

Read Book Ebook Saraswati Risa Danur

Eventually, you will totally discover a extra experience and deed by spending more cash. yet when? pull off you give a positive response that you require to acquire those all needs following having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will guide you to comprehend even more re the globe, experience, some places, next history, amusement, and a lot more?

It is your completely own time to take steps reviewing habit. among guides you could enjoy now is **Ebook Saraswati Risa Danur** below.

KEY=SARASWATI - SCHWARTZ SANTIAGO

Maddah [Bukune](#) Takdir telah mempertemukan kami, seorang manusia biasa dengan lima anak kecil yang pernah menjadi manusia. Menjalin hubungan lebih dari sekedar persahabatan. Darah kami berbeda, jasad kami berbeda, jasad kami berbeda, langkah kami tak sama, tapi sebuah benang telah mengikat hati kami-tak terpisahkan. Namun kini, aku merasa persahabatan ini menjadi kian rumit. Terlalu banyak perasaan yang terlibat di dalamnya. Seharusnya, aku tak perlu mengurusi hal seperti ini. Masih banyak masalah realistik yang perlu kuselesaikan. Ingin rasanya berani bicara, “Tempat kalian bukan di sini, pulanglah ketempat yang seharusnya!” Tapi...aku tak tahu harus menjawab apa jika mereka bertanya... “Kami harus pulang ke mana?” *** Maddah adalah novel kedua Risa Saraswati, sekaligus sekuel langsung dari Gerbang Dialog Danur. Ikuti terus kisah persahabatan Risa dengan mereka yang kadang membawa tawa, haru, hingga perasaan seram.... Buku Persembahan Penerbit Bukune Danur karena mereka juga ada.... [Bukune](#) Jangan heran jika mendapatiku sedang berbicara sendirian atau tertawa tanpa seorang pun terlihat sedang bersamaku. Saat itu. mungkin saja aku sedang bersama salah satu dari lima sahabatku. Kalian mungkin tak melihatnya.... Wajar. Mereka memang tak kasat mata dan sering disebut... hantu. Ya, mereka adalah hantu, jiwa-jiwa penasaran atas kehidupan yang dianggap mereka tidak adil. Kelebihanku dapat melihat mereka adalah anugerah sekaligus kutukanku. Kelebihan ini membawaku ke dalam persahabatan unik dengan lima anak hantu Belanda. Hari-hariku dilewati dengan canda tawa Peter, pertengkaran Hans dan Hendrick—dua sahabat yang sering berkelahi—alunan lirih biola William, dan tak lupa: regekan si Bungsu Johnsen. Jauh dari kehidupan "normal" adalah harga yang harus dibayar atas kebahagiaanku bersama mereka. Dan semua itu harus berubah ketika persahabatan kami meminta lebih. yaitu kebersamaan selamanya. Aku tak bisa memberi itu. Aku mulai menyadari bahwa hidupku bukan hanya milikku seorang.... Namaku Risa. Aku bisa melihat 'mereka'. Dan mereka", sesungguhnya, hanya butuh didengar. "Meski membuat bulu kuduk berdiri, novel ini bukan buku misteri. Novel ini sesungguhnya bercerita soal persahabatan antar dimensi dengan cara yang menyentuh. Bisa dibilang, Risa telah 'memanusiakan' makhluk-makhluk halus itu lewat novel ini." — Soleh SoLihun, *Jurnal*is Rolling Stone Indonesia -Bukune- Syukuran Bukune #makingpaTEN Child of All Nations [Penguin](#) In Child of All Nations, the reader is immediately swept up by a story that is profoundly feminist, devastatingly anticolonialist—and full of heartbreak, suspense, love, and fury. Pramoedya immerses the reader in a world that is astonishing in its vividness: the cultural whirlpool that was the Dutch East Indies of the 1890s. A story of awakening, it follows Minke, the main character of This Earth of Mankind, as he struggles to overcome the injustice all around him. Pramoedya's full literary genius is evident in the brilliant characters that populate this world: Minke's fragile Mixed-Race wife; a young Chinese revolutionary; an embattled Javanese peasant and his impoverished family; the French painter Jean Marais, to name just a few. The Shifting Sands Lief, Barda, and Jasmine struggle to recover the fourth missing gem of the Belt of Deltora from the dangerous pool of Shifting Sands, where it is guarded by a mysterious entity, in their ongoing quest to free their people from enslavement by the evil The Mystery of the Scarlet Rose [Capstone](#) Sherlock Holmes, Arsene Lupin, and Irene Adler meet up in London only to find a strange chess problem in the Times signed by "The Black Friar." It's written in an unknown code which Sherlock is eager to solve. The next day, the city is rocked by the news of a rich merchant found murdered. On the merchant's desk was scarlet rose: the same flower used as the calling card for a brazen criminal group that haunted the streets of London twenty years ago. Could the Scarlet Rose Gang be back? Find out in this ebook from the Sherlock, Lupin and Me series. Redeeming