SAUNDERS COMPREHENSIVE REVIEW FOR THE NCLEX-PN® EXAMINATION

Elsevier Health Sciences This truly unique, bestselling review and preparation resource offers the perfect combination of core content review, practice questions with comprehensive rationales, and detailed test-taking strategies and tips. Throughout the book, you'll find Linda Silvestri's hallmark Pyramid to Success learning features, which highlight key information, and more than 1,000 high-quality review questions that mirror the latest NCLEX-PN® test plan. The companion CD contains all of the questions from the book, plus over 2,600 additional practice questions in a flexible electronic format that allows you to customize your study experience and focus on those areas you need to review the most. Twelve pharmacology chapters, a medication and intravenous calculation chapter, and a pediatric medication administration chapter prepare you for the increase in pharmacology questions on the exam. 3,700 practice questions in the text and companion CD provide ample testing practice in both print and electronic format. Covers all types of alternate item format questions, including prioritizing, decision-making, and critical thinking to help you prepare for this crucial component of the exam. **UNIQUE!** The companion CD offers 3,700 practice questions that you can answer in both a study mode and an exam mode, as well as the option to answer only alternate item format questions or focus on questions in a specific area of nursing content, client needs, nursing process, or cognitive level. **UNIQUE!** Linda Silvestri's hallmark test-taking strategies for each question offer important clues for analyzing and uncovering the correct answer option. **UNIQUE!** Page references to Mosby or Saunders textbooks provide specific resources for further study and self-remediation. Each question is categorized by cognitive level, client needs area, integrated process, and clinical content area to allow you to focus on your area of weakness. Pyramid Terms at the beginning of each chapter give you a quick preview of key content. Pyramid Points throughout the content outlines highlight content that typically appears on the exam. Pyramid to Success sections at the beginning of each chapter or major unit of the book provide an overview of the chapter, guidance and direction regarding the focus of review in each content area, and its relative importance to the most recent NCLEX-PN® text plan. A comprehensive exam in the text features 85 questions related to all content areas and parallels the percentages identified in the NCLEX-PN® test plan. Completely updated content reflects the April 2008 NCLEX-PN® test plan, so you can be sure you're using the most current information to prepare for the exam. A user-friendly, 2-color design helps you focus your studying on the most important information. Additional illustrations visually demonstrate key concepts to help improve your retention and recall for the exam. Audio questions on heart and lung sounds familiarize you with this anticipated new type of alternate item format question.

SAUNDERS COMPREHENSIVE REVIEW FOR THE NCLEX-PN® EXAMINATION - E-BOOK

Elsevier Health Sciences This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included.

FOUNDATIONS AND ADULT HEALTH NURSING - TEXT AND VCE 3.0 PACKAGE

Mosby Incorporated This convenient, money-saving package is a must-have for practical/vocational nursing students. It includes Christensen's Foundations & Adult Health Nursing, 5th edition text and Virtual Clinical Excursions 3.0 for Foundations & Adult Health Nursing, 5th edition.

SAUNDERS Q & A REVIEW FOR THE NCLEX-PN® EXAMINATION E-BOOK

Elsevier Health Sciences Based on student feedback, Saunders Q&A Review for the NCLEX-PN® Examination is organized to address specific Client Needs and Integrated Processes to mirror the NCLEX-PN test plan. This review follows Silvestri Comprehensive Review as the natural next step for students in the Silvestri suite of products. It contains 3,200 practice questions—including Alternate Item Format—that include comprehensive rationales for both correct and incorrect options, test-taking strategies, and a textbook page reference for further explanation. This title includes additional digital media when purchased in print format. For this digital book edition, media content may not be included. Remediation tied directly back to your Elsevier textbooks provides resources for further study. Content is organized according to Client Needs, providing an organized review for exam preparation and end-of-course or exit standardized exams. Practice questions, answers, and detailed rationales all appear on the same page, giving you immediate feedback on your responses. Detailed test-taking strategies for each question give you clues for analyzing

