The King of Oil The Secret Lives of Marc Rich St. Martin's Griffin Billionaire oil trader Marc Rich for the first time talks at length about his private life (including his expensive divorce from wife Denise); his invention of the spot oil market, which made his fortune and changed the world economy; his lucrative and unpublicized dealings with Ayatollah Khomeini's Iran, Fidel Castro's Cuba, war-ravaged Angola, and apartheid South Africa; his quiet cooperation with the Israeli and U.S. governments (even after he was indicted for tax fraud by Rudy Guiliani) and near-comical attempts by U.S. officials to kidnap him illegally. This sure-to-make-headlines book is the first no-holds-barred biography of Rich, who was famously pardoned by Bill Clinton, and resurfaced in the news during the confirmation hearings of Attorney General Eric Holder. The King of Oil sheds stunning new light on one of the most controversial international businessmen of all time. Metal Men** Marc Rich and the \$10 Billion Scam Open Road Media This true story of the multibillionaire who fled to Switzerland "reads like a mystery novel" (USA Today). How did Marc Rich make over ten billion dollars while paying hardly any taxes? Journalist A. Craig Copetas infiltrated the inner circle of the commodities market and Rich's associates to show not only how the metals and minerals trader pulled off the scam, becoming one of America's most wanted criminals, but also how other traders have used the same model to evade taxes as well. A continuing figure of controversy even after his death, Rich, a hedge fund manager and the founder of Glencore, was wanted for evading almost ninety million dollars in taxes and if caught, could have spent life in prison. From a former staff reporter at The Wall Street Journal, **Metal Men** is a story of international intrigue spanning the globe, from the inside of the White House to the Kremlin, a brilliantly researched work that exposes the inner workings of one of country's largest scams. "Mr. Copetas is at his best evoking the high-stakes, fast-paced life of the commodities traders: the greed and corruption that consume them are the stuff of high drama." —The New York Times Book Review **Get Rich Click! The Ultimate Guide to Making Money on the Internet** Simon and Schuster A mainstream release of a previously self-published best-seller, written by a successful internet traffic developer best known for his record-breaking sale of the Business.com domain name, shares a wealth of insights, tips and strategies for using online resources to build wealth rapidly. **Secrets of the Millionaire Mind** Mastering the Inner Game of Wealth Harper Collins **Secrets of the Millionaire Mind** reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking **Secrets of the Millionaire Mind**, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your

life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. *Secrets of the Millionaire Mind* is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too! *The Millionaire's Secrets Life Lessons in Wisdom and Wealth* Simon and Schuster Writing for those who want more than the average how-to financial advice, the author of *The Instant Millionaire* cites a series of parables and questions to teach readers the lessons of setting goals, listening to the heart, and recognizing the power of thinking big. *The Millionaire's Secrets: Life Lessons in Wisdom and Wealth* is a powerful parable about an encounter with an eccentric but wise millionaire whose mysterious words and probing questions open the door to financial prosperity and a rich, fulfilling life. The Oil Kings How the U.S., Iran, and Saudi Arabia Changed the Balance of Power in the Middle East Simon and Schuster

Reveals the covert agreements that prompted America's decision to switch allegiance from Iran to Saudi Arabia as a dominant Middle-East oil supplier, citing the contributions of key players from Richard Nixon and Henry Kissinger to the Shah and Gerald Ford while explaining how choices in the 1970s set the stage for Iran's Islamic revolution.

That Will Never Work The Birth of Netflix and the Amazing Life of an Idea Little, Brown

In the tradition of Phil Knight's *Shoe Dog* comes the incredible untold story of how Netflix went from concept to company—all revealed by co-founder and first CEO Marc Randolph. Once upon a time, brick-and-mortar video stores were king. Late fees were ubiquitous, video-streaming unheard of, and widespread DVD adoption seemed about as imminent as flying cars. Indeed, these were the widely accepted laws of the land in 1997, when Marc Randolph had an idea. It was a simple thought—leveraging the internet to rent movies—and was just one of many more and far worse proposals, like personalized baseball bats and a shampoo delivery service, that Randolph would pitch to his business partner, Reed Hastings, on their commute to work each morning. But Hastings was intrigued, and the pair—with Hastings as the primary investor and Randolph as the CEO—founded a company. Now with over 150 million subscribers, Netflix's triumph feels inevitable, but the twenty-first century's most disruptive start-up began with few believers and calamity at every turn. From having to pitch his own mother on being an early investor, to the motel conference room that served as a first office, to server crashes on launch day, to the now-infamous meeting when Netflix brass pitched Blockbuster to acquire them, Marc Randolph's transformational journey exemplifies how anyone with grit, gut instincts, and determination can change the world—even with an idea that many think will never work. What emerges, though, isn't just the inside story of one of the world's most iconic companies. Full of counter-intuitive concepts and written in binge-worthy prose, it answers some of our most fundamental questions about taking that leap of faith in business or in life: How do you begin? How do you weather disappointment and failure? How do you deal with success? What even is success? From idea generation to team building to knowing when it's time to let go, *That Will Never Work* is not only the ultimate follow-your-dreams parable, but also one of the most dramatic and insightful entrepreneurial stories of our time.

