KEY=GUIDE - PETTY JORDYN

Learning New Languages

A Guide to Second Language Acquisition

Heinle & Heinle Pub *Learning New Languages: A Guide to Second Language Acquisition is a thorough account of key principles of Second Language Acquisition. Voices from the classroom, as well as activities for reflective research, engage the reader in an interactive exploration of how learners acquire new languages.*

How To Learn a Foreign Language

Your Step By Step Guide To Learning a Foreign Language

Doing English Language

A Guide for Students

Routledge *Doing English Language* provides a concise, lively and accessible introduction to the field of English Language studies for readers who are interested in taking courses at university level. This book addresses the fundamental questions about studying English Language, including: How is English Language studied and researched? Which subject areas does English Language draw on? How are different topics approached? How is the study of English Language relevant to real world contexts? What careers can English Language lead to? Written by an experienced teacher, researcher, and examiner, *Doing English Language* is both an essential guide for students at pre-university stage and a course companion for undergraduates choosing options within a degree programme.

How to Learn a Foreign Language: A Practical Guide with Tips and Resources

Jeff Blum *Learning a language can be a daunting process. Should you self-study? Take a course? Buy a software program? Hire a private tutor? What kinds of learning systems are available and which might be right for you? How about the myriad online resources available? And, very importantly, where should you begin? Oh, by the way, how long will all this effort take anyway? You will find the answers to these questions in this short but thorough guide to learning a foreign language. Author Jeff Blum has taught English and studied four languages (Japanese, Spanish, Portuguese and Thai), but he still struggles just as anyone must when learning a language. Jeff did extensive research on all aspects of language learning in an effort to improve his own efforts and he has carefully curated that research into this guide to help you with your efforts as well. In the book you will find: 1. A look at the systems and techniques*

advocated by various language learning experts and sites. 2. A consideration of personal factors in learning a language (motivation, personality, goals, etc.). 3. A discussion of the 8 language learning blocks with recommended resources for tackling each. 4. An overview of the most popular language learning products on the market (Duolingo, Rosetta Stone, Pimsleur, etc.). 5. A comprehensive set of resources to aid you with whatever approach to study you pursue. Whether you are young or old, beginner or advanced, studying your first foreign language or your fifth, there is something for you in this book. If you are a language teacher, this book might help you better understand what your students are up against while giving you ideas and extra resources to aid your teaching efforts.

Understanding Language

A Guide for Beginning Students of Greek and Latin

CUA Press *Understanding Language includes major sections on the noun and verb systems of the classical languages.*

The Quick and Dirty Guide to Learning Languages Fast

Learn Any Language in as Little as a Week!

Racehorse *There are many reasons why you might need to learn a foreign language quickly—perhaps an unexpected business trip or a sudden travel opportunity. A. G. Hawke, a U.S. Army Green Beret, often travels to foreign countries on short notice and has been able to work intimately with officials who do not speak English. Frequently, he needs to be able to communicate in a foreign language in a matter of days or weeks. He tried all types of schools, classes, books, and tapes, but none delivered what he needed when he needed it. Subsequently, he developed his own method for learning languages. It proved so effective for him (he is certified by the military in seven languages) and his fellow Green Berets that he decided to share it with others who are struggling to learn a foreign language on the quick. The Quick and Dirty Guide to Learning Languages Fast is designed for people who have no time t for learning complicated rules of grammar. Hawke promises that his method will help anyone become functional in any language in as little as seven days and proficient in thirty days. How? Because he has trimmed that fat for you, freeing your time for what’s truly useful. Hawke provides a detailed day-by-day schedule, a hands-on workbook format, and secret tips to help you master the key elements of any new language. In true Special Forces style, this quick-and-dirty method contains no fluff; it’s all action so you can quickly get into the action yourself. If your mission is to learn a foreign language, why not learn how from the very best?*

How to Learn a Foreign Language

Simon and Schuster *Explains how to learn foreign languages, offering practical advice for overcoming the obstacles.*

