## The Anti 9 to 5 Guide

### Practical Career Advice for Women Who Think Outside the Cube

Seal Press Today, lots of women would love to integrate their passion with their career and are seeking advice on how to do just that. Michelle Goodman, a self proclaimed, "wage-slave" has written a fun, reassuring, girlfriend-to-girlfriend guide on identifying your passion, transitioning out of that unfulfilling job, and doing it all in a smart, practical way. The Anti 9-to-5 Guide realizes that not every woman wants the corner office, in fact, some women don't want to be in an office at all. Today's women are non-traditionalists, do it yourself sort of girls who want to travel the world, take up knitting, frolic in the land of freelancing but want to do it all without going broke. The Anti 9-to-5 Guide provides readers with the resources you need to have it all and still have a place to sleep. Michelle suggests great tips for easing into the life you want. With an entire chapter devoted to pursuing your passion on the side, The Anti 9-to-5 Guide encourages us to tweak our current career path or head down a new one, and ultimately succeed.

## My So-Called Freelance Life

### How to Survive and Thrive as a Creative Professional for Hire

Seal Press Tired of clocking in and losing out? Want to pursue creative, fulfilling work on your own time and also make a living in the process? My So-Called Freelance Life is a how-to guidebook for women who want to avoid the daily grind and turn their freelance dreams into reality. Michelle Goodman, author of The Anti 9-to-5 Guide and self-proclaimed former "wage slave," offers tips, advice, how-to's, and everything else a woman needs to pursue a freelance career. Confused as to whether you should tell your clients that the odd gurgling sound during a conference call is emanating from the infant sleeping on your shoulder? Goodman answers all of the unusual questions that may arise for women exploring the freelance world. Far more than your normal business guidebook, My So-Called Freelance Life blends candid, humorous anecdotes from a wide variety of freelancers with Goodman's own personal experiences as a creative worker for hire. Whether you're a freelance first-timer or a seasoned creative professional, copyediting queen or web guru, My So-Called Freelance Life is an invaluable resource for anyone interested in freelancing.

## Brokenomics

### 50 Ways to Live the Dream on a Dime

Seal Press In *Brokenomics*, author Dina Gachman shares the lessons she's learned about how to live large in the cheap seats. Through stories both painfully honest and laugh-out-loud funny that anyone can relate to, Dina reveals all the tricks you need to live the good life without spending a ton of money. *Brokenomics* covers the place where economics and everyday life collide. It includes: Rules for changing your mindset ("There Will Always Be Someone Richer, Taller, Smarter, and Better Looking Than You") Wise words about making big decisions, like raising children—or not ("Why Have a Baby When You Can Just Get a Nice Potted Plant?") Clear-eyed relationship advice ("Do Not Date Anyone Who Loves Their Bong More Than They Love You") Solid guidance for renters ("The Freeloader's Guide to Housesitting") And strategies for talking to your honey about money. . . without breaking up This helpful and hilarious handbook has the answers for crafting your own version of the glamorous life without breaking the bank. Dina shares advice on every page while keeping things fresh, light, and fun. Written with the wisdom afforded by hindsight, *Brokenomics* will appeal to recent college grads, newly committed couples, and those facing career crises alike.

### The New Better Off

### Reinventing the American Dream

Seal Press Are we living the good life—and what defines 'good', anyway? Americans today are constructing a completely different framework for success than their parents' generation, using new metrics that TEDWomen speaker and columnist Courtney Martin has termed collectively the "New Better Off". The *New Better Off* puts a name to the American phenomenon of rejecting the traditional dream of a 9-to-5 job, home ownership, and a nuclear family structure—illuminating the alternate ways Americans are seeking happiness and success. Including commentary on recent changes in how we view work, customs and community, marriage, rituals, money, living arrangements, and spirituality, *The New Better Off* uses personal stories and social analysis to explore the trends shaping our country today. Martin covers growing topics such as freelancing, collaborative consumption, communal living, and the breaking down of gender roles. *The New Better Off* is about the creative choices individuals are making in their vocational and personal lives, but it's also about the movements, formal and informal, that are coalescing around the *New Better Off* idea—people who are reinventing the social safety net and figuring out how to truly better their own communities.

