**KEY=EVIL - KADENCE MARELI**

---

## In Evil Hour

*Harper Collins* **Written just before One Hundred Years of Solitude, this fascinating novel of a Colombian river town possessed by evil points to the author's later flowering and greatness.**

## In Evil Hour

*Blackstone Publishing* **In Evil Hour is the thrilling story about the smears, defamations, infidelities, and torrential rains that afflict a small Colombian town, and the sacrifice of a boy that brings torment and chaos to an end, from the masterful Gabriel García Márquez, author of One Hundred Years of Solitude and Love in the Time of Cholera. One morning, slanderous posters start appearing all over the town, revealing family secrets and maligning individuals. Ghosts of the past reappear, along with old feuds and infidelities. Torrential rains then flood the town and chaos is everywhere. Neighbors suspect each other, yet no one knows who is responsible. Finally, a boy is made the scapegoat and tragedy ensues. In Evil Hour contains vivid characters who reflect the humor and pathos of everyday life. This brooding novel clearly points the way to the flowering of García Márquez's genius in his later One Hundred Years of Solitude.**

## The Evil Hours

## A Biography of Post-Traumatic Stress Disorder

*HMH* **“An essential book” on PTSD, an all-too-common condition in both military veterans and civilians (The New York Times Book Review). Post-traumatic stress disorder afflicts as many as 30 percent of those who have experienced twenty-first-century combat—but it is not confined to soldiers. Countless ordinary Americans also suffer from PTSD, following incidences of abuse, crime, natural disasters, accidents, or other trauma—yet in many cases their symptoms are still shrouded in mystery, secrecy, and shame. This “compulsively readable” study takes an in-depth look at the subject (Los Angeles Times). Written by a war correspondent and former Marine with firsthand experience of this disorder, and drawing on interviews with individuals living with PTSD, it forays into the scientific, literary, and cultural history of the illness. Using a rich blend of reporting and memoir, The Evil Hours is a moving work that will speak not only to those with the condition and to their loved ones, but also to all of us struggling to make sense of an anxious and uncertain time.**

## Evil Hour in Colombia

*Verso* **Colombia is the least understood of Latin American countries. Its human tragedy, which features terrifying levels of kidnapping, homicide and extortion, is generally ignored or exploited. In this urgent new work Forrest Hylton, who has extensive first-hand experience of living and working in Colombia, explores its history of 150 years of political conflict, characterized by radical-popular mobilization and reactionary repression. Evil Hour in Colombia shows how patterns of political conflict, from the mid-nineteenth century to today's guerilla narco-traffickers and paramilitaries, explain the wear currently destroying Colombian lives, property, communities and territory. In doing so, it traces how Colombia's "coffee capitalism" gave way to the cattle and cocaine republic of the 1980s, and how land, wealth and power have been steadily accumulated by the light-skinned top of the social pyramid through a brutal combination of terror, expropriation and economic depression.**

## Midnight in the Garden of Good and Evil

*Vintage* **NATIONAL BESTSELLER • “Elegant and wicked.... [This] might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.” —The New York Times Book Review** Shots rang out in Savannah's grandest mansion in the misty,early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Midnight in the Garden of Good and Evil is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

## Dark Hour

*Createspace Independent Publishing Platform* **The End is Here Greensboro has fallen. Swayed by the demonic Strange Man, the townspeople have sacrificed their freedom for prosperity. Monsters lurk in every shadow and the few who oppose the new regime have been chased out of town, forced to wage their war in hiding. For ex-reverend Jeff Weldon and those under his care, it is a losing battle, but the tide begins to turn with the return of his brother Dras. Dras arrives at his hometown to find it has descended into darkness - but the worst is yet to come. The Strange Man's final plan is falling into place and the Dark Hour is close at hand. Dras, Jeff, and the last of Greensboro's protectors work frantically to unlock the Strange Man's secrets and uncover the key to stopping the Dark Hour before all is lost. But when Dras discovers the fate of his best friend, Rosalyn Myers, he will realize that he has more to lose in this battle than he ever imagined. Dark Hour is the explosive final act in The Coming Evil Trilogy. All bets are off as the remnant of light clash with the armies of darkness. The final fates of Jeff, Isabella, Dras, and Rosalyn, along with all of Greensboro, will be decided in a desperate last stand.**

## Resident Evil: Zero Hour

*Titan Books (US, CA)* Sent to investigate a series of grisly murders in Raccoon City, S.T.A.R.S Bravo Team scrambles into action. Following a helicopter crash, the team stumble across a gruesome sight: an overturned military transport truck riddled with corpses - and that's only the beginning of their nightmare. As evil grows around them, rookie member Rebecca Chambers wonders what she's gotten herself into.

