KEY=ARTIST - MOYER OCONNELL

The Artist's Way at Work Riding the Dragon Harper Collins After the publication of the bestselling book The Artists' Way, Julia Cameron and Mark Bryan, co-creators of the country's most successful course on creativity, were often told that their techniques helped people achieve their business goals. This spurred them to refine the methods to help people perform more creatively and effectively at work. The program is revealed in The Artists' Way at Work: a twelve-week encounter with your own ingenuity, struggles, strengths and dreams -- as well as the political guidance to enable you to get things done. Through powerful self-assessment exercises with intriguing titles such as "Power Inside vs. Power Outside," "Developing Creative Continuity," and "Finding Your Truth," readers learn to release their creative spirit at work and tap reserves of energy, vision, and passion. The Artists' Way at Work will help you excel in your job, launch the business of your dreams, or find the career you love. Best of all, you will learn to "live in the paradox" -- to develop a personal philosophy of excellence that sustains you, whatever the future holds. The processes in this book are rooted in cutting-edge principles of human development, organizational behavior, and the arts. They have been rigorously tested among business audiences and will unleash a degree of satisfaction at work (and in life) you may never have believed possible. For every one of us who works, The Artists' Way at Work reveals a completely new way to thrive. Life and Livelihood A Handbook for Spirituality at Work Church Publishing, Inc. Because many people are

eager to align their spirituality with their professional lives, as opposed to feeling like they check their morals at the workplace door, a "spirituality at work" movement has begun--this guide book provides the nuts and bolts of running a workplace spirituality group, with hands-on information about everything from forming a group to facilitating a meeting, and even includes detailed agendas for 45-minute meetings. Original. Rethinking Information Work A Career Guide for Librarians and Other Information Professionals Libraries Unlimited A guide for librarians and information professionals offers advice on career planning, work options, and preparing a professional portfolio. Original. The Soul of Creativity Insights Into the Creative Process New World Library ?There is no single definition of creativity. It is as wide-ranging as the people who seek it: writers, painters, musicians, actors — indeed anyone who desires a richer, more rewarding life. Many consider it inaccessible — limited to gifted artists and celebrities. But as the extraordinary contributors to this book show, it is really everyone's birthright, too often shoved to the recesses of our psyches by the demands of everyday life. From the vibrant naturalist and poet Diane Ackerman, to musical theorist Don Campbell, to inspirational author SARK, these talented contributors guide us through the creative process with clarity and insight. They remind us that inspiration is always available to those willing to realize the power and possibility of their true creative being. Contributors include: Diane Ackerman • Pat B. Allen • Christina Baldwin • Hal Zina Bennett • Echo Bodine • Jean Shinoda Bolen • Don Campbell • Lucia Capacchione • Michelle Cassou • Judith Cornell • Adriana Díaz • Riane Eisler • Linda Firestone • John

Fox • Robert Fritz • Aviva Gold • Robert Grudin • Jean Liedloff • Ann Linnea • Shaun McNiff • Eric Maisel • Jill Mellick • Stephen Nachmanovitch • Kent Nerburn • Jan Phillips • SARK The Artist's Way A Spiritual Path to Higher Creativity Souvenir Press 'A really good starting point to discover what lights you up' - Emma Gannon 'I love it. A practical, spiritual, nurturing book' - Russell Brand THE MULTI-MILLION-COPY WORLDWIDE BESTSELLER Since its first publication, The Artist's Way has inspired the genius of Elizabeth Gilbert, Tim Ferriss, Reese Witherspoon, Kerry Washington and millions of readers to embark on a creative journey and find a deeper connection to process and purpose. Julia Cameron guides readers in uncovering problems and pressure points that may be restricting their creative flow and offers techniques to open up opportunities for growth and self-discovery. A revolutionary programme for personal renewal, The Artist's Way will help get you back on track, rediscover your passions, and take the steps you need to change your life. 'Each time I've learned something important and surprising about myself and my work ... Without The Artist's Way, there would have been no Eat, Pray, Love' - Elizabeth Gilbert The Aesthetic Turn in Management Routledge Organization students and scholars are able to trace the rise of aesthetics in management studies through the papers presented in this volume. The papers are arranged for individual review or thematic explorations of aesthetic thinking; including review papers and articles that focus on fashion, narrative, theatre, music and craft. This volume is a major contribution for those seeking alternatives to rational and positivist perspectives on management and who are willing to explore those alternatives beyond the usual disciplinary bases. The Reluctant Leader From Technical Expert to Human Expert Archway Publishing Whether you've been promoted at work, want a higher-paying position or need help navigating office politics, you're going to need leadership skills. Eva C. Doyle, a longtime trainer who has worked for a bank, a software company, and the Department of Defense, believes anyone can cultivate these skills. In this book on developing leadership skills, you'll learn how to: navigate your internal transition from expert to leader; get to know and introduce yourself to your team; learn to become comfortable with your authority; and offer praise and negative criticism. You'll also learn how to find allies and mentors in the workplace, help other employees develop leadership skills, encourage co-workers to act like teammates, and set the right tone every single day. You may have never thought of becoming a leader, but if you've been asked to become one or think it's time to take on a new role, you need to take proactive steps to succeed. Get the practical guidance you need with The Reluctant Leader. Self Help, Inc. Makeover Culture in American Life Oxford University Press Why doesn't self-help help? Cultural critic Micki McGee puts forward this paradoxical question as she looks at a world where the market for self-improvement products--books, audiotapes, and extreme makeovers--is exploding, and there seems to be no end in sight. Rather than seeing narcissism at the root of the self-help craze, as others have contended, McGee shows a nation relying on

