How Like an Angel Came I Down

SteinerBooks Every now and then the past yields up one of its lost treasures. This book is just such a gem. Bronson Alcott, friend and sometimes mentor to Emerson and Thoreau in Concord, was also a visionary educator who believed that the psyche of a child already carries within it the imprint of spirit and wisdom. At his school in Boston in the 1830s, he held this extraordinary series of conversations on such themes as spirit, consciousness, conscience, love, humility, the Holy Ghost, and the knower.

Gospel Conversations

How to Care Like Christ

Zondervan How does a person learn to counsel others with the truth of God's Word? Bob Kelleman believes that the best way to learn counseling is by doing it—by giving and receiving biblical counseling in the context of real, raw Christian community. Gospel Conversations explores the four compass-points of biblical counseling: Sustaining: "It's Normal to Hurt." Healing: "It's Possible to Hope." Reconciling: "It's Horrible to Sin, but Wonderful to Be Forgiven." Guiding: "It's Supernatural to Mature." These four compass points combine to equip readers to develop twenty-two ministry relational competencies—the "how to" of caring like Christ. This book serves as a practical training manual that can be used for lab and small group interaction. Gospel Conversations is the second volume in The Equipping Biblical Counselors Series, a comprehensive relational training curriculum for the local church that provides a model for equipping God's people to change lives with Christ's changeless truth. This two-volume series weaves together comprehensive biblical insight with compassionate Christian engagement.

The Gospel as Conversation

Texts, Sermons, and Questions for Reflection: A Study Guide

Wipf and Stock Publishers How are we to read the Gospels and bring them into our lives? The idea of this book is that the Gospels are not merely rules for life, or stories illustrating moral lessons, or statements of theological doctrine, but invitations to thought and conversation. The Gospels are full of problems, uncertainties, and tensions; these difficulties call upon us to engage with the Gospels in a new way: to read them, to ask questions about them, to live with them, alone and together. The way we do that is by a kind of conversation, with each other, or within ourselves. The Gospel as Conversation is meant to engage the reader in the conversation by which the Gospels maintain their life today among us. It contains Gospel passages, sermons given on those passages, and questions for reflection. It is intended both for individual readers and for groups in adult education classes.

Handing Down the Faith

How Parents Pass Their Religion on to the Next Generation

Oxford University Press, USA "This book is about how American religious parents approach the handing on of their religious practices and beliefs to their children. We know a lot about the importance of parents in faith transmission and factors that influence its effectiveness. But we know much less about the actual beliefs, feelings, and activities of the parents themselves when it comes to the intergenerational transmission of religious faith and practice"--

The Gospel is a Children's Story

Gospel is a Children's Story and be set on fire to share the excitement of this message with your world. It is time that we all return to the cross. I praise you Father, Lord of heaven and earth, because you have hidden these things from the wise and the learned, and revealed them to little children. Yes, Father, for this was your good pleasure...I tell you the truth, anyone who will not receive the kingdom of God like a little child will never enter it. —Matthew 11:25–26 and Mark 10:15

The Transcendentalists

University of Georgia Press Barbara L. Packer's long essay "The Transcendentalists" is widely acknowledged by scholars of nineteenth-century American literary history as the best-written, most comprehensive treatment to date of Transcendentalism. Previously existing only as part of a volume in the magisterial Cambridge History of American Literature, it will now be available for the first time in a stand-alone edition. Packer presents Transcendentalism as a living movement, evolving out of such origins as New England Unitarianism and finding early inspiration in European Romanticism. Transcendentalism changed religious beliefs, philosophical ideas, literary styles, and political allegiances. In addition, it was a social movement whose members collaborated on projects and formed close personal ties. Transcendentalism contains vigorous thought and expression throughout, says Packer; only a study of the entire movement can explain its continuing sway over American thought. Through fresh readings of both the essential Transcendentalist texts and the best current scholarship, Packer conveys the movement's genuine expectations that its radical spirituality not only would lead to personal perfection but also would inspire solutions to such national problems as slavery and disfranchisement. Here is Transcendentalism in whole, with Emerson, Thoreau, and Fuller restored to their place alongside such contemporaries as Bronson Alcott, George Ripley, Jones Very, Theodore Parker, James Freeman Clarke, Orestes Brownson, and Frederick Henry Hedge.

