**Power Sharing in a Divided Nation Mediated Communalism and New Politics in Six Decades of Malaysia's Elections ISEAS-Yusof Ishak Institute** *This book argues that Malaysia's electoral politics have historically been premised on a hybridized model of communalism and consociationalism. Beyond this it posits a newer idea of power sharing based on the dynamic and transformative practice of mediated communalism through six decades (1952-2016) of electoral politics. The strategy of mediating communalism is critically explored throughout the book, serving to test its saliency as a distinct approach to power sharing in a social formation which is ethnically, religiously and regionally divided, yet has remained remarkably and tenuously integrated throughout Malaysia's electoral history. The book delves into this question by narrating and theorizing the complexity of communal politics leading to the emergence of new politics which have attempted to put Malaysia on the track of further democratization. It is further implied that new politics has to work in tandem with mediated communalism to transcend the most deleterious effects of an ethnically divided society.* **Sudan Gareth Stevens** *Introduces the country of Sudan, including its history, peoples, politics, and economy, and discusses the reasons behind the violence occurring there.* **The Limits of a Divided Nation with Perspectives from the Bible Wipf and Stock Publishers** *Michael Udoekpo's work brilliantly and pastorally discusses the issues of conflict, friction, and disunity in the world—and in Nigeria in particular—from biblical, historical, and sociocultural perspectives. These issues, he stresses, are endemic in various fabrics of the Nigerian society, traceable to the family as the foundation of any given society. They are also found in religious, political, and media groups. Contributing factors, Udoekpo argues, are materialism, infidelity, relativism, and fundamentalism. Others are ethnocentrism, anthropocentrism, ignorance, bribery, and corruption with other forms of injustices. Drawing from the Bible, Udoekpo proposes prayer, proper education, truth-telling, restoration of family values, interreligious and cultural dialogue, ecumenism, enforcement of rule of law, faith, and absolute trust in God as antidotes to conflict, violence, friction, and disunity in our contemporary society.* **East-West Relations and Divided Nation Problems in the Gorbachev Era German and Korean Perspectives Famous Americans George Washington and Abraham Lincoln Scholastic Inc.** *Provides activities programs for elementary students studying George Washington and Abraham Lincoln* **Across a Prayerful Planet How the World Converses with God Wipf and Stock Publishers** *In our mobile world, travel memoirs are a staple. And books about prayer line the shelves of readers who seek to grow spiritually through the timeless practice of conversing with God. But books combining travel with prayer are rare, and it is within this void that Daniel Pawley's masterful memoir of traveling the world, with prayer as its backdrop, establishes itself as an essential companion to both subjects. Starting with a travel/prayer template bequeathed in childhood by his parents, Pawley then recalls life-altering experiences as an adult in fifty locations spread across six continents, each illuminated by the soulful prayers of ancient and modern seekers. Inspired stops in places like exotic Bali and raucous Morocco, as well as pain-framed settings such as Chernobyl and Auschwitz, combine to weave a tapestry seen more vibrantly in prayer's revealing light. The result is a narrative of prayer's mysterious ability to provide hope and stabilizing faith in a world threatened by hate, division, and unbelief.* **Divided Nations and European Integration University of Pennsylvania Press** *For ethnic minorities in Europe separated by state borders—such as Basques in France and Spain or Hungarians who reside in Slovakia and Romania—the European Union has offered the hope of reconnection or at least of rendering the divisions less obstructive. Conationals on different sides of European borders may look forward to increased political engagement, including new norms to support the sharing of sovereignty, enhanced international cooperation, more porous borders, and invigorated protections for minority rights. Under the pan-European umbrella, it has been claimed that those belonging to divided nations would no longer have to depend solely on the goodwill of the governments of their states to have their collective rights respected. Yet for many divided nations, the promise of the European Union and other pan-European institutions remains unfulfilled. Divided Nations and European Integration examines the impact of the expansion of European institutions and the ways the EU acts as a confederal association of member states, rather than a fully multinational federation of peoples. A wide range of detailed case studies consider national communities long within the borders of the European Union, such as the Irish and Basques; communities that have more recently joined, such as the Croats and Hungarians; and communities that are not yet members but are on its borders or in its "near abroad," such as the Albanians, Serbs, and Kurds. This authoritative volume provides cautionary but valuable insights to students of European institutions, nations and nationalism, regional integration, conflict resolution, and minority rights. Contributors: Tozun Bahcheli, Zoe Bray, Alexandra Channer, Zsuzsa Csergő, Marsaili Fraser, James M. Goldgeier, Michael Keating, Tristan James Mabry, John McGarry, Margaret Moore, Sid Noel, Brendan O'Leary, David Romano, Etain Tannam, Stefan Wolff.* **A Nation in Transition Douglas Henry Johnston and the Chickasaws, 1898-1939** *Chronicles the political life of an important Chickasaw leader.* **The Assassination of Abraham Lincoln A Day That Changed America Capstone** *On April 14, 1865, only days after the Civil War had come to a close, a gunshot rang out in Ford's Theatre and President Abraham Lincoln slumped forward in his seat. Hours later, the United States had lost its leader. Now readers can step back in time to learn about what led up to the assassination plot, how the fateful evening unfolded, and the ways in which one tragic day changed America forever.* **Preaching to a Divided Nation A Seven-Step Model for Promoting Reconciliation and Unity Baker Books** *We live in angry times. No matter where we go, what we watch, or how we communicate, our culture is rife with division and polarization. Unfortunately, Christians appear to be caught up in the same animosity as the culture at large. While our faith calls us to Christian unity, the hard fact remains: our churches are tragically divided across class, ethnic, gender, and political*