Laughter The Comic Dimension of Human Experience [Walter de Gruyter GmbH & Co KG](#) Amid the variety of human experiences, the comic occupies a distinctive place. It is simultaneously ubiquitous, relative, and fragile. In this book, Peter L. Berger reflects on the nature of the comic and its relationship to other human experiences. Berger contends that the comic is an integral aspect of human life, yet one that must be approached and analyzed circumspectly and circuitously. Beginning with an exploration of the anatomy of the comic, Berger addresses humor in philosophy, physiology, psychology, and the social sciences before turning to a discussion of different types of comedy and finally suggesting a theology of the comic in terms of its relationship to folly, redemption, and transcendence. Along the way, the reader is treated to a variety of jokes on a variety of topics, with particular emphasis on humor and its relationship to religion. Originally published in 1997, the second edition includes a new preface reflecting on Berger's work in the intervening years, particularly on the relationship between humor and modernity. The Dark Lady [Capstone](#) While on summer vacation at the seaside, twelve-year-old Irene Adler meets the young Sherlock Holmes, and his friend Arséne Lupin--and when a dead body floats ashore the three young friends set out to solve the mystery. Arranged Marriage Stories [Anchor](#) Although Chitra Divakaruni's poetry has won praise and awards for many years, it is her "luminous, exquisitely crafted prose" (Ms.) that is quickly making her one of the brightest rising stars in the changing face of American literature. Arranged Marriage, her first collection of stories, spent five weeks on the San Francisco Chronicle bestseller list and garnered critical acclaim that would have been extraordinary for even a more established author. For the young girls and women brought to life in these stories, the possibility of change, of starting anew, is both as terrifying and filled with promise as the ocean that separates them from their homes in India. From the story of a young bride whose fairy-tale vision of California is shattered when her husband is murdered and she must face the future on her own, to a proud middle-aged divorced woman determined to succeed in San Francisco, Divakaruni's award-winning poetry fuses here with prose for the first time to create eleven devastating portraits of women on the verge of an unforgettable transformation. Hawk O'Toole's Hostage [Bantam](#) Vacationing in the West, Miranda Price, a young divorcee, and her son are taken hostage by a Native American named Hawk O'Toole as part of a desperate gamble to help his people, and is forced to face up to a shocking revelation. Reprint. The Rocker Who Savors Me [Createspace Independent Publishing Platform](#) NEW COVER The Rocker That Savors Me Layla... ...has had a hard life. On her own at a young age, always having to do what needed to be done just to survive. Now she has two other people depending on her and she needs a job fast before they get evicted. A job interview introduces her to Jesse Thornton, the delicious drummer for Demon's Wings. He reminds her of all the mistakes of her past, but is also her hope for the future. Jesse... ...has never let anyone in. The only real family he has ever had are his band brothers and Emmie-the only woman he has ever loved. But then Layla comes into his life and he would do just about anything to get one taste. Can he move past his own insecurities and allow this woman into his heart? This Earth of Mankind [Penguin](#) Minke is a young Javanese student of great intelligence and ambition. Living equally among the colonists and colonized of 19th-century Java, he battles against the confines of colonial strictures. It is his love for Annelies that enables him to find the strength to embrace his world. How to Love Yourself (and Sometimes Other People) [Hay House, Inc](#) Are you trying to find love - and beginning to suspect you're not looking in the right place? This wise, hip guide gives you a new map for the journey to happiness in relationships of all kinds, starting in your own heart. Told from the alternating vantage points of authors Meggan Watterson and Lodro Rinzler, How to Love Yourself (and Sometimes Other People) reminds us that love isn't something we have to earn. All of us are deeply and intrinsically worthy of love - not only the love we hope to receive from others, but the love we give to ourselves - and this book offers the insight and practical tools we need to stay firmly grounded in self-love as we ride out the natural (and often stormy) cycles of