and uncovering the correct answer option. Rationales are provided for both correct and incorrect options. Provides computerized testing practice in study, quiz, or exam modes, to allow you to choose from 21 different content categories and focus your study sessions. Each question is categorized by level of cognitive ability, Client Needs area, integrated process, and clinical content area to allow you multiple study and exam selections. Contains chapters on academic and nonacademic NCLEX-PN preparation, advice from a recent nursing graduate, and test-taking strategies that help you understand complicated exam questions. Comprehensive exam consists of 85 questions related to all content areas in the book and representative of the percentages identified in the NCLEX-PN test plan.

FOUNDATIONS AND ADULT HEALTH NURSING - E-BOOK

Elsevier Health Sciences Part of the popular LPN Threads series, this comprehensive text includes in-depth discussions of fundamental concepts and skills, plus medical-surgical content to help you provide safe and effective care in the fast-paced healthcare environment. Easy-to-read content, an enhanced focus on preparing for the NCLEX® Examination, and a wealth of tips and study tools make Foundations and Adult Health Nursing, 6th Edition, your must-have text!

FOUNDATIONS OF NURSING - E-BOOK

Elsevier Health Sciences Part of the popular LPN Threads series, this comprehensive text prepares you for safe and effective nursing practice in today's fast-paced healthcare environment. Covering maternal and neonatal, pediatric, geriatric, mental health, and community nursing, Foundations of Nursing, 6th Edition, includes all of the essential LPN/LVN content you need. Companion CD includes animations and audio clips depicting physiologic processes, physical assessment video clips, an English/Spanish glossary with definitions and audio pronunciations, an anatomy coloring book, and a fluid and electrolytes tutorial. The consistent, logical framework of the nursing process connects specific disorders to patient care. A mathematics review chapter provides a complete review of basic arithmetic skills and practice in drug dosage calculation to ensure safe medication administration. Safety Alert boxes help you implement The Joint Commission's safety guidelines in all settings, with considerations for special populations. Nursing Diagnosis boxes, screened and highlighted in the text, include nursing diagnoses for specific disorders paired with the appropriate nursing interventions. More than 100 skills in a step-by-step format with full-color illustrations present clearly defined nursing actions with rationales for the skills and techniques you'll use in practice. Medication tables are meticulously detailed and provide quick access to action, dosage, precautions, and nursing considerations for commonly used drugs. Nursing Care Plans, presented in a case-study format, emphasize patient goals and outcomes and end with Critical Thinking Questions to develop your clinical decision-making skills. Coordinated Care boxes emphasize parameters for prioritizing tasks, as well as assigning tasks to and supervising unlicensed assistive personnel. Patient Teaching boxes and Family Teaching boxes include post-hospital discharge guidelines and disease prevention instructions with a strong focus on three-way communication among the nurse, patient, and family members. Life Span Considerations for Older Adults boxes provide age-specific information for the care of the aging population, which is often the primary focus of the LPN/LVN nurse. Home Care Considerations boxes discuss the issues facing patients and caregivers in the home health care setting. Health Promotion boxes provide key information on staying healthy and preventing disease, with tips on wellness from Healthy People 2010. Cultural Considerations boxes discuss how to address the health needs of a culturally diverse patient population when planning care. Enhanced focus on the NCLEX® Examination offers end-of-chapter Get Ready for the NCLEX Examination! sections with key points for self-guided study and remediation and an extensive set of review questions for thorough self-assessment. Additional review questions on Evolve provide instant feedback with correct answer and rationale for even more test-taking practice. Evidence-Based Practice boxes summarize the latest research findings and highlight how they apply to LPN/LVN practice. Updated, vibrant full-color design highlights key information and enhances your understanding of important concepts.

FOUNDATIONS OF NURSING

Mosby Accompanying interactive CD-ROM contains an audio pronunciation guide, NCLEX-style questions, critical thinking review, animat.

