Thank you entirely much for downloading **Feldman Corey Memoir Coreyography**. Maybe you have knowledge that, people have see numerous time for their favorite books taking into account this Feldman Corey Memoir Coreyography, but end taking place in harmful downloads.

Rather than enjoying a fine ebook like a cup of coffee in the afternoon, otherwise they juggled later than some harmful virus inside their computer. **Feldman Corey Memoir Coreyography** is clear in our digital library an online permission to it is set as public thus you can download it instantly. Our digital library saves in complex countries, allowing you to acquire the most less latency era to download any of our books with this one. Merely said, the Feldman Corey Memoir Coreyography is universally compatible when any devices to read.

KEY=COREYOGRAPHY - LUIS DRAVEN

Coreyography A Memoir Macmillan In this candid Hollywood-survival story, the actor who starred in such films as *The Lost Boys*, *Stand By Me* and *The Goonies* comes clean about his past, which included physical, drug and sexual abuse, and opens up about his close friendship with the late Corey Haim. 75,000 first printing. **Coreyography A Memoir St. Martin's Press** "Spares no details." —Publishers Weekly (Starred Review) "An incredible read." —Richard Donner, Director "People always ask me about life after childhood stardom. What would I say to parents of children in the industry? My only advice, honestly, is to get these kids out of Hollywood and let them lead normal lives." —Corey Feldman **The New York Times Bestseller** A deeply personal and revealing Hollywood-survival story. Lovable child star by age ten, international teen idol by fifteen, and to this day a perennial pop-culture staple, Corey Feldman has not only spent the entirety of his life in the spotlight, he's become just as famous for his off-screen exploits as for his roles in such classic films as *Gremlins*, *The Goonies*, and *Stand by Me*. He's been linked to a slew of Hollywood starlets (including Drew Barrymore, Vanessa Marcil, and adult entertainer Ginger Lynn), shared a highly publicized friendship with Michael Jackson, and with his frequent costar Corey Haim enjoyed immeasurable success as one half of the wildly popular duo "The Two Coreys," spawning seven films, a 1-900 number, and "Coreymania" in the process. What child of the eighties didn't have a Corey Feldman poster hanging in her bedroom, or a pile of Tiger Beats stashed in his closet?

Now, in this brave and moving memoir, Corey is revealing the truth about what his life was like behind the scenes: His is a past that included physical, drug, and sexual abuse, a dysfunctional family from which he was emancipated at age fifteen, three high-profile arrests for drug possession, a nine-month stint in rehab, and a long, slow crawl back to the top of the box office. While Corey has managed to overcome the traps that ensnared so many other entertainers of his generation—he's still acting, is a touring musician, and is a proud father to his son, Zen—many of those closest to him haven't been so lucky. In the span of one year, he mourned the passing of seven friends and family members, including Corey Haim and Michael Jackson. In the wake of those tragedies, he's spoken publicly about the dark side of fame, lobbied for legislation affording greater protections for children in the entertainment industry, and lifted the lid off of what he calls Hollywood's biggest secret. *Coreyography* is his surprising account of survival and redemption. *A Line in the Sand* *A Line in The Sand* is an honest, balanced, and at times humorous glimpse into the thoughts, feelings, and experiences of an IDF combat soldier. It is not a chronicle of war but rather a chronicle of love. Corey's book describes the sacrifices that must be made in the subjugation of one's own desires in deference to something greater. It is one thing to draw a line in the sand; it is quite another to summon the commitment and willpower to stand guard over that line. At twenty-two years old, Corey Feldman left his sheltered, idyllic American life to move to Israel and voluntarily draft into the Israel Defense Forces as a lone soldier. Over the next eighteen months, he endured grueling training, shattering exhaustion, and excruciating physical and emotional pain preparing for life as a special operations combat soldier. Corey struggled to overcome the linguistic and cultural barriers required to integrate into the military and Israeli society. Simultaneously, he struggled to adjust to a lifestyle in which the unbridled freedom of his life as a university student was replaced by the regimented, unforgiving life of a soldier. Throughout his service in the IDF, Corey searches for the perseverance, resilience, and selflessness to become something more. *Last Night at the Viper Room* *River Phoenix* and the *Hollywood He Left Behind* *Dey Street Books* At the dawn of the 1990s, a new crew of leading men—Johnny Depp, Nicolas Cage, Keanu Reeves, and Brad Pitt—was rocketing toward stardom. *River Phoenix*, however, stood in front of the pack. But behind Phoenix's talent and beautiful public face was a young man who had been raised in a cult by nonconformist parents, who was burdened with supporting his family from a young age, and who eventually succumbed to addiction, dying of an overdose in front of the *Viper Room*, West Hollywood's storied club, at twenty-three. *Last Night at the Viper Room* is part biography, part cultural history of the 1990s, and part celebration of a Hollywood icon gone too soon. Full of interviews from his fellow actors, directors, friends, and family, *Last Night at the Viper Room* shows the role *River Phoenix* played in creating the place of the actor in our modern culture and the impact his work still makes today. *You'll Never Eat Lunch in This Town Again* *Random House Trade*