relationships. Meggan and Lodro's unique perspectives as teachers and scholars of Christian mysticism and Buddhism respectively make for a rich and lively dialogue that draws on wisdom sources like the Gospel of Mary Magdalene and the Four Noble Truths, along with funny, revealing stories from their own love lives and their deep friendship with each other. You'll find guidance for embracing single life, dating with an open heart, and thriving in lasting love; meditations and practices for calm abiding, "disciplined hope," and connecting to the source of love within you; and tips on everything from sex, self-worth, and nourishing friendships to navigating breakups and learning to truly love yourself. Ultimately, you'll be able to see your ideal partner in a new light - not as someone who "completes" you, but as someone who mirrors back to you your own wholeness. Cool Gray City of Love 49 Views of San Francisco [Bloomsbury Publishing USA](#) "A kaleidoscopic homage both personal and historical . . . Kamiya's symphony of San Francisco is a grand pleasure." --New York Times Book Review Requiem (Delirium Trilogy 3) From the bestselling author of Panic, now a major Amazon Prime series [Hachette UK](#) **From the bestselling author of PANIC, now a major Amazon Prime series** 'The new Hunger Games... ' Cosmopolitan He never loved me. It was all a lie. 'The old Lena is dead,' I say, and then push past him. Each step is more difficult than the last; the heaviness fills me and turns my limbs to stone. You must hurt, or be hurt. An all-out uprising has been ignited and Lena Haloway is right at its centre. But things have changed. The Wilds are no longer a safe haven for the rebels and pockets of resistance have opened throughout the country. And when a face from her past reappears, Lena is faced with a devastating choice that could tear her and the revolution apart. 'Un-put-downable, a truly fantastic finale.' Guardian Directory of Competitive Exams in India [Bright Publications](#) I Want to Die but I Want to Eat Tteokbokki the South Korean hit therapy memoir recommended by BTS's RM [Bloomsbury Publishing](#) THE PHENOMENAL KOREAN BESTSELLER TRANSLATED BY INTERNATIONAL BOOKER SHORTLISTEE ANTON HUR 'Will strike a chord with anyone who feels that their public life is at odds with how they really feel inside.' Red PSYCHIATRIST: So how can I help you? ME: I don't know, I'm - what's the word - depressed? Do I have to go into detail? Baek Sehee is a successful young social media director at a publishing house when she begins seeing a psychiatrist about her - what to call it? - depression? She feels persistently low, anxious, endlessly self-doubting, but also highly judgemental of others. She hides her feelings well at work and with friends; adept at performing the calmness, even ease, her lifestyle demands. The effort is exhausting, overwhelming, and keeps her from forming deep relationships. This can't be normal. But if she's so hopeless, why can she always summon a desire for her favourite street food, the hot, spicy rice cake, tteokbokki? Is this just what life is like? Recording her dialogues with her psychiatrist over a 12-week period, Baek begins to disentangle the feedback loops, knee-jerk reactions and harmful behaviours that keep her locked in a cycle of self-abuse. Part memoir, part self-help book, I Want to Die but I Want to Eat Tteokbokki is a book to keep close and to reach for in times of darkness. Arya Winters and the Tiramisu of Death [Polis Books](#) Arya Winters is your typical cozy heroine. She lives in a cottage in a small English village, and bakes for a living - well, she specializes in macabre desserts. She has nosy neighbors, who she avoids ruthlessly due to her social anxiety. And she has a keen interest in all things sexy, especially Branwell Beam, the writer next door. When her neighbor Tobias Yards turns up dead after eating poisoned tiramisu (definitely not poisoned when she baked it), no one seems to connect it to Arya's Auntie Meera's recent death. Instead, they blame her excruciatingly average ex-boyfriend—and Tobias's nephew—and so she takes matters into her own hands. Now all she has to do to uncover the truth is to get over her aversion to Other

