Our bodies can be mysteries to us. We see our arms and legs move, but may have no idea how the muscles beneath look as they contract. We know that our stomachs digest food and our hearts pump blood, but our imagined images of these organs are often inaccurate or incomplete. Even seeing pictures of our internal systems and organs can be misleading if these pictures don't offer a full, 360-degree view. Anatomy 360 shows the human body in its entirety, from the skin to the muscles to the organs to the bones. This stunning ebook provides a unique perspective on our most crucial parts, showing how the structures of our bodies influence their functions. This comprehensive volume covers everything from the vagus nerve—which allows us to swallow, speak, and cough—to the reason our noses run when we cry and why our brains are so important. With Anatomy 360—you'll finally get a complete look at the human body—even the parts you thought you'd never see! The hardcover edition of Anatomy 360 won the Gold Award in Reference from ForeWord's 2011 Book of the Year Awards **American Girl: Ultimate Visual Guide** DK Publishing (Dorling Kindersley) American Girl® Ultimate Visual Guide will be a treasured addition to every American Girl fan's bookshelf.