Teaching and Learning Languages

A practical guide to learning by doing

Routledge *This publication provides essential reading for any language teacher. Pupil engagement in the language-learning process is key to success, and with this in mind the authors provide a comprehensive list of ideas as well as explaining the underlying principles of successful language-learning. Neil Jones, Assistant Headteacher Learning a language, especially in a class or group, is an intensely practical subject. Active participation by students is the key to successful language learning at any age or ability level. This book offers teachers a multitude of practical activities in which students take the lead, and clearly links these to the various linguistic*

and pragmatic skills. The book provides clear and comprehensive guidance on the classroom environment, models of teaching and learning, and assessment. It aims to help teachers plan engaging lessons which will enable all students to develop the key skills of speaking, listening, reading and writing in the target language. Topics covered include: The essentials of language learning Use of the target language; training the ear and training the voice Exploiting audio and video recordings Exploiting texts and pictures Using stories and drama in the classroom, and independent reading Making good use of written work Integrating multimedia resources and the Internet across the language skills Integrating grammar into communication Teaching and Learning Languages has been written in line with national and European language policies, reflecting contemporary trends in the teaching and learning of languages. The text's focus on active learning and its indispensable guidance for planning lessons make it essential reading for all trainee and practising teachers.

How to Improve Your Foreign Language Immediately

Foreign Language Communication Tools

Villa Magna, LLC *This is the third edition of a popular book that provides a unique set of tools designed to enhance an individual's success in communication in a foreign language environment. The devices presented allow the speaker of a foreign language to demonstrate the level of his/her language more impressively. These techniques were developed and tested by the author with adult professionals in such varied fields as journalism, diplomacy, government, and international business.*

Teaching Language Online

A Guide for Designing, Developing, and Delivering Online, Blended, and Flipped Language Courses

Routledge *Practical and accessible, this book comprehensively covers everything you need to know to design, develop, and deliver successful online, blended, and flipped language courses. Grounded in the principles of instructional design and communicative*

language teaching, this book serves as a compendium of best practices, research, and strategies for creating learner-centered online language instruction that builds students' proficiency within meaningful cultural contexts. This book addresses important topics such as finding and optimizing online resources and materials, learner engagement, teacher and student satisfaction and connectedness, professional development, and online language assessment. *Teaching Language Online* features: A step-by-step guide aligned with the American Council on the Teaching of Foreign Languages (ACTFL), the Common European Framework of Reference (CEFR) for Languages: Learning, Teaching and Assessment, and the World-Class Instructional Design and Assessment (WIDA) standards Research-based best practices and tools to implement effective communicative language teaching (CLT) online Strategies and practices that apply equally to world languages and ESL/EFL contexts Key takeaway summaries, discussion questions, and suggestions for further reading in every chapter Free, downloadable eResources with further readings and more materials available at www.routledge.com/9781138387003 As the demand for language courses in online or blended formats grows, K-16 instructors urgently need resources to effectively transition their teaching online. Designed to help world language instructors, professors, and K-12 language educators regardless of their level of experience with online learning, this book walks through the steps to move from the traditional classroom format to effective, successful online teaching environments.

The Way of the Linguist

A Language Learning Odyssey

AuthorHouse *The Way of The Linguist, A language learning odyssey.* It is now a cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book *The Way of The Linguist, A language learning odyssey*, Steve offers some answers. Steve

feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve has developed a language learning system available online at: www.thelinguist.com.

The Complete Idiot's Guide to Learning Sign Language

Penguin *Explains how to use American Sign Language to make introductions, tell time, order food, tell a joke, communicate with children, express emotion, and ask for directions*

The Language Lover's Guide to Learning Portuguese

Aberto Publishing *This book is a study companion written in plain English, which explains the things that you need to know to be successful in learning Portuguese. No prior grammatical knowledge is assumed, and technical terms are explained clearly and progressively. Exercises are provided to help you consolidate what you have learned and build your Portuguese vocabulary. Although the main focus is on European Portuguese, Brazilian alternatives are also given. Among the many things covered in this book: How do you pronounce words in Portuguese? What do all those funny little squiggles mean? What exactly are verbs, adjectives, prepositions, and pronouns? How do you know when to use 'ser' and when to use 'estar'? How do you use the personal infinitive? How does the subjunctive work? If you don't know your diacritic from your diphthong, you've come to the right place!*

The Practical Study of Languages

A Guide for Teachers and Learners

Study Skills for Language Students

A Practical Guide

Hodder Arnold *Designed for all language students, this practical guide starts with the four skills--listening, speaking, reading, and writing--and shows how to get the most out of language classes, as well as preparing for the year abroad. It also includes ideas on using the Internet for language study, and a section on career options for language graduates. Mixing sound advice with crosswords, games and reassurance, Study Skills for Language Students lets you make the most of your time in college, whether you are just beginning foreign language study or are in a graduate program.*