ADULT HEALTH NURSING - E-BOOK

Elsevier Health Sciences Part of the popular LPN Threads series, this comprehensive text includes all of the vital medical-surgical and anatomy and physiology content you need to know. From an introduction to A&P to discussions of disorders by body system and beyond, Adult Health Nursing, 6th Edition, is an indispensable reference. Companion CD includes animations and audio clips depicting physiologic processes, physical assessment video clips, an English/Spanish glossary with definitions and audio pronunciations, an anatomy coloring book, and a fluid and electrolytes tutorial. Chapters begin with an overview of anatomy and physiology, providing a clear, basic understanding of A&P that LPN/LVNs need to know. The consistent, logical framework of the nursing process connects specific disorders to patient care. Safety Alert boxes help you implement The Joint Commission's safety guidelines in all settings, with considerations for special populations. Nursing Diagnosis boxes, screened and highlighted in the text, include nursing diagnoses for specific disorders paired with the appropriate nursing interventions. Skills in a step-by-step format with full-color illustrations present clearly defined nursing actions with rationales for the skills and techniques you'll use in practice. Medication tables are meticulously detailed and provide quick access to action, dosage, precautions, and nursing considerations for commonly used drugs. Nursing Care Plans, presented in a case-study format, emphasize patient goals and outcomes and end with Critical Thinking Questions to develop your clinical

decision-making skills. An emphasis on communication features real-life examples of nurse-patient dialogue and illustrates practical guidelines for effective communication. Patient Teaching boxes and Family Teaching boxes include post-hospital discharge guidelines and disease prevention instructions with a strong focus on three-way communication among the nurse, patient, and family members. Life Span Considerations for Older Adults boxes provide age-specific information for the care of the aging population, which is often the primary focus of the LPN/LVN nurse. Home Care Considerations boxes discuss the issues facing patients and caregivers in the home health care setting. Health Promotion boxes provide key information on staying healthy and preventing disease, with tips on wellness from Healthy People 2010. Cultural Considerations boxes discuss how to address the health needs of a culturally diverse patient population when planning care. Complementary and Alternative Therapy boxes includes disorder-specific therapies, precautions, and possible side effects of non-traditional treatments. Enhanced focus on the NCLEX® Examination offers end-of-chapter Get Ready for the NCLEX Examination! sections with key points for self-guided study and remediation and an extensive set of review questions for thorough self-assessment. Additional review questions on Evolve provide instant feedback with correct answer and rationale for even more test-taking practice. Evidence-Based Practice boxes summarize the latest research findings and highlight how they apply to LPN/LVN practice. Updated, vibrant full-color design highlights key information and enhances your understanding of important concepts.

ROACH'S INTRODUCTORY CLINICAL PHARMACOLOGY

Lippincott Williams & Wilkins This core text offers LPN/LVN students a clear, concise introduction to pharmacology, focusing on basic principles and the nurse's responsibility in drug administration. Organized by body system, the book examines pharmacologic properties and therapeutic applications of drug classes. Summary Drug Tables present generic and trade drug names, uses, adverse reactions, and usual dosage ranges. This edition has thoroughly updated drug information, a new "Pharmacology in Practice" case study feature, Nursing Alerts, Lifespan Alerts, Chronic Care Alerts, Diversity Alerts, and additional material on the nursing process. Including a FREE copy of Lippincott's Photo Atlas of Medication Administration, a bound CD-ROM, a companion website includes an NCLEX® alternate item format tutorial, a Spanish-English audio glossary, monographs on 100 most commonly prescribed drugs, Listen and Learn, Concepts in Action animations, Watch and Learn video clips, and Dosage Calculation Quizzes. The full text is also available online. Online Tutoring powered by Smarthinking—Free online tutoring, powered by Smarthinking, gives students access to expert nursing and allied health science educators whose mission, like yours, is to achieve success. Students can access live tutoring support, critiques of written work, and other valuable tools.