## The Witching Hour

*Ballantine Books* From the author of the extraordinary Vampire Chronicles comes a huge, hypnotic novel of witchcraft and the occult through four centuries. Demonstrating, once again, her gift for spellbinding storytelling and the creation of legend, Anne Rice makes real for us a great dynasty of witches--a family given to poetry and to incest, to murder and to philosophy; a family that, over the ages, is itself haunted by a powerful, dangerous, and seductive being. On the veranda of a great New Orleans house, now faded, a mute and fragile woman sits rocking . . . and The Witching Hour begins. It begins in our time with a rescue at sea. Rowan Mayfair, a beautiful woman, a brilliant practitioner of neurosurgery--aware that she has special powers but unaware that she comes from an ancient line of witches--finds the drowned body of a man off the coast of California and brings him to life. He is Michael Curry, who was born in New Orleans and orphaned in childhood by fire on Christmas Eve, who pulled himself up from poverty, and who now, in his brief interval of death, has acquired a sensory power that mystifies and frightens him. As these two, fiercely drawn to each other, fall in love and--in passionate alliance--set out to solve the mystery of her past and his unwelcome gift, the novel moves backward and forward in time from today's New Orleans and San Francisco to long-ago Amsterdam and a château in the France of Louis XIV. An intricate tale of evil unfolds--an evil unleashed in seventeenth-century Scotland, where the first "witch," Suzanne of the Mayfair, conjures up the spirit she names Lasher . . . a creation that spells her own destruction and torments each of her descendants in turn. From the coffee plantations of Port au Prince, where the great Mayfair fortune is made and the legacy of their dark power is almost destroyed, to Civil War New Orleans, as Julien--the clan's only male to be endowed with occult powers--provides for the dynasty its foothold in America, the dark, luminous story encompasses dramas of seduction and death, episodes of tenderness and healing. And always--through peril and escape, tension and release--there swirl around us the echoes of eternal war: innocence versus the corruption of the spirit, sanity against madness, life against death. With a dreamlike power, the novel draws us, through circuitous, twilight paths, to the present and Rowan's increasingly inspired and risky moves in the merciless game that binds her to her heritage. And in New Orleans, on Christmas Eve, this strangest of family sagas is brought to its startling climax.

## The Saga of Tanya the Evil, Vol. 3 (manga)

*Yen Press LLC* At last, the long-awaited days of tranquility are here! Tanya begins attending war college, where she spends her time feasting in leisure. But who would've thought that a conversation with General von Zettour would lead to another turn of events...! Will her days of delicious bread and clean bed sheets come to an end?

## The Hour of Meeting Evil Spirits

## An Encyclopedia of Mononoke and Magic

In Japan, it is said that there are 8 million kami. These spirits encompass every kind of supernatural creature; from malign to monstrous, demonic to divine, and everything in between. Most of them seem strange and scary-even evil-from a human perspective. They are known by myriad names: bakemono, chimimoryo, mamono, mononoke, obake, oni, and yokai. Yokai live in a world that parallels our own. Their lives resemble ours in many ways. They have societies and rivalries. They eat, sing, dance, play, fight, compete, and even wage war. Normally, we keep to our world and they keep to theirs. However, there are times and places where the boundaries between the worlds thin, and crossing over is possible. The twilight hour-the border between daylight and darkness-is when the boundary between worlds is at its thinnest. Twilight is the easiest time for yokai to cross into this world, or for humans to accidentally cross into theirs. Our world is still awake and active, but the world of the supernatural is beginning to stir. Superstition tells people to return to their villages and stay inside when the sun sets in order to avoid running into demons. This is why in Japanese the twilight hour is called omagatoki: "the hour of meeting evil spirits." This encyclopedia contains over 125 illustrated entries detailing the monsters of Japanese folklore and the myths and magic surrounding them. This book was first funded on Kickstarter in 2013.

## An Evil Hour

*Ibooks* John Connor and his mother Sarah face a squad of Terminators from another timeline who are determined to start the war John is trying to forestall, but they get an unexpected ally--a female cyborg from a different dimension.

## Evil Hour in Colombia

*Verso Books* Colombia is the least understood of Latin American countries. Its human tragedy, which features terrifying levels of kidnapping, homicide and extortion, is generally ignored or exploited. In this urgent new work Forrest Hylton, who has extensive first-hand experience of living and working in Colombia, explores its history of 150 years of political conflict, characterized by radical-popular mobilization and reactionary repression. Evil Hour in Colombia shows how patterns of political conflict, from the mid-nineteenth century to today's guerilla narco-traffickers and paramilitaries, explain the wear currently destroying Colombian lives, property, communities and territory. Where did the idea for each bone-chilling story come from?