### My So-Called Freelance Life

### How to Survive and Thrive as a Creative Professional for Hire

Seal Press Shares uplifting tips and advice for women seeking to embark on a freelance career, in a guide for business professionals of all experience levels that also offers counsel on how to balance a working life with family responsibilities. Original.

### The Boss of You

## Everything A Woman Needs to Know to Start, Run, and Maintain Her Own Business

Seal Press Female entrepreneurs are a growing force to be reckoned with. Each year, more and more women take the initiative and start their own business ventures—at twice the rate of men. Women continue to reshape the business world with innovative models, both large and small. So why is there a lack of clear-cut, expert advice aimed at this dynamic female audience? In *The Boss of You*, Emira Mears and Lauren Bacon, founders of Raised Eyebrow Web Studios Inc. and co-editors of the well-known webzine Soapboxgirls, set out to answer this question. As intelligent entrepreneurs and straightforward writers, Emira and Lauren offer insight into beginning—and sustaining—small businesses from the female perspective. Peppered with stories from women who have been there, from cautionary tales to success stories, *The Boss of You* provides readers with real advice and career options that will allow them to live their values and achieve their own version of work-life balance. Whether you are an established professional or an entrepreneurial newbie, *The Boss of You* is the definitive guidebook for starting, maintaining, and enjoying your own business.

### Maxed Out

## American Moms on the Brink

Seal Press Winner of a Foreword IndieFab Book of the Year Award Katrina Alcorn was a 37-year-old mother with a happy marriage and a thriving career when one day, on the way to Target to buy diapers, she had a breakdown. Her carefully built career shuddered to a halt, and her journey through depression, anxiety, and insomnia—followed by medication, meditation, and therapy—began. Alcorn wondered how a woman like herself, with a loving husband, a supportive boss, three healthy kids, and a good income, was unable to manage the demands of having a career and a family. Over time, she realized that she wasn't alone; many women were struggling to do it all—and feeling as if they were somehow failing as a result. Mothers are the breadwinners in two-thirds of American families, yet the American workplace is uniquely hostile to the needs of parents. Weaving in surprising research about the dysfunction between the careers and home lives of working mothers, as well as the consequences to women's health, Alcorn tells a deeply personal story about “having it all,” failing miserably, and what comes after. Ultimately, she offers readers a vision for a healthier, happier, and more productive way to live and work.

### Here's the Plan.

## Your Practical, Tactical Guide to Advancing Your Career During Pregnancy and Parenthood

Seal Press For many women in their 20's and 30's, the greatest professional hurdle they'll need to overcome has little to do with their work life. The most focused, confident, and ambitious women can find themselves derailed by a tiny little thing: a new baby. While more workplaces are espousing family-friendly cultures, women are still subject to a "parenting penalty" and high-profile conflicts between parenting and the workplace are all over the news: from the controversy over companies covering the costs of egg-freezing to the debate over parental leave and childcare inspired by Mark Zuckerberg's two-month paternity leave. *Here's the Plan* offers an inventive and inspiring roadmap for working mothers steering their careers through the parenting years. Author Allyson Downey—founder of weeSpring, the “Yelp for baby products,” and mother of two young children—advises readers on all practical aspects of ladder-climbing while parenting, such as negotiating leave, flex time, and promotions. In the style of #GIRLBOSS or Nice Girls Don't Get the Corner Office, *Here's the Plan* is the definitive guide for ambitious mothers, written by one working mother to another.

