. After a messy breakup that included way too much family "feedback," Danica made a pact with her cousin: they'll keep their hearts

Danica is more than a little exhausted navigating a long-standing family feud where Gram thinks the only good mundane is a dead one and Danica's mother weaves floral crowns for anyone who crosses her path. Three blocks down from the Fix-It Witches, Titus Winnaker, owner of Sugar Daddy's bakery, has family trouble of his own. After a tragic loss, all he's got left is his sister, the bakery, and a lifetime of terrible luck in love. Sure, business is sweet, but he can't seem to shake the romantic curse that's left him past thirty and still a virgin. He's decided he's doomed to be forever alone. Until he meets Danica Waterhouse. The sparks are instant, their attraction irresistible. For him, she's the one. To her, he's a firebomb thrown in the middle of a family war. Can a modern witch find love with an old-fashioned mundane who refuses to settle for anything less than forever? Captivate The Science of Succeeding with People *Penguin* Do you feel awkward at networking events? Do you wonder what your date really thinks of you? Do you wish you could decode people? You need to learn the science of people. As a human behavior hacker, Vanessa Van Edwards created a research lab to study the hidden forces that drive us. And she's cracked the code. In *Captivate*, she shares shortcuts, systems, and secrets for taking charge of your interactions at work, at home, and in any social situation. These aren't the people skills you learned in school. This is the first comprehensive, science backed, real life manual on how to captivate anyone—and a completely new approach to building connections. Just like knowing the formulas to use in a chemistry lab, or the right programming language to build an app, *Captivate* provides simple ways to solve people problems. You'll learn, for example...

- How to work a room: Every party, networking event, and social situation has a predictable map. Discover the sweet spot for making the most connections.
- How to read faces: It's easier than you think to speed-read facial expressions and use them to predict people's emotions.
- How to talk to anyone: Every conversation can be memorable—once you learn how certain words generate the pleasure hormone dopamine in listeners. When you understand the laws of human behavior, your influence, impact, and income will increase significantly.

What's more, you will improve your interpersonal intelligence, make a killer first impression, and build rapport quickly and authentically in any situation—negotiations, interviews, parties, and pitches. You'll never interact the same way again.