Paperbacks “The Hollywood memoir that tells all . . . Sex. Drugs. Greed. Why, it sounds just like a movie.”—The New York Times Every memoir claims to bare it all, but Julia Phillips’s actually does. This is an addictive, gloves-off exposé from the producer of the classic films The Sting, Taxi Driver, and Close Encounters of the Third Kind—and the first woman ever to win an Academy Award for Best Picture—who made her name in Hollywood during the halcyon seventies and the yuppie-infested eighties and lived to tell the tale. Wickedly funny and surprisingly moving, You’ll Never Eat Lunch in This Town Again takes you on a trip through the dream-manufacturing capital of the world and into the vortex of drug addiction and rehab on the arm of one who saw it all, did it all, and took her leave. Praise for You’ll Never Eat Lunch in This Town Again “One of the most honest books ever written about one of the most dishonest towns ever created.”—The Boston Globe “Gossip too hot for even the National Enquirer . . . Julia Phillips is not so much Hollywood’s Boswell as its Dante.”—Los Angeles Magazine “A blistering look at La La Land.”—USA Today “One of the nastiest, tastiest tell-alls in showbiz history.”—People UnSweetened Simon and Schuster In the vein of Nic Sheff's "Tweak" and Tori Spelling's "sTori Telling, UnSweetened" reveals the former "Full House" star's harrowing journey from her role as America's sweetheart on a popular television show to her struggle with substance abuse. color photo insert. BRAVE HarperCollins NEW YORK TIMES BESTSELLER - A revealing memoir and empowering manifesto - As featured in Ronan Farrow's CATCH AND KILL and Jodi Kantor and Megan Twohey's SHE SAID "BRAVE works beautifully as a manifesto. It's a call to arms—not just against the specific men who mistreated McGowan and the men and women who enabled that mistreatment, but against an industry."—The Boston Globe Rose McGowan was born in one cult and came of age in another, more visible cult: Hollywood. In a strange world where she was continually on display, stardom soon became a personal nightmare of constant exposure and sexualization. Rose escaped into the world of her mind, something she had done as a child, and into high-profile relationships. Every detail of her personal life became public, and the realities of an inherently sexist industry emerged with every script, role, public appearance, and magazine cover. The Hollywood machine packaged her as a sexualized bombshell, hijacking her image and identity and marketing them for profit. Hollywood expected Rose to be silent and cooperative and to stay the path. Instead, she rebelled and asserted her true identity and voice. She reemerged unscripted, courageous, victorious, angry, smart, fierce, unapologetic, controversial, and real as f*ck. BRAVE is her raw, honest, and poignant memoir/manifesto—a no-holds-barred, pull-no-punches account of the rise of a millennial icon, fearless activist, and unstoppable force for change who is determined to expose the truth about the entertainment industry, dismantle the concept of fame, shine a light on a multibillion-dollar business built on systemic misogyny, and empower people everywhere to wake up and be BRAVE. "My life, as you will read, has taken me from one cult to another. BRAVE is the story of how I fought my way

out of these cults and reclaimed my life. I want to help you do the same." -Rose McGowan *Surviving Cissy My Family*

Affair of Life in Hollywood Rowman & Littlefield Kathy Garver, the teenage heartthrob from the hit series *Family Affair* (1966-1971), was no one-hit wonder, but a journeywoman actress who appeared in such classic films as *Night of the Hunter* and *The Ten Commandments* long before she became a television icon. This memoir is a recollection of a working actress's experiences, from the many films, television shows, and stage plays in which she performed, to her second career as a voice-over specialist in popular animated films and audiobooks. Featuring anecdotes, Hollywood history, and details of her relationships with such stars as Charlton Heston and Jon Provost, *Surviving Cissy* is a veritable quilt of Kathy's exciting life. In *Search of River Phoenix* The Truth Behind the Myth Wordsworth High on Arrival A Memoir Simon and Schuster Not long before her fiftieth birthday, Mackenzie Phillips walked into Los Angeles International Airport. She was on her way to a reunion for *One Day at a Time*, the hugely popular 70s sitcom on which she once starred as the lovable rebel Julie Cooper. Within minutes of entering the security checkpoint, Mackenzie was in handcuffs, arrested for possession of cocaine and heroin. Born into rock and roll royalty, flying in Learjets to the Virgin Islands at five, making pot brownies with her father's friends at eleven, Mackenzie grew up in an all-access kingdom of hippie freedom and heroin cool. It was a kingdom over which her father, the legendary John Phillips of The Mamas & the Papas, presided, often in absentia, as a spellbinding, visionary phantom. When Mackenzie was a teenager, Hollywood and the world took notice of the charming, talented, precocious child actor after her star-making turn in *American Graffiti*. As a young woman she joined the nonstop party in the hedonistic pleasure dome her father created for himself and his fellow revelers, and a rapt TV audience watched as Julie Cooper wasted away before their eyes. By the time Mackenzie discovered how deep and dark her father's trip was going, it was too late. And as an adult, she has paid dearly for a lifetime of excess, working tirelessly to reconcile a wonderful, terrible past in which she succumbed to the power of addiction and the pull of her magnetic father. As her astounding, outrageous, and often tender life story unfolds, the actor-musician-mother shares her lifelong battle with personal demons and near-fatal addictions. She overcomes seemingly impossible obstacles again and again and journeys toward redemption and peace. By exposing the shadows and secrets of the past to the light of day, the star who turned up *High on Arrival* has finally come back down to earth -- to stay. *The Guy Under the Sheets* The Unauthorized Autobiography Penguin "This hugely entertaining pack of lies reads like a Woody Allen essay from the *New Yorker*."—David Pitt, *Booklist* Is Chris Elliott a highly successful and beloved comedian—or a slightly dim-witted notalent from a celebrity family who managed to convince a generation of disillusioned youth that he was funny? From a ghastly childhood on the posh Upper East Side to his first job entertaining mobsters with his Judy Garland impersonation, *The Guy Under the Sheets*