## Pretty Neat

### The Buttoned-Up Way to Get Organized and Let Go of Perfection

Seal Press Negative self-image. Fantasy-induced overspending. Marital tension. A new kind of airbrushed concoction is wreaking havoc on homes and psyches, and Sarah Welch and Alicia Rockmore have a name for it: org porn. It's in magazines, coffee table books, advertisements, and TV shows, promoting a perfect — and entirely imaginary — world in which everything is always pristine, serene, and flawlessly organized. *Pretty Neat* is a handbook that embraces the chaotic reality that lies beneath org porn's glossy veneer, offering pithy anecdotes and candid advice from experts and real women alike on tackling organizational inertia. Funny, irreverent, entertaining, and helpful, the book covers all facets of clutter-control, from tried-and-true tips for conquering to-do lists and wrangling family schedules to ideas on excavating inboxes, eliminating excuses, and delegating housework. Most importantly, *Pretty Neat* insists that women need to stop holding themselves to impossibly high standards, and focus instead on defining their own, realistic organizational goals. Full of engaging examples from everyday women, *Pretty Neat* offers readers unorthodox, surprisingly simple methods to reduce their org porn-fueled stress, insisting that perfection is impossible — and unnecessary — in this messy, unpredictable world called real life.

## The MomShift

### Women Share their Stories of Career Success After Having Children

Random House Canada *The MomShift* is the first book to exclusively research and showcase the stories of a diverse range of relatable women who share the multitude of ways in which they achieved greater career success after starting their families. Women are regularly told that having children will hurt their careers--until now. In *The MomShift*, Reva Seth talked to over 500 mothers from a broad range of professional and personal backgrounds who have defied cultural expectations and achieved greater professional success after starting their families. For these women and others like them, having children actually enhanced their work life: by helping them prioritize and set bigger goals, inspiring them to work harder and smarter or even spurring them to start their own businesses. As Rebecca Woolf--of *Girl's Gone Child* blog fame--puts it, "Motivation, thy name is parenthood." But as Sheryl Sandberg, the COO of Facebook has pointed out, when an already busy women starts thinking about having a child, she frequently steps back from her career goals, unable to picture how her already busy life will accommodate children. Enter *The MomShift*, which covers areas such as how much we really need to "lean in," whether there's a "best time" to have a baby, the benefits of re-framing maternity leave, ambition, financial concerns, the changing nature of careers, and whether work/life balance really exists for working mothers. Each chapter has discussion questions to keep the conversation going and the ideas percolating. The result is a reassuring, supportive and inspirational resource

that emphasizes there is no one right way to balance careers and family, and that illustrates the many choices women have today. The MomShift is an invaluable career companion brimming with motivation, tips and ideas to help each woman to create her own version of career success during the often hectic but highly productive "mom" years.

## How'd You Score That Gig?

### A Guide to the Coolest Jobs-and How to Get Them

Ballantine Books In *How'd You Score That Gig?*, career expert Alexandra Levit profiles more than sixty of the coolest careers on the planet-all rated in a national survey by twenty- and thirtysomethings for twenty- and thirtysomethings. ### Crap Job

### How to Make the Most of the Job You Hate

Low pay, long hours, bad bosses, awful commutes, obnoxious customers, conniving co-workers - there are as many ways a job can suck as there are people working sucky jobs. No matter the reason you find yourself saddled with a job that's best described as dung, help has arrived. *Crap Job: How to Make the Most of the Job You Hate* offers practical advice, creative coping strategies, and much-needed comic relief for surviving the workday. Like a well-placed plunger, *Crap Job* can help make the best of a bad situation. This timely guide is packed with practical tips to cope with the slow suffocation of childhood dreams and make the everyday a little less miserable. Perfect for recent grads coming to terms with the soul-crushing realities of the workforce and anyone toiling away in the post-recessionary world of flat pay and underwhelming retirement plans, *Crap Job* offers suggestions to deal with the daily grind and offers a dose of comedy to balance out the day's drama. Creative types chafing at the confinements of 9-5 employment, passionate people who haven't found "something they love," and disillusioned desk workers who find a friend in Michelle Goodman's empathetic, tough-love approach to enduring the struggles of the workday.

P.S.