How John Wrote the Book of Revelation: From Concept to Publication Kim

Mark Lewis How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

Living Rich How to Live As Well As a Billionaire on a Middle-Class Budget "How much money do I really need in order to have everything I could possibly want?" In this book, Mark Morgan Ford answers that question - and it's a lot less than you might think. In Part I of the book, he explores many ways to live rich on a budget. The claim he makes over and over again is simple: It is possible to enjoy the best things in life for a fraction of the money that multimillionaires and billionaires spend on the same quality products and services. Then, in Part II, he argues that, although luxurious things comprise a part of living rich, the bigger and more important part is how you spend your time. He points out that we all - billionaires and minimum-wage workers alike - have the same allotment. We are all given 24 hours a day. How we fill that time, he says, is the most important factor in determining the richness of our experience. By the time you finish the book, you will be convinced that this is true for you. And you will know exactly how to start living each of your 24 hours as richly and as freely as a billionaire.

To save the place they have come to love, Holly and her friends Brian, Rufus, and Amanda risk everything on a perilous journey through the dark realm ruled by the evil Duke of Cuspidor. There they find the hidden city of the Woodspeople and a mysterious link to Holly's Grandpa Nikolas. When they return to the island of Magora, Holly has some big questions to answer. Will she accept the power the High Councilor Krah offers her? Can she find a way to defeat the Unfinished and save Magora? And most of all, where does she really belong-in the real world or a fantasy one? Holly is torn between the two, and as the surprises mount higher, and an instructor is killed, Holly learns that nothing is what it seems, either in Donkleywood or Magora. 7 Life Lessons Starter Kit Createspace Independent Publishing Platform "Now You Can Unlock & Unleash Everything That Is Holding You Back And Keeping You From Moving Forward. Giving You "Clean Slate" To Obtain, Health, Wealth And Most Importantly... Peace of Mind! Let me introduce myself. My name is Dr. Mark Tong and I am a Spiritual Healer and Teacher that has developed a "Process" to identify the "Life Lessons" each individual is dealing with. Let's face it, we are all here learning and dealing with Spiritual lessons. The challenge with these lessons is having the awareness and knowing what these lessons are and what is needed to complete the lesson(s). As you know, by looking back at your own life, these "lessons" continue to repeat and seem to get harder and harder until we learn what we need to learn from them. You find them in your struggles with relationships, abundance, physical conditions and other various aspects of your life. BUT NOW YOU CAN DO SOMETHING... Seeing and understanding your own "Life Lessons" is difficult, and it can be challenging to identify and understand, let alone learn from them. HERE'S WHERE I COME IN... I have developed a special online audio and video program, where you will hear all about "Life Lessons" and how to identify, and more importantly, learn from the lessons so they will never repeat. AND IF THAT'S NOT ENOUGH... As part of the program you will receive an "Emotional Inventory Worksheet" along with**

the "Answer Key" that will lead you through your life events and associate each event with specific "Life Lessons" for that event. Not only is this a valuable resource for your Spiritual growth, but you will learn how to begin helping others with their own "Life Lessons" (priceless). This online program will help you identify: Your remaining "Life Lessons" Who is involved How many times it's repeated The Spiritual concepts tied to the "lessons" Plus: You will receive the tools to begin to "walk through" those "lessons." He wanted to help people and himself to avoid mistakes, to accelerate the learning process, to recognize the actions sequence of everything: wealthy style, healthy style... The good news is that he found the solution and the funny thing is that everything is based on personal meanings. The result: the system is always applicable. It was the first book to boldly ask, "What makes a winner?" The man who asked and listened for the answer, Napoleon Hill, is now counted in the top ranks of the world's winners himself. The most famous of all teachers of success spent "a fortune and the better part of a lifetime of effort" to produce the "Law of Success" philosophy that forms the basis of his books and that is so powerfully summarized in this one. In the original Think and Grow Rich, published in 1937, Hill draws on stories of Andrew Carnegie, Thomas Edison, Henry Ford, and other millionaires of his generation to illustrate his principles. In the updated version, Arthur R. Pell, Ph.D., a nationally known author, lecturer, and consultant in human resources management and an expert in applying Hill's thought, deftly interweaves anecdotes of how contemporary millionaires and billionaires, such as Bill Gates, Mary Kay Ash, Dave Thomas, and Sir John Templeton, achieved their wealth. Outmoded or arcane terminology and examples are faithfully refreshed to preclude any stumbling blocks to a new generation of readers. **KJV Life Application Study Bible, Third Edition, Large Print (Red Letter, Hardcover) Tyndale House Publishers, Inc.** Trusted and treasured by millions of
