Tom Brown is mostly based on the author's brother George Hughes. The peak of Tom Brown's school career - a cricket match was also written from the author's own experiences. "Tom Brown's School Days" inspired several film adaptations and started a whole new genre of British literature - British school novels.* **School Days at Rugby The Scouring of the White Horse Or, The Long Vacation Ramble of a London Clerk Where Waters Meet** *Ulverscroft In the mid-Nineteenth century, handsome Thomas Cartwright is the envy of his peers. He has overcome adversity; the loss of both parents in a boating accident on the River Humber while he was only four. Yet now, in adulthood, he is a partner in a thriving shipyard. And he has the love of two strikingly beautiful women. Maria, dark and sensuous, is rescued by Thomas from a house of ill-repute. trotting Victorian becomes the target of blackmailing beauties. Evading danger, bedding women, and profiting from every opportunity, Flashman once again weasels his way into history, this time in John Brown's raid of Harper's Ferry, just before the Civil War. As a result of Flashy's leaching, lying, cheating, and stealing on land, on sea, and on the rails, not only did John Brown become a martyr, Lincoln became president, and the nation plunged into a bloodbath. **Tom Brown's School Days, by Thomas Hughes Flashman A Novel** Penguin "If ever there was a time when I felt that 'watcher-of-the-skies-when-a-new-planet' stuff, it was when I read the first Flashman."-P.G. Wodehouse

The first novel in the Flashman series Fraser revives Flashman, a caddish bully from Tom Brown's Schooldays by Thomas Hughes, and relates Flashman's adventures after he is expelled in drunken disgrace from Rugby school in the late 1830s. Flashy enlists in the Eleventh Light Dragoons and is promptly sent to India and Afghanistan, where despite his consistently cowardly behavior he always manages to come out on top. Flashman is an incorrigible anti-hero for the ages. This humorous adventure book will appeal to fans of historical fiction, military fiction, and British history as well as to fans of Clive Cussler, James Bond, and The Three Musketeers. **The Sinews of the Spirit The Ideal of**

Christian Manliness in Victorian Literature and Religious Thought Cambridge University Press This book provides a fresh perspective on nineteenth-century life by examining the nature and context of 'Christian manliness' or 'muscular Christianity', an ideal of conduct that was widely popular with Victorian preachers and writers. It pays particular attention to Charles Kingsley (author of *The Water-Babies*) and Thomas Hughes (author of *Tom Brown's Schooldays*). Dr Vance traces the origins of Christian manliness in the traditions of English sporting prowess, in notions of chivalry and gentlemanliness, and in the preaching of vigorous virtue from St Paul to Victorian evangelists. He also considers the social and religious thought of Coleridge, Carlyle, F. D. Maurice and Thomas Arnold, showing how Kingsley and Hughes developed their own ideals of Christian manliness against this background, and in keen response to the troubles of their time: social unrest, religious rancour, war and disease. A final chapter traces the fragmentation and debasement of the ideal in the twentieth century. **The Manliness of Christ Tom Brown's School**

His deceptively simple verse uses the ingenious arguments typical of seventeenth-century 'metaphysical' poets, and unusual imagery drawn from musical structures, the natural world and domestic activity to explore a mosaic of Biblical themes. From the wit and wordplay of 'The Pulley' and the formal experimentation of 'Easter Wings' and 'Paradise', to the intense, highly personal relationship between man and God portrayed in 'The Collar' and 'Redemption', the works collected here show the transcendental power of divine love. **The Crucifixion of Philip Strong** Good Press "The Crucifixion of Philip Strong" by Charles M. Memoir of Daniel Macmillan Scottish Publisher from the Isle of Arran, Scotland Daniel MacMillan (Scottish Gaelic: Dòmhnall MacMhaolain; 13 September 1813 - 27 June 1857) was a Scottish publisher from the Isle of Arran, Scotland. Life: Daniel MacMillan was born on 13 September 1813, in the Isle of Arran to a crofting family. Moving to London, he founded Macmillan Publishers, with his brother Alexander. In 1833, he came to London to work for a Cambridge bookseller. In 1844, he decided to expand into the publishing business. Macmillan, with the recommendation of his brother Alexander, sent George Edward Brett to open the first American office in New York. He died at Cambridge on 27 June 1857. He is buried in the Mill Road cemetery, Cambridge. Family He married, on 4 September 1850, Frances, daughter of a Mr Orridge, a chemist in Cambridge. They had two sons, Frederick (born 1851) and Maurice Crawford Macmillan (1853-1936). Maurice married Helen (Nellie) Artie Tarleton Belles (1856-1937), and their son Maurice Harold Macmillan became Prime Minister.....

Thomas Hughes QC (20 October 1822 - 22 March 1896) was an English lawyer, judge, politician and author. He is most famous for his novel *Tom Brown's School Days* (1857), a semi-autobiographical work set at Rugby School, which Hughes had attended. It had a lesser-known sequel, *Tom Brown at Oxford* (1861). Hughes had numerous other interests, in particular as a Member of Parliament, in the British co-operative movement, and in a settlement in Tennessee reflecting his values. Early life Hughes was the second son of John Hughes, editor of the *Boscobel Tracts* (1830) and was born in Uffington, Berkshire (now Oxfordshire). He had six brothers, and one sister, Jane Senior who later became Britain's first female civil servant. At the age of eight he was sent to Twyford School, a preparatory public school near Winchester, where he remained until the age of eleven. In February 1834 he went to Rugby School, which was then under the celebrated Thomas Arnold, a contemporary of his father at Oriel College, Oxford. Hughes excelled at sports rather than in scholarship, and his school career culminated in a cricket match at Lord's Cricket Ground. In 1842 he went on to Oriel College, and graduated B.A. in 1845. At Oxford, he played cricket for the university team in the annual University Match against Cambridge University, also at Lord's, and a match that is still now regarded as first-class cricket. Legal career Hughes was called to the bar in 1848, became Queen's Counsel in 1869 and a bencher in 1870. He was appointed to a county court judgeship in the Chester district in July 1882. Works While living at Wimbledon, Hughes wrote his famous story *Tom Brown's School Days*, which was published in April 1857. He is associated with the novelists of the "muscular school", a loose classification but centred on the fiction of the Crimean War period. Although Hughes had never been a member of the sixth form at Rugby, his impressions of the headmaster Thomas Arnold were reverent. Hughes also wrote *The Scouring of the White Horse* (1859), *Tom Brown at Oxford* (1861), *Religio*

Laici (1868), *Life of Alfred the Great* (1869) and *the Memoir of a Brother*. His brother, George Hughes, was the model for the Tom Brown character..... **Flash for Freedom!** Penguin A game of cards leads Flashman from the jungle death-house of Dahomey to the slave state of Mississippi as he dabbles in the slave trade in Volume III of the "Flashman Papers". When Flashman was inveigled into a game of pontoon with Disraeli and Lord George Bentinck, he was making an unconscious choice about his own future - would it lie in the House of Commons or the West African slave trade? Was there, for that matter, very much difference? Once again Flashman's charm, cowardice, treachery, lechery and fleetness of foot see the lovable rogue triumph by the skin of his chattering teeth. **Thomas Hughes Tom Browns's Schooldays Tom Brown's Schooldays [by T.