lines. As these social chasms grow--both inside and outside the church--the role of the preacher becomes paramount. This book issues a prophetic call to pastors to use the influence of their pulpits to promote reconciliation and unity in their churches and communities. Two scholar-practitioners who are experts in homiletics and reconciliation present a practical, 7-step model that empowers faithful leaders to bring healing and peace to their fractured churches and world. The book includes questions for reflection, salient illustrations, and an accountability covenant. It also includes useful appendixes on preaching themes, preaching texts, and sample sermons from three leading preachers: Ralph Douglas West, Rich Villodas, and Sandra Maria Van Opstal. **Until Shiloh Comes Word Alive Press** It is incredible that the first promise of a coming Messiah came not to our first parents, Adam and Eve, but to the serpent who had so deceitfully engineered their downfall. Genesis 3:15 records that God's promised Seed of the woman was destined to defeat the seed of the serpent, which anticipated the gospel of the Lord Jesus Christ. This is known as the "first good news," or proto evangelium, whose blessed promise became the focal point of the entire Old Testament. Threading its way through Abraham and his descendants, this promise came to rest on his great grandson, Judah, and remained there for all succeeding generations, finding fruition in the first coming of the Messiah, indicated by the words of Genesis 49:10, "until Shiloh comes." Throughout history, Bible scholars have largely agreed that Shiloh, which means peace, references the first coming of the Lord Jesus Christ, the Prince of Peace, the Lion of the tribe of Judah. The Old Testament is the foundational document for all that follows in the New Testament and should never be relegated to inferior status. These older scriptures were given for our admonition and should be esteemed and appreciated in the same manner as the New Testament writings until Shiloh comes, the second time. **The Limits of a Divided Nation Snaap Press A History of Germany 1918-2014 The Divided Nation John Wiley & Sons** The fourth edition of A History of Germany, 1918-2014: A Divided Nation introduces students to the key themes of 20th century German history, tracing the dramatic social, cultural, and political tensions in Germany since 1918. Now thoroughly updated, the text includes new coverage of the Euro crisis and a review of Angela Merkel's Chancellorship. New edition of a well-known, classic survey by a leading scholar in the field, thoroughly updated for a new generation of readers Provides an overview of the turbulent history of Germany from the end of the First World War through the Third Reich and beyond, examining the character and consequences of war and genocide Treats German history from 1918 to 2014 from the perspectives of instability, division and reunification, covering East and West German history in equal depth Offers important reflections on Angela Merkel's Chancellorship as it extends into a new term Concise, substantive coverage of this period make it an ideal resource for undergraduate students **Legal Issues of Inter-Korean Economic Cooperation under the Armistice System BRILL Unveiling the Time of Jacob's Trouble Part 2 in the Sealed Till the Time of the End Series Redemption Press** Astounding evidence that pinpoints the timing for Jesus' return. The information in this book demolishes the boundaries and prohibitions of Christian, extra-biblical law. For years we have been led to believe it is sinful to speculate about the time of Jesus' return a result of the misinterpretation of Matthew 24 and Mark 13 by the violation of the Law of Context. However, the secrets of the timing for Jesus' return are actually hidden in the heavens and the biblical feasts, and this book will prove we are indeed admonished to watch for His appearing, and to number our days. In this fascinating Israel-centered and scientific study, you will explore the major calendars of the world only one of which reveals its true age of nearly 6,000 years. That same calendar contains the message of salvation-history in its months, and in its days it mirrors prophetic history from creation week. You will also discover: - The cycles of the heavenly lights are synchronous with prophetic history. - The constellations foretell the first and second comings of Jesus. - Tetrad moon eclipses in history mirrored the birth of Israel in 1948 and Israel's recapture of Jerusalem in 1967. - The tetrad moon eclipses due in 2014/2015 mark the beginning of Daniel's 70th week. - The timetable for the Great Tribulation is built into the Hebrew calendar and feasts. - The significance of the year 6000 on the Gregorian calendar. These are just some of the astounding evidences that all point to the same time for the arrival of Jesus in the year 6000. Unveiling the TIME of Jacob's Trouble is a must read for any serious truth seeker. **The Preacher's Commentary, Complete 35-Volume Set: Genesis - Revelation Thomas Nelson** Written BY Preachers and Teachers FOR Preachers and Teachers The Preacher's Commentary, Complete 35-Volume Set: Genesis-Revelation offers pastors, teachers, and Bible study leaders clear and compelling insights into the entire Bible that will equip them to understand, apply, and teach the truth in God's Word. Each volume is written by one of today's top scholars, and includes: Innovative ideas for preaching and teaching God's Word Vibrant paragraph-by-paragraph exposition Impelling real-life illustrations Insightful and relevant contemporary application An introduction, which reveals the author's approach A full outline of the biblical book being covered Scripture passages (using the New King James Version) and explanations Covering the entire Bible and combining fresh insights with readable exposition and relatable examples, The Preacher's Commentary will help you minister to others and see their lives transformed through the power of God's Word. Whether preacher, teacher, or Bible study leader--if you're a communicator, The Preacher's Commentary will help you share God's Word more effectively with others. Palmer **Divided We Fall America's Secession Threat and How to Restore Our Nation St. Martin's Press** David French warns of the potential dangers to the country—and the world—if we don't summon the courage to reconcile our political differences. Two decades into the 21st Century, the U.S. is less united than at any time in our history since the Civil War. We are more diverse in our beliefs and culture than ever before. But red and blue states, secular and religious groups, liberal and conservative idealists, and Republican and Democratic representatives all have one thing in common: each believes their distinct cultures and liberties are being threatened by an escalating violent opposition. This polarized tribalism, espoused by the loudest, angriest fringe extremists on both the left and the right, dismisses dialogue as appeasement; if left unchecked, it could very well lead to secession. An engaging mix of cutting edge