is packed with countless episodes from the life of a mediocre artist who somehow faked his way to the top—of semi-moderate fame and fortune. Woven throughout the fictional fun in Elliott's memoir are wonderful real-life anecdotes that will delight many new readers and loyal fans alike. "The arc of [Elliott's] career remains unique and inspiring . . . that he blazed a trail for Arrested Development and Community and all the other freaky, convention-flouting TV comedies."—Grantland Wildflower Penguin Actress Drew Barrymore shares funny, insightful, and profound stories from her past and present—told from the place of happiness she's achieved today—in this heart-stirring New York Times bestseller that InStyle called "deeply thoughtful and fun." Wildflower is a portrait of Drew's life in stories as she looks back on the adventures, challenges, and incredible experiences she's had throughout her life. It includes tales of living in her first apartment as a teenager (and how laundry may have saved her life), getting stuck under a gas station overhang on a cross-country road trip, saying good-bye to her father in a way only he could have understood, and many more journeys and lessons that have led her to the successful, happy, and healthy place she is today. Easy Riders Raging Bulls How the Sex-Drugs-And Rock 'N Roll Generation Save Simon and Schuster In 1969, a low-budget biker movie, Easy Rider, shocked Hollywood with its stunning success. An unabashed celebration of sex, drugs, and rock 'n' roll (onscreen and off), Easy Rider heralded a heady decade in which a rebellious wave of talented young filmmakers invigorated the movie industry. In Easy Riders, Raging Bulls, Peter Biskind takes us on the wild ride that was Hollywood in the '70s, an era that produced such modern classics as The Godfather, Chinatown, Shampoo, Nashville, Taxi Driver, and Jaws. Easy Riders, Raging Bulls vividly chronicles the exuberance and excess of the times: the startling success of Easy Rider and the equally alarming circumstances under which it was made, with drugs, booze, and violent rivalry between costars Dennis Hopper and Peter Fonda dominating the set; how a small production company named BBS became the guiding spirit of the youth rebellion in Hollywood and how, along the way, some of its executives helped smuggle Huey Newton out of the country; how director Hal Ashby was busted for drugs and thrown in jail in Toronto; why Martin Scorsese attended the Academy Awards with an FBI escort when Taxi Driver was nominated; how George Lucas, gripped by anxiety, compulsively cut off his own hair while writing Star Wars, how a modest house on Nicholas Beach occupied by actresses Margot Kidder and Jennifer Salt became the unofficial headquarters for the New Hollywood; how Billy Friedkin tried to humiliate Paramount boss Barry Diller; and how screenwriter/director Paul Schrader played Russian roulette in his hot tub. It was a time when an "anything goes" experimentation prevailed both on the screen and off. After the success of Easy Rider, young film-school graduates suddenly found themselves in demand, and directors such as Francis Coppola, Peter Bogdanovich, George Lucas, and Martin Scorsese became powerful figures. Even the new generation of film stars -- Nicholson, De Niro, Hoffman, Pacino,

and Dunaway -- seemed a breed apart from the traditional Hollywood actors. Ironically, the renaissance would come to an end with *Jaws* and *Star Wars*, hugely successful films that would create a blockbuster mentality and crush innovation. Based on hundreds of interviews with the directors themselves, producers, stars, agents, writers, studio executives, spouses, and ex-spouses, this is the full, candid story of Hollywood's last golden age. Never before have so many celebrities talked so frankly about one another and about the drugs, sex, and money that made so many of them crash and burn. By turns hilarious and shocking, *Easy Riders, Raging Bulls* is the ultimate behind-the-scenes account of Hollywood at work and play. *The Sexton and the Reaper* A Love Story Createspace Independent Publishing Platform Corey Feldman is a writer of Children's Books and Speculative Fiction. Corey lives in the DC Metro area with his two children. He has a Children's series called *Egret the Elephant* about a 5 year old elephant who loves to dance, the moon, and her family. His speculative fiction novelette *The Sexton and the Reaper* is an Urban Fantasy novelette with ghosts, soul collectors, angels, and mysticism. It is a tale of friendship, love and the afterlife. *Where Am I Now? True Stories of Girlhood and Accidental Fame* Penguin "Thoughtfully traces [Mara Wilson's] journey from child actress to Hollywood dropout...Who is she now? She's a writer." —NPR's "Guide To 2016's Great Reads" "Growing up, I wanted to be Mara Wilson. *Where Am I Now?* is a delight." —Ilana Glazer, cocreator and star of *Broad City* Named a best book of the month by GoodReads and Entertainment Weekly A former child actor best known for her starring roles in *Matilda* and *Mrs. Doubtfire*, Mara Wilson has always felt a little young and out of place: as the only kid on a film set full of adults, the first daughter in a house full of boys, a Valley girl in New York and a neurotic in California, and a grown-up the world still remembers as a little girl. Tackling everything from what she learned about sex on the set of *Melrose Place*, to discovering in adolescence that she was no longer "cute" enough for Hollywood, these essays chart her journey from accidental fame to relative (but happy) obscurity. They also illuminate universal struggles, like navigating love and loss, and figuring out who you are and where you belong. Candid, insightful, moving, and hilarious, *Where Am I Now?* introduces Mara Wilson as a brilliant new chronicler of the experience that is growing up female. *Dirty Rocker Boys* Gallery Books An uncensored Hollywood tell-all filled with explicit tales of love, sex, and revenge from the video vixen made famous by Warrant's rock anthem "Cherry Pie." Who could forget the sexy "Cherry Pie" girl from hair metal band Warrant's infamous music video? *Bobbie Brown* became a bona fide vixen for her playful role as the object of lead singer Jani Lane's desires. But the wide-eyed Louisiana beauty queen's own dreams of making it big in Los Angeles were about to be derailed by her rock-and-roll lifestyle. After her tumultuous marriage to Jani imploded, and her engagement to fast-living Mötley Crüe drummer Tommy Lee ended in a drug haze—followed by his marriage later to Pamela Anderson—Bobbie decided it was time Hollywood's hottest bachelors got a taste of their own medicine. Step

