Insiders' Guide® to the Hudson River Valley Rowman & Littlefield The Hudson River Valley—rich in history, art and architecture, farms and towns - brings many people to its environs—to visit, but also to live. Insiders' Guide® to the Hudson River Valley is your comprehensive source and guide to the magnificent area of New York State north of New York City. The author's knowledge of the area gives you access to tips and facts essential to your experience. The publication of the first edition of this guide coincides with the 2009 Quadcentennial Celebration marking the voyages of the Hudson River and Lake Champlain. How to Live Like the Little Prince A Grown-Up's Guide to Rediscovering Imagination, Adventure, and Awe Full of insight, inspiration, and gentle compassion for our complicated modern lives, HOW TO LIVE LIKE THE LITTLE PRINCE captures the brilliance and wisdom of Antoine de Saint-Exupery's beloved tale. Few books have been as universally cherished as Antione de Saint-Exupery's THE LITTLE PRINCE. First published in 1943 and now one of the bestselling books of all time, the haunting, lyrical fable explores the meaning of life through a young boy who travels the universe in search of happiness. In HOW TO LIVE LIKE THE LITTLE PRINCE, Stephane Garnier revisits Saint-Exupery's story with a fresh, contemporary eye, urging us - as the Little Prince did - to preserve our childlike wonder by slowing down, dreaming big, and showing humble kindness to our planet and one another. Featuring the iconic original illustrations from THE LITTLE PRINCE alongside memorable quotations and thought-provoking ideas about how we can apply St. Exupery's philosophies to the increasingly complex demands of modern life, Garnier offers a stirring guide to rediscovering what matters most - at any age. There Are No Grown-ups A Midlife Coming-of-Age Story Penguin The best-selling author of BRINGING UP BÉBÉ investigates life in her forties, and wonders whether her mind will ever catch up with her face. When Pamela Druckerman turns 40, waiters start calling her "Madame," and she detects a new message in mens' gazes: I would sleep with her, but only if doing so required no effort whatsoever. Yet forty isn't even technically middle-aged anymore. And there are upsides: After a lifetime of being clueless, Druckerman can finally grasp the subtext of conversations, maintain (somewhat) healthy relationships and spot narcissists before they ruin her life. What are the modern forties? What do we know once we reach them? What makes someone a "grown-up" anyway? And why didn't anyone warn us that we'd get cellulite on our arms? Part frank memoir, part hilarious investigation of daily life, There Are No Grown-Ups diagnoses the in-between decade when... • Everyone you meet looks a little bit familiar. • You're matter-of-fact about chin hair. • You can no longer wear anything ironically. • There's at least one sport your doctor forbids you to play. • You become impatient while scrolling down to your year of birth. • Your parents have stopped trying to change you. • You don't want to be with the cool people anymore; you want to be with your people. • You realize that everyone is winging it, some just do it more confidently. • You know that it's ok if you don't like jazz. Internationally best-selling author and New York Times contributor Pamela Druckerman leads us on a quest for wisdom, self-knowledge and the right pair of pants. A witty dispatch from the front lines of the forties, THERE ARE NO GROWN-UPS is a (midlife) coming-of-age story--and a book for anyone trying to find their place in the world. T. S. Eliot: A Guide for the Perplexed A&C Black A concise and clear guide to the complexities of T.S.Eliot's poetry, with easy to follow structure and chapters on Eliot's major texts, all in chronological order. How to Live Like the Little Prince A Grown-Up's Guide to Rediscovering Imagination, Adventure, and Awe Chronicle Books "All grown-ups were once children... but only a few of them remember it." -Antoine St. Exupéry, The Little Prince Full of insight, inspiration, and gentle compassion for our complicated modern lives, How to Live Like the Little Prince captures the brilliance and wisdom of Antoine St. Exupéry's beloved tale. Through the eyes of the iconic Little Prince, Stéphane Garnier reminds us who we were before we grew up and teaches us to once again take time to live, play, and find wonder in the small, everyday moments. Few books have been as universally cherished as Antione St. Exupéry's The Little Prince. First published in 1943 and now one of the bestselling books of all time, the haunting, lyrical fable explores the meaning of life through a young boy who travels the universe in search of happiness. In How to Live Like the Little Prince, Stéphane Garnier revisits St. Exupér's story with a fresh, contemporary eye, urging us—as the Little Prince did—to preserve our childlike wonder by slowing down, dreaming big, and showing humble kindness to our planet and one another. In each chapter, Garnier beautifully conjures the expressive wisdom of St. Exupéry's storytelling, reminding us of essential lessons like how to be rebellious and incorruptible, how to leave your mark on the world, how to be free from the judgment of others, and how to let go and be alone. Featuring the iconic original illustrations from The Little Prince alongside memorable quotations and thought-provoking ideas about how we can apply St. Exupéry's philosophies to the increasingly complex demands of modern life, Garnier offers a