Free Bonus! 6 Free Projects to help you get started! Creative Thread Sketching: A Beginner's Guide Begin an exciting journey into drawing and painting with thread and sewing machine. You'll be guided through the 'start-up' phase of thread sketching, thread painting and free machine embroidery, and introduced to some more advanced techniques. After years of working in the creative arts, teaching and guiding people through techniques from basic to advanced, Deborah is ready to offer this complete guide that reveals everything you need to know as a beginner. You can do it, even if you're a complete novice! Frustratingly, the basics are so often glossed over, leaving your creative mind with a rich palette of ideas, but absolutely no idea where to begin, or how to solve some of those pesky little problems that face us all from time to time. This book will answer your questions and solve your problems. Take the first step towards mastering the arts of thread sketching and thread painting. Scroll to the top of this page and click the 'BUY NOW' button NOW! About the Author Australian textile and digital artist, teacher, writer and musician, Deborah Wirsu, shares how to make wonderful thread sketched and thread painted textile art, offering creative ideas, easy-to-follow advice, along with informative tips, tutorials and online classes. Early forays into a range of sewing and textile arts and crafts led, over time, to a fascination with 'painting' with thread, creating visually appealing works of art using surprisingly easy-to-master techniques. As long as you can use a sewing machine, you can learn to draw and paint with thread. Deborah's work has been exhibited and sold worldwide, and her passion for teaching online has allowed her to reach out to thousands of students around the globe. Other business pursuits and interests involve Classical Music, and Proofreading, Editing and Writing.

**CHAINSAW OPERATOR'S MANUAL**

---

---

**CHAINSAW SAFETY, MAINTENANCE AND CROSS-CUTTING TECHNIQUES**

---

*Landlinks Press The Chainsaw Operator's Manual is an essential safety tool for chainsaw operators. It is the ultimate guide to basic chainsaw operating techniques covering safety, maintenance and cross-cutting, but not tree felling. Detailed diagrams illustrate horizontal, vertical and boring cuts, as well as trimming and cross-cutting techniques. Safety considerations are discussed, including workplace safety, occupational hazards, kick-back and identifying dangerous trees. An explanation of the 'tension' and 'compression' forces in timber is also provided to help you understand where to begin cutting to avoid jamming the saw. The book covers chainsaw maintenance in detail, explains all aspects of the equipment and helps you select the right chainsaw and personal protection equipment for your needs. Trouble-shooting charts are included to help you solve operating problems. This manual has been updated to take into account the most recent changes in nationally accredited competency standards. It is a must-have for anyone operating a chainsaw.*

**SEWING FOR FASHION DESIGNERS**

---

*Laurence King Publishing This comprehensive guide explores the fundamental sewing methods fashion designers need and teaches professional garment construction. Chapter One introduces sewing tools and machinery (including industrial machines). It discusses how to work with patterns and explains cutting-out methods. Chapter Two is devoted to different fabrics and how they work, focusing on the construction of a garment, including fastenings and trimmings, and the use of materials to support structured pieces, such as corsets. Hand-sewing techniques and basic seams are explored in Chapter Three. Techniques are demonstrated with step-by-step photographic guides combined with technical drawings. A guide to making garment details and decorations, such as pockets, waistlines, and necklines, is found in Chapter Four. Chapter Five addresses fabric-specific techniques, for everything from lace to neoprene. The best technical approaches to use for patternmaking and construction are discussed for each fabric. Catwalk images demonstrate how these kinds of techniques are employed by designers.*

## **PERSONAL PLACES, SPACES AND TRACES IN TEXTILE ART**

---

*Batsford* The events of your life, from local walks to exotic trips, can provide endless inspiration for textile art. This inspiring book shows you how to record your experiences, using sketchbooks, journals and photography, to create personal narratives that can form a starting point for more finished stitched-textile pieces. Acclaimed textile artist and teacher Cas Holmes, whose work is often inspired by her life and the journeys she makes, helps you find inspiration through your own life and explains how to record what you see in sketchbooks and journals, which can often become beautiful objects in themselves. She explains how you can use photography, both as documentation and as inspiration, and sometimes incorporate it into the work itself, along with found objects and ephemera. Throughout the book are useful techniques that can be harnessed to add extra interest to your work, such as methods for making layered collages, how to 'sketch' with stitch, and advice on design and colour. If you want to create beautiful, unique work inspired by your life and travels, this is the perfect book for you.