ADULT HEALTH NURSING

Mosby CD-ROM content: "audio pronunciation guide, NCLEX-style review questions, critical thinking review, animations, video clips, Spanish-English phrases, a fluids and electrolytes tutorial, the Body Spectrum electronic anation coloring book, and more."--Page [4] de la couv.

COMMUNITY & PUBLIC HEALTH NURSING: PROMOTING THE PUBLIC'S HEALTH

Lippincott Williams & Wilkins Community & Public Health Nursing is designed to provide students a basic grounding in public health nursing principles while emphasizing aggregate-level nursing. While weaving in meaningful examples from practice throughout the text, the authors coach students on how to navigate between conceptualizing about a population-focus while also continuing to advocate and care for individuals, families, and aggregates. This student-friendly, highly illustrated text engages students, and by doing so, eases students into readily applying public health principles along with evidence-based practice, nursing science, and skills that promote health, prevent disease, as well as protect at-risk populations! What the 8th edition of this text does best is assist students in broadening the base of their knowledge and skills that they can employ in both the community and acute care settings, while the newly enhanced ancillary resources offers interactive tools that allow students of all learning styles to master public health nursing.

STUDY GUIDE FOR FOUNDATIONS OF NURSING

Elsevier Reinforce your understanding of LPN/LVN nursing skills - and prepare for the NCLEX-PN(R) exam! Corresponding to the chapters in Foundations of Nursing, 9th Edition, this study guide provides a variety of exercises to help you review, practice, and apply nursing concepts and principles. Review questions make it easier to achieve the chapter objectives from the textbook, and critical thinking activities help you develop clinical judgment skills. Now with Next Generation NCLEX(R) (NGN)-style case studies and questions, this guide provides you with an effective study tool for the NGN exam. Variety of exercises reinforces student understanding of nursing fundamentals with multiple-choice, matching, and select-all-that-apply questions, as well as crossword puzzles. Critical thinking activities ask students to apply their knowledge to clinical scenarios. Textbook page references are included for questions and activities, simplifying lookup and review. Answer key is provided on the Evolve website for Foundations of Nursing. NEW! Next Generation NCLEX(R) (NGN)-style questions provide practice for the new question formats on the NCLEX-PN(R) exam. NEW! Updated exercises correspond to the new and revised content in Foundations of Nursing, 9th Edition. NEW! Case studies allow students to practice and apply clinical judgment skills.

SAUNDERS Q AND A REVIEW FOR NCLEX-PN

Saunders Preferred by students and faculty alike, this review addresses specific Client Needs and Integrated Processes

in the 2008 NCLEX-PN test plan. The text and accompanying CD-ROM contain 3,200 practice questions and allows readers to focus study sessions.

CONTEMPORARY NURSING

ISSUES, TRENDS, & MANAGEMENT

Mosby Incorporated Contemporary Nursing, Issues, Trends, & Management, 6th Edition prepares you for the rapidly evolving world of health care with a comprehensive yet focused survey of nursing topics affecting practice, as well as the issues facing today's nurse managers and tomorrow's nurse leaders. Newly revised and updated, Barbara Cherry and Susan Jacob provide the most practical and balanced preparation for the issues, trends, and management topics you will encounter in practice. Content mapped to the AACN BSN Essentials emphasizes intraprofessional teams, cultural humility and sensitivity, cultural competence, and the CLAS standards. Vignettes at the beginning of each chapter put nursing history and practice into perspective, followed by Questions to Consider While Reading This Chapter that help you reflect on the Vignettes and prepare you for the material to follow. Case studies throughout the text challenge you to apply key concepts to real-world practice. Coverage of leadership and management in nursing prepares you to function effectively in management roles. Career management strategies include advice for making the transition from student to practitioner and tips on how to pass the NCLEX-RN® examination. Key terms, learning outcomes, and chapter overviews help you study more efficiently and effectively. Helpful websites and online resources provide ways to further explore each chapter topic. Coverage of nursing education brings you up to date on a wide range of topics, from the emergence of interactive learning strategies and e-learning technology, to the effects of the nursing shortage and our aging nursing population. Updated information on paying for health care in America, the Patient Protection and Affordable Care Act, and statistics on health insurance coverage in the United States helps you understand the history and reasons behind healthcare financing reform, the costs of healthcare, and current types of managed care plans. A new section on health information technology familiarizes you with how Electronic Health Records (EHRs), point-of-care technologies, and consumer health information could potentially impact the future of health care. Updated chapter on health policy and politics explores the effect of governmental roles, structures, and actions on health care policy and how you can get involved in political advocacy at the local, state, and federal level to help shape the U.S. health care system. The latest emergency preparedness and response guidelines from the Federal Emergency Management Agency (FEMA), the Centers for Disease Control (CDC), and the World Health Organization (WHO) prepare you for responding to natural and man-made disasters.