People. Besides that, it's just a matter of getting beyond some yellow tape, dodging her former BFF Tallulah from secondary school, and getting into Branwell's pants—he seems strangely reluctant. What Arya doesn't realize is that the murderer is dangerous, preying on lonely people who've experienced trauma, and that she might have to do all she can not to become the next victim. Wolves of East Anglia - Mate for a King [Noble Romance Publishing LL](#) Lexi Weller's vacation in England doesn't exactly start off all that great when she almost ends up getting into a car accident. But when the driver of the car she almost hits steps out to speak with her, she finds herself practically drooling over him. And before it's all over, Mr. Tall, Muscular and Good-looking asks Lexi out on a date. Raedwald hopes he hasn't made a mistake by asking the sexy American out to dinner. Charged by the Anglo-Saxon god, Tiw, to protect mortals from the werewolves sired by Fenris the wolf, Raed knows he can't put Lexi before his duty. But when Lexi comes to mean more to him than he ever imagined, Raed must find a way to explain what he is without scaring off the woman he never wants to let go. Excerpt: Once they reached the flat's door, Lexi gave him a small smile as she reached inside her purse and pulled out her keys. "Thanks for supper." She took a deep breath. "Look, Raed, don't feel as if you have to see me again. I can tell you didn't exactly enjoy yourself at the pub. You wouldn't be the first date I've bored to tears." Raed crowded Lexi with his body until he had her backed against the door. He bent his head so he could look her in the eyes as he placed his hands on the door on either side of her head, caging her in. "Is that what you think? That I found you boring and I only said I wanted to see you again to be nice?" Lexi swallowed as her gaze locked with his. "Well, yeah. We didn't exactly have a lot of stimulating conversation. I'm boring; I know that." He crowded closer and pressed the bulge in his jeans against her. She sucked in a sharp breath, and he smiled. "You stimulated me very much. I haven't found you boring at all. If anything, you stir me more than you should." As the scent of Lexi's arousal grew stronger, Raed knew he either had to taste her, or die from longing. He wrapped one hand around the back of her neck as he lowered his mouth to hers. He ran his tongue along the seam of her lips before he pushed inside and groaned as he got his first real contact with Lexi. The taste of her went straight to his head. He stroked her tongue with his as Lexi reached up to fist her hands in the front of his shirt. The keys she still held dug into his chest, but he barely felt them as intense arousal thrummed through his body. Raed rocked his erection against her as he cupped her breast. He stroked his thumb across her pebbled nipple. Lexi moaned and sucked on his tongue. She pressed closer, rubbing up against his hard cock. Lost in a sexual haze, Raed kissed Lexi deeper and he brought his hands down to her ass, lifting her off her feet. Positioning her so his aching cock was lined up with her pussy, he ground against her. Lexi moaned into his mouth. Her arms came up and wound around his neck as she pushed down on him. The howl of a werewolf in the distance broke through Raed's lust-clouded brain and he stiffened. He let Lexi slowly slide down his body as he pulled away from her lips. Lexi looked up at him, her eyes full of desire, her lips swollen from his kisses. "What's wrong?" Raed knew she hadn't heard the werewolf's howl; the sound had been too far away for a mortal to hear at this distance. "I have to go. What's your phone number?" She blinked as if she were still in a daze. Slowly, she said, "I can't remember." The howl came again. Raed knew he couldn't linger much longer, no matter how much he wanted to stay and continue what they had started. "Never mind. I'll find it." He gave Lexi one last quick, thorough kiss before he bounded down the stairs. He hoped he could find more than one werewolf tonight. Frustrated beyond words, he would gladly take his agitation out on the ones he hunted. The Birdwoman's Palate [AmazonCrossing](#) In this exhilarating culinary novel, a woman's road trip through Indonesia becomes a discovery of friendship, self, and other rare delicacies. Aruna is an epidemiologist dedicated to food and avian politics. One is heaven, the other earth. The two passions blend in unexpected ways when Aruna is asked to research a handful of isolated bird flu cases reported across Indonesia. While it's put a crimp in her aunt's West Java farm, and made her own confit de canard highly questionable, the investigation does provide an irresistible opportunity. It's the perfect excuse to get away from corrupt and corrosive Jakarta and explore the spices of the far-flung regions of the islands with her three friends: a celebrity chef, a globe-trotting "foodist," and her coworker Farish. From Medan to Surabaya, Palembang to Pontianak, Aruna and her friends have their fill of local cuisine. With every delicious dish, she