We all spend precious time just waiting. We wait in traffic, grocery store lines, and carpool circles. We wait to grow up, for true love, and for our children to be born. We even wait to die. But while we work hard at this business of living, life can sometimes feel like one long, boring meeting. Even today, with instant gratification at our techno-laced fingertips, we can't escape the waiting place. Somehow, in between our texting and tweeting and living and dying, we end up there again and again. In the voice of an old friend or a wise-cracking sister, Eileen Button takes us back to the days of curling irons and camping trips, first loves and final goodbyes, big dreams and bigger reality checks. With heart-breaking candor she calls us to

celebrate the tension between what we hope for tomorrow and what we live with today. Chock-full of humor and poignant insights, these stories will make you laugh and cry. They'll challenge you to enjoy—or at least endure—the now. As Eileen has learned, “To wait is human. To find life in the waiting place, divine.” Come discover miracles in the mundane. Come celebrate life in *The Waiting Place*. **Using iPhone (covers iOS5 on iPhone 4 or 4s)** Que Publishing The Using series is not just a book, it is highly integrated with online video, podcasts, and additional bonus content that enables our authors to provide modern, best of class instruction to the beginning audience. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away. **Wild About Bears** Charlesbridge Publishing A comprehensive look at the world's eight bear species. It is regarded as an important early work of American feminist literature for its portrayal of how women's health (both physical and mental) were perceived in the 19th century. Written as a collection of journal entries, the story details the narrator's descent into madness. Her husband has rented a mansion for the summer. A physician, he has forbidden his wife from working or writing whilst she recovers from depression. *The Yellow Wallpaper* by Charlotte Perkins Gilman She offers up many suggestions that might help her, such as exercising and socialising, but she is dismissed as not able to offer ideas on her own condition. Alone in the upstairs nursery, our narrator becomes fixated on the wallpaper in the room, describing in detail its colour, smell, and pattern. Eventually, she begins to see a figure in the design, and comes to believe that there is a woman behind it; a woman who, like her, was confined there against her will. Charlotte Perkins Gilman said that the idea for the story came from her own experience as a patient who suffered years of depression. Like Jane in the book, she had been prescribed a 'rest' from work, and was only allowed 2 hours of mental stimulation a day. **Turning to Wallpaper Poems and Art** Central Avenue Publishing "Wear poetry as both perfume and armor." Narrated in the first person, the story is a collection of journal entries written by a woman whose physician husband (John) has rented an old mansion for the summer. Forgoing other rooms in the house, the couple moves into the upstairs nursery. Now, in his first book, Mitchell brings a utopian hopefulness to his images of African Americans, both famous and not. Vibrant, candy-hued palettes and glowing natural light are the hallmark of Mitchell's work. His subjects appear mostly outdoors, in idyllic natural settings or on gritty urban streets. Among the photos presented in the book are those he shot in Cuba, where he traveled to document Havana's emerging skateboard scene, as well as collaborations with Marc Jacobs, American Eagle, and Converse. A sought-after portraitist, his subjects include Amandla Stenberg, Ashton Sanders, Aweng Chuol, Kiki Layne, and Stephan James. In speaking of his work, Mitchell cites an "affirmation in blackness and a unifying visual text of hope." This joyful collection is evidence that Mitchell is well on his way to accomplishing all that and more. **iPhone: The Missing Manual Covers the iPhone 3G** "O'Reilly Media, Inc."
