### **HOW TO HEAL YOUR LIFE WHEN YOUR WORLD EXPLODES**

---

**ReadHowYouWant.com** "Canada's journey to Confederation kicked off with a bang - or rather, a circus, a Civil War (American), a small fortune's worth of champagne, and a lot of making love in the old-fashioned sense (courting, that is). Miss Confederation is a rare opportunity to look back through a woman's eyes at the men and events at the centre of this pivotal time in Canada's history. Mercy Coles, the daughter of PEI delegate George Coles, kept a diary of the social happenings and political manoeuvrings as they affected her and her desires. A unique historical document, her diary is now being published for the first time, offering a window into the events that led to Canada's creation, from a point of view that has long been neglected."--

## **RATIONAL RITUAL**

---

### **CULTURE, COORDINATION, AND COMMON KNOWLEDGE**

---

**Princeton University Press** Why do Internet, financial service, and beer commercials dominate Super Bowl advertising? How do political ceremonies establish authority? Why does repetition characterize anthems and ritual speech? Why were circular forms favored for public festivals during the French Revolution? This book answers these questions using a single concept: common knowledge. Game theory shows that in order to coordinate its actions, a group of people must form "common knowledge." Each person wants to participate only if others also participate. Members must have knowledge of each other, knowledge of that knowledge, knowledge of the knowledge of that knowledge, and so on. Michael Chwe applies this insight, with striking erudition, to analyze a range of rituals across history and cultures. He shows that public ceremonies are powerful not simply because they transmit meaning from a central source to each audience member but because they let audience members know what other members know. For instance, people watching the Super Bowl know that many others are seeing precisely what they see and that those people know in turn that many others are also watching. This creates common knowledge, and advertisers selling products that depend on consensus are willing to pay large sums to gain access to it. Remarkably, a great variety of rituals and ceremonies, such as formal inaugurations, work in much the same way. By using a rational-choice argument to explain diverse cultural practices, Chwe argues for a close reciprocal relationship between the perspectives of rationality and culture. He illustrates how game theory can be applied to an unexpectedly broad spectrum of problems, while showing in an admirably clear way what game theory might hold for scholars in the social sciences and humanities who are not yet acquainted with it.

Arbitration practitioners will welcome this book for its practical analysis of some of the most discussed and debated 'hot issues' in arbitration law and practice today. ---

## **A GUIDE TO BREAKING FREE FROM TOXIC MARRIAGE, DECIDING WHETHER TO STAY OR TO GO & MOVING TOWARD HEALING TO FIND YOUR TRUE SELF REGAINING EMOTIONAL CONTROL**

---

**REA INTERNATIONAL LTD** Marriage is sacred. But what happens when "sacred" becomes "scared"? If you are in an abusive marriage, must you stay or go? People have so many reasons to stay in marriage, but so do those who chose not to stay in that kind of marriage. Despite being in a toxic marriage, it's understandable that individuals decide to stay married not to be part of the statistics. However, it's a harsh reality that some relationships come to a point when it becomes irreparable. There's no other way but to walk away. EMOTIONAL ABUSE IN MARRIAGE is a comprehensive guide for individuals going through this point of no return in their marriage. Abuse comes in many forms, and knowing each is crucial. Some people turn a blind eye to the signs; others are in denial, while others can't see the hard truth because of their partner's manipulation or other reasons. The book emphasizes the immediate need to see marriage clearly and knowing if your wedding is emotionally destructive. There are secrets to thriving marriages and relationships in general. Still, one also needs to identify patterns and factors that destroy its essence, causing damages to each other's being. This guide also stresses the role of God in every relationship, where and when to start changes, and self-assessment. It's right to try and save a relationship, but one needs to understand that, sometimes, testing can be destructive, too. Learn about other things that matter as well, such as:  Building your core  Preparing for sensible confrontation  Learning to speak up and stand up in love and against destruction  Acceptance when there are no changes  Restoring relationships Every marriage is worth saving, but if a point comes when all efforts are accorded in vain... you know it's time to let go. Can you be whole and start over again? Yes, you certainly can! Never lose your self-worth, read EMOTIONAL ABUSE IN MARRIAGE, and get the right help.

There is only one way to find out. Praise for Archivist Wasp: "Archivist Wasp is a gorgeous and complex book, featuring a deadly girl who traverses an equally deadly landscape. Wasp won me over, and she's sure to find fans among teens and grown-ups alike." — Phoebe North, author of Starglass "A tremendously inventive and smart novel. Archivist Wasp is like Kafka by way of Holly Black and Shirley Jackson, but completely original. Highly recommended." — Jeff VanderMeer, author of the Southern Reach trilogy "A gorgeous, disturbing, compelling book with a smart, complicated heroine who bestrides her post-apocalyptic world like a bewildered force of nature. Reading it was a wild ride and a thoroughly satisfying one." — Delia Sherman, author of The Freedom Maze "One of the most revelatory and sublime books I've ever read, Archivist Wasp is a must-read for fans of post-apocalyptic fiction.