discovers there's so much more to food, politics, and friendship. Now, this liberating new perspective on her country--and on her life--will push her to pursue the things she's only dreamed of doing. Some Chinese Ghosts I think that my best apology for the insignificant size of this volume is the very character of the material composing it. In preparing the legends I sought especially for "weird beauty"; and I could not forget this striking observation in Sir Walter Scott's "Essay on Imitations of the Ancient Ballad" "The supernatural, though appealing to certain powerful emotions very widely and deeply sown amongst the human race, is, nevertheless, a "spring which is peculiarly apt to lose its elasticity by being too much pressed upon."" -- Lafcadio Hearn *Slow is Beautiful* New Visions of Community, Leisure and Joie de Vivre [New Society Publishers](#) We're hammered, we're slammed, we're out of control. Happiness is on the decline in the most affluent country in the world, and Americans are troubled by the destructiveness of a lifestyle devoted to money and status. Yet no one seems to have a clue how to exit from the fast lane. *Slow is Beautiful* analyzes the subtle consumer and political and corporate forces stamping the joy from our existence and provides a vision of a more fulfilling life through the rediscovery of caring community, unhurried leisure, and life-affirming joie de vivre. The book discusses: • The frantic time poverty plaguing everyone—a poverty that is being challenged by the growing slow life movement whose message is reverberating around the world • The need to build a culture of connection with both people and the planet by challenging the consumer society and re-creating vibrant life in our local communities • The creation of a different experience of time where we live life in slower, more reflective ways, savoring our lives and recapturing exuberance and laughter Offering inspiration and concrete ideas, *Slow is Beautiful* will appeal to a broad audience of baby boomers nearing retirement, harried professionals with a social conscience, the one-time "middle class," and twenty- to thirty-somethings who are now facing the sobering realities of constricted choices. Oh. My. Gods. [Penguin](#) When Phoebe's mom returns from Greece with a new husband and plans to move to an island in the Aegean Sea, Phoebe's well-plotted senior year becomes ancient history. Now, instead of enjoying a triumphant track season and planning for college with her best friends, Phoebe is trying to keep her head above water at the berexclusive Academy. If it isn't hard enough being the new kid in school, Phoebe's classmates are all descendants of the Greek gods! When you're running against teammates with superpowers, dealing with a stepsister from Hades, and nursing a crush on a boy who is quite literally a god, the drama takes on mythic proportions! *Advances in Digital Forensics II* [Springer](#) Digital forensics deals with the acquisition, preservation, examination, analysis and presentation of electronic evidence. Practically every crime now involves some digital evidence; digital forensics provides the techniques and tools to articulate this evidence. This book describes original research results and innovative applications in the emerging discipline of digital forensics. In addition, it highlights some of the major technical and legal issues related to digital evidence and electronic crime investigations. *The Rocker Who Holds Me* [Createspace Independent Publishing Platform](#) NEW COVER Touring with four rockers is the thing of dreams... At least that is what people tell me. To me those four rockers are my family. They have watched over me from the time I was five years old. Protecting me from my mother and her drunken, drug addict rages. When they made it big they still watched over me. And when my monster of a mother died they took over as my guardians. In the six years since that happened I have watched over the four men that mean everything to me. I take care of them just as they once took care of me. I handle all the dirty work behind the scenes of a rockers life. It isn't always pretty. At times it can be damn near disgusting, especially when I have to get rid of their one night stands. Ugh! Taking care of them doesn't bother me though. I mean it's not like I'm in love with one of them. That would be crazy. Falling for a rocker is NOT smart. Okay, so I'm not smart. I love my guys, and one of them kind of holds my heart in his big old rocker hand. But I'm dealing. I've been able to keep it my little secret for years now. I'm not, however, dealing with this bug that I seem to have