Freedom of Information Act Guide & Privacy Act Overview What works in early reading materials *RTI Press* Access to books is key to learning to read and sustaining a love of reading. Yet many low- and middle-income countries struggle to provide their students with reading materials of sufficient quality and quantity. Since 2008, RTI International has provided technical assistance in early reading assessment and instruction to ministries of education in dozens of low- and middle-income countries. The central objective of many of these programs has been to improve learning outcomes—in particular, reading—for students in the early grades of primary school. Under these programs, RTI has partnered with ministry staff to produce and distribute evidence-based instructional materials at a regional or national scale, in quantities that increase the likelihood that children will have ample opportunities to practice reading skills, and at a cost that can be sustained in the long term by the education system. In this paper, we seek to capture the practices RTI has developed and refined over the last decade, particularly in response to the challenges inherent in contexts with high linguistic diversity and low operational capacity for producing and distributing instructional materials. These practices constitute our approach to developing and producing instructional materials for early grade literacy. We also touch upon effective planning for printing and distribution procurement, but we do not consider the printing and distribution processes in depth in this paper. We expect this volume will be useful for donors, policymakers, and practitioners interested in improving access to cost-effective, high-quality teaching and learning materials for the early grades. Автори прагнули врахувати новітні досягнення філології та методики навчання іноземних мов. Зокрема, у підручнику застосовуються автентичні тексти з американських та британських ЗМІ, враховуються дані комбінаторних словників для засвоєння сполучуваності лексики, застосовується систематичне введення та опрацювання найскладніших фразових дієслів, використовуються елементи проблемного навчання. Підручник містить також англо-українські словники до кожного уроку, сучасні фото та малюнки. До відмінностей підручника слід також додати урахування вікових особливостей студентів та афективних чинників навчання, дозоване застосування гумору, фабульну презентацію матеріалу, глибоке проникнення у пласти лексики, які зазвичай залишаються поза увагою укладачів навчально-методичних матеріалів (наприклад, з музикознавства). Сучасна система вправ передбачає паралельний розвиток усіх видів мовленнєвої діяльності (аудіювання, говоріння, читання, письма). Для студентів вищих навчальних закладів, що спеціалізуються у галузі іноземної філології, студентів перекладацьких відділень (факультетів) університетів, фахівців, які прагнуть вдосконалити власні навички та уміння практичного володіння англійською мовою та перекладу. *A Guide to Teaching Practice 5th Edition Routledge* A Guide to Teaching Practice is the major standard text for all students on initial teacher training courses in the UK. Authoritative yet accessible, it covers the important basic skills and issues that students need to consider during their practice, such as planning, classroom organization, behaviour management and assessment. The book's focus on the quality of teaching and learning and consideration of the latest regulations and guidelines ensures that it fits comfortably within TTA and OfSTED frameworks. In addition, comprehensively revised and fully updated, this fifth edition features brand new chapters on the foundation stage, legal issues, learning and teaching and using ICT in the classroom, as well as new material on numeracy, literacy, children's rights, progress files and gifted and talented children. This book is the most respected and widely used textbook for initial teacher training courses and will be an essential resource for any student teacher. The Concise Guide takes a rhetorical approach to technical communication; instead of setting up a list of rules that should be applied uniformly to all writing situations, it introduces students to the bigger picture of how the words they write can affect the people intended to read them. Assignments and exercises are integrated throughout to reinforce and test knowledge.