research and fair-minded analysis, *Divided We Fall* is an unblinking look at the true dimensions and dangers of this widening ideological gap, and what could happen if we don't take steps toward bridging it. French reveals chilling, plausible scenarios of how the United States could fracture into regions that will not only weaken the country but destabilize the world. But our future is not written in stone. By implementing James Madison's vision of pluralism—that all people have the right to form communities representing their personal values—we can prevent oppressive factions from seizing absolute power and instead maintain everyone's beliefs and identities across all fifty states. Reestablishing national unity will require the bravery to commit ourselves to embracing qualities of kindness, decency, and grace towards those we disagree with ideologically. French calls on all of us to demonstrate true tolerance so we can heal the American divide. If we want to remain united, we must learn to stand together again.

**The Great Partition The Making of India and Pakistan, New Edition Yale University Press** A reappraisal of the tumultuous Partition and how it ignited long-standing animosities between India and Pakistan This new edition of Yasmin Khan's reappraisal of the tumultuous India-Pakistan Partition features an introduction reflecting on the latest research and on ways in which commemoration of the Partition has changed, and considers the Partition in light of the current refugee crisis. Reviews of the first edition: "A riveting book on this terrible story."—*Economist* "Unsparring. . . . Provocative and painful."—*Times* (London) "Many histories of Partition focus solely on the elite policy makers. Yasmin Khan's empathetic account gives a great insight into the hopes, dreams, and fears of the millions affected by it."—Owen Bennett Jones, *BBC*

**The Story of America Essays on Origins Princeton University Press** A *New Yorker* staff writer examines the origins of dozens of writings, speeches and other printed pieces from American history—from paper ballots and I.O.U.s to the Constitution and Thomas Paine's *Common Sense* to Edgar Allan Poe's "The Raven" to Barack Obama's 2009 inaugural address.

**Living Through the Civil War Carson-Dellosa Publishing** Learn how the Civil War touched the lives of all Americans and impacted the politics, economy, and culture of the nation. Includes a glossary, websites, and other resources.