one: get high. Step two: get even. In a captivating, completely uncensored confessional, Bobbie explicitly recounts a life among some of the most famous men in Hollywood: Leonardo DiCaprio, Kevin Costner, Mark McGrath, Dave Navarro, Sebastian Bach, Ashley Hamilton, Rob Pilatus of Milli Vanilli, Matthew and Gunnar Nelson, Orgy's Jay Gordon, and many more. No man was off limits as the fun-loving bombshell spiraled into excess, anger, and addiction. Bobbie survived the party—barely—and her riveting, cautionary comeback tale is filled with the wildest stories of sex, drugs, and rock and roll ever told. *Stories I Only Tell My Friends* An Autobiography Henry Holt and Company A wryly funny and surprisingly moving account of an extraordinary life lived almost entirely in the public eye A teen idol at fifteen, an international icon and founder of the Brat Pack at twenty, and one of Hollywood's top stars to this day, Rob Lowe chronicles his experiences as a painfully misunderstood child actor in Ohio uprooted to the wild counterculture of mid-seventies Malibu, where he embarked on his unrelenting pursuit of a career in Hollywood. *The Outsiders* placed Lowe at the birth of the modern youth movement in the entertainment industry. During his time on *The West Wing*, he witnessed the surreal nexus of show business and politics both on the set and in the actual White House. And in between are deft and humorous stories of the wild excesses that marked the eighties, leading to his quest for family and sobriety. Never mean-spirited or salacious, Lowe delivers unexpected glimpses into his successes, disappointments, relationships, and one-of-a-kind encounters with people who shaped our world over the last twenty-five years. Rob Lowe's New York Times bestselling autobiography, *Stories I Only Tell My Friends*, shares tales that are as entertaining as they are unforgettable. *This Might Be Too Personal And Other Intimate Stories* St. Martin's Griffin A frisky, feminine, funny, and profoundly genuine essay collection on relationships, sex, motherhood, and finding yourself, by the editor of New York Magazine's *Sex Diaries*. Alyssa Shelasky has a lot to tell you. In this hilarious and intimate essay collection, Alyssa navigates life as a wild-hearted woman and her thrilling career as a sex, relationship, and celebrity writer in New York City. From double-booking an interview with Sarah Jessica Parker and an abortion appointment and unsuccessfully quitting sex and men entirely to have a baby via an anonymous sperm donor, to hooking up with a hot musician while eight months pregnant and then finding her life partner but vowing to never get married, Alyssa's essays paint a deeply genuine, romantic, and uproarious portrait of a woman who craves both love and lust, and refuses to settle or sacrifice her fierce inner-spirit, sometimes to her own regret and detriment. And she's not afraid to give you every single beautiful, messy, embarrassing, and emotional detail of her bleeding heart and busy bedroom. *This Might Be Too Personal* is like having (several) drinks with your best friend who has seen, heard, and done everything. Literally, everything. Told in a refreshing candor with jolts of humor, undeniable relatability, and irresistible energy, Alyssa's book is the ultimate meditation on living an authentic life with big feelings, hard decisions,

