**The Unshakable Truth How You Can Experience the 12 Essentials of a Relevant Faith The Unshakable Truth** How You Can Experience the 12 Essentials of a Relevant Faith *Harvest House Publishers* The name Josh McDowell promises real-life, on-the-street Christian apologetics. In his first Harvest House book, Josh joins his son Sean to draw on his life's work and comprehensively address a vital issue: why an entire generation of young Christians--and millions of older believers--is confused about what they believe, why they believe it, and how it's relevant. The Unshakable Truth is uniquely positioned for younger Christians because it presents apologetics relationally, focusing on how Christianity's doctrines affect relationships. The authors... ground every assertion in the overarching story of creation, incarnation, and re-creation. distill 12 crucial "faith statements"--for example, "A personal Creator God exists." explain why each statement is trustworthy, how it applies to real life, and--using examples, stories, and experiences--what its relevance is. A spiritual gold mine for parents, youth workers, pastors--anyone wanting to reveal Christianity's relevance to today's life and culture. The Unshakable Truth 12 Powerful Sessions on the Essentials of a Relevant Faith Dennis Rainey says of Unshakable Truth book, Josh and Sean McDowell have a clear understanding of what this generation needs, and they communicate that truth in a logical and compelling way. This dynamic video presentation distills the book's central points to help Christians know what they believe, why they believe it, how it's relevant to life, and how they can pass it on to the next generation. Uniquely, Josh and Sean present apologetics relationally, showing how right believing affects both believers and people they encounter. In twelve 15-minute sessions they help viewers understand God's grand plan of creation, incarnation, and re-creation discover the 12 truth statements of Scripture and why they're credible experience Christianity's authenticity through practical examples and real-life stories. The available workbook makes the DVD even more a spiritual gold mine for pastors, leaders, parents, youth groups, and church groups. Helpful leaders guide included. **Christian Beliefs 20 Basics Every Christian Should Know Basic Training, Plain Talk on the Key Truths of the Faith** *Zondervan Publishing Company* **10 Commitments for Dads How to Have an Awesome Impact on Your Kids** *Harvest House Publishers* Child rearing has never been easy, and if you're a dad today, trustworthy advice on good parenting and godly parenting skills can be hard to find. Author and speaker Josh McDowell has spent over 50 years successfully working with young people, including raising his own four children. He mentors you in guiding your children into 10 practical life commitments that will enable them to confidently face a scary world and an uncertain future. You can help your kids know how to love God, love themselves, and love others make right choices resolve conflict and respond properly to authority understand sex and relationships as God designed them deal humbly with success and graciously with defeat Leading your kids with God's wisdom and practicing good parenting skills is the best way to love them. **10 Commitments for Dads** gives you a straightforward, concise resource for keeping your children in the center of your heart. **Faith and Reason** *Clarendon Press* Richard Swinburne presents a new edition of the final volume of his acclaimed trilogy on philosophical theology. Faith and Reason is a self-standing examination of the implications for religious faith of Swinburne's famous arguments about the coherence of theism and the existence of God. By practising a particular religion, a person seeks to achieve some or all of three goals - that he worships and obeys God, gains salvation for himself, and helps others to attain their salvation. But not all religions commend worship, and different religions have different conceptions of salvation. Faced with these differences, Richard Swinburne argues that we should practice that religion which has the best goals and is more probably true than the creeds of other religions. He proposes criteria by which to determine the probabilities of different religious creeds, and he argues that, while requiring total commitment, faith does not demand fully convinced belief. While maintaining the same structure and conclusions as the original classic, this second edition has been substantially rewritten, both in order to relate its ideas more closely to those of classical theologians and philosophers and to respond to more

recent views. In particular he discusses, and ultimately rejects, the view of Alvin Plantinga that the 'warrant' of a belief depends on the process which produced it, and John Hick's contention that all religions offer valid paths to salvation. *Rebels with Insufficient Cause* Americans of African Descent, the Victim Mentality, and Value Formation through the Family *Wipf and Stock Publishers* Why are Americans of African descent, as a group, not flourishing like other racial groups in America? Dr. J. M. Sparrow, in *Rebels with Insufficient Cause*, proposes that value formation through the biblical model of the family is lacking. The secular world is redefining and reinterpreting the social structures that God created in order for humans to enjoy maximum human flourishing. Every person or social group that chooses to ignore God's designs for humanity will experience chaos, but every person and social group that submits to God's designs for humanity will