stirring guide to rediscovering what matters most—at any age. A great gift for fans of The Little Prince, graduation, retirement, and other life milestones. The Unoffical Guide to Walt Disney World for Grown-Ups Wiley From the publishers of The Unofficial Guide® to Walt Disney World® "A Tourist's Best Friend!" —Chicago Sun-Times "Indispensable" —The New York Times A companion to The Unofficial Guide® to Walt Disney World®, with hundreds of never-before-published tips for adults The Top 5 Ways The Unofficial Guide® to Walt Disney World® for Grown-Ups Can Help You Have the Perfect Trip: Tips on when to go and how to beat the crowds Practical tips on how to plan knock-out weddings, honeymoons, and anniversaries in Disney World Insider advice on Disney's exciting nightlife: Where to pop the question, dance all night, and find the best microbrews The lowdown on the best shops and souvenirs to take home, so you can spend more time having fun The straight story on Disney's golf and

Scouting for Girls A Century of Girl Guides and Girl Scouts ABC-CLIO This volume examines scouting—the largest voluntary movement for girls—in its first century of existence, seeking to understand how the organization has lasted and how it has changed. Advanced Homework for Grown-ups Random House If you paid attention to Homework for Grown-ups you should hopefully now have a grasp of the basics: know your chiasmus from your zeugma, your obliques from your acutes, and your Anne of Cleves from your Anne Boleyn. Now, sit up straight, and get your jotters and pencils out, because E Foley and B Coates are back to steer you through some of the more complicated elements of the curriculum and beyond. Advanced Homework for Grown-ups will revisit and refresh the core subjects of Maths, English, Science, Geography, History and Classics in a little more depth. This time, amongst other topics, they tackle logarithms, unlock the secrets of semantics, and explore the Agrarian Revolution, with a mix of really useful information and entertainingly esoteric material. In addition, new subjects enter the timetable: Music, Modern Languages, Economics, Politics, Philosophy and Psychology, as well as Design and Drama. Packed with fun practical exercises and, of course, examination papers for the competitive, Advanced Homework for Grown-ups will be the perfect gift. Eccentric France The Bradt Guide to Mad, Magical and Marvellous France Bradt Travel Guides So you think eccentric France means frogs' legs and pigs' trotters? Think again. Piers Letcher takes you to places where you can feast on forgotten vegetables, saddle up for national donkey day, or gorge yourself at the world tripe championships. He also reveals the truth behind France's most colorful characters, including Coco Chanel, Joan of Arc, Mata Hari and the Marquis de Sade. This latest addition to the Bradt eccentric series makes fascinating reading for those looking to discover the hidden side of France, as well as for armchair travelers who delight in the extraordinary. Feeling adventures? Try your hand at pig-squealing, or brave the Rhone Valley's Crocodile Farm; Romantic? Visit the Lovers' Wall in Montmartre, or Provence's hidden Paradise; Festive? Indulge yourself at the Palais du chocolat, or take a Champagne cure; Or just plain curious? Check out the country's most unusual towns, gardens, hotels and restaurants. The Nation OECD Reviews of Innovation Policy: France 2014 OECD Publishing This report compares the performance of the French innovation systems with that of other countries and presents the conclusions of interviews with 30 key actors in the French research and innovation system. The Unofficial Guide to Disneyland 2016 The Unofficial Guides A great destination and thorough preparation are what make a wonderful vacation, and The Unofficial Guide to Disneyland makes Disneyland one of the most accessible theme parks in the world. With advice that is direct, prescriptive, and detailed, it takes the guesswork out of the reader's vacation. Whether they are at Disneyland for a day or a week, there is a plan for any group or family. They can enjoy the rides, activities, and entertainment instead of spending their time in lines. Comprehensive information is presented in a way that permits easy comparisons and that facilitates decision making. There are detailed plans and profiles of hotels, restaurants, and attractions that are presented in "at-a-glance" formats that provide for near instant communication of the most salient information. Profiles are supplemented by indexes. In short, we've got a plan for every reader. The Unofficial Guide to Disneyland's research team is a multi-disciplinary group consisting, among others, of data collectors, computer scientists, statisticians, and psychologists. Their singular goal is to provide a guide that will let you get it right the first time and every time. With their help, advice, and touring plans the reader will have a one-up on anyone else not using The Unofficial Guide to Disneyland. The book is the key to planning a perfect vacation in a great destination location. The Unofficial Guide to Disneyland 2015 The Unofficial Guides The Unofficial Guide to Disneyland by Bob Sehlinger & Seth Kubersky makes Disneyland one of the most accessible theme parks in the world. The book is the key to planning a perfect vacation in a great destination location. General Catalogue of the Books Except Fiction, French, and German, in the Public Library of Detroit, Mich Childhood in the Promised Land Working-Class Movements and