and the small victories and painful mistakes of motherhood, womanhood, and profound independence. Robert Downey Jr The Biography Blake Publishing From his first role as a cherubic five-year old through Iron Man 2 and the films yet to come, a look at the life and career one of Hollywood's most surprising leading men Robert Downey Jr. has become one of Hollywood's most shining, distinctive stars thanks to scene-stealing roles in films like Iron Man, Zodiac, and Sherlock Holmes. This book takes an in-depth, insightful look at his work in front of the camera as well as his life behind the spotlight. It reveals details of his film debut at age five playing a puppy in his father's underground cult film, his attempt at becoming a comedian during an ill-fated stint as a Saturday Night Live cast member, how he burst onto the scene with his moving performance in Less than Zero, and how he charmed Hollywood with his Oscar-nominated turn as troubled funny man Charlie Chaplin. With a life that has had more twist and turns than the plots of some of his acclaimed movies, Robert Downey Jr.'s journey from hellraiser to Hollywood royalty is shocking, moving, funny, and inspirational. Jock Itch The Misadventures of a Retired Jersey Chaser Harper Collins With acerbic wit and raw honesty, actress Rosa Blasi—star of ABC's The Whole Truth, Make It Or Break It and Hollywood's The Grudge—shares the intimate and laugh-out-loud funny details of her misadventures in dating professional athletes, a bad habit that lasted from her first high school football player boyfriend until a decade of 'roid rage and pathological cheating led to her embrace a life of sports star sobriety. With echoes of Chelsea Handler's on-her-back honesty; Karrine Steffans' behind-the-scenes confessionals; the steamy, tell-all spice and humor of Jenna Jameson's How to Make Love Like a Porn Star, and the sports world sensibilities of Jose Canseco's Juiced, Rosa's Jock Itch is an unforgettable, unmissable true tale of her lessons in life, love, and linebackers. Not My Father's Son A Memoir Harper Collins "Equal parts memoir, whodunit, and manual for living . . . a beautifully written, honest look at the forces of blood and bone that make us who we are, and how we make ourselves." --Neil Gaiman In his unique and engaging voice, the acclaimed actor of stage and screen shares the emotional story of his complicated relationship with his father and the deeply buried family secrets that shaped his life and career. A beloved star of stage, television, and film—"one of the most fun people in show business" (Time magazine)—Alan Cumming is a successful artist whose diversity and fearlessness is unparalleled. His success masks a painful childhood growing up under the heavy rule of an emotionally and physically abusive father—a relationship that tormented him long into adulthood. When television producers in the UK approached him to appear on a popular celebrity genealogy show in 2010, Alan enthusiastically agreed. He hoped the show would solve a family mystery involving his maternal grandfather, a celebrated WWII hero who disappeared in the Far East. But as the truth of his family ancestors revealed itself, Alan learned far more than he bargained for about himself, his past, and his own father. With ribald humor, wit, and incredible insight, Alan seamlessly moves back and forth in time, integrating

stories from his childhood in Scotland and his experiences today as a film, television, and theater star. At times suspenseful, deeply moving, and wickedly funny, *Not My Father's Son* will make readers laugh even as it breaks their hearts. Here's the Story *Surviving Marcia Brady and Finding My True Voice* Harper Collins **Marcia! Marcia! Marcia!** Marcia Brady, eldest daughter on television's *The Brady Bunch*, had it all—style, looks, boys, brains, and talent. No wonder her younger sister Jan was jealous! For countless adolescents across America who came of age in the early 1970s, Marcia was the ideal American teenager. Girls wanted to be her. Boys wanted to date her. But what viewers didn't know about the always-sunny, perfect Marcia was that offscreen, her real-life counterpart, Maureen McCormick, the young actress who portrayed her, was living a very different—and not-so-wonderful—life. Now, for the very first time, Maureen tells the shocking and inspirational true story of the beloved teen generations have invited into their living rooms—and the woman she became. In *Here's the Story*, Maureen takes us behind the scenes of America's favorite television family, the Bradys. With poignancy and candor, she reveals the lifelong friendships, the hurtful jealousies, the offscreen romance, the loving support her television family provided during a life-or-death moment, and the inconsolable loss of a man who had been a second father. But *The Brady Bunch* was only the beginning. Haunted by the perfection of her television alter ego, Maureen landed on the dark side, caught up in a fast-paced, drug-fueled, star-studded Hollywood existence that ultimately led to the biggest battle of her life. Moving from drug dens on Wonderland Avenue to wild parties at the Playboy mansion and exotic escapades on the beaches of Hawaii, this candid, hard-hitting memoir exposes a side of a beloved pop-culture icon the paparazzi missed. Yet it is also a story of remarkable success. After kicking her drug habit, Maureen battled depression, reconnected with her mother, whom she nursed through the end of her life, and then found herself in a pitched battle for her family in which she ultimately triumphed. There is no question: Maureen McCormick is a survivor. After fifty years, she has finally learned what it means to love the person you are, insight that has brought her peace in a happy marriage and as a mother. *Here's the Story* is the empowering, engaging, shocking, and emotional tale of Maureen McCormick's courageous struggle over adversity and her lifelong battle to come to terms with the idea of perfection—and herself. There's *More to Life Than This* Healing Messages, Remarkable Stories, and Insight About the Other Side from the Long Island Medium Simon and Schuster Blending together personal stories, anecdotes, and client readings, the star of TLC's "Long Island Medium" shares her world and her gift of communicating with those who have crossed over to the other side. Jason Priestley *A Memoir* Harper Collins Jason Priestley, star of the iconic hit television series *Beverly Hills, 90210* and one of the biggest teen idols of the 1990s, chronicles the highs and lows of his life and career in this charming and honest memoir. The hit Fox show *Beverly Hills, 90210* became a cultural touchstone of the 1990s and propelled its young cast to mega-