experience order. Americans of African descent are experiencing that chaos in greater measure than any other racial group. Since this book holds to a biblical worldview that teaches that all humans are created equal, Americans of African descent are not inherently more debased than other races. However, since the out-of-wedlock birth rate is astronomically higher in black communities than in others, they are experiencing a greater share of the chaos. Yet all is not lost. When Americans of African descent begin to hold up the truths of the Bible as normative and encourage future generations to practice the same, things will begin to turn around. Americans of African descent must choose to reject the victim mentality, see themselves as part of the larger American culture rather than as outsiders, and inculcate biblical values on their children in the midst of loving, supportive, and God-honoring family units. *The Pillars of Christian Character The Basic Essentials of a Living Faith* *Crossway* "To love [God] with all your heart, with all your understanding and with all your strength, and to love your neighbor as yourself is more important than all burnt offerings and sacrifices." -Jesus' words in Mark 12:33 Without question the crucial issue in living the Christian life is the condition of your heart. Actions may be temporarily deceiving, but ultimately our outward behavior will reflect what's inside, because our internal attitudes form who we really are. Those inner attitudes are also what God deems most important. In this book one of Christianity's most respected Bible teachers and pastors examines the foundational attitudes, or "pillars," of Christian character as outlined in God's Word. Pillars such as genuine faith, obedience, humility, selfless love, forgiveness, self-discipline, gratitude, and worship. To some degree each trait, on its own, marks a person as one of God's own and reveals an active, living faith. Each is an essential element of mature Christianity. But there is transforming power when you combine them in your everyday living as God commands. Your character will be grounded in godliness; you will see things from an eternal perspective; and your faith, your actions, your witness to others will be revitalized from the inside out. *Essential Christian Doctrine A Handbook on Biblical Truth* *Crossway* A Concise Summary of Biblical Truth by John MacArthur Doctrine not only equips you with more knowledge about God, it also shapes your affections toward him and directs your actions for him—but it can be difficult to know where to begin. This concise handbook, developed from John MacArthur's larger work *Biblical Doctrine*, is an entry point for studying theological topics such as the Bible, the Holy Spirit, the church, and more. As MacArthur walks through the essentials of the Christian faith doctrine by doctrine, he'll not only encourage your heart and mind, but also empower you to proclaim the faith that was "once for all delivered to the saints" (Jude 3). *Just Do Something A Liberating Approach to Finding God's Will* *Moody Publishers* OVER 300,000 COPIES SOLD! Why won't God reveal his special will for my life already? Because he doesn't intend to... So says Kevin DeYoung in this punchy book about making decisions the godly way. Many of us are listening for the still small voice to tell us what's next instead of listening to the clear voice in Scripture telling us what's now. God does have a will for your life, but it is the same as everyone else's: Seek first the kingdom of God. And quit floundering. With pastoral wisdom and tasteful wit, DeYoung debunks unbiblical ways of understanding God's will and constructs a simple but biblical alternative: live like Christ. He exposes the frustrations of our waiting games and unfolds the freedom of finding God's will in Scripture and then simply doing it. This book is a call to put down our Magic 8-Balls and pick up God's Word. It's a call to get wisdom, follow Christ, be holy, and live freely. *Joy of Faith, Joy of Life : Lectures on the Essential Points of the Christian Faith* *Médiaspaul* Fundamentals of the Faith Essays in Christian Apologetics *Ignatius Press* Kreeft considers all the fundamental elements of Christianity and Catholicism, explaining, defending and showing their relevance to our life and the world's yearnings. Here is a book to help you understand your faith more fully and to explain it to others more winningly. Like every religion, this faith has three aspects, corresponding to the three parts of the soul and filling the innate needs of all three parts. Kreeft uses these three divisions as the basic outline for his Christian apologetics. First, every religion has some beliefs, whether expressed in creeds or not, something for the intellect to know. Second, every religion has some duty or deed, some practice of program, some moral or ethical code, something for the will to choose. Finally, every religion has some liturgy, some worship, some "church", something for the body and the concrete imagination and the aesthetic sense to work at. *Creed, Code and Cult; Words, Works and Worship*, are a most useful way of outlining any religious faith, including the Catholic Faith of Christians. *Important Doctrines of the True Christian Religion Explained, Demonstrated, and Vindicated from Vulgar Errors ... Essential Readings in Medicine & Religion* *Johns Hopkins University Press+ORM* "[A] useful, well-edited anthology of important texts in the history of the intersection of religion and medicine." —Warren Kinghorn, MD, ThD, Duke University Medical Center and Duke Divinity School Gary B. Ferngren and Ekaterina N. Lomperis have gathered a rich collection of annotated primary sources that illustrate the intersection of medicine and religion. Intended as a companion volume to Ferngren's classic *Medicine and Religion*, which traces the history of the relationship of medicine to religion in the Western world from the earliest ancient Near Eastern societies to the twenty-first century, this useful and extensive sourcebook places each key document in historical context. Drawing from more than 160 texts, the book explores a number of themes, including concepts of health, the causes and cure of disease, medical ethics, theodicy, beneficence, religious healing, consolation, and death and dying. Each chapter begins with an introduction that