BASIC GERIATRIC NURSING

Mosby Incorporated Describes the theories and concept of aging along with information on the physiological and psychosocial changes and problems of the aging process, and covers the appropriate nursing interventions.

SAUNDERS COMPREHENSIVE REVIEW FOR NCLEX-PN

This innovative book prepares students for the NCLEX-PN exam with thorough content review and 3,000 practice questions. Silvestri provides readers with information on NCLEX-PN preparation, test-taking strategies and the NCLEX-PN from students' perspectives. A free CD-ROM contains all 1,600 questions from the book plus 1,400 additional questions.

INTRODUCTION TO MATERNITY & PEDIATRIC NURSING

Saunders Part of the popular LPN Threads series, Introduction to Maternity & Pediatric Nursing provides a solid foundation in obstetrics and pediatric nursing. An easy-to-follow organization by developmental stages, discussion of disorders by body system from simple-to-complex and health-to-illness, and a focus on family health make it a complete guide to caring for maternity and pediatric patients. Written in a clear, concise style by Gloria Leifer, MA, RN, this edition reflects the current NCLEX® test plan with additional material on safety, health promotion, nutrition, and related psychosocial care. Cultural Considerations boxes and a Cultural Assessment Data Collection Tool help in developing individualized plans of care. Updated health promotion content includes Health Promotion boxes focusing on preventive strategies for achieving prenatal wellness, health during pregnancy, postnatal health, and pediatric illness prevention and wellness -- including the complete immunization schedules for all ages. Nursing Tips provide information applying to the clinical setting. Objectives are listed in each chapter opener. Key terms include phonetic pronunciations and text page references at the beginning of each chapter. Nursing Care Plans with critical thinking questions help you understand how a care plan is developed, how to evaluate care of a patient, and how to apply critical thinking skills. A companion Evolve website includes animations, videos, answers to review questions and answer guidelines for critical thinking questions, an English/Spanish audio glossary, critical thinking case studies, and additional review questions for the NCLEX examination. Get Ready for the NCLEX® Examination! sections at the end of each chapter help you prepare for classroom tests and the NCLEX examination. Increased focus on safety helps you prepare for safe nursing practice, with: Safety Alert! boxes based on The Joint Commission's 2009/2010 National Patient Safety Goals Medication Safety Alert! boxes highlighting serious and potentially fatal medication errors in infants and children New information on determining pediatric dosages and a discussion of the Pedislide system New skills include step-by-step instructions for: Bathing the Newborn Assessing the Length and Height of Infants and Children Calculating BMI Removal of a Peripheral Intravenous Catheter Using the Peak Flowmeter Using a Metered-Dose Inhaler Updated, vibrant full-color design highlights key information and enhances your understanding of

important concepts. Updated nutrition content compares commercially available infant formulas and discusses organic, natural, and dietetic foods. Nutrition Considerations boxes cover prenatal care, nutritional issues during infancy, and the crisis in childhood obesity. Memory Jogger boxes help you remember important material with mnemonics, tips, and tricks. An updated glossary is available in the textbook, as well as on the companion Evolve website.