stardom, including Jason Priestley, who played honorable Midwestern transplant Brandon Walsh. Yet despite more than twenty years in and out of the limelight, Priestley has carefully maintained his privacy. In this compelling memoir, the actor, director, and race-car aficionado invites us into his private world for the first time. With humor, sincerity, and charm, Priestley offers little-known details about his life and stories of his nine years in America's most famous zip code. He talks candidly about celebrity, marriage, fatherhood, and his passion for car racing. He does not shy away from the devastating lows—his brief jail sentence for drunk driving and the crash at the Kentucky Speedway that nearly took his life. Priestley shares his innermost thoughts about life as a '90s icon, and goes beyond the Brandon Walsh squeaky-clean image, revealing the tumultuous events that have shaped him, and where he finds his greatest happiness today. Scar Tissue Hachette Books In this "vivid and inspiring" NYT bestseller (Newsweek), the Red Hot Chili Peppers' lead singer and songwriter shares a searingly honest account of life in the rock scene's fast lane -- from the darkness into the light. In 1983, four self-described "knuckleheads" burst out of the mosh-pitted mosaic of the neo-punk rock scene in L.A. with their own unique brand of cosmic hardcore mayhem funk. Over twenty years later, the Red Hot Chili Peppers, against all odds, have become one of the most successful bands in the world. Though the band has gone through many incarnations, Anthony Kiedis, the group's lyricist and dynamic lead singer, has been there for the whole roller-coaster ride. In Scar Tissue, Kiedis delivers a compelling life story from a man "in love with everything" -- the darkness, the death, the disease. Even his descent into drug addiction was a part of that journey, another element transformed into art. Whether he's honoring the influence of the beautiful, strong women who have been his muses or remembering the roaring crowds of Woodstock and the Dalai Lama's humble compound, Kiedis shares a compelling story about the price of success and excess. Scar Tissue is a story of dedication and debauchery, of intrigue and integrity, of recklessness and redemption -- a story that could only have come out of the world of rock. The Family Affair Cookbook BearManor Media The Family Affair Cookbook, by Kathy "Cissy" Garver, with Geoffrey Mark, is a tasty trip to the elegant retro-recipes of the 1960s. Not only does Kathy share the culinary secrets of Mr. French's kitchen, as well as those of the great restaurants of the era, but she shares warm and poignant memories of working on one of the classic sit-coms of all time. Included are recipes from Kathy's own kitchen and many never-before-published photos from her private collection. Whether you are a Family Affair fan or a lover of good food, this book is for you! Sinner Takes All A Memoir of Love and Porn Penguin How does a girl go from being a shy, awkward bookworm to the biggest porn star in the world? In Sinner Takes All, Tera Patrick reveals all, including: her career as an international model; losing her virginity at fourteen to a thirtysomething photographer; learning oral sex techniques backstage at a Guns N' Roses concert; having an orgy with a team of firefighters; her unglamorous job in a nursing home; her first forays into

the adult movie business; and how, with her husband's help, she launched her own multimillion-dollar empire. Along the way, she dishes on the emotional side of being Tera Patrick, writing candidly about her battles with depression and anxiety. She also discusses finding true love and building a healthy marriage, achievements that many consider to be impossible in the world of porn. Featuring hundreds of photos, plus diary pages and scintillating sidebars, *Sinner Takes All* takes the tell-all to raunchy new heights. Yours Cruelly, Elvira Memoirs of the Mistress of the Dark Hachette Books The woman behind the icon known as Elvira, Mistress of the Dark, the undisputed Queen of Halloween, reveals her full story filled with intimate bombshells—told by the bombshell herself. On Good Friday in 1953, at only 18 months old, 25 miles from the nearest hospital in Manhattan, Kansas, Cassandra Peterson reached for a pot on the stove and doused herself in boiling water. Third-degree burns covered 35% of her body, and the prognosis wasn't good. But she survived. Burned and scarred, the impact stayed with her and became an obstacle she was determined to overcome. Feeling like a misfit led to her love of horror. While her sisters played with Barbie dolls, Cassandra built model kits of Frankenstein and Dracula, and idolized Vincent Price. Due to a complicated relationship with her mother, Cassandra left home at 14, and by age 17 she was performing at the famed Dunes Hotel in Las Vegas. Run-ins with the likes of Frank Sinatra, Sammy Davis Jr., and Tom Jones helped her grow up fast. Then a chance encounter with her idol Elvis Presley, changed the course of her life forever, and led her to Europe where she worked in film and traveled Italy as lead singer of an Italian pop band. She eventually made her way to Los Angeles, where she joined the famed comedy improv group, The Groundlings, and worked alongside Phil Hartman and Paul "Pee-wee" Reubens, honing her comedic skills. Nearing age 30, a struggling actress considered past her prime, she auditioned at local LA channel KHJ as hostess for the late night vintage horror movies. Cassandra improvised, made the role her own, and got the job on the spot. Yours Cruelly, Elvira is an unforgettably wild memoir. Cassandra doesn't shy away from revealing exactly who she is and how she overcame seemingly insurmountable odds. Always original and sometimes outrageous, her story is loaded with twists, travails, revelry, and downright shocking experiences. It is the candid, often funny, and sometimes heart-breaking tale of a Midwest farm girl's long strange trip to become the world's sexiest, sassiest Halloween icon. Instant New York Times Bestseller, Los Angeles Times Bestseller, USA Today Bestseller, Publishers Weekly Bestseller A New York Times Best Books to Give This Season selection In Spite of Myself A Memoir Vintage Canada Canada's most celebrated and acclaimed actor lets loose in a magnificent memoir that will delight and enchant readers across the country. A rollicking, rich self-portrait written by one of today's greatest living actors. The story of a "young wastrel, incurably romantic, spoiled rotten" - his privileged Montreal background, rich in Victorian gentility, included steam yachts, rare orchid farms, music lessons in Paris and Berlin - "who tore himself away from the ski slopes to break into