the Colonies de Vacances in France, 1880-1960 Duke University Press Books Childhood in the Promised Land is the first history of France's colonies de vacances, a vast network of summer camps created for working-class children. The colonies originated as a late-nineteenth-century charitable institution, providing rural retreats intended to restore the fragile health of poor urban children. Participation grew steadily throughout the first half of the twentieth century, "trickling up" by the late 1940s to embrace middle-class youth as well. At the heart of the study lie the municipal colonies de vacances, organized by the working-class cities of the Paris red belt. Located in remote villages or along the more inexpensive stretches of the Atlantic coast, the municipal colonies gathered their young clientele into variously structured "child villages," within which they were to live out particular, ideal visions of the collective life of children throughout the long summer holiday. Focusing on the creation of and participation in these summer camps, Laura Lee Downs presents surprising insights into the location and significance of childhood in French working-class cities and, ultimately, within the development of modern France. Drawing on a rich array of historical sources, including dossiers and records of municipal colonies discovered in remote town halls of the Paris suburbs, newspaper accounts, and interviews with adults who participated in the colonies as children, Downs reveals how diverse groups—including local Socialist and Communist leaders and Catholic seminarians—seized the opportunity to shape the minds and bodies of working-class youth. Childhood in the Promised Land shows how, in creating the summer camps, these various groups combined pedagogical theories, religious convictions, political ideologies, and theories about the relationship between the countryside and children's physical and cognitive development. At the same time, the book sheds light on classic questions of social control, highlighting the active role of the children in shaping their experiences. Resources in Education Homework For Grown-Ups, Australian Edition Random House Australia The Australian edition of this bestselling classic. Don't know your isosceles from your equilateral? Forgotten who wrote Waltzing Matilda? Do you know when you've left a participle hanging? And are you left slack-jawed when your children ask you what 'quid pro quo' means? Bewildered already? Fret no longer. Homework for Grown-ups Australian Edition is a brilliantly informative and entertaining book of old-school knowledge for adults. It swots up on mathematics (covering algebra, Pythagoras' theorem, prime numbers and the Fibonacci sequence), English grammar and literature (do you know how to read a poem?), chemistry and the sciences (including the Big Bang theory), geography (can you name the planets in order?), history (how to remember the Eureka Stockade, plus Federation and the first Prime Minister), art, Latin, modern languages, PE, home economics, and much more. Homework for Grown-ups Australian Edition is packed with essential facts, figures and theories, along with fun but challenging test papers to keep you on your toes and reignite those dormant brain-cells. A practical and wonderfully nostalgic revision guide for adults, Homework for Grown-ups Australian Edition will entertain while exercising the mind - and might even equip parents to handle their child's homework without humiliation. Art Homework For Grown-Ups Harper Collins Homework for Grown-ups is a brilliantly informative and entertaining book of old-school knowledge for adults. This chapter is the ultimate refresher course on art. (Don't know your chiaroscuro from your frottage? You will! Can't name all of the members of the Group of Seven? It'll sort you out!) Packed with essential facts, figures and theories, Homework for Grown-ups is a practical and wonderfully nostalgic revision guide for adults that will entertain while exercising the mind. It'll make readers the hit of the cocktail party and might even equip parents to handle their child's homework without humiliation. French Or Foe? Getting the Most Out of Visiting, Living and Working in France Distribooks Incorporated Polly Platt's title French or Foe? is more timely than ever, as the Franco-American alliance frays a little more with each day, the exchanges more vitriolic than ever before. Her book has long been the reference for what it is about the French that rubs Americans the wrong way, why the Franco-American alliance has difficulties, and how to handle French people.... and find out, she says, "how wonderful they are." Now in the third edition, she examines the revolution of the last few years brought about by the computer and the Internet. Interviews with many American and French executives explain the differences .. and the similarities .. in procedures in the work place compared five years ago. In addition, French or Foe?Us third edition describes the "French exceptions" of the last few years: the Messier scandal, the reasons why France was voted the Workers' Paradise in 2002; the romantic Look, version 2003; the government's new measures to All Music Guide to the Blues The Definitive Guide to the Blues Hal Leonard Corporation Reviews and rates the best recordings of 8,900 blues artists in all styles. Teaching English Abroad Vacation Work Publications Fully revised new edition of the definitive guide to short and long-term opportunities around the world for both trained and untrained teachers in the booming field of teaching English as a foreign language. Contains substantial chapters on finding work in over 20 countries where EFL is a major industry including lists of language schools which hire English teachers. Plus full information on how to become qualified, the role of recruitment agencies, what to take etc. Growing Up Catholic An Infinitely Funny Guide for the Faithful, the Fallen, and Everyone In-Between Image The original edition of Growing Up Catholic, along with its sequels, struck a heavenly chord with a generation of Catholics of all persuasions. Now, to commemorate the Great Catholic Jubilee of the Year 2000, the authors bless us with an updated and expanded version of this beloved national bestseller. Filled