## What I Didn't Say : Unsent Letters to Our Female Friends

**Seal Press** Have you ever had something you wanted to say to a friend, but couldn't? Ever wished you could go back in time to say something you didn't? Female friendships are some of the most powerful and beautiful relationships in our lives, but it can sometimes be hard to express our true sentiments to these friends. Whether it be pride, fear, feelings, or circumstance that stand in the way, each of us likely has something we wish we could say to someone, but haven't. In P.S., Megan McMorris collects these sentiments, as an anthology of unsent letters written by a range of women. For the friend who's been there for you through everything, the friend you've lost touch with, or the friend you've wished you could help, P.S. offers a chance to express the unspoken. A thought-provoking collection, P.S. is sure to resonate with women readers of all ages, from different walks of life.

## U.S. News & World Report

### There Are No Shortcuts

**Anchor Year** After year, Rafe Esquith's fifth-grade students excel. They read passionately, far above their grade level; tackle algebra; and stage Shakespeare so professionally that they often wow the great Shakespearean actor himself, Sir Ian McKellen. Yet Esquith teaches at an L.A. innercity school known as the Jungle, where few of his students speak English at home, and many are from poor or troubled families. What's his winning recipe? A diet of intensive learning mixed with a lot of kindness and fun. His kids attend class from 6:30 A.M. until well after 4:00 P.M., right through most of their vacations. They take field trips to Europe and Yosemite. They play rock and roll. Mediocrity has no place in their classroom. And the results follow them for life, as they go on to colleges such as Harvard, Princeton, and Stanford. Possessed by a fierce idealism, Esquith works even harder than his students. As an outspoken maverick of public education (his heroes include Huck Finn and Atticus Finch), he admits to significant mistakes and heated fights with administrators and colleagues. We all—teachers, parents, citizens—have much to learn from his candor and uncompromising vision.

## The Brain That Changes Itself

### Stories of Personal Triumph from the Frontiers of Brain Science

**Penguin** "Fascinating. Doidge's book is a remarkable and hopeful portrait of the endless adaptability of the human brain."—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat* What is neuroplasticity? Is it possible to change your brain? Norman Doidge's inspiring guide to the new brain science explains all of this and more. An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they've transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential.

## A Confederacy of Dunces

Grove/Atlantic, Inc. Winner of the Pulitzer Prize "A masterwork . . . the novel astonishes with its inventiveness . . . it is nothing less than a grand comic fugue."—The New York Times Book Review A Confederacy of Dunces is an American comic masterpiece. John Kennedy Toole's hero, one Ignatius J. Reilly, is "huge, obese, fractious, fastidious, a latter-day Gargantua, a Don Quixote of the French Quarter. His story bursts with wholly original characters, denizens of New Orleans' lower depths, incredibly true-to-life dialogue, and the zaniest series of high and low comic adventures" (Henry Kisor, Chicago Sun-Times).

## The Bookseller's Secret

### A Novel of Nancy Mitford and WWII

Harlequin "The Bookseller's Secret is a delight from start to finish, a literary feast any booklover will savor!" —Kate Quinn, New York Times bestselling author of The Rose Code ARISTOCRAT, AUTHOR, BOOKSELLER, WWII SPY—A THRILLING NOVEL ABOUT REAL-LIFE LITERARY ICON NANCY MITFORD FROM THE NEW YORK TIMES BESTSELLING AUTHOR OF A PARIS APARTMENT In 1942, London, Nancy Mitford is worried about more than air raids and German spies. Still recovering from a devastating loss, the once sparkling Bright Young Thing is estranged from her husband, her allowance has been cut, and she's given up her writing career. On top of this, her five beautiful but infamous sisters continue making headlines with their controversial politics. Eager for distraction and desperate for income, Nancy jumps at the chance to manage the Heywood Hill bookshop while the owner is away at war. Between the shop's brisk business and the literary salons she hosts for her eccentric friends, Nancy's life seems on the upswing. But when a mysterious French officer insists that she has a story to tell, Nancy must decide if picking up the pen again and revealing all is worth the price she might be forced to pay. Eighty years later, Heywood Hill is abuzz with the hunt for a lost wartime manuscript written by Nancy Mitford. For one woman desperately in need of a change, the search will reveal not only a new side to Nancy, but an even more surprising link between the past and present... \*Don't miss The Lipstick Bureau, Michelle Gable's next novel. On sale in December 2022 and available to preorder now!