furnishes a basic historical setting for the period covered. Modern translations, some of which have been made especially for this volume, are used whenever possible. The texts are numbered sequentially within each chapter and preceded by a short introduction to both the author and the subject. Touching on Mesopotamia, Egypt, Israel, Greece, Rome, the European Middle Ages, Islam, early modern Europe, and the modern era, *Essential Readings in Medicine and Religion* brings a wide range of sources together to expand on the crucial lessons of Medicine and Religion. This book is a useful introduction for all students of history, divinity, medicine, and health. *The Deity of Jesus Christ Essential to the Christian Religion A Treatise on the Divinity of Our Lord Jesus Christ The Relevance of Religion How Faithful People Can Change Politics* *Random House Incorporated* Argues for the use of religious faith and compassion to help overcome the extremely partisan nature of contemporary politics and restore civic virtue, envisioning a political process and Republican party that uses religion to unite, rather than divide. *Faith's Fundamentals Seven Essentials of Christian Belief* *Wipf and Stock Publishers* Academic questions? Not according to Jack Cottrell. He believes our answers to questions like these decide whether we'll win against Satan's battle for our mind and soul. How should you answer these questions? What do you know about the essentials of Christian faith? In a world that says truth doesn't matter, discover what God says about these basics. In a culture that emphasizes feelings over facts, consider what God says you must believe - and why. Seven readable chapters explain foundational principles in language everyone can understand. The book is perfect for groups as well as for your own individual study. *An Uncommon Union Dallas Theological Seminary and American Evangelicalism* *Zondervan* Dallas Theological Seminary is often viewed as a bastion of conservative evangelicalism, marked by an unswerving devotion to theological positions of fundamentalism, biblical inerrancy, and dispensational premillennialism. *An Uncommon Union*, the first book-length history of Dallas Theological Seminary, written by a graduate and veteran faculty member of DTS, provides a necessary corrective to such a simplistic assessment. Using the tenures of the school's five presidents as the backbone for his narrative, John D. Hannah reveals the tensions that DTS has experienced in its eighty-plus years of existence. Each successive president of DTS brought his own unique style and perceptions to the school, even as he dealt with the changing religious and cultural milieu that swirled around it. Hannah argues that, rather than being a monolithic institution, Dallas Theological Seminary is a unique blend of differing heritages and of opposing traditions, a place that defies easy categorization. A keenly insightful and thoughtful work, *An Uncommon Union* illuminates the path charted by the leaders of a prominent American seminary in a rapidly changing world. All readers interested in the history and future of evangelicalism, regardless of their theological persuasion, will benefit from this book. *The Deity of Jesus Christ Essential to the Christian Religion ... A New Edition of the English Translation Revised ...* by Abraham Booth *The Essential Place of Religion in Education Beyond Bible Basics A Manual for Spiritual Growth* *duncan heaster* Maimonides' Essential Teachings on Jewish Faith and Ethics *The Book of Knowledge and the Thirteen Principles of Faith : Selections Annotated and Explained* *SkyLight Paths Publishing* No Jewish thinker has had a more significant impact on Jewish religious thought than Moses Maimonides. In this examination of Maimonides's theological and philosophical teachings, Rabbi Marc D. Angel opens up for us Maimonides's views on the nature of God, providence, prophecy, free will, human nature, repentance, and more. *Christianity For Dummies* *John Wiley & Sons* Get to know the beliefs and practices inspired by Jesus Christ Discover what it means to be a Christian and follow the gospel Curious about Christianity? This friendly guide helps you understand the basic teachings of the Christian faith, exploring the common ground that all Christians share, the differences among the major branches, the key events in Christian history, the key theological issues, and the many ways Christians live out their faith in today's world. *The Dummies Way Explanations in plain English "Get in, get out" information Icons and other navigational aids Tear-out cheat sheet Top ten lists A dash of humor and fun Discover how to: Express the core essentials of Christianity Appreciate the life and teachings of Jesus Understand why the Bible is central to the faith Respect the unique roles of the Trinity Explore controversial issues among