**Trans-Atlantic Divide The USA/Euroland Rift? **The First Book of Moses, Called Genesis Authorized King James Version Grove/Atlantic, Inc.** The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

**Covenant and Creation A Theology of Old Testament Covenants Wipf and Stock Publishers** *Covenant Theology. From Noah to David, successive covenants are seen in the Old Testament as expressions of divine purpose. The argument for and against the close relation of these "terms of agreement" between humankind and God have, for the past fifty years, been at the heart of biblical studies. Old Testament scholar W. J. Dumbrell reaffirms one facet of this study--the theory of covenant--in Covenant and Creation. Where many have since tried to refute or seriously modify this covenant model, Dumbrell finds it at the core of Reformed doctrine. Covenant and Creation traces the background and content of each biblical covenant beginning with Noah and God after the flood, Abraham (the creation of Israel and its people), Mt. Sinai and Moses (the creation of the Law), and David (the creation of the monarchy). And what of the New Covenant? The effects of the Babylonian exile and the connecting themes in the books of Jeremiah, Ezekiel, and Isaiah are evaluated. The epilogue delves into theological implications of the postexilic period in Israel's history, and further developments by the major exilic prophets. Readers will find this a summary most helpful in understanding New Covenant theology that emerged in the early Christian era.*

**New Exodus in Hebrews Wipf and Stock Publishers** For many readers the Epistle to the Hebrews is among the most difficult books of the New Testament. Korean scholar Bong Chur Shin's work provides a welcome insight into interpretive issues for the biblical scholars. The book provides an exegetical framework which helps readers navigate the meaning of the text. Shin examines the epistle in the light of the New Testament's 'New Exodus' imagery. This book discusses the underlying themes of Hebrews. First of all, corporate deliverance, and Christ as a royal priest who (by means of his redeeming sacrifice) leads his people out of exile. He also provides for them during their pilgrimage journey. The author provides an interpretative key which helps unlock a fuller understanding of the epistle in its original context.

**Winchell and Runyon The True Untold Story Hamilton Books** This book is about the bond between two legendary journalists, Walter Winchell and Damon Runyon, during the unforgettable era of World War II and the years following. Winchell was a popular radio personality and Runyon was a popular Broadway personality, best known for having written the show 'Guys and Dolls.'

**The Great Divide The Conflict between Washington and Jefferson that Defined a Nation Da Capo Press** History tends to cast the early years of America in a glow of camaraderie, when there were, in fact, many conflicts between the Founding Fathers—none more important than the one between George Washington and Thomas Jefferson. Their disagreement centered on the highest, most original public office created by the Constitutional Convention: the presidency. It also involved the nation's foreign policy, the role of merchants and farmers in a republic, and the durability of the union. At its root were two sharply different visions of the nation's future. Acclaimed historian Thomas Fleming examines how the differing characters and leadership styles of Washington and Jefferson shaped two opposing views of the presidency—and the nation. This clash profoundly influenced the next two centuries of America's history and persists in the present day.

**Abingdon Old Testament Commentaries: Ezekiel Abingdon Press** The Abingdon Old Testament Commentaries provide compact, critical commentaries on the books of the Old Testament for the use of theological students and pastors. The commentaries are also useful for upper-level college or university students and for those responsible for teaching in congregational settings. In addition to providing basic information and insights into the Old Testament writings, these commentaries exemplify the tasks and