Success with Languages

Routledge *Success with Languages is designed to help all students develop the skills they need to become an effective language learner and to make the most of language study. Written by experienced language teachers at the Open University, this book offers undergraduates and postgraduates crucial and practical advice on important areas such as: choosing a language and study programme setting personal goals for language learning and monitoring progress using ICT to support language learning. Each of the ten chapters features a number of exercises in order to help students assess the ways they learn and consider where improvements can be made, making the most of the media available and how to use resources effectively.*

Adam of the Road

Penguin *Eleven-year-old Adam Quartermayne searches the English countryside for his minstrel father, and his dog Nick during the thirteenth-century.*

Language at the Speed of Sight

How We Read, Why So Many Can't, and What Can Be Done About It

We've been teaching reading wrong—a leading cognitive scientist tells us how we can finally do it right

The Sign Of The Beaver

HarperCollins A 1984 Newbery Honor Book Although he faces responsibility bravely, thirteen-year-old Matt is more than a little apprehensive when his father leaves him alone to guard their new cabin in the wilderness. When a renegade white stranger steals his gun, Matt realizes he has no way to shoot game or to protect himself. When Matt meets Attean, a boy in the Beaver clan, he begins to better understand their way of life and their growing problem in adapting to the white man and the changing frontier. Elizabeth George Speare's Newbery Honor-winning survival story is filled with wonderful detail about living in the wilderness and the relationships that formed between settlers and natives in the 1700s. Now with an introduction by Joseph Bruchac.

Spanish in 10 Minutes a Day

Bilingual Books Incorporated The book walks you through your language in 23 easy steps. Almost automatically you will acquire a large working vocabulary that will suit your needs. As you work through the steps, use the sticky labels (included). At the back of the book, you will also find cut-out flash cards to make learning fun. When you have completed the book, cut out the menu at the back and take it along on your trip. Available in 11 languages.

Study Skills for Speakers of English as a Second Language

Palgrave Starting at any university is a major step in life. Students who speak English as a second language, studying in a new country, are taking an even bigger step. Based on interviews with international students and their teachers, this book offers

straightforward advice on academic topics such as language use, as well as social topics and the culture of Western universities. It also contains a helpful mini-dictionary of university words, and so will be an ideal guide for any international student studying in an English-speaking university.

The Ultimate Language Learning Secret

CreateSpace *If you've ever wanted to experience a massive boost in your language learning efforts and see an improvement of 100% ... 200% ... 300% (or more) sooner than you ever imagined possible, then this book may be the most important language learning book you'll ever read. In "The Ultimate Language Learning Secret," you'll discover:*

- * How to escape from the prison of your mother tongue so that you can enjoy the benefits of fluency, including better understanding, communication and advanced experiences in travel for pleasure, business and personal development.*
- * How to identify language learning heroes who can literally transform your current lack of words into an abundance of fluency.*
- * The magic formula for developing discipline, ability and self-control all at the same time so that you can sit and accomplish your language learning goals quickly, easily and in ways that are effective, easy and fun. (This formula alone is worth double the price of this book.)*
- * Exactly how to earn and spend the "currency" of fluency so that you can exchange new ideas with the speakers of your target language, earn their admiration and enjoy their respect.*
- * How to completely re-wire your mind so that the "work" of language learning becomes playtime - every time.*
- * A precise method for using travel magazines to boost your fluency (and whet your appetite for travel so that you get your butt in the plane and enjoy the amazing benefits of traveling in and through the language you're learning to speak.)*
- * How to research the absolutely best training materials so that you can always instantly choose the best and invest your time and money wisely.*
- * How to eliminate negative labels about language learning that most people hold so that you're no longer held back by the nasty "earworms" responsible for "language learning depression."*
- * Why you need a monolingual dictionary in order to truly succeed at language learning and feel like you're really learning the language like a pro.*
- * The ultimate no-nonsense time management strategies for language learning that no one has ever taught you before.*
- * How to train your family, friends and loved ones to give you the necessary space for language learning without having to worry about feeling selfish, needy or coming off as a language learning diva.*
- * ... and much, much more. None of the language learning techniques in this book require rocket surgery or brain science. There's no hype and no exaggerated claims. Frankly, if you can learn to flip a coin, you can learn to speak a language. But there's really no time to lose. Every day that you're not using the Ultimate Language Learning Secret, you're missing out on one of life's most precious and easily accepted gifts: foreign language fluency.*

