And is that what it's supposed to do? Or is a painting meant to move you to tears? Hemingway was reduced to tears in the midst of a drinking bout when a painting by James Thurber caught his eye. And what's bad about that? In *Pictures and Tears*, art historian James Elkins tells the story of paintings that have made people cry. Drawing upon anecdotes related to individual works of art, he provides a chronicle of how people have shown emotion before works of art in the past, and a meditation on the curious tearlessness with which most people approach art in the present. Deeply personal, *Pictures and Tears* is a history of emotion and vulnerability, and an inquiry into the nature of art. This book is a rare and invaluable treasure for people who love art. Also includes an 8-page color insert. **Olivia Counts**