the branches Essentials of The Islamic Faith* *Tughra Books* *Essentials of the Islamic Faith* is a selection from some of the speeches M. Fethullah Glen has given to large audiences over a life-time of dedicated service. In these speeches, he explains the principal elements of Islamic belief - belief in the existence and Unity of God; in Resurrection and the Day of Judgment; in Divine Scriptures and other familiar themes of Islamic discourse. What is special and unique about the presentation of them in this book is that the author is constantly aware of the encroachment (and the seductive appeal) of cultural attitudes which are hostile not to Islam only but to any religious and contemplative way of life. *Rethinking Faith Heidegger between Nietzsche and Wittgenstein* *Bloomsbury Publishing USA* Heidegger has often been considered as the proponent of the end of metaphysics in the post-Hegelian philosophy, due to his persistent attempts to overcome the onto-theological framework of traditional metaphysics. Yet, this dismissal of metaphysical, theological, and religious motives is deeply ambiguous since new forms of metaphysical and religious experience re-emerge in his philosophical works. Heidegger shares this ambiguous relation to the notions of faith and religion with authors such as Nietzsche and Wittgenstein whose works are also marked by a critique of metaphysics and by a characteristic rethinking of the role of faith and religion. In fact, all three still remain, among other things, reference points for contemporary philosophical debates relating to the phenomenon of religion and faith. *Rethinking Faith* explores how the phenomena of religion and faith are present in the works of Heidegger, Nietzsche, and Wittgenstein, and how these phenomena are brought into play in their discussion of the classical metaphysical motives they criticize. *Abraham in the New Testament* *Wipf and Stock Publishers* In this book, John Morgan-Wynne examines the very different ways in which Paul's epistles, Hebrews, James, Luke-Acts, John's Gospel, and Matthew's Gospel utilize the critical figure of Abraham, the father of the people of Israel. He explores the question of the extent to which various New Testament authors developed something already present in the tradition and the extent to which they molded their depiction of Abraham to suit their own purposes in novel and creative ways. The book also considers how the diverse New

Testament depictions and interpretations of the patriarch affect the preaching of the Abrahamic tradition today. **Essentials of Pentecostal Theology** *Resource Publications (CA)* Only a few decades past, academia tended to scoff at the very idea of serious Pentecostal theology. Today profound and variegated theological implications of this dynamic movement are the object of exploration and development across the entire spectrum of the Christian theological corpus. Arguably, an acute need has arisen for identification and evaluation of the Pentecostal movement's original and ongoing theological "essentials." What is Pentecostal theology really all about anyway? This volume realizes that Pentecostal theology is at its heart a working theology undergirding and energizing believers' worship of God in prayer and praise, in holy living, and in witness to a personal experience of the risen Lord and Savior manifested in the continuing power of the Holy Spirit. Authentic implementation, if not explicit articulation, of fervent Pentecostal theology often occurs in the vitality of local churches, house fellowships, and various mission settings in America and around the world. Birthed in the fires of revival movements, essential Pentecostalism, including Pentecostal theology, continues to burn brightest wherever it is fueled most directly. **Dogmatic Constitution on Divine Revelation Dei Verbum** This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context. **Essential Questions Opening Doors to Student Understanding** *ASCD* What are "essential questions," and how do they differ from other kinds of questions? What's so great about them? Why should you design and use essential questions in your classroom? Essential questions (EQs) help target standards as you organize curriculum content into coherent units that yield focused and thoughtful learning. In the classroom, EQs are used to stimulate students' discussions and promote a deeper understanding of the content. Whether you are an Understanding by Design (UbD) devotee or are searching for ways to address standards—local or Common Core State Standards—in an engaging way, Jay McTighe and Grant Wiggins provide practical guidance on how to design, initiate, and embed inquiry-based teaching and learning in your classroom. Offering dozens of examples, the authors explore the usefulness of EQs in all K-12 content areas, including skill-based areas such as math, PE, language instruction, and arts education. As an important element of their backward design approach to designing curriculum, instruction, and assessment, the authors \*Give a comprehensive explanation of why EQs are so important; \*Explore seven defining characteristics of EQs; \*Distinguish between topical and overarching questions and their uses; \*Outline the rationale for using EQs as the focal point in creating units of study; and \*Show how to create effective EQs, working from sources including standards, desired understandings, and student misconceptions. Using essential questions can be challenging—for both teachers and students—and this book provides guidance through practical and proven processes, as well as suggested "response