self-help culture for advice on how to cope in an increasingly volatile and competitive work world. **Self-Help, Inc.** reveals how makeover culture traps Americans in endless cycles of self-invention and overwork as they struggle to stay ahead of a rapidly restructuring economic order. A lucid and fascinating treatment of the modern obsession with work and self-improvement, this lively book will strike a chord with its acute diagnosis of the self-help trap and its sharp suggestions for how we can address the alienating conditions of modern work and family life. **Thrive Online A New Approach to Building Expertise and Confidence as an Online Educator** Stylus Publishing, LLC Research shows that online education, when designed and facilitated well, is as effective as traditional campus-based instruction. Despite the evidence, many faculty perceive online education as inferior to traditional instruction—and are often quite vocal in their skepticism. Simultaneously, however, more and more students are seeking online courses and degree programs. **Thrive Online: A New Approach to Building Expertise and Confidence as an Online Educator** is an invitation for the rising tide of online educators who are relatively new to teaching online, and also for those more experienced instructors who are increasingly frustrated by the dominant bias against online education. Readers will find:

- An approach that empowers online educators to thrive professionally using a set of specific agentic behaviors
- Strategies for approaching conversations about online learning in new ways that inform the skeptics and critics
- Strategies that celebrate the additional skills and proficiencies developed by successful online educators
- Guidance for educators who want to feel natural and fluent in the online learning environment
- Guidance for enhancing the user-centered nature of online spaces to create student-centered learning environments
- Encouragement for online educators to pursue leadership opportunities

The internet is changing how people communicate and learn. **Thrive Online: A New Approach to Building Expertise and Confidence as an Online Educator** offers guidance, inspiration and strategies required to adapt and lead higher education through this change. This book is for higher education instructors who are seeking community, a sense of belonging, and the professional respect they deserve. Thriving is not a reaction to our environment, but rather a state of being we can create intentionally for ourselves. The time has come to change the conversation about online education. Add your voice - join the community and #ThriveOnline. **What Would Buddha Do at Work? 101 Answers to Workplace Dilemmas** Berrett-Koehler Publishers Shares strategies for success in business and personal life, discussing how to incorporate Buddhist insights into making career choices, solving problems, interacting with others, and dealing with organizational concerns. **The Fire Inside A Companion for the Creative Life** BQB Publishing Wherever you are in your creative life---just tiptoeing in or fully immersed, **The Fire Inside** can be a source of encouragement and inspiration. Rodin said that "The main thing is to be moved, to love, to tremble, to live." In other words, to be fully engaged in life and the creativity that exists within. **The Fire Inside**, through a well-

researched collection of essays and heart-opening personal stories, invites readers to uncover their unique talents and live out their individual dreams. Within each one of us are vast untapped reservoirs of creativity, and when we connect with that potential, our lives will open in wonderful and joy-filled ways. Few books on creativity are so inclusive, so welcoming as this book, offering insight not only for furthering one's abilities in the traditional arts, but also in the day to day creativity which so enriches our lives. Based on the authors' combined fifty-five years of teaching and presenting workshops on writing and creativity, *The Fire Inside* is written in a spirit of warmth and generosity. It invites the reader to say yes to creativity, choose to live a bigger life, and discover how "the magic" happens. These writers have great authority and expertise on this topic. They write ideas that are fresh and new with profound potential for empowering readers as well as writers, connecting them with their honest, authentic peers." - Mary Pipher, author of *The Green Boat: Reviving Ourselves in Our Capsized Culture* and *Writing to Change the World*

Health and Wellbeing in Childhood Cambridge University Press *Health and Wellbeing in Childhood* provides readers with a comprehensive introduction to these topics in reference to early childhood.

