DHAMPIR

PART VAMPIRE. PART HUMAN. PERFECT HUNTER

Penguin She hunts the realm's most dangerous game. Her fees are exorbitant. She's worth every coin she receives. Or is she? Magiere has earned a reputation as the most formidable vampire slayer in the land. Villagers far and wide welcome her with both awe and disdain—grateful to her for ridding their towns of the undead menace, but finding themselves made poorer for their salvation. Magiere knows she's dealing with simple folk, who only wish to have their superstitions silenced, and sees nothing wrong with exploiting them for profit. Now, tired of the game, Magiere and her partner, the half-elf Leesil, are ready to hang up their weapons and settle down in a place they can finally call home. But their newfound peace will not last—for Magiere has come to the attention of a trio of powerful and dangerous vampires who know her true identity—and fear the birthright that flows through her veins. And they will stop at nothing to keep Magiere from fulfilling her destiny.

THIEF OF LIVES

Penguin "Take Anita Blake, vampire hunter, and drop her into a standard fantasy world and you might end up with something like this exciting first novel."—Chronicle "A mix of The Lord of the Rings and Buffy the Vampire Slayer...an engaging adventure."—New York Times bestselling author Kevin J. Anderson Magiere the dhampir thought that her nights of hunting vampires were over. Settling down in her newly adopted village of Miiska—now vampire-free thanks to her and her half-elf partner, Leesil—she looked forward to quiet days tending to her tavern. But far away in the capital city of Bela, a prominent councilman's daughter has been found dead on her own doorstep—and all signs point to a vampire. Bela's town council offers a generous bounty to the dhampir if she will slay their vampire, knowing that the battered and burned village of Miiska could use the infusion of cash. Magiere resists, wanting nothing more than to forget her past—and ignore her half-vampire nature. Only Leesil, her partner and confidant, can persuade Magiere to follow her destiny—before more innocents are claimed by darkness. . . .