## The Thrilling Adventure Hour: Residence Evil

*BOOM! Studios* Based on the popular Hollywood stage show and podcast, *The Thrilling Adventure Hour: Residence* follows fan-favorite characters Frank and Sadie Doyle in “Beyond Belief”. It’s time to send the little ones to dreamland and set your radio’s dial to “spooky.” Steel yourself for mysterious suspense in...**BEYOND BELIEF** Meet Frank and Sadie Doyle, toast of the upper crust. Headliners on the society pages. And, oh yes, they see ghosts. Trading quips and tossing back cocktails, the Doyles take what they want and hoodwink their clientele for the rest. When one night of having a drink (or ten) with friends goes horribly wrong at a haunted house, the Doyles find themselves face-to-face with ancient beings of the blood-sucking variety. Luckily, their blood alcohol content is up for the task. Written by the creators of the wildly popular Hollywood stage show and podcast, Ben Acker and Ben Blacker (*Deadpool*, *Star Wars Adventures*), and illustrated by M.J. Erickson, *The Thrilling Adventure Hour: Residence Evil* is a rip-roaring adventure that harkens back to the heyday of old-time radio entertainment. Collects *The Thrilling Adventure Hour* #1-4.

## Mr. Penumbra's 24-Hour Bookstore

### A Novel

*Harper Collins* The Great Recession has shuffled Clay Jannon out of his life as a web-design drone, and serendipity, sheer curiosity and the ability to climb a ladder like a monkey have landed him a new gig working the night shift at Mr. Penumbra’s 24-Hour Bookstore. But Clay begins to realize that this store is even more curious than its name suggests. There are only a few customers, but they come in repeatedly and never seem to actually buy anything. Instead they “check out” impossibly obscure volumes from strange corners of the store, all according to some elaborate, long-standing arrangement with the gnomic Mr. Penumbra. The store must be a front for something larger, Clay concludes, and soon he has embarked on a complex analysis of the customers’ behaviour and roped his friends into helping him figure out just what’s going on. But once they take their findings to Mr. Penumbra, they discover the secrets extend far beyond the walls of the bookstore. Evoking both the fairy-tale charm of Haruki Murakami and the enthusiastic novel-of-ideas wizardry of Neal Stephenson or Umberto Eco, Mr. Penumbra’s 24-Hour Bookstore is exactly what it sounds like—an establishment you have to enter and will never want to leave.

## The Hour of the Star

*New Directions Publishing* In a haunting psychological tale of despair and freedom, Macabea is ugly, underfed, sickly, and unloved yet she fascinates Rodrigo because she is unaware of how unhappy she should be

## The Children's Hour

## I'm Not Here to Give a Speech

*Vintage* Available in English for the first time in the U.S., a collection of the speeches of Nobel Prize-winning author Gabriel García Márquez. Throughout his life, Gabriel García Márquez spoke publicly with the same passion and energy that marked his writing. Now the wisdom and compassion of these performances are available in English for the first time. I'm Not Here to Give a Speech records key events throughout the author's life, from a farewell to his classmates delivered when he was only seventeen to his Nobel Prize acceptance speech. Written across a lifetime, these speeches chart the growth of a genius: each is a snapshot offering insights into the beliefs and ideas of a world- renowned storyteller. Preserving García Márquez's unmistakable voice for future generations, I'm Not Here to Give a Speech is a must-have for anyone who ever fell in love with Macondo or cherished a battered copy of Love in the Time of Cholera.

## "Who Could That Be at This Hour?"

*Little, Brown Books for Young Readers* In a fading town, far from anyone he knew or trusted, a young Lemony Snicket began his apprenticeship in an organization nobody knows about. He started by asking questions that shouldn't have been on his mind. Now he has written an account that should not be published, in four volumes that shouldn't be read. This is the first volume.

## ANTHEM

*BEYOND BOOKS HUB* Hailed by *The New York Times* as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, *The Fountainhead* and *Atlas Shrugged*. *Publisher's Weekly* acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

## An Evil Hour

*Pan Macmillan* From the bestselling author of *The Inspector Lloyd and Sergeant Hill Series*... No one was more stunned than Annie Maddox when they found the body of Gerald Culver MP. Because Annie, the manager of the Wellington Hotel, Amblesea, was Culver’s mistress. Enter Harry Lambert, ex-policeman-turned-reluctant-private-eye, who’s hired by Culver's wife to find her husband's killer. Annie's world is now filled with menace, because somewhere out there, along the edge of a wintry sea, a killer stalks...

