It is a book of sense and common sense, not only about magick, but about religion and one of the most critical issues of today: how to achieve the much needed and wholesome relationship with our Earth. Cunningham presents Wicca as it is today: a gentle, Earth-oriented religion dedicated to the Goddess and God. Wicca also includes Scott Cunningham's own Book of Shadows and updated appendices of periodicals and occult suppliers. **Wicca Book of Spells and Witchcraft** Learn about the history and practice of the Wiccan tradition, discover the incredible power of spellcasting for health, wealth and happiness, and explore the magickal side of herbs & plants to connect with nature, as the earliest shamans did in the ancient world. The world we live in today seems wholly distant from the one our ancestors lived in—a world where humans and Nature were at one, their existence intertwined in the natural cycles of life. Wicca teaches us to appreciate the Earth, celebrating the intricate changes in the seasons and everything they bring. As you'll discover in this book, Wicca is a reincarnation of the very earliest religions, practiced for millennia before the advent of Christianity. Wiccans celebrate and share many of the same beliefs our ancestors held, with practices that honor the old ways while being compatible with contemporary life. You will discover:—The origins and history of Wicca and Witchcraft—The Wiccan holidays of the Wheel of the Year: the Sabbats and the Esbats—Core elements of Wiccan ritual—Principles of magic—both ancient and modern—Choosing your Wiccan path—An overview of Wiccan covens, circles, and solitary practice—Magickal tools & how to use them—Tips & guidelines for successful spellcasting—The phases of the moon & their importance—Spells for abundance, wealth, health, love and happiness—And much more! **Witchcraft For Beginners An Effective Guide To Wiccan Spells, Rituals, Witchcraft And Magic For The Solitary Practitioner And Learning The Fundamentals Of Practice, Beliefs, Witchery And Philosophy** [Lisa Moon](#) ★ 55% OFF for Bookstores! The Wiccan belief system is actually quite complex in the fact that Wiccans have a certain way of thinking and living their lives. Similar to other religions, Wiccans like balance and peace of all things. They are very in tune with nature and the Earth making all things whole and a sense of oneness with all living things. They go by a guilt-free morality. What this means is that there is no jealous or vindictive God in Wicca. The mother goddess is mainly loving, nurturing, generous, and wise. Whereas the gods are protective, playful, assertive, and strong without punishment or violence. Wiccans live vicariously through their gods and goddesses and implement all that is pure in the Wiccan form. Witchcraft is technically considered a type of magic whose emphasis is on earthly magic, such as natural magic and herbal magic. The witch in all her forms lives in these practices, living on the fringe of society and acting as healer and destroyer. Often associated with women, witchcraft can be practiced by men as well. But never fear; this book will help you dismantle myths misconceptions and build a solid foundation of understanding. In this book, we'll go over the history and origins of the Wiccan religion, the basics of the Wiccan pantheon of deities and their worship rituals, the dynamics of magic in the natural world, the nuances of spell casting, and more. Luckily, there is no shortage of information about the "Old Religion" in print and online. Finding Your Path: A Guide to Wiccan Traditions, Solitary Practitioners, Eclectic Witches, Covens and Circles One of Wicca's greatest strengths as a spiritual practice is the variety of paths one can choose from. Perhaps you want to join a coven within an established tradition, or maybe a more individualized practice is your calling. In *Finding Your Path*, you'll learn about the wide spectrum of contemporary Wiccan practice, from traditional "orthodox" covens to looser, more "eclectic" covens and circles, as well as the more recent phenomenon of solitary practice, which has appeal for both traditional and eclectic Wiccans alike. Lisa covers everything you need to know about covens and circles, including their history, their structures, and how to find your Wiccan community. You'll also be introduced to the main Wiccan traditions: Gardnerian, Alexandrian, and Dianic, as well as other less common traditions. If you don't already have a sense of the amazing diversity of this innovative religion, you certainly will after reading this book!

Living a Magical Life: A Guide to Initiation and Navigating Your Journey in the Craft New Wiccans will encounter two essential questions: 1) should you formalize your practice of the Craft with an initiation ritual? and 2) how do you integrate your new beliefs into your day-to-day life? In *Living a Magical Life*, Lisa addresses questions regarding coven initiation and solitary self-dedication, as well as less often-discussed topics like navigating common obstacles along your spiritual path, leaving behind old beliefs that no longer serve you, and developing and strengthening your inner psychic guidance system. There's also a step-by-step solitary initiation ritual you can perform when (and if) you feel the time is right, and spellwork for helping you stay in touch with your magical perspective every day—not just on Sabbats and Esbats!
