The Table of Contents is linked so you can conveniently find your place where you left off. If you skip a day, no problem, you can easily begin on the next day's reading. "A promise from God may very instructively be compared to a check payable to order," wrote Spurgeon. "It is given to the believer with the view of bestowing upon him some good thing. It is not meant that he should read it over comfortably, and then have done with it. No, he is to treat the promise as a reality, as a man treats a check."

HUMAN ACTS

A NOVEL

Hogarth From the internationally bestselling author of *The Vegetarian*, a “rare and astonishing” (*The Observer*) portrait of political unrest and the universal struggle for justice. In the midst of a violent student uprising in South Korea, a young boy named Dong-ho is shockingly killed. The story of this tragic episode unfolds in a sequence of interconnected chapters as the victims and the bereaved encounter suppression, denial, and the echoing agony of the massacre. From Dong-ho’s best friend who meets his own fateful end; to an editor struggling against censorship; to a prisoner and a factory worker, each suffering from traumatic memories; and to Dong-ho's own grief-stricken mother; and through their collective heartbreak and acts of hope is the tale of a brutalized people in search of a voice. An award-winning, controversial bestseller, *Human Acts* is a timeless, pointillist portrait of an historic event with reverberations still being felt today, by turns tracing the harsh reality of oppression and the resounding, extraordinary poetry of humanity. THE BOOK OF ACTS

THE HOLY SPIRIT'S HANDBOOK FOR CHURCH PLANTING MOVEMENTS

CreateSpace The Book of Acts is often studied and presented in sermons and in Sunday School lessons as interesting church history, but little more. Some spiritual principles may be drawn out of its stories, but the idea that the Holy Spirit gave Acts to the church to be our handbook or training manual for how to fulfill the Great Commission is often overlooked. "That was then" most will say, "but this is a different time and place. Surely, the Lord does not intend for the church to experience the same results today!" But the evidence from around the world is clear: the church planting paradigm of Acts produces rapid, exponential growth of the kingdom whenever or wherever it is properly applied. "From every corner of the globe the reports are coming in. Only a few at first, but now more and more frequently, reinforcing one another with their startling accounts of hundreds, thousands, and even tens of thousands coming to faith in Christ, forming into churches and spreading their new found faith" (David Garrison, Church Planting Movements, 1999). What David Garrison was describing could just as easily have been an introduction to the Book of Acts; for that was exactly what Luke was describing as he recorded the rapid expansion of the church that started in Jerusalem on that first Pentecost after Jesus' Resurrection and Ascension. This Study Guide is intended for individuals or groups who want to study Acts from a fresh perspective and at the same time learn how they can be personally and actively involved in this worldwide movement of church planting. Moving chapter by chapter through the Book of Acts, the Study Guide incorporates the principles of church planting movements today and clearly demonstrates (1) these principles are straight out of the Book of Acts, and (2) Acts was in fact, given to the church by the Holy Spirit to show us "How to..." fulfill the Great Commission (Matt. 28:19-20) that is and has been our mandate from the beginning.

A STUDY GUIDE FOR THE REVELATION OF JESUS CHRIST

JESUS IS COMING—COME QUICKLY, LORD JESUS

Abbott Press THE SECOND COMING OF CHRIST - REV. 19:1-21 A. GENERAL - 1. Chapter 19 - brings to a close the Great Tribulation period (Daniel's 70th Week - Dan. 9:27) and ushers in the 2nd coming of Jesus Christ. 2. Christ promised he would come again (John 14:3). 40 days after his resurrection (Acts 1:3), Christ ascended into heaven from the Mount of Olives; just East of Jerusalem (Acts 1:9). Two angels told the apostles Jesus would return in like manner (Acts 1:11). In Rev. 19:11-16, Christ returns with armies of saints and angels. 3. The prophecies of Zechariah will be fulfilled: "Thus says the Lord: I am returned to Zion and will dwell in the midst of Jerusalem..." (Zech. 8:3); "And his feet shall stand in that day upon the Mount of Olives, which is before Jerusalem on the East..." (Zech. 14:4). 4. In Chapter 19 - there are actually 2 scenes: 1 in heaven which is one of great joy and 1 on earth which is one of great judgment. B. JOY IN HEAVEN (REV. 19:1-10) - 1. SONGS OF THE SAINTS - REV. 19:1-6) - a. TIME SEQUENCE - (1) After this, I (John) heard - what sounded like the roar of a great multitude in heaven shouting: "Hallelujah - salvation - glory - power - belong to our God for true and just are his judgments - he has condemned the great prostitute (whore, KJV) - who corrupted the earth by her adulteries - he has avenged on her the blood of his servants!" (Rev. 19:1-2). NOTE: "After this" refers to the destruction of the apostate religious system in Rev. 17 and the corrupt commercial system in Rev. 18. In Rev. 18:20 the call to rejoice was issued; now we have the response to that call.