the big, bad world of theater not from the streets up but from an Edwardian living room down.” Plummer writes of his early acting days - on radio and stage with William Shatner and other fellow Canadians; of the early days of the Stratford Festival in southern Ontario; of his Broadway debut at twenty-four in *The Starcross Story*, starring Eva Le Gallienne (“It opened and closed in one night, but what a night!”); of joining Peter Hall’s Royal Shakespeare Company (its other members included Judi Dench, Vanessa Redgrave and Peter O’Toole); of his first picture, *Stage Struck*, directed by Sidney Lumet; and of *The Sound of Music*, which he affectionately dubbed “S&M.” He writes about his legendary colleagues: Dame Judith Anderson (“the Tasmanian devil from Down Under”); Sir Tyrone Guthrie; Sir Laurence Olivier; Elia Kazan (“this chameleon of chameleons might change into you, wear your skin, steal your soul”); and “that reprobate” Jason Robards, among many others. A revelation of the wild and exuberant ride that is the actor’s - at least this actor’s - life. *Egret the Elephant Meet Egret Createspace Independent Pub Meet Egret*, a 5 year old elephant who loves to dance, the moon, and her family. When Egret was five she could dance like a dream. She would dance through streams and under moonbeams. Now you might think it's odd that an elephant could dance, but since she was just five no one had told her she can't. *Egret the Elephant Volume Two Coreyjf Publishing* This is volume 2 in the *Egret the Elephant* series. Egret is a 5 year old elephant who loves to dance, especially under the moon. She loves her family, friends and adventures. Each volume contains beautifully illustrated stories, told in verse, that are perfect for bedtime stories. While light hearted and fun, the stories teach valuable lessons of life, love, dreams, and friendships. *Brat An '80s Story Grand Central Publishing* Fans of Patti Smith's *Just Kids* and Rob Lowe's *Stories I Only Tell My Friends* will love this beautifully written, entertaining, and emotionally honest memoir by an actor, director, and author who found his start as an 80s Brat pack member. Most people know Andrew McCarthy from his movie roles in *Pretty in Pink*, *St. Elmo's Fire*, *Weekend at Bernie's*, and *Less than Zero*, and as a charter member of Hollywood's Brat Pack. That iconic group of ingenues and heartthrobs included Rob Lowe, Molly Ringwald, Emilio Estevez, and Demi Moore, and has come to represent both a genre of film and an era of pop culture. In his memoir *Brat: An '80s Story*, McCarthy focuses his gaze on that singular moment in time. The result is a revealing look at coming of age in a maelstrom, reckoning with conflicted ambition, innocence, addiction, and masculinity. New York City of the 1980s is brought to vivid life in these pages, from scoring loose joints in Washington Square Park to skipping school in favor of the dark revival houses of the Village where he fell in love with the movies that would change his life. Filled with personal revelations of innocence lost to heady days in Hollywood with John Hughes and an iconic cast of characters, *Brat* is a surprising and intimate story of an outsider caught up in a most unwitting success. *The QB The Making of Modern Quarterbacks Crown With unparalleled access to Heisman Trophy-winning phenom Johnny Manziel, Bruce*

Feldman has written a modern-day tale about the making of the next superstars in football's most important position: the quarterback. In the world of modern football, with NFL teams worth more than a billion dollars, no position defines a franchise like the quarterback. The QB is the story of a year in the making of those star players, and of the most significant year in QB development in sport's history... with the meteoric rise of various quarterback gurus finally coming to light. George Whitfield, profiled in the New Yorker and called the "Quarterback Whisperer," gets a regular spot on ESPN's College GameDay, Trent Dilfer, former Super Bowl quarterback, starts his own qb business, Steve Clarkson, another qb maker, gets profiled on 60 minutes, among many others. It is also the year 5'10" Russell Wilson wins the Super Bowl and for the first time in over 60 years a sub-6-foot QB, Johnny Manziel, gets drafted in the first round, forcing NFL power brokers to re-examine how they look at the position—and the game. To tell the story of all that goes on to create the perfect quarterback, bestselling author Bruce Feldman gained unique access to "Johnny Football" (that's Johnny Manziel), George Whitfield and many other players in what has become a specialized and high-stakes business. In the past decade the boom of the private quarterback-coach business, with its pageant-world-for-boys vibe, has changed the position and the game. The QB tells the story of the interlocking paths of the most fascinating characters involved in this secretive world, examining how advanced analysis has taken root in football. Manziel's portrait is the most intimate look at him yet, detailing all his talents and antics. His guru is a man who has come to be known for making QBs--George Whitfield, unparalleled in the business. And then there is Trent Dilfer, the quarterback who never could get to the superstar level, despite winning the Super Bowl. He is the Salieri to Manziel's Mozart. There is the computer/brain analysis company trying to quantify how playmakers think, the biomechanics expert who saved Drew Brees's career, and many more fascinating behind-the-scenes looks into this world. Never before has the game so relied on the development of the quarterback. In *The QB*, the stories of these men illustrate how high the stakes of the quarterback's game really are, taking readers on a compelling journey into the heart of America's beloved game. *Jon Bon Jovi* Citadel Press Published to coincide with Bon Jovi's twentieth anniversary, an intimate glimpse into the life of rock legend Jon Bon Jovi traces his humble origins in New Jersey to his rise to superstardom, detailing his relationships with fellow bandmates, the years of excess and indulgence, and his acting career. *The Monkey on My Back* A Memoir Simon and Schuster A deeply personal memoir spanning three generations of women, this is the intimate autobiography of Emmy Award-winning actress Debbi Morgan, best known as Angie Hubbard on the long-running soap opera *All My Children*. Raised in the South Bronx and beloved for the diverse and captivating characters she's played, Debbi Morgan enjoyed a thirty-year tenure on *All My Children* before joining the cast of *The Young and the Restless* and later appearing opposite Denzel Washington and Samuel L. Jackson in several