## Loving Music Till It Hurts

Oxford University Press Can music feel pain? Do songs possess dignity? Do symphonies have rights? Of course not, you might say. Yet think of how we anthropomorphize music, not least when we believe it has been somehow mistreated. A singer butchered or mangled the "Star-Spangled Banner" at the Super Bowl. An underrehearsed cover band made a mockery of Led Zeppelin's classics. An orchestra didn't quite do justice to Mozart's Requiem. Such lively language upholds music as a sentient companion susceptible to injury and in need of fierce protection. There's nothing wrong with the human instinct to safeguard beloved music . . . except, perhaps, when this instinct leads us to hurt or neglect fellow human beings in turn: say, by heaping outsized shame upon those who seem to do music wrong; or by rushing to defend a conductor's beautiful recordings while failing to defend the multiple victims who have accused this maestro of sexual assault. Loving Music Till It Hurts is a capacious exploration of how people's head-over-heels attachments to music can variously align or conflict with agendas of social justice. How do we respond when loving music and loving people appear to clash?

## From Betty Crocker to Feminist Food Studies

### Critical Perspectives on Women and Food

Liverpool University Press Sheds light on the history of food, cooking, and eating. This collection of essays investigates the connections between food studies and women's studies. From women in colonial India to Armenian American feminists, these essays show how food has served as a means to assert independence and personal identity.

## Limiting Democracy

### The Erosion of Electoral Rights in Australia

UNSW Press Recently introduced legislation and other proposal from government ministers threaten Australians' right to vote. Brian Costar and Colin A. Hughes argue that rather than watering down democratic rights we need to strengthen the key features of our electoral system.

### The Home for Unwanted Girls

#### A Novel

Harper, and In 1950s Quebec, French and English tolerate each other with precarious civility--much like Maggie Hughes' parents. Maggie's English-speaking father has ambitions for his daughter that don't include marriage to the poor French boy the next farm over. But Maggie's heart is captured by Gabriel Phénix. When she becomes pregnant at fifteen, her parents send the baby Elodie to an orphanage where she receives horrible treatment. Seventeen years later, Maggie, married to a businessman eager to start a family, cannot forget the daughter she was forced to abandon, and a chance reconnection with Gabriel spurs a wrenching choice. As time passes, the stories of Maggie and Elodie intertwine but never touch, until Maggie realizes she must take what she wants from life and go in search of her long-lost daughter, finally reclaiming the truth that has been denied them both.

### Enemy Women

#### A Novel

Harper Collins For the Colleys of southeastern Missouri, the War between the States is a plague that threatens devastation, despite the family's avowed neutrality. For eighteen-year-old Adair Colley, it is a nightmare that tears apart her family and forces her and her sisters to flee. The treachery of a fellow traveler, however, brings about her arrest, and she is caged with the criminal and deranged in a filthy women's prison. But young Adair finds that love can live even in a place of horror and despair. Her interrogator, a Union major, falls in love with her and vows to return for her when the fighting is over. Before he leaves for battle, he bestows upon her a precious gift: freedom. Now an escaped "enemy woman," Adair must make her harrowing way south buoyed by a promise . . . seeking a home and a family that may be nothing more than a memory.

### Sonic Warfare

### Sound, Affect, and the Ecology of Fear

MIT Press An exploration of the production, transmission, and mutation of affective tonality—when sound helps produce a bad vibe. Sound can be deployed to produce discomfort, express a threat, or create an ambience of fear or dread—to produce a bad vibe. Sonic weapons of this sort include the “psychoacoustic correction” aimed at Panama strongman Manuel Noriega by the U.S. Army and at the Branch Davidians in Waco by the FBI, sonic booms (or “sound bombs”) over the Gaza Strip, and high-frequency rat repellants used against teenagers in malls. At the same time, artists and musicians generate intense frequencies in the search for new aesthetic experiences and new ways of mobilizing bodies in rhythm. In *Sonic Warfare*, Steve Goodman explores these uses of acoustic force and how they affect populations. Traversing philosophy, science, fiction, aesthetics, and popular culture, he maps a (dis)continuum of vibrational force, encompassing police and military research into acoustic means of crowd control, the corporate deployment of sonic branding, and the intense sonic encounters of sound art and music culture. Goodman concludes with speculations on the not yet heard—the concept of unsound, which relates to both the

peripheries of auditory perception and the unactualized nexus of rhythms and frequencies within audible bandwidths.