The Cambridge Guide to Learning English as a Second Language

Cambridge University Press *This volume provides an up-to-date and comprehensive coverage of second language learning. The focus throughout the book is primarily on language learning, but each chapter also discusses the implications for teaching and assessment, thus informing both understanding and practice. The book contains nine sections, which aim to organise and reflect different dimensions of the diverse and complex scope of learning English as a second or additional language. Four themes which permeate the chapters are: learning and learners; learning and language; learning and language development; learning and learning context. The 36 chapters are up-to-date and authoritative, written by experts in the field. The content is accessibly written, with questions for discussion and follow-up reading suggestions provided.*

Fluent Forever

How to Learn Any Language Fast and Never Forget It

Harmony NATIONAL BESTSELLER • *For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. “A brilliant and thoroughly modern guide to learning new languages.”—Gary Marcus, cognitive psychologist and author of the New York Times bestseller Guitar Zero At thirty years old, Gabriel Wyner speaks six languages fluently. He didn’t learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he’s discovered. Starting with pronunciation, you’ll learn how to rewire your ears and turn foreign sounds into familiar sounds. You’ll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you’ll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you’ll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.*

The Whole World Guide to Language Learning

Nicholas Brealey International *An in situ or "on location" approach to language learning is presented for people going abroad for an extended period of time. The approach features two components: (1) the use of a mentor (native speaker who lives in the community and serves as a guide); and (2) the "daily learning cycle" of planning, practicing, communicating face-to-face, and evaluating. This approach gives the traveler responsibility for learning in real interaction situations with immediate feedback. Examples of topics covered include: benchmarks for evaluation; selection, communication with, and compensation for a mentor; hints for increasing interaction opportunities; language structures, nuance, and word clusters; cultural appropriateness; and getting a head start at home. Six detailed lesson plans are included for dining out, transportation, shopping, currency, medical needs, and figuring out meanings of unfamiliar words. Contains 49 references. (LB)*

The Cambridge Guide to Blended Learning for Language Teaching

Cambridge University Press *A volume concerned with best practice in blended learning for language teaching. The Cambridge Guide to Blended Learning for Language Teaching makes the case that it is pedagogy, rather than technology, that should underpin the design of blended learning programmes. The book is organised into five sections: Connecting Theories and Blended Learning; Implications for Teaching; Rethinking Learner Interaction; Case Studies; The Future of Blended Learning. With its research-informed and practitioner-focused approach, this book is ideal for language teachers and language centre managers looking to broaden their understanding of pedagogy and blended learning. It will also be of interest to anyone working on blended learning course design or delivering teacher training courses.*

French in 10 Minutes a Day

Bilingual Books (WA) *A textbook/workbook for learning French quickly, along with cultural information and practical travel tips. Includes four audiocassettes.*

Learning God's Love Language

A Guide to Personal Hebrew Word Study

True Potential *Learning God's Love Language Workbook is a Hebrew word study course that you can use in your personal Bible study. Learn Hebrew almost immediately, without years of memorization and other Hebrew language courses. There is an old proverb, "Give a man a fish and you feed him for a day; teach a man to fish, and you feed him for a lifetime." This comes from an even older proverb; "It is more worthwhile to teach someone to do something than to do it for him." My books have been feeding Christians for a day, that is, I have been doing Hebrew word studies every day for that I send out via e-mail and post online. Now I can now teach you to fish, to do your own word studies, so you will be fed for a lifetime. The Learning God's Love Language Workbook is the companion to my larger work, Learning God's Love Language. This book was previously published under the title Beyond the Hebrew Lexicon. This edition has been completely updated and edited to correct typographical errors and make the text more accurate and understandable. The new typeset in this edition helps the Hebrew alphabet stand out and makes the characters easily recognizable. Learning God's Love Language Workbook will bring you to the place where you can do your own Hebrew word study. Mine the riches of God's Word in the original language by learning the meanings of each Hebrew letter and uncovering the built-in commentary behind each Hebrew word. And by doing so, enrich your understanding of God's Word through His ancient love language.*