with a witty, poignant, and downright hilarious potpourri of essays, lists, games, drawings, photos, and quizzes, it includes the best of all three Growing Up Catholic books. For Catholics of all ages--from those who lived through Vatican II to those who've never seen a nun's habit except in a movie--Growing Up Catholic celebrates in a lighthearted way the funny and sublime side of day-to-day Catholic life. Bringing Up Bébé One American Mother Discovers the Wisdom of French Parenting (now with Bébé Day by Day: 100 Keys to French Parenting) Penguin "On questions of how to live, the French never disappoint. . . . Maybe it all starts with childhood. That is the conclusion that readers may draw from Bringing Up Bébé." —The Wall Street Journal "I've been a parent now for more than eight years, and—confession—I've never actually made it all the way through a parenting book. But I found Bringing Up Bébé to be irresistible." —Slate The runaway New York Times bestseller that shows American parents the secrets behind France's amazingly well-behaved children, from the author of There Are No Grown-ups. When American journalist Pamela Druckerman had a baby in Paris, she didn't aspire to become a "French parent." But she noticed that French children slept through the night by two or three months old. They ate braised leeks. They played by themselves while their parents sipped coffee. And yet French kids were still boisterous, curious, and creative. Why? How? With a notebook stashed in her diaper bag, Druckerman set out to investigate—and wound up sparking a national debate on parenting. Researched over three years and written in her warm, funny voice, Bringing Up Bébé is deeply wise, charmingly told, and destined to become a classic resource for American parents. American Book Publishing Record Homework For Grown-Ups Everything You Learned at School...and Promptly Forgot HarperCollins Canada Homework for Grown-ups is a brilliantly informative and entertaining book of old-school knowledge for adults. It is the ultimate refresher course on mathematics (remember Pythagoras' theorem? You will!), English grammar and literature (do you know your Margarets?), and chemistry and the sciences (including the big bang theory). It spans geography (can you name the planets in order?), history (what exactly was the Family Compact?), art, Latin, phys. ed. (hockey!), home economics and much more...including, crucially, recess (finally, definitive rules for Red Rover!). Packed with essential facts, figures and theories, Homework for Grown-ups is a practical and wonderfully nostalgic revision guide for adults that will entertain while exercising the mind. It'll make readers the hit of the cocktail party, and might even equip parents to handle their child's homework without humiliation. Summer Jobs in Britain 2005 Vacation Work Publications Summer Jobs in Britain lists over 30,000 exciting vacancies in England, Scotland, Wales, and Northern Ireland for the summer of 2005 including not only paid jobs and voluntary work but also vacation traineeships which give on-the-job work experience relevant to a possible future career. To help readers decide whether a job is right for them the book explains when and to whom to apply; gives information on wages (up to \$400 per week); when the work is available; covers what previous experience, if any, is required; if there are age limits; and whether accommodations are provided and at what cost. It also includes tips on work permits; including the Work in Britain scheme for American students; information on taxation, and the British national minimum wage. In addition, for people who want to work in a particular part of the country, the book's regional chapters are preceded by introductions that explain the possibilities for finding work in that area. Opportunities featured in Summer Jobs in Britain include paid work as catering staff from Land's End to John O'Groats; guides in a Scottish whisky distillery; ticket marshals at a Grand Prix race track; apple pickers and marquee erectors; software designers; hang-gliding instructors; helpers at a monkey sanctuary; ride operators at theme parks or for the London Eye; and teachers of English as a foreign language. For prospective volunteers it is possible to work at Buddhist retreats, on steam railways, or on the archaeological excavation of a Roman fort. The Rough Guide to Paris Rough Guides Accomodation - Eating and drinking - Shops and markets - Music and night life - Festivals and events - Paris suburbsn\_ Summer Jobs Abroad 2006 Vacation Work Publications Lists over 30,000 job vacancies in over 50 countries around the world, including teachers, farm hands, archaeologists, and tour guides; and covers the application process, qualification details, and permit requirements.