UNITED STATES CODE

CONTAINING THE GENERAL AND PERMANENT LAWS OF THE UNITED STATES, ENACTED THROUGH THE 112TH CONGRESS (ENDING JANUARY 2, 2013, THE LAST LAW OF WHICH WAS SIGNED ON JANUARY 15, 2013)

"The United States Code is the official codification of the general and permanent laws of the United States of America. The Code was first published in 1926, and a new edition of the code has been published every six years since 1934. The 2012 edition of the Code incorporates laws enacted through the One Hundred Twelfth Congress, Second Session, the last of which was signed by the President on January 15, 2013. It does not include laws of the One Hundred Thirteenth Congress, First Session, enacted between January 2, 2013, the date it convened, and January 15, 2013. By statutory authority this edition may be cited "U.S.C. 2012 ed." As adopted in 1926, the Code established prima facie the general and permanent laws of the United States. The underlying statutes reprinted in the Code remained in effect and controlled over the Code in case of any discrepancy. In 1947, Congress began enacting individual titles of the Code into positive law. When a title is enacted into positive law, the underlying statutes are repealed and the title then becomes legal evidence of the law. Currently, 26 of the 51 titles in the Code have been so enacted. These are identified in the table of titles near the beginning of each volume. The Law Revision Counsel of the House of Representatives continues to prepare legislation pursuant to 2 U.S.C. 285b to enact the remainder of the Code, on a title-by-title basis, into positive law. The 2012 edition of the Code was prepared and published under the supervision of Ralph V. Seep, Law Revision Counsel. Grateful acknowledgment is made of the contributions by all who helped in this work, particularly the staffs of the Office of the Law Revision Counsel and the Government Printing Office"--Preface.

THE RIGHT TO INFORMATION ACT 2005

A HANDBOOK

Oxford University Press The Indian state till recently denied information about its functioning and decision-making to its citizens, ironically, using laws made during the colonial period. Apart from being an anomaly in a democratic set-up, it created an adverse impact on the quality of governance, accountability, and transparency. It was only in 2005, after a prolonged freedom of information movement, that this situation was finally rectified. The government enacted the landmark Right to Information Act 2005, and gave to all its citizens the right to access information held by or under the control of public authorities. This Handbook is meant to serve as a practical guide to the implementation of the Act. The book begins by locating the Act in the context of a global movement for freedom of information (FOI), and discusses the efforts made by international bodies for adoption of FOI. It also presents a detailed comparative study of FOI in five countries—the US, the UK, Canada, South Africa, and India. In subsequent chapters, the book adopting a step-by-step approach, discusses the provisions of the Right to Information Act, how citizens should make use of the right to information, the comprehensive guidelines for public authorities and their obligations under the Act, which includes relevant central information commission decisions, the role of the public information officers (PIO), who are to be appointed as per the provisions in the Act by all public authorities, the exemptions allowed under the Act, and, finally, the appellate authorities to whom a citizen can appeal in case of unsatisfactory response by the PIO.

THE SOCIAL WORKER'S GUIDE TO THE CARE ACT 2014

Critical Publishing The Care Act 2014 is arguably the most significant piece of legislation for social workers who work with adults, since the NHS and Community Care Act 1990. The intention of this book is to present the information from the act, regulations and statutory guidance in a way that provides social workers with a good understanding of the legislation and how it applies to their role. Making extensive use of case examples that derive from the author's experience as a social worker, the book highlights the circumstances where professional judgment is required and explores issues that need interpretation such as significant impact on wellbeing. It covers the key stages of the 'care and support journey' - first contact, assessment of needs, prevention, consideration of eligibility, charging and financial assessment, care and support planning, and review. In addition, other chapters look at significant issues such as safeguarding and working with NHS colleagues. This book is intended to contribute to improving the 'legal literacy' of social workers, i.e. the connecting of legal rules with professional priorities and ethical practice. The approach used aims to help social workers to better understand the legal framework within which they make professional judgements, and to apply their expertise in interpreting the law for the benefit of people with care and support needs. The core aims are to provide the following: a solid foundation for social work students in developing a critical understanding of the Care Act and its application, the material to help experienced social workers with developing the critical reflection necessary to enhance their ability to make professional judgements a source of reference which social workers can use to evaluate their local systems, policies and procedures.