caught. It scares the hell out of me. I hate doctors, but I'm suddenly more worried about finding out what is wrong with me than what the doctor might do to me. When I get my test results back my life will never be the same again... ***Because of language and adult situations not suitable for readers under 17*** *Lightly How to Live a Simple, Serene, and Stress-Free Life* [Houghton Mifflin](#) From the author of the best-selling *The Joy of Less*, a handbook for mindful minimalism that provides a philosophy and instructions to lighten up every aspect of our lives--in just 5 or 10 minutes a day. English for Doctors Buch. / [Additional contributions by Joan Bayliss ...] *Understanding Your Life Through Color* [Lulu.com](#) What are life colors and how do they affect one's life? *Understanding Your Life Through Color* presents the concept that by understanding and learning to use the power of color the reader can improve quality of life and relationships as well as come to understand more about basic habits and why we have them. *Mirror Image* [Grand Central Publishing](#) When a TV reporter is injured in a Dallas-bound jet crash, she enters a world of mistaken identity and political intrigue in this action-packed romantic suspense novel. The crash of a Dallas-bound jet isn't just a tragedy for TV reporter Avery Daniels; it's an act of fate that hands her a golden opportunity to further her career. But it also makes her the crucial player in a drama of violent passions and deadly desires. After plastic surgery transforms her face, Avery is mistaken for the glamorous, selfish wife of Tate Rutledge, the famous senatorial candidate and member of a powerful Texas dynasty. As she lays helpless in the hospital, Avery makes a shattering discovery: someone close to Tate planned to assassinate him. Now, to save him, she must live another woman's life -- and risk her own. *Andy Squared* Teenage twins Andrew and Andrea have always been close, but when Andrew develops a relationship with new student and realizes he is gay, his attempts to keep his relationship a secret are undermined by Andrea, who suddenly feels betrayed. *The Subtle Art of Not Giving a F**k A Counterintuitive Approach to Living a Good Life* [HarperCollins](#) #1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. *The Subtle Art of Not Giving a F**k* is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives. *Research Methodology in Applied Economics* [Wiley-Blackwell](#) Focused attention on how to organize and conduct research can increase the efficiency of the research process and its outcomes. The second edition of *Research Methodology in Applied Economics* provides time-tested guidelines to instruct graduate students in the research process. Emphasizing research methodology as it applies to economics, Ethridge provides (1) an overview of the conceptual and philosophical basis of research methodology and (2) procedural guidelines on designing, coordinating, and conducting research projects. This textbook integrates philosophies, concepts, and procedures in research methodology, adding practical tips such as how to write a research proposal, how to apply for funding, and how to write reports that effectively present research. This edition updates and increases the use of relevant examples for today's students, faculty, and researchers *Living-room Matsunaga-san* [Kodansha America LLC](#) For Meeko, boarding house life has finally become second nature—or, it would be, if not for one thing: her housemate Matsunaga-san. Her feelings for him steadily grow stronger, but Meeko is in for a painful shock when he tells her he thinks of her as family! Yet, mere days later, when a night with friends leaves her out past curfew, he sends her reeling again—not only does he come for her, but he tells her he worries for her, and holds her tight... Adult men just don't play fair!! Presenting the third volume of this boarding house

love story! **The Tale of the Rose The Love Story Behind The Little Prince** [Random House Trade Paperbacks](#) In the spring of 1944, Antoine de Saint-Exupéry left his wife, Consuelo, to return to the war in Europe. Soon after, he disappeared while flying a reconnaissance mission over occupied France. Neither his plane nor his body was ever found. The Tale of the Rose is Consuelo's account of their extraordinary marriage. It is a love story about a pilot and his wife, a man who yearned for the stars and the spirited woman who gave him the strength to fulfill his dreams. Consuelo Suncin Sandoval de Gómez and Antoine de Saint-Exupéry met in Buenos Aires in 1930—she a seductive young widow, he a brave pioneer of early