TOWARD JUSTICE

BROADENING THE STUDY OF CRIMINAL JUSTICE

Routledge Designed as a text for Criminal Justice and Criminology capstone courses, Toward Justice encourages students to engage critically with conceptions of justice that go beyond the criminal justice system, in order to cultivate a more thorough understanding of the system as it operates on the ground in an imperfect world—where people aren't always rational actors, where individual cases are

linked to larger social problems, and where justice can sometimes slip through the cracks. Through a combined focus on content and professional development, *Toward Justice* helps students translate what they have learned in the classroom into active strategies for justice in their professional lives—preparing them for careers that will not simply maintain the status quo and stability that exists within our justice system, but rather challenge the system to achieve justice.

CRIMINAL JUSTICE IN AMERICA

STUDY GUIDE

THE HANDBOOK OF RACE, ETHNICITY, CRIME, AND JUSTICE

John Wiley & Sons This Handbook presents current and future studies on the changing dynamics of the role of immigrants and the impact of immigration, across the United States and industrialized and developing nations. It covers the changing dynamics of race, ethnicity, and immigration, and discusses how it all contributes to variations in crime, policing, and the overall justice system. Through acknowledging that some groups, especially people of color, are disproportionately influenced more than others in the case of criminal justice reactions, the "War on Drugs", and hate crimes; this Handbook introduces the importance of studying race and crime so as to better understand it. It does so by recommending that researchers concentrate on ethnic diversity in a national and international context in order to broaden their demographic and expand their understanding of how to attain global change. Featuring contributions

from top experts in the field, *The Handbook of Race and Crime* is presented in five sections—An Overview of Race, Ethnicity, Crime, and Justice; Theoretical Perspectives on Race and Crime; Race, Gender, and the Justice System; Gender and Crime; and Race, Gender and Comparative Criminology. Each section of the book addresses a key area of research, summarizes findings or shortcomings whenever possible, and provides new results relevant to race/crime and justice. Every contribution is written by a top expert in the field and based on the latest research. With a sharp focus on contemporary race, ethnicity, crime, and justice studies, *The Handbook of Race and Crime* is the ideal reference for advanced undergraduate students, graduate students, and scholars interested in the disciplines such as Criminology, Race and Ethnicity, Race and the Justice System, and the Sociology of Race.