The Joy of the Gospel

Evangelii Gaudium

Image The perfect gift! A specially priced, beautifully designed hardcover edition of The Joy of the Gospel with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, The Joy of the Gospel is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of Catholicism: A Journey to the Heart of the Faith and James Martin, SJ, author of Jesus: A Pilgrimage

The Gospel According to Blindboy in 15 Short Stories

Gill & Macmillan Ltd The Gospel According to Blindboy is a surreal and genre-defying collection of short stories and visual art exploring the myths, complacencies and contradictions at the heart of modern Ireland. Covering themes ranging from love and death to sex and politics, there's a story about a girl from Tipp being kicked out of ISIS, a van powered by Cork people's accents and a man who drags a fridge on his back through Limerick. Whip-smart, provocative and animated by the author's unmistakably dark wit, it is unlike anything else you will read this year. 'Mad, wild, hysterical, and all completely under the writer's control - this is a brilliant debut.' Kevin Barry 'There is genius in this book, warped genius. Like you'd expect from a man who for his day job wears a plastic bag on his head but something beyond that too. Oddly in keeping with the tradition of great Irish writers.' Russell Brand 'One of Ireland's finest and most intelligent comic minds delivers stories so blisteringly funny and sharp your fingers might bleed.' Tara Flynn 'Essential, funny and disturbing.' Danny Boyle

The Gospels Are Now

Timeless Gospel Themes and Life, Literature, and the Arts

Xlibris Corporation Pope John XXIII, in using the word 'aggiornamento' in reference to the Second Vatican Council, actually challenged the present day Christian world to apply Scripture and tradition to modern and contemporary situations. It is in that spirit that the author has written this book. As professor of literature for many years, specializing in the Great Books, Professor Fiore takes timeless Gospel themes and examines how these biblical motifs are often echoed in some of our most beautiful and stimulating present day creations. Some of the writers covered here are John Steinbeck, Flannery O'Connor, Tennessee Williams, Shirley Jackson, Franco Zeffi relli and others. Some of the theater works are Waiting for Godot, Raisin in the Sun, Man of La Mancha, The Fantasticks, and Our Town; some of the fi lms are Moonstruck, Schindler's List, La Dolce Vita, Shawshank Redemption, Life is Beautiful, La Strada, and Brideshead Revisited. A concerted effort for a personal style has been made in order to present an intimate and readable approach to life, the arts, and their Gospel infl uences.

77 Positive Poetic Gospel Messages

Page Publishing Inc Reader's will experience a little taste of truth and Heaven when reading this book. The book was written by a clinically depressed person and started out as positive songs to help him and others get through rough times in life. It serves as a tool to get people strong with the word when they need it the most. The works can engage people of all ages. Anyone can help change and inspire the world no matter their struggles, as struggles only truly do make us stronger. This book is intended to give a message for the day or week, and then bunches together and compiles scripture pertaining to that message. The word will keep you strong, while using different methods to get that word across to keep it fun and feeling new. No matter if one is a new or committed devout Christian; the book gives people the meat and cheese surrounded by the bread of life (Jesus Christ) to help one stay strong. The messages can be used for Gospel songs to help inspire and lift up as well. We all make mistakes, so we can learn firmly how to always overcome them, along with those bumps in the road. A poetry book with many metaphors that will make you want to take another look, as the writer shows how he was once a part of sins hook, and still needs himself a daily look at the word during these perilous times. Gospel Centered Family

Becoming the Parents God Wants You to be

The Good Book Company A parenting manual taking us through the major Bible principles for family life. Numerous books set out to help Christian parents in the challenging mission of raising their children well-so what's different about this one? Well, the answer's in the title! It's not about how the gospel fits into Christian family life, but how family life should fit into the gospel-God's greatest purpose for this universe, achieved in Christ. Many books aim to raise up competent, balanced parents and well-trained, well-rounded children. But Tim Chester and Ed Moll focus on families growing God-knowing, Christ-confessing, grace-receiving, servant-hearted, mission-minded believers-adults and children together. Christian families should be about... - not just making good citizens but also church planters, missionaries, reformers, servants and evangelists; - not just learning about God but also showing him to others; - not just controlling behaviour but also changing the heart; - not just parents and children, but being an integral part of the wider church family. In twelve concise chapters, Gospel-Centered Family takes us through the major Bible principles for family life, challenging us to give up our 'respectable' middle-class idols, and to become the distinctively different people that God, through his gospel, calls us to be.