## Hour of the Witch

### A Novel

*Vintage* **NEW YORK TIMES BEST SELLER** • From the acclaimed author of *The Flight Attendant*: "Historical fiction at its best.... The book is a thriller in structure, and a real page-turner, the ending both unexpected and satisfying" (Diana Gabaldon, bestselling author of the *Outlander* series, *The Washington Post*). A young Puritan woman—faithful, resourceful, but afraid of the demons that dog her soul—plots her escape from a violent marriage in this riveting and propulsive novel of historical suspense. Boston, 1662. Mary Deerfield is twenty-four-years-old. Her skin is porcelain, her eyes delft blue, and in England she might have had many suitors. But here in the New World, amid this community of saints, Mary is the second wife of Thomas Deerfield, a man as cruel as he is powerful. When Thomas, prone to drunken rage, drives a three-tined fork into the back of Mary's hand, she resolves that she must divorce him to save her life. But in a world where every neighbor is watching for signs of the devil, a woman like Mary—a woman who harbors secret desires and finds it difficult to tolerate the brazen hypocrisy of so many men in the colony—soon becomes herself the object of suspicion and rumor. When tainted objects are discovered buried in Mary's garden, when a boy she has treated with herbs and simples dies, and when their servant girl runs screaming in fright from her home, Mary must fight to not only escape her marriage, but also the gallows. A twisting, tightly plotted novel of historical suspense from one of our greatest storytellers, *Hour of the Witch* is a timely and terrifying story of socially sanctioned brutality and the original American witch hunt.

Hours with the mystics: a contribution to the history of religious opinion. , revised by the author

## The Shadow Hour

*Delacorte Press* The much-anticipated sequel to the book *Danielle Page*, author of *Dorothy Must Die*, says is "inventive, gorgeous, and epic--Grey dazzles." Everything in Echo's life changed in a blinding flash when she learned the startling truth: she is the firebird, the creature of light that is said to bring peace. The firebird has come into the world, but it has not come alone. Every action has an equal and opposite reaction, and Echo can feel a great and terrible darkness rising in the distance. Cosmic forces threaten to tear the world apart. Echo has already lost her home, her family, and her boyfriend. Now, as the firebird, her path is filled with even greater dangers than the ones she's already overcome. She knows the Dragon Prince will not fall without a fight. Echo must decide: can she wield the power of her true nature--or will it prove too strong for her, and burn what's left of her world to the ground? Welcome to the shadow hour. Praise for the *Girl at Midnight* Series: "A stunning debut. . . . Equal parts atmosphere and adventure, Melissa Grey's *The Girl at Midnight* is positively divine." —Victoria Schwab, author of *A Darker Shade of Magic* "An action- and angst-packed installment reminiscent of *Buffy* and Neil Gaiman's *Neverwhere*." —Kirkus Reviews "Catnip for fans of *Cassandra Clare*." —BookPage.com "A must-read." —Paste magazine "You are going to love Echo." —Bustle.com "Sparks fly. . . . Will please fans of *Cassandra Clare* and *Game of Thrones* watchers with its remarkable world building; richly developed characters; and themes of family, power, loyalty, and romance." —Booklist, Starred "A feisty heroine, fun supporting characters, a mission to save the world, and some seriously spicy romance." —SLJ "Fast-paced, action-packed, and full of laughs." —Nerdist.com "Enthralling and pure magic, Grey's debut is delightful!" —Romantic Times "A page-turner—I was hooked from start to finish." —Latina Magazine

### The Stolen Hours

*Mulholland Books* **A woman finds herself in a race not only for justice but for her life in this "riveting, hold-your-breath" new mystery from the bestselling author of The Life We Bury (Karin Slaughter, New York Times bestselling author). Lila Nash is on the verge of landing her dream job—working as a prosecutor under the Hennepin County Attorney—and has settled into a happy life with her boyfriend, Joe Talbert. But when a woman is pulled from the Mississippi River, barely alive, things in the office take a personal turn. The police believe the woman's assailant is local photographer Gavin Spenser, but the case quickly flounders as the evidence wears thin. It seems Gavin saw this investigation coming—and no one can imagine how carefully he has prepared. The more determined Lila is to put Gavin behind bars, the more elusive justice becomes. Battling a vindictive new boss and haunted by the ghosts of her own unspeakable attack, which she's kept a dark secret for eight long years, Lila knows the clock is ticking down. In a race against an evil mastermind, it will take everything Lila's got to outsmart a killer—and to escape the dark hold of her own past. "A near-perfect thriller, The Stolen Hours is a true nail-biter that will have you reading long into the night." —Book Reporter "Even readers who predict the tale's biggest twist before it arrives will still have the breath knocked out of them by the surprises that follow." —Kirkus Reviews (starred review) "There's not a moment misplaced or a second lost. With the precision of a watchmaker, Eskens assembles the fine parts of a mystery and sets them to the tempo of a thriller, leaving the reader breathless." —Craig Johnson, author of the Walt Longmire Mysteries**