## The Book of Night Women

**Penguin From the author of the National Book Award finalist Black Leopard, Red Wolf and the WINNER of the 2015 Man Booker Prize for A Brief History of Seven Killings "An undeniable success." — The New York Times Book Review A true triumph of voice and storytelling, The Book of Night Women rings with both profound authenticity and a distinctly contemporary energy. It is the story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the slave women around her recognize a dark power that they- and she-will come to both revere and fear. The Night Women, as they call themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book-the secret to the stirring imagery and insistent prose-is Marlon James himself, a young writer at once breathtakingly daring and wholly in command of his craft.**

## I Survived the Attack of the Grizzlies, 1967 (I Survived #17)

**Scholastic Inc. New York Times bestselling author Lauren Tarshis tackles the historic grizzly bear attacks in Glacier National Park in this latest installment of the groundbreaking I Survived series. No grizzly has ever killed a human in Glacier before . . . until tonight. Eleven-year-old Melody Vega and her family come to Glacier National Park every year, and it's always been a place where she can forget her troubles. But this year is different. With Mom gone, every moment in the park is a heartbreaking reminder of the past. Then Mel comes face-to-face with the mighty grizzly. Now her only thought is one of survival. Mel will soon be a part of one of the most tragic seasons in the history of America's national parks - a summer of terror that will forever change ideas about how grizzlies and humans can exist together in the wild.**

## The Girls Who Stepped Out of Line

## Untold Stories of the Women Who Changed the Course of World War II

**For fans of Radium Girls and history and WWII buffs, The Girls Who Stepped Out of Line takes you inside the lives and experiences of 15 unknown women heroes from the Greatest Generation, the women who served, fought, struggled, and made things happen during WWII--in and out of uniform, for theirs is a legacy destined to embolden generations of women to come. The Girls Who Stepped Out of Line are the heroes of the Greatest Generation that you hardly ever hear about. These women who did extraordinary things didn't expect thanks and shied away from medals and recognition. Despite their amazing accomplishments, they've gone mostly unheralded and unrewarded. No longer. These are the women of World War II who served, fought, struggled, and made things happen--in and out of uniform. Liane B. Russell fled Austria with nothing and later became a renowned U.S. scientist whose research on the effects of radiation on embryos made a difference to thousands of lives. Gena Turgel was a prisoner who worked in the hospital at Bergen-Belsen and cared for the young Anne Frank, who was dying of typhus. Gena survived and went on to write a memoir and spent her life educating children about the Holocaust. Ida and Louise Cook were British sisters who repeatedly smuggled out jewelry and furs and served as sponsors for refugees, and they also established temporary housing for immigrant families in London. Retired U.S. Army Major General Mari K. Eder wrote this book because she knew their stories needed to be told--and the sooner the better. For theirs is a legacy destined to embolden generations of women to come.**

## Kira-Kira

**Simon and Schuster kira-kira (kee' ra kee' ra): glittering; shining Glittering. That's how Katie Takeshima's sister, Lynn, makes everything seem. The sky is kira-kira because its color is deep but see-through at the same time. The sea is kira-kira for the same reason. And so are people's eyes. When Katie and her family move from a Japanese community in Iowa to the Deep South of Georgia, it's Lynn who explains to her why people stop them on the street to stare. And it's Lynn who, with her special way of viewing the world, teaches Katie to look beyond tomorrow. But when Lynn becomes desperately ill, and the whole family begins to fall apart, it is up to Katie to find a way to remind them all that there is always**

something glittering -- kira-kira -- in the future. Luminous in its persistence of love and hope, Kira-Kira is Cynthia Kadohata's stunning debut in middle-grade fiction.