FUNDAMENTALS OF NURSING

THE ART AND SCIENCE OF NURSING CARE

COMMUNITY & PUBLIC HEALTH NURSING

EVIDENCE FOR PRACTICE

Lippincott Williams & Wilkins Ensuring students meet the competencies outlined in the Quad Council of Public Health Nursing Organizations (ACHNE, 2011) and AACN's (2008) publication Essentials of Baccalaureate Education for Professional Nursing Practice Community and Public Health Nursing, the 3rd Edition of Community & Public Health is a primer to community, public, and population health nursing that develops students' abstract critical thinking skills and complex reasoning abilities through case studies, exercises, and examples throughout the highly illustrated text. Authors DeMarco & Healey-Walsh introduce public health concepts from an evidence-based perspective, allowing students to make connections between data and practice decisions. Because evidence-based practice guides quality performance improvements, the authors teach students to gather, assess, analyze, apply, and evaluate evidence—derived from epidemiology and other sources— for making public health practice decisions and for planning the care of individuals, families, and groups in the community. Examples assist students in interpreting and applying statistical data. The authors integrate timely topics (major challenges to nursing practice in the community, community and public health nursing specialties, cultural diversity, health disparities, globalism, epidemiology and basic biostatistics, and ethical considerations, Preventative immunizations, political proactiveness, advanced practice preparation, sustainable health goals, ebola, telehealth, opioid epidemic, veterans and LBGQ as a underserved populations, iPrepare, health literacy, health promotion conferences, and Healthy People 2020.) Special attention will be given to add additional features and ancillaries that allow students to actively learn. Healthy People 2020, and students will complete short active learning activities/questions will allow students apply the goals to real-life scenarios. NEW to this edition's ancillary package are unfolding case studies related to our new clinical replacement solution Lippincott Clinical Experiences: Community, Public, and Population Health. Our PowerPoints have been enhanced and are now heavily illustrated.

HOW PEOPLE TICK

A GUIDE TO OVER 50 TYPES OF DIFFICULT PEOPLE AND HOW TO HANDLE THEM

Kogan Page Publishers This new edition of How People Tick is a practical guide to over 50 types of difficult people such as Angry People, Blamers, Impatient People, Workaholics and Gossips. Each difficult situation is described, how it happens is analysed, and then strategies to help you deal with the problem are suggested. Disruptive behaviour patterns can be addressed once and for all, instead of having to handle one-off 'difficult' events, time and time again. Absolutely invaluable to everybody, How People Tick is full of tried and tested tips for handling 'difficult' people in 'difficult' situations, based on a real understanding of their behaviour. It is an essential read if you find people bewildering or just plain difficult, and yet still want to understand them, work with them and live with them.

FARM PRODUCTION EXPENDITURES FOR ...