aviation, decorated for his acts of heroism in the deserts of North Africa. He was large in his passions, a fierce loner with a childlike appetite for danger. She was frail and voluble, exotic and capricious. Within hours of their first encounter, he knew he would have her as his wife. Their love affair and marriage would take them from Buenos Aires to Paris to Casablanca to New York. It would take them through periods of betrayal and infidelity, pain and intense passion, devastating abandonment and tender, poetic love. Several times in the course of their marriage they would go their separate ways, but always they would return. The Tale of the Rose is the story of a man of extravagant dreams, and of the woman who was his muse, the inspiration for the Little Prince's beloved rose—unique in all the world—whom he could not live with and could not live without. Written on Long Island in a quiet spell of reconciliation, The Little Prince was Antoine's greatest gift to the woman he never stopped loving, the only child to emerge from their union. The Tale of the Rose is Consuelo's reply—the love letter she never could write to her husband—a fable of its own, just as magical, poetic, and tragic as The Little Prince. Praise for The Tale of the Rose “We find in these pages all the tenderness and patience, but also the tenacity, of a woman who loves. Consuelo does not seek to explain or even to understand her husband, she accepts him and leads him to what he must be. . . . Written with a strong and authentic voice, The Tale of the Rose is a book to read for its strength of character, and for the adventure that it offers.”—Elle Time of the Twins The Story of Lex and Livia [Simon and Schuster](#) Two sisters, one destiny . . . Lex and Livia are on the run. In Time of the Twins, Lex, an impulsive military cadet, and Livia, a pampered Aires, have just found out they are twins, which is against the law in the great City of Indra. Now they are leaving behind the only world they have ever known: for Lex, it was the dark world of the Hub below the surface of Indra, where she survived the brutal Orphanage to become an elite member of Indra's Population Control Forces, and for Livia, it was a life of luxury on the sky island of Helix, where she was brought up to be a Proper Indrithian Young Woman. With help from the charming and handsome Kane, Lex's best friend and Livia's newfound love, and Zavier, a gruff rebel who would prefer to leave them all behind, they make the grueling trek through the dangerous underground tunnels toward the Outlands beyond the dome of Indra in search of the mother they thought was dead. When they finally reach the Outlanders' colony, they discover their mother holds the key to unlocking their past, and they must confront an ancient prophecy, “The Time of the Twins.” The prophecy claims they are the long-awaited “twin saviors,” destined to save the City of Indra from the oppressive High Council who have long reigned over all of its people. Will Lex and Livia agree to be a part of their mother's dangerous plan and take on the daunting role of the “twin saviors”? Will they trust their mother and put themselves in jeopardy to save countless lives? It's a responsibility they never asked for . . . but one that may prove impossible to ignore. With unforgettable characters, an action-packed pace, and the sparks of new romance, the Jenner sisters have created a page-turning, heart-stopping adventure that will leave you wanting more. Let us Java [BPB Publications](#) Learn the basics of most favored dynamic language for application development Key features Major reorganisation of chapters with a view to improve comprehension of concepts involved Comprehensive coverage of all the concepts of Core Java Simple language, crystal clear approach, user friendly book Concepts are duly supported by several examples and self explanatory analogies. DescriptionJava Language is very popularly used for creating applications for PC, Laptop, Tablet, Web and Mobile world Learning a language that can work on so many different platforms can be a challenge. This is where you would find this book immediately useful. It follows simple and easy narration style. It doesn't assume any programming background. It begins with the basics and steadily builds the pace so that the reader finds it easy to handle complex topics towards the end. Each chapter has been designed to create a deep and lasting impression on reader's mind. Object Oriented Programming has been covered in detail to give a strong foundation for Java Programming. Well thought out and fully working example programs and carefully crafted exercises of this