procedures of careful interpretation, to assist students of the Old Testament in coming to an informed and critical engagement with the biblical texts themselves. From the book, "The effects of the Judean refugees' trauma would be far reaching. Certainly an individual named Ezekiel might have experienced persistent reactions to trauma for the length of time covered by the book. Moreover, the experience and effects of exile were not limited to Ezekiel, nor even to his generation. The book's existence attests that others in the exilic community, and beyond, found their experiences reflected in its words." **We Americans, Our History and People Begins with the aftermath of the Civil War and follows the United States's history to the present. Includes excerpts from contemporary letters and books. The Holy Bible, Containing the Old and the New Testament, and Apocrypha The Revelation viewed by the light of Old Testament scriptures The Business of We The Proven Three-Step Process for Closing the Gap Between Us and Them in Your Workplace HarperCollins Leadership** Increase employee retention and productivity and prevent misunderstandings that lead to lost revenue, lost time, and increased legal risk with this leader-focused new approach to understanding, managing, and maximizing organizational diversity, cultural difference, and inclusion. Success in the marketplace will depend on our ability to collaborate across difference. Yet, inevitably, Us versus Them gaps disrupt workplace efficiency. *The Business of WE: Provides a practical roadmap for creating trust with others who are different from ourselves—those who speak another first language, worship in another faith, or see a different reflection when they look in the mirror. Helps you create a WE mindset throughout your organization, bringing teams together into cohesive units and increasing employee retention and productivity. Walks you through the steps in fostering a workplace that is inclusive and respectful of all employees—one of the most critical, yet most widely mismanaged keys to success. At a time when stakeholders are demanding real change, and nothing less than comprehensive solutions that lead to meaningful and lasting solutions will suffice—The Business of WE arrives just in time to help you stop Us versus Them gaps before they start and foster authentic connections across race, ethnicity, religion, age, and any other factor of identity to exponentially strengthen your entire organization.* **Call to Freedom Guide to Reading Strategies John's Use of Ezekiel Understanding the Unique Perspective of the Fourth Gospel Fortress Press** Scholars have long puzzled over the distinctive themes and sequence of John's narrative in contrast to the Synoptic Gospels. Brian Neil Peterson now offers a remarkable explanation for some of the most unusual features of John, including the early placement of Jesus' "cleansing" of the temple, the emphasis on "signs" confirming Jesus' identity, the prominence of Jesus' "I Am" sayings, and a number of others. *The Fourth Evangelist relied on models, motifs, and even the macrostructure of the Book of Ezekiel.* **The Baker Illustrated Bible Commentary Baker Books** As more and more Christians are involved in teaching in their churches, there is a need for an accessible, engaging commentary that can enhance their understanding of Scripture and aid their teaching. *The Baker Illustrated Bible Commentary is that resource. This nontechnical, section-by-section commentary on the whole Bible provides reliable and readable interpretations of the Scriptures from forty-two leading evangelical scholars. The Baker Illustrated Bible Commentary is a complete revision of the well-known Baker Commentary on the Bible edited by Walter Elwell, now featuring new articles and vibrant full-color images on more than 1,800 pages, complete with photos, maps, and timelines to illustrate the text. This information-packed commentary helps readers gain a deeper understanding of the Bible. Beyond that, it includes practical applications for spiritual and personal guidance, making it invaluable to any believer seeking to get the most out of their Bible study. Pastors and others in teaching ministries looking for a one-volume, evangelical commentary on the Bible will value this resource.* **Record of Christian Work Includes music. Reconstruction Rebuilding America After the Civil War Capstone** Recounts the history of the Reconstruction, as the United States government and people worked to recover from the effects of the Civil War. **Nation, State, and Territory Origins, Evolutions, and Relationships Rowman & Littlefield** Globalization seems to be making nation-states increasingly irrelevant, yet their number has continued to grow in recent years. New nation-states emerged out of the ruins of the Soviet Union and Yugoslavia; more still may come as Palestinians, Kurds, Chechens, and other peoples struggle tenaciously to establish their own. *Nation, State, and Territory shows that national identities are as potent as ever. Today many conflicts rage over places and territories of historical, linguistic, and religious significance. Many analyses, however, only consider the economic and geostrategic value of territory. George W. White shows that national identity is intimately bound to specific places and territories. "Nation," "state," and "territory" are mutually defining and reinforcing phenomena, and through careful analysis White examines their origins, evolutions, and relationships to provide a better understanding of the interactions and conflicts of the world's nation-states.* **We Are But Women Women in Ireland's History Routledge** *We Are But Women sets the history of Irish women in the context of the broad sweep of Irish history, dealing even-handedly with the diverse traditions of unionism and nationalism. Through an examination of exemplar individuals and organisations, the book traces the growth of Irish awareness of such 'women's issues' as emancipation, divorce and abortion. Above all, it acknowledges the key role played by women in finding a solution to the Irish Question.* **Sons of the White Eagle in the American Civil War Divided Poles in a Divided Nation Casemate Publishers** *The untold stories of nine Polish Americans who bravely fought in the Civil War—includes photographs, maps, and illustrations. This unique history chronicles the lives of nine Polish American immigrants who fought in the Civil War. Spanning three generations, they are connected by the White Eagle—the Polish coat of arms—and by a shared history in which their home country fell to ruin at the end of the previous century. Still, each carried a belief in freedom that they inherited from their forefathers. More highly trained in warfare than their American brethren—and more inured to struggles for nationhood—the Poles made significant contributions to the armies they served. The first group had fought in the 1830 war for freedom from the Russian Empire. The European revolutionary struggles of the 1840s molded the next generation. The two youngest came of age just as the Civil War began, entering military service as enlisted men and finishing as officers. Of the group, four sided with the North and four with the South, and the ninth began in the Confederate cavalry and finished fighting for the Union side. Whether for the North or the South, they fought for their ideals in America's greatest conflict. Nominated for the Gilder Lehrman Prize.*