HAMRIC & HANSON'S ADVANCED PRACTICE NURSING - E-BOOK

AN INTEGRATIVE APPROACH

Elsevier Health Sciences Edited and written by a Who's Who of internationally known advanced practice nursing experts, Hamric and Hanson's Advanced Practice Nursing: An Integrative Approach, 6th Edition helps you develop an understanding of the various advanced practice registered nursing (APRN) roles. This bestselling textbook provides a clear, comprehensive, and contemporary introduction to advanced practice nursing today, addressing all major APRN competencies, roles, and issues. It covers topics ranging from the evolution of advanced practice nursing to evidence-based practice, leadership, ethical decision-making, and health policy. New to this edition is expanded coverage of interprofessional collaborative practice, updated coverage of APRN roles related to implementation of healthcare reform in the U.S., updated and expanded coverage of IOM and QSEN, a global focus on international advanced practice nursing, and much more! Coverage of all APN core competencies defines and describes all competencies, including direct clinical practice, guidance and coaching, consultation, evidence-based practice, leadership, collaboration, and ethical decision-making. Operationalizes and applies the APN core competencies to the major APN specialties including the Clinical Nurse Specialist, the Primary Care Nurse Practitioner, the Acute Care Nurse Practitioner, the Certified Nurse-Midwife, and the Certified Registered Nurse Anesthetist. Content on managing APN environments addresses such factors as business planning and reimbursement; marketing, negotiating, and contracting; regulatory, legal, and credentialing requirements; health policy; and nursing outcomes and performance improvement research. UNIQUE! Exemplar boxes (case studies), including Day in the Life vignettes of each APN specialty, emphasize innovative practices and coverage of advanced practice roles. In-depth discussions of educational strategies for APN competency development show how nurses develop competencies as they progress into advanced practice. NEW and UNIQUE! Expanded coverage of interprofessional collaborative practice includes the latest Interprofessional Education Collaborative (IPEC) Core Competencies for Interprofessional Collaborative Practice. NEW! Updated coverage of APRN roles related to implementation of healthcare in the U.S. reflects current and anticipated changes in APRN roles related to healthcare reform. NEW! Coverage of IOM and QSEN has been updated and expanded. NEW! Refocused International Development of Advanced Practice Nursing chapter has been rewritten to be more global and inclusive in focus, to reflect the state of advanced practice nursing practice throughout all major regions of the world. NEW! Expanded content on the role of advanced practice nurses in teaching/education/mentoring and health policy related to the APRN role is featured in the 6th edition.

HESI COMPREHENSIVE REVIEW FOR THE NCLEX-PN® EXAMINATION - E-BOOK

Elsevier Health Sciences A comprehensive, all-in-one review of the information you need to know to pass your nursing exams! Updated with the latest test plan and written in an easy-to-read outline format, HESI Comprehensive Review for the NCLEX-PN® Examination, 6th Edition prepares you for success on both the HESI exit exam and the NCLEX-PN®. This trusted guide breaks down chapters by clinical areas and the concepts emphasized on the NCLEX-PN® exam, so you can easily search for various topics to review. Rationales are provided for any incorrect answers or areas of weakness to help strengthen your understanding. The companion Evolve website also offers 750 practice questions, including alternate item formats, in both study and exam modes to give you valuable practice using the same electronic testing format you will face on the nursing school exit exam and on the NCLEX-PN® exam. HESI Hint boxes spotlight important clinical information and concepts commonly tested on the NCLEX-PN® exam. 750 NCLEX practice questions on the companion Evolve website include alternate item formats to provide a testing experience similar to the HESI exit exam and the NCLEX-PN® exam. Pharmacology tables highlight the need-to-know drug therapy content emphasized on the NCLEX-PN® exam. Critical thinking study questions with rationales reinforce key concepts and content. Chapters organized by clinical area enable you to easily search for various topics to review. Consistent format and chapter organization make it easy to move between topics when reviewing. NEW! Thoroughly updated content incorporates clinical updates and reflects the latest NCLEX-PN® test plan. EXPANDED! 200 additional NCLEX practice questions on the Evolve site assist you with practice.

PRIORITIES IN CRITICAL CARE NURSING

Mosby This publication addresses all the topics crucial to students or newly qualified critical care nurses. Designed for 9-13 week critical care classes, this new edition prepares readers to integrate the technology of critical care with psychosocial concerns in order to provide high-quality nursing care.

OBJECT-ORIENTED DESIGN USING JAVA

The primary strength of Object-Oriented Design Using Java is that it has one of the best presentations of problem solving using patterns available. It has received rave reviews from instructors and has been class tested at a number of schools where the response from both professors and students has been extremely positive. This book is intended for the object-oriented programming design course where UML is used extensively for design and notation. It has been especially designed to be accessible to students and is full of real-world examples, case studies, and other aids to assist student understanding.

CONTEMPORARY PSYCHIATRIC-MENTAL HEALTH NURSING

Prentice Hall This book has been developed focusing on two central themes-1) evidence-based nursing practice and 2) global mental health. It provides readers with the most current, culturally competent, authoritative, and comprehensive resource available. Supporting and interactive material can be found on the companion website and CD-ROM.