book, cover every aspect of Java programming. What will you learn Data types & Control Instructions Classes & Objects Arrays & Strings Inheritance & Polymorphism Interfaces, Packages Exception Handling, Effective IO Multithreading & Synchronization Generics, Collection classes, GUI Using Swing Database Connectivity Using JDBC Who this book is forThis book will prove to be a “e;must have”e; for beginners as well as experienced professionals as it is a stepping stone for learning Java technology. Demonic to Divine: The Double Life of Shulamis Yelin is a weaving of the Montreal writer's stories and selected diary excerpts and family photographs revealing a far-reaching creative personality who is haunted from the age of ten by the “moods taking over.” This book poignantly illuminates the dramatic duality of a public and private literary and emotional life through published and unpublished stories of an idyllic Montreal Jewish childhood contrasted with deeply troubled and often shocking diary entries that document the author's lifelong battle with mental illness. Yelin's insightful yet light and humorous stories have been cherished by generations of children and adults for their universal appeal. The journal entries that she maintained for most of her 90 years document the abuse, paranoia, self-loathing, doubt, and devastating depression of Yelin's true emotional state. These concurrent lenses reveal the profound struggles and suffering of a fascinating and highly gifted woman who transcended her ongoing deep-seated emotional agony to create a significant literary legacy. The many threads of this multilayered book have been woven together through the collaboration of Yelin's daughter, Gilah Yelin Hirsch and Yelin's first stories' editor, Nancy Marrelli. Magic Color Flair The World of Mary Blair [Walt Disney Family Foundation Press](#) Beloved Disney designer Mary Blair has charmed generations with her vibrant, whimsical creations, from stunning art direction for Cinderella and Peter Pan to the wowing and wonderful “It's a Small World” ride at Disneyland. Magic Color Flair celebrates this Disney icon, tracing the evolution of her mesmerizing style and showcasing her work in gorgeous, full-color imagery. Created for the Walt Disney Family Museum's 2014 Mary Blair exhibit, Magic Color Flair is an authoritative collection of Blair's life's work—including the precocious paintings she made as a student at the renowned Chouinard Art Institute; the enchanting concept drawings she created for numerous Disney films; her lovely illustrated Golden Books, which are still treasured today; and the rarely seen but delightful advertisements, clothing designs, and large-scale installations that she devised later in life. Curated by Academy Award-winning animator John Canemaker and annotated with fascinating information about her artistic process, Magic Color Flair is a bold, lively look into the work of an equally bold and lively creative, whose invaluable influence and keen eye helped shape some of the world's favorite Disney experiences. The Wish List [Simon and Schuster](#) The Big 3-0 is looming, but there's so much still to do... The brilliant new novel from the Sunday Times Top 10 bestselling author There are six months left of Emma Reiss's twenties. . . and she has some unfinished business. Emma and her friends are about to turn thirty, and for Emma it's a defining moment. Defined, that is, by her having achieved none of the things she'd imagined she would. Her career is all wrong, her love life is a desert and that penthouse apartment she pictured herself in simply never materialised. Moreover, she's never jumped out of a plane, hasn't met the man she's going to marry, has never slept under the stars, or snogged anyone famous - just some of the aspirations on a list she and her friends compiled fifteen years ago. As an endless round of birthday parties sees Emma hurtle towards her own thirtieth, she sets about addressing these issues. But, as she discovers with hilarious consequences, some of them are trickier to tick off than she'd thought... Praise for All The Single Ladies: 'Close the doors, open a bottle of wine, get out the chocs and enjoy this wonderfully witty read. Jane Costello at her best' Milly Johnson 'Jane Costello earned her place on the bestsellers list with her witty, colourful and fast-paced style. All The Single Ladies proves that she certainly hasn't lost her touch ' Heat Park Avenue Player Elodie and Hollis LaCroix's paths cross once in a fender bender, then again when Elodie lands the job caring for Hollis' troubled niece, but neither of them their flirtation to lead to something more.