strategies" to encourage student engagement. Finally, you will learn how to create a culture of inquiry so that all members of the educational community—students, teachers, and administrators—benefit from the increased rigor and deepened understanding that emerge when essential questions become a guiding force for learners of all ages. **Conviction Without Compromise** *Harvest House Publishers* From the earliest days of the church, Christians have struggled with questions related to unity and the handling of doctrinal differences. In this book you'll find clear guidance from Scripture about the doctrines on which it's essential for Christians to agree, and the doctrines on which believers can graciously agree to disagree. This landmark resource will equip you to take an uncompromising stand on the essentials of the faith while promoting love and unity among true believers. **Book jacket. Letters concerning the Religion essential to Man; as it is distinct from what is merely an accession to it.** By the author of *The World Unmask'd* Marie Huber . ... Translated from the French **The Essentials Your one-stop-shop for life improvement and success with women** *Simplify Health Inc.* As a writer for *AskMen.com*, *Examiner.com*, co-founder and Dating and Relationship Consultant for *Suave Lover International* and the *Suave Lover Podcast*, long term bartender and public health professional, I have direct client, personal and social experiences towards improving and solving pick up, dating and relationship situations. The young straight men I've seen and worked with, initially want two things, to meet more women and have more sex. What they don't know is that the success for those two things relies on more than specific pick up lines and rico suave moves, it involves becoming a better man. The current market for pickup and dating self-help material is overwhelming, objectifying, lacks universality and misses out on this concept. **The Essentials provides quick answers for men who want to improve their success with women but with a focus on overall development. Packaged as a travel-friendly, one-stop summary of the very best advice, with sections ranging from self-improvement to creating and sustaining relationships, The Essentials is what you need to improve your current status as a Man. Problem: The current market for pickup and dating self-help material is overwhelming, objectifying, and lacks universality. Solution: The Essentials, packaged as a travel-friendly, one-stop summary of advice, avoids pick-up lines or rico suave moves, and provides expert and concise answers for men who want to improve their success with women but with a focus on overall internal development. Short and to the Point: Read this - Meet more people, Have more sex, Improve yourself THREE KINGDOMS** *Lulu.com* **A Critical and Exegetical Commentary on the Epistle to the Galatians Religion Explained The Evolutionary Origins of Religious Thought** *Basic Books* Many of our questions about religion, says renowned anthropologist Pascal Boyer, are no longer mysteries. We are beginning to know how to answer questions such as "Why do people have religion?" Using findings from anthropology, cognitive science, linguistics, and evolutionary biology, *Religion Explained* shows how this aspect of human consciousness is increasingly admissible to coherent, naturalistic explanation. This brilliant and controversial book gives readers the first scientific explanation for what religious feeling is really about, what it consists of, and where it comes from. **Faith, Freedom, and the Future Religion in American Political Culture** *Rowman & Littlefield* **In Faith, Freedom, and the Future**

renown scholars discuss the ever-changing relationship between religion and politics. The Best Reading Second [--fourth] Series. A Priced and Classified Bibliography, for Easy Reference, of the More Important English and American Publicatons for the [fifteen] Years Ending [Dec. 1, 1891] Essentials of Islamic Faith For Parents and Teens *Createspace Independent Publishing Platform* Studying religion seems like a monumental task; people often don't know where to start, and there are very few organized methods of studying Islam in English that guide a person through the process of education. That has changed! This book presents a matn (introductory text) on Islamic faith that contains the basic foundations of Islamic theology that are obligatory for Muslims to know. Suhaib Webb wrote it in a style that is accessible and digestible for English speaking Muslims, especially parents and teens. It contains the Arabic text, its translation, charts and over 80 questions in a way that encourages learning orthodoxy while enhancing communication and cooperative learning. Encounter Receive Christ's Freedom *Joel Comiskey* Christ's death on the cross offers victory over bitterness, addictions, occult bondage, and debilitating strongholds. Encounter! Receive Christ's Freedom will show you how to apply Christ's victory to your own life. This book is an excellent resource for someone who is bound by sinful habits or who simply needs to live an abundant life. It explains clearly how to receive the fullness of the Holy Spirit and then to walk in the Spirit's power. It's a great resource to use individually or in a retreat setting. In the back of the book, there's a coach's section to help guide someone else through the contents of this book. Topics include: Repentance and forgiveness; The power of the cross over sin, Satan, and demonic strongholds; How to receive inner healing; Freedom from the fear of death; How to be filled with the Spirit.