The Facilitator's Fieldbook AMACOM Loaded with procedures, checklists, guidelines, samples, and templates, *The Facilitator's Fieldbook* covers all the key areas of successful team management, including establishing ground rules, planning meetings and agendas, brainstorming, resolving conflict, making decisions, and helping groups optimize their time. The completely revised third edition of this longtime go-to resource for novice and experienced facilitators provides new team-building exercises as well as updated information on virtual meetings, mediation, strategic planning, and much more. You'll also gain tips on maintaining the tone and flow of meetings, and will learn to determine when to delegate projects to individuals rather than assembling a group. Collaborative projects have become an increasingly prevalent feature of modern business strategies and workplace dynamics. But intentional, strategic facilitation is essential to making sure these groups and teams are effective. *The Facilitator's Fieldbook* provides readers the comprehensive tools and knowledge they need to help their teams--and, ultimately, their organizations--succeed.

Organization Design Engaging with Change Routledge As the purse strings tighten company

costs need to be cut without this affecting performance or sales. A common solution to this problem is to restructure the organization of the company i.e. adjust the lines and boxes on the organization chart with the aim of setting it up for high performance. This inevitably fails because an organization is a system; change one aspect and other facets will also change. **Organization Design: Engaging with change** looks at how to (re) design the organizational system in order to increase productivity, performance and value; providing the knowledge and methodology to design an agile organization capable of handling the kind of continuous organizational change that all businesses face. The book clarifies why and how organizations need to be in a state of readiness to design or redesign and emphasizes that people as well as business processes must be part of design considerations. Responding to developments across the world since the first edition, this book covers, among other topics: Technology changes that have impacted upon organizations Increased demands for 'sustainability' and corporate social responsibility The pressure on organizations to be smarter, more efficient and more effective Whilst the material on this subject targets a wide management audience, this book is specifically written for consultants, OD/HR practitioners and line managers working together to achieve the goal of organizational redesign for changing circumstances. Aided by a range of pedagogical features, this book is a must-read for students or practitioners involved in the field of organizational design, development and change. **The Art of How to Train Your Dragon: The Hidden World Dark Horse Comics** In this brilliantly illustrated, full-color book, Dark Horse Books and DreamWorks Animation join forces to celebrate the climatic third film showcasing more adventures of Toothless and Hiccup. Featuring hundreds of pieces of original art and commentary from director Dean De Blois and the many talented artists and filmmakers who have created this masterpiece of storytelling and animation. A beautifully designed hardcover volume featuring exclusive commentary and never-before-seen art from the creation of the animated motion picture masterpiece! Don your winged Flight Suit, grab your Dragon Blade, hop on your obedient Night Fury, and get ready for the ride of a lifetime with your favorite dragons and Vikings in the latest installment in the How to Train Your Dragon trilogy! Fans will delight in the discovery of previously unknown dragons, the threat of a heartless villain, and the quest for sanctuary that propels the story to extraordinary new heights (and depths!). Venture into the Hidden World where dragons roam free under the watchful eye of their leader Toothless as, above ground, Hiccup struggles to assume leadership of his tribe. **Dragon Rider Chicken House Brave** young dragon Firedrake and his orphan friend Ben start a perilous journey to the legendary Rim of Heaven. But close behind is a heartless monster who aches to destroy the very last dragons on earth... **Riding the Dragon's Spine: Beit Bridge to Cape Town - SA's Ultimate MTB Trail Penguin Random House South Africa** When windmill-dodgers David Bristow and Steve Thomas followed their dream to blaze (and map) a mountain bike trail across South Africa, they hoped to be

spared howling headwinds, freezing rain and slushy terrain. They weren't, yet were not deterred from having a mud-splattering good time. The result, the Spine of the Dragon trail, is the country's ultimate mountain bike tour, covering a distance of 4000km from Beit Bridge to Cape Town. Aimed at the average off-road rider, the 58-day trail through South Africa and Lesotho is broken into nine sections, each with several stages. The entire course can be done in one go, or as a series of shorter rides - ideal for those with boundless enthusiasm but limited time. The authors offer valuable advice on preparing for the trail that includes suggested clothing, gear, bike maintenance, food and safety. Each day's route is described in detail and includes:

- Customised, annotated map with GPS points
- Total daily distance
- Difficulty grading: from short and easy to long and hard
- Entertaining insight into the people and places along the way
- Engaging photographs
- Accommodation suggestions and contact details

When he's not out cycling, David Bristow writes for a living. He is the former editor of Getaway travel magazine and the author of more than a dozen books for Random House Struik. Steve Thomas discovered mountain bikes while living in the US in the 1980s. Upon his return to South Africa in 1992, he established Daytrippers, South Africa's oldest and biggest bicycle touring company.

Contemporary Authors A Bio-bibliographical Guide to Current Writers in Fiction, General Nonfiction, Poetry, Journalism, Drama, Motion Pictures, Television and Other Fields

The Art Collector A Journal Devoted to the Arts and the Crafts

Tolkien as a Literary Artist Exploring Rhetoric, Language and Style in The Lord of the Rings Springer Nature This book takes a fresh look at Tolkien's literary artistry from the points of view of both linguistics and literary history, with the aim of shedding light on the literary techniques used in *The Lord of the Rings*. The authors study Tolkien's use of words, style, narrative techniques, rhetoric and symbolism to highlight his status as literary artist. Dirk Siepmann uses a corpus stylistic approach to analyse Tolkien's vocabulary and syntax, while Thomas Kullmann uses discourse theory, literary history and concepts of intertextuality to explore Tolkien's literary techniques, relating them to the history of English fiction and poetry. Issues discussed include point of view, speeches, story-telling, landscape descriptions, the poems inserted into the body of the narrative, and the role of language in the characterization of the novel's protagonists. This book will be of particular interest to students and scholars of literature, corpus linguistics and stylistics, as well as Tolkien fans and specialists.

Choosing Craft The Artist's Viewpoint Univ of North Carolina Press

Choosing Craft explores the history and practice of American craft through the words of influential artists whose lives, work, and ideas have shaped the field. Editors Vicki Halper and Diane Douglas construct an anecdotal narrative that examines the post-World War II development of modern craft, which came of age alongside modernist painting and sculpture and was greatly influenced by them as well as by traditional and industrial practices.

The anthology is organized according to four activities that ground a professional life in craft--inspiration, training, economics, and philosophy. Halper and Douglas mined a wide variety of sources for their material, including artists' published writings, letters, journal entries, exhibition statements, lecture notes, and oral histories. The detailed record they amassed reveals craft's dynamic relationships with painting, sculpture, design, industry, folk and ethnic traditions, hobby craft, and political and social movements. Collectively, these reflections form a social history of craft. Choosing Craft ultimately offers artists' writings and recollections as vital and vivid data that deserve widespread study as a primary resource for those interested in the American art form. Business 2.0 The Artist's Way A Spiritual Path to Higher Creativity TarcherPerigee Presents a twelve-week program intended to increase creativity by capturing the creative energy of the universe. The Writers Directory The Saturday Review of Politics, Literature, Science, Art, and Finance The British National Bibliography Unlocking Creativity: A Producer's Guide to Making Music & Art Hal Leonard Corporation (Music Pro Guide Books & DVDs). Here, record producer Beinhorn reveals how to deal with interpersonal issues record producers face when they work with artists one on one or in small groups. The situations and solutions are based upon the author's personal and professional experience working with a variety of different artists, such as Herbie Hancock, the Red Hot Chili Peppers, Soul Asylum, Hole, Soundgarden, Ozzy Osbourne, Courtney Love, Marilyn Manson, Social Distortion, Korn, and Mew. Beinhorn's unique methods and perspective, applied to record producing and music making in the studio, opens the door to successful collaborative efforts. The author shows you how to find what he calls your sensory connection to the creativity process, which ultimately helps you find the intent behind your creative choices. You can read dozens of articles and books that feature a hundred different people talking about what microphones they used when they recorded Record X or how they set their stereo buss compressor, but you will never find out what prompted them to make these choices. Beinhorn's focus on collaborative effort enables record producers and artists to find solutions while working as a creative team. This perspective is especially valuable as it is transdisciplinary and can be applied to many occupations and modes of creativity outside of record production.