films. But this book is not about her career, and it's not about Hollywood. It's not even about her rise to stardom. Charting her family history as well as her own life from childhood to the present in this compelling memoir, Debbi reveals the fear, doubt, and insecurities she's struggled with for much of her life—and how she escaped a vicious cycle of pain to find self-confidence, happiness, and success. Early on in her family history, an ugly pattern of abuse developed into fear, insecurity, self-doubt, and emotional trauma, which passed down from one generation to the next. From her maternal grandmother, who was beaten by her husband as they struggled through the Great Depression, to Debbi's mother, who became pregnant as a young teen and suffered the same abuse as her mother, down to Debbi, who internalized the physical abuse she watched her mother endure, a deep-rooted fear plagued all three generations of women. But through it all, Debbi endured, and with a good dose of humor and self-compassion, she emerged with the deepest love of herself—and her mojo quite intact! Told with intense emotion, candor, and a barrage of belly laughs, Debbi shares a deeply moving, explosive, yet inspirational journey about what it took to break the cycle and emerge as a confident, fearless woman. Along the Way The Journey of a Father and Son Simon and Schuster Spanning nearly 50 years of family history, the book chronicles the remarkable lives of two creative talents, Martin Sheen and Emilio Estevez. It's a story of father and son set against the backdrop of Hollywood; this narrative is organized around their physical and spiritual journey along the Camino de Santiago, Spain, the thousand-year-old pilgrimage path which traverses Galicia. It is the area from which Sheen's father emigrated to the U.S. and to which Estevez's own son has returned. Along the Way will focus not just on the lives these men have chosen as artists, but also (and most importantly) on the one they have lived together. It is a story of family bonds and artistic advances and setbacks; of good choices and hard choices; of opportunities lost and opportunities found. Sheen and Estevez will share what they have experienced and learned from each other in their forty eight years as father and son, as fathers of sons, as actors and director, as spiritual seekers, and as concerned citizens of the world. Readers will meet them as real people rather than icons, as two men who have accumulated decades of wisdom and insight they are now ready to share. Furious Love Elizabeth Taylor * Richard Burton The Marriage of the Century JR Books Limited DIV A tough Welshman, he was softened by the affections of a breathtakingly beautiful woman: she was a modern-day Cleopatra madly in love with her own Mark Antony. For quarter of a century, Elizabeth Taylor and Richard Burton were the king and queen of Hollywood. Yet their two marriages to each other represented much more than outlandish romance. Together, Elizabeth and Richard were a fascinating embodiment of the mores and transgressions of their time and even luminaries like Jacqueline Kennedy looked to them as a barometer of the culture. The enduring glamour, grandeur, drama and bravado embodied in the couple gave rise to the type of rabid gossip and wide-eyed adoration that are the

staples of today's media. Using brand-new research and interviews — including unique access to Taylor herself, the Burton family, and Taylor's extensive personal correspondence — this ultimate celebrity biography is the gripping real-life story of a fairy-tale couple whose lives were even grander and more outrageous than the epic films they made.

Handbook for an Unpredictable Life How I Survived Sister Renata and My Crazy Mother, and Still Came Out Smiling (with Great Hair) Three Rivers Press An Oscar-nominated actress shares the previously untold story about her disadvantaged childhood and her successes in and out of the Hollywood limelight, tracing her relationship with the schizophrenic mother who relinquished her to a Catholic orphanage, the abuse she suffered in a series of homes and the fierce sense of independence that inspired her career.

The Mailroom Hollywood History from the Bottom Up Ballantine Books It's like a plot from a Hollywood potboiler: start out in the mailroom, end up a mogul. But for many, it happens to be true. Some of the biggest names in entertainment—including David Geffen, Barry Diller, and Michael Ovitz— started their dazzling careers in the lowly mailroom. Based on more than two hundred interviews, David Rensin unfolds the never-before-told history of an American institution—in the voices of the people who lived it. Through nearly seven decades of glamour and humiliation, lousy pay and incredible perks, killer egos and a kill-or-be-killed ethos, you'll go where the trainees go, learn what they must do to get ahead, and hear the best insider stories from the Hollywood everyone knows about but no one really knows. A vibrant tapestry of dreams, desire, and exploitation, **The Mailroom** is not only an engrossing read but a crash course, taught by the experts, on how to succeed in Hollywood.

Private Parts Simon and Schuster An autobiography by the original "shock jock" shares his observations on politics, current affairs, women, and the